## PRESIDENT'S ADDRESS

---

While of course I have the usual regret that every Parish and Mission in the District is not represented here today, still it affords me a great deal of pleasure to welcome those of you who testify by your presence here, your interest in the work we are about to consider. Last year for the first time in the history of the Woman's Auxiliary in the District an annual report was printed, and 750 copies sent to Churchwomen in the Parishes and Missions. Our apportionment, \$133.50, which was the amount of money we were asked to give to the Board of Missions for the general work of the Church, was met in full, and without any apparent effort from any one Guild or Auxiliary. Also a delegate was sent as our representative to the Missionary Conference of the Sixth Department held in Minneapolis last October, and her expenses were paid by the Auxiliary. It is a pleasure to note that when we have sent delegates to such conferences they have returned to their parish branches with a deeper sense of obligation, and a desire to spur others on to greater effort to work.

In some respects last year has been quite satisfactory, but there are still opportunities for greater usefulness.

There are several points which it might be well for me to emphasize.

First, the spread of missionary knowledge, by the use of the Spirit of Missions. I think the District should be divided into sections, each section to have for its superintendent, so to speak, one of the vice presidents whose duty shall be to solicit for, and have entire charge of collecting subscriptions for, the Spirit of Missions. So far the vice-presidents have had no responsibility, and this plan would not only relieve the president of considerable care, but also I feel sure would be of much benefit to our work.

Second, I would urge the more general giving to the United Offering. This does not necessarily mean much from any one person, but if each woman would give as many pennies each year as she is old, we would have a big offering from North Dakota. As I said last year this offering is not counted on the apportionment, nor is it made in payment of any pledge. It is a free will contribution to the Thank Offering of the women of the Church, presented at every Triennial Service of the Woman's Auxiliary, at the meeting of the General Convention. Next year we will close the year on the first of May instead of September 1st,

that we may be able to give a complete account of the United Offering at our Convocation.

The point I am most desirous of making, and the end that it should be our ambition to achieve, is to put the Auxiliary work of North Dakota on a better business basis. To be more definite, I mean the payment by every Guild of the annual dues of one dollar, which go towards the running expenses such as postage and printing, which includes circulars and annual report,—and when possible the traveling expenses of a delegate to the Annual Meeting of our Sixth Missionary Department.

It is very disappointing not to receive answers to letters, and of the seventy-four circular letters sent to secretaries of Guilds, asking that the blanks be filled out and returned promptly as requested, only *sixteen* were answered. You can readily see that this is not the proper business method, and I particularly urge that in the future each Guild will endeavor to help the Secretary by acknowledging all letters when requested to do so.

During the past year your President has visited thirteen Missions, namely, Bismarck, Bathgate, Casselton, Dickinson, Forest River, Jamestown, Lisbon, Mandan, New Rockford, Pembina, Sheldon, Valley City, and Walhalla, covering 1376 miles. I am most anxious to get into close touch with all the workers in the Guilds throughout the District, and will try to visit any Mission where it is desired. Each Guild should strive to make its meetings inspiring, instructive and industrious. We ought to understand our relations to the General Board of Missions, and accept any responsibility which it entails. The General Auxiliary makes no demands which are impossible, if each Branch and Guild will do its share. Without growth there cannot be life in Missionary work, and it should be the aim of all of us that each year see a marked increase of labor, accomplishment, and giving.

## REPORT ON CHURCH HOME AT VALLEY CITY

---

On the first day of last June the property which has for the past twelve months been rented for use as a Church Home for students of the State Normal School, was purchased for the sum of \$6800.00. Of this sum \$3300.00 cash was raised, the balance of \$3500.00 being borrowed.

This Home is not an enterprise of the Mission of Valley City, but a District Institution. It is entitled to and asks for the heartiest financial support of the whole State, and the coöperation of every communicant. The hardest time of its life must necessarily be during the first years of its existence, when heavy expenses have to be met, and people have to be interested. When the property is paid for, the Home can easily take care of itself.

Our financial condition at present is as follows,

Total cost	-	-	\$6800 00
Total paid	-	-	3650 00
Total to pay	-	-	3150 00

in four and one-half years.

Although our work is primarily for the students of the Normal School, we try to do some outside work also. During the past year we have distributed Church papers in the County jail and Poor House. We have had during the two years almost continuously an invalid child in the Home. We have rescued to life many tramps and started them in self-supporting business. There have been cared for during the past year, eighty-six different persons, about seventy-five per cent of them either students or teachers in the Normal School. The others are teachers and students in the Public Schools, and a few stray boarders. We have received during the year from

Jamestown—box jelly and celery.

Dickinson—comforters and towels.

Bathgate—barrel fruit.

Grand Forks Auxiliary—Comforters.

Fargo Auxiliary—box of jelly and pickles, box of soap.

Fargo St. Cecilia—Towels and napkins.

Trinity Church Boston—box of books.

St. Simon's, Chicago—barrel of linen and comforters.

Philadelphia Auxiliary—blankets, linen, towels, value \$75.00.

Mrs. I. P. Clapp—two feather beds.

Fargo Guild—Comforters.

Kenmare—Comforter and towels.

## PRAYERS OF THE WOMAN'S AUXILIARY

---

Almighty and Merciful God, of Whose only gift it cometh that Thy faithful people do unto Thee true and laudable service; grant, we beseech Thee, that we may so faithfully serve Thee in this life, that we fail not, finally, to attain Thy heavenly promises; through the merits of Jesus Christ our Lord. *Amen.*

O LORD, without Whom our labor is but lost, and with Whom Thy little ones go forth as the mighty, we humbly beseech Thee to prosper all works in Thy Church undertaken according to Thy Holy Will, especially the work of the Woman's Auxiliary; and grant to Thy laborers a pure intention, patient faith, sufficient success upon earth and the blessedness of serving Thee in Heaven; and especially to those who labor in the Word and Doctrine, grant the abundant blessing which shall give the increase to their sowing of the seed, so that in all ways Thy Holy Name may be glorified, and Thy Blessed Kingdom enlarged. Accept as done unto Thy Dear Son whatsoever we may do in Thy Name for Thy Ministry or Thy poor, through the Same Thy Son, Jesus Christ our Lord. *Amen.*

Direct us Lord in all our doings with Thy most gracious favor, and further us with Thy continued help that in our works begun, continued and ended in Thee, we may glorify Thy Holy Name, and finally by Thy mercy obtain everlasting life, through Jesus Christ, our Lord. *Amen.*
