Collects for Daily Use of the Members of the Woman's Auxiliary in the Diocese of Olympia

Almighty and Everlasting God, Who dost govern all things in heaven and earth: Mercifully hear the supplications of us Thy servants, and grant unto this Diocese all things needful for its spiritual welfare: Strengthen and confirm the faithful; visit and relieve the sick; turn and soften the wicked; rouse the careless; recover the fallen; restore the penitent; remove all hindrances to the advancement of Thy truth; bring all to be of one heart and mind within the fold of Thy holy Church; to the honor and glory of Thy Name; through Jesus Christ our Lord. Amen.

O Lord Jesus Christ Who didst command Thy disciples to pray the Lord of the harvest that He would send forth laborers into His harvest: We beseech Thee graciously to behold this Diocese of Olympia where the harvest is indeed plenteous but the laborers are few. Increase, we pray Thee, the number of the faithful ministers of Thy Word and Sacraments. And grant that they going forth in the spirit of love and devotion may be abundantly rewarded; through Jesus Christ our Lord. Amen.

Almighty, Everliving God who by Thy Son Jesus Christ has commanded that Thy people shall be witnesses unto Thee in their own homes, their own cities and communities, and also unto the uttermost parts of the earth: We pray Thee stir up our wills, and the wills of all Thy people, that we may gladly obey Thy commandment. Quicken, we pray Thee, our interest in and love for the Missionary work of Thy Church. Especially we pray Thee for the extension and upbuilding of Thy Church throughout this Diocese of Olympia; and since Thou hast made us workers together with Thyself, grant that we may be ever ready to give of our means and labors for the accomplishment of Thy blessed will.

Bless Thy servants, our Bishop and other ministers. Guide them and help them in the great work committed to them. Grant that they may both perceive and know what things they ought to do, and have grace and power faithfully to fulfill the same; through Jesus Christ our Lord. Amen.

PRESIDENT'S ADDRESS

For nine consecutive years it has been my honor and pleasure, as your President, to address this gathering, and you can scarcely wonder that I ask myself if there is anything I can say which I have not said before, any word of advice or note of encouragement which will not fall lifeless upon your ears because of its eternal sameness. Indeed, I can only hope that your consecration to the work is so great that your interest will not fail, even though you are forced to listen to vain repetitions.

Today closes the 21st year in the life of the Olympia Branch of the Woman's Auxiliary, and I would be tempted to use the usual metaphor and say that we have entered into man's estate, were we not living in such an age of rampant femininism that the words might have an unpleasant sound to the few masculine ears present. It has been twenty-one years of slow and gradual growth, and while we think of all the material good that has been accomplished, the spiritual advantage to our own souls must not be overlooked.

There was printed this year, for the first time, the yearly report of the Branch, copies of which were distributed generously. If our funds permit, we hope to issue again this year a like report, as we consider it an excellent means of giving publicity to our work and enlisting the interest of new workers, to say nothing of its historic value.

Next October will convene the great Triennial of the Auxiliary, to be held in New York at the time of the General Convention. Of all the privileges that can come to one, this seems the greatest of all, to attend the General Convention. There one can drink deep of the springs of inspiration, and meet face to face, not only those who labor in our large cities and small towns, but those who occupy positions upon the firing line, enduring the heat and burden of the day in far away lands, and those who labor faithfully in lonely places within our own borders. What rich memories can be gathered and stored away to brighten the days of discouragement that come to all!

It was decided in Cincinnati to limit the number of delegates to the Triennial to five, to be appointed or elected as each Branch decides. These five are the official representatives of the Diocesan Branch and are privileged to vote. The meetings, of course, are open to all. One of our duties today will be to elect these five delegates.

The thought of the Triennial brings with it the thought of the United Offering, with only four months left for the gathering and completion of the harvest. A glance at the Treasurer's report will assure us that we are going to break all records, and reach the thousand dollar mark which we

have set ourselves. Furthermore, we have made some headway in spreading the interest in this offering. Four new branches are contributing for the first time, and contributing generously, while no Branch has neglected the privilege of sharing in this Thank Offering that three years ago tasted this blessing. There is every reason for encouragement; a great deal more can be accomplished in four months.

These are days of great activity for women, with new avenues of usefulness stretching out on every side, each making its peculiar appeal. To the Christian woman, what work can be more ideal than that of our Woman's Auxiliary, employing all the gifts of her mind, her heart and her brain; giving her something to study about, something to work for, something to give to and something to pray for. You that are here appreciate this fully, but are you doing all that you can to impress upon the women of your parish a sense of their obligation, that they are by virtue of their baptism members of the Woman's Auxiliary, and that they must acknowledge this claim? It is being more and more recognized that Christianity is in its essence missionary, and the day has gone by when a Christian woman can express disbelief in missions without serious aspersions being cast upon her intelligence. Our Lord's last recorded commission to the Church was to go and preach the Gospel to every nation, and it is within the power of each woman to help in the fulfilment of this command. If she can not go herself, here is the Auxiliary, sending workers to the field and helping to keep them there. What reason can she give her great Commander for neglecting His orders?

Here, then, is work that each one of you can do, spreading the Auxiliary idea, with its call to serve God's children wherever found, with our prayers, our time and our talents; for thus only may we daily increase in the Holy Spirit more and more, until we come to the everlasting Kingdom.

EMMA L. KEATOR.

Sixteen of Miss Emery's Annual Reports were sent to the Branches, and of our own reports, eighteen were sent out of the Diocese. We have eighty-three on hand after distributing the remainder in the Diocese. Leaflets on various subjects from Miss Emery were sent to the Branches from time to time.

JUNIOR AUXILIARY

On Saturday, May 3, 1913, the Junior Auxiliaries of the Diocese of Olympia held their first Annual Meeting in Christ Church, Seattle.

The meeting was opened with a short service by Rev. Willis N. Stone, followed by an address by Rev. T. R. Alleeson, of St. Mark's, Seattle.

After lunch and a walk through the University campus, the girls assembled for their business meeting. The eighty-three Juniors and Leaders who responded at roll call represented eight Parishes and Missions—Trinity, Everett; Trinity, Tacoma; and St. Paul's, St. Mark's, St. James, St. Andrew's, Epiphany and Christ, Seattle.

Favorable reports were read by the Secretaries and Treasurers of all the Branches showing that the Juniors, as a whole, had had a very successful year. They had sewed for the Alaska box, learned their Missionary Catechism, studied about our Church work in Japan and Alaska, prayed for the spread of Christ's Kingdom and given several helpful Missionary programs, to which parents and friends were invited.

The fourteen girls having perfect attendance during the winter have been given the little silver Junior pins.

We are sorry that so few of our Parishes have Junior Auxiliary Branches. The training our children receive at these meetings is given in no other department of our church work. A church that has no missionary spirit can never truly succeed and this missionary spirit must begin its growth in the heart of the child, if it is to reach its fullest power in the man.

To sow this missionary seed in the breast of every child in our Parish should be the aim of every Woman's Auxiliary. A seed that will grow into a mighty tree, yielding fruit long after we are gone.

This fall when the winter work is being planned in your Auxiliary, let the Junior work come before boxes or study. Find a leader among your members and then help her with your prayers and sympathy.

We must have a Junior Auxiliary in every Parish and Mission in the Diocese of Olympia.

MYRTLE C. NOSLER.
