### A Prayer For Fellowship

O God, who through thy only-begotten Son hast sanctified and enriched all human friendships; grant that all the ties of friendship and affection may be consecrated by his Spirit and lifted up into his fellowship, so that we may ever love and reverence one another in Christ, and Christ in one another; through the same, thy Son Jesus Christ our Lord. Amen.

## A MESSAGE TO ALL AUXILIARY MEMBERS FROM THE FIRST VICE-PRESIDENT

At a meeting of the Executive Committee on December 2, 1937 in St. Paul's Church, the resignation of Mrs. Gladys Brokaw of Palmyra as First Vice-President was accepted with regret. Mrs. Brokaw resigned because of the ill health of her mother. Following the reading of Mrs. Brokaw's resignation, Mrs. Walter B. Slifer, our President, tendered her own resignation because the condition of her health would not permit her to carry on the work any longer. Many of the Executive Committee knew of Mrs. Slifer's desire to give up the work but for all that, it left us with a stunned feeling because none of us could quite see the work going forward without Mrs. Slifer as our Presiding Officer. We all loved working with her and knew how unsparingly she gave of herself not only to us but to all the branches. Our prayer is that her health may soon be restored and that she will again be as active as ever in the work. As it is, she is still Vice-President of the Province and we feel that we can consult with her freely and that we have her continued love and interest to support us.

A committee of five composed of the four Deanery Presidents with Mrs. Edwin Allen Stebbins as Chairman, met together and appointed me as First Vice-President to carry on the work until the election of officers in May.

The Annual Meeting of the Woman's Auxiliary will be held on May 10th and May 11th, 1938, in Trinity Church, Geneva. Please keep these dates in mind as we wish a large attendance at this meeting.

I call the attention of the Chairmen of Standing Committees to Article VI, Section 10, of the Constitution — to the fact that their committees should meet at least once a year.

In another part of the book you will find the Budget — make each item in that budget familiar to every member in your branch.

On the cover of the Year-Book you will find the Triennial Theme for 1937-1940:

### *"Fellowship in Faith and Work"*

Make it mean something more in your own lives than ever before. I feel there needs to be a deeper consecration of us all and a deepening of our spiritual life through prayer and study.

Our theme stresses fellowship. Fellowship should result in growth — growth of the Auxiliary and that we must have if the work of the Auxiliary — the work of the Master — is to go forward.

To think of Thee, O Christ, is to rest;

To know Thee is eternal life;

To see Thee is the end of all we desire;

And to serve Thee is perfect freedom and everlasting joy.

Therefore we come to Thee.

LULU B. TUNMORE,  
*First Vice-President.*

The Treasurer is asked to keep her financial record for the year on this form. In December a duplicate will be given each branch for the annual report which the Branch Treasurer makes to the Diocesan President.

## BUDGET FOR 1938

The Annual Contribution of the Parish Branches to the Diocesan Branch of the Woman's Auxiliary is due now. It is so divided that part supports Gifts for MISSIONS and part pays administration expense of the Diocesan Branch. The projects chosen for support are new this year but amounts remain the same for we believe you all want to go forward. So to meet the 1938 budget we are asking every Branch to increase their pledge this year. Treasurer's Books close Dec. 10th, 1938.

## CONDENSED REPORTS FROM THE STANDING COMMITTEES

### UNITED THANK OFFERING

"Every day will I give thanks."

AIMS FOR 1938

Parish Custodians should speak of the United Thank Offering at every parish meeting of women and girls if possible. Emphasis should be on personal thankful prayer. They should put interesting facts before their box holders to inform them of the missionary needs which the United Thank Offering can supply. Remember that all women and girls of the church should share United Thank Offering, therefore spread information throughout the parishes.

Personal effort shows best results. There will be two ingatherings during the year, one on or near the first Sunday in June, and one before All Saints' Day. The offering should be sent promptly to the diocesan treasurer.

KATE H. BLOOMER

### MISSIONS

"Bless those who toil for thee in far off places, comfort them in their loneliness and unite our work to theirs."

Our committee has held only one meeting during the year. Questionnaires and a fall letter were sent to all branches and a Junior Hall letter in February. The Junior Hall fund amounted to \$101 for 1937. A sale of articles from various mission fields was undertaken as a new project, the amount of sales being \$130. Very interesting letters from our representatives have been received and are being sent about the diocese, their names appear on another page of this book.

May 1938 show more sincere prayers, a deeper sense of appreciation of what our representatives in the field are doing, a deepening of our faith and a stronger hold on all things spiritual!

JULIA B. H. SNYDER

### CHRISTIAN SOCIAL SERVICE

"Give us grace to be ever willing and ready to minister, as Thou enablest us, to the necessities of our fellow men."

There has been a decided increase in the work our branches are doing for the social agencies in their communities. Thousands of articles of all kinds and many hours of regular service are given for our hospitals, Community Chests, the Red Cross, the Needlework Guild, Motor Corps and the Public Health Nursing Associations. Some of our groups are working closely with their Boy and Girl Scout troops. One group is doing an outstanding work by helping to americanize a number of young Syrians in its parish. Names of our members also appear on the boards of all important social agencies in their communities.

Social Service Sunday was observed throughout the diocese with appropriate sermons, hymns and prayers.

I hope that the year 1938 will see every parish with a Social Service Committee composed of a member from each organization, with a planned program in which each organization has a definite part.

## DEVOTIONAL LIFE

"Help us to glorify thee as becometh those who are trying to follow our Lord Jesus Christ."

In 1937 the chief devotional activities have been, first: co-operation in the panel discussion in May, when Mrs. Edsall prepared us for a larger part in the work of prayer for Church Unity and pointed out fresh opportunities for prayer in the parish branches; second, the Fellowship of Preparation for the World Conferences and the Triennial, in which over a hundred individuals joined and received the intercessions carefully planned by Mrs. Odell; third, the meditation led by Father Hassinger at the time of the Diocesan Institute, which helped those present individually and emphasized again the place meditation might hold in each group; fourth, the conference of devotional leaders in the Geneva Deanery, conducted by Mrs. Odell and Mrs. Hedrick, where problems were shared and suggestions made for making the devotional life richer and deeper.

The parish branches report various ways of making prayer more real and vital, which is always the chief problem. A number find creating the mood of prayer a necessity—by reading a fitting paragraph from a sermon, devotional book or leaflet, or by speaking informally about prayer before using the prayers chosen. One branch plans to have at least two members present at each celebration of the Holy Communion, with special intercessions for the silent moments. Others find it essential to lay aside all work in order to have quiet hands and minds with which to enter into the spirit and work of prayer. To have different leaders has been found helpful. Special devotional services in preparation for Christmas and Easter have been a vital factor in more than one branch.

Devotional books and leaflets have been sent to every diocesan and deanery meeting. In addition to the Quiet Day of Prayer and the Forward-day by day leaflets, approximately 500 books and pamphlets have been sold by deanery and diocesan officers. These have ranged in price from one cent to \$1.75.

New prayers are offered in this Year Book for use in 1938. Devotional books and leaflets may be purchased or borrowed by writing to the devotional chairman.

## RELIGIOUS EDUCATION

"O Heavenly Father, we beseech thee, by the incomparable power of thy Holy Spirit, to renew our minds."

During the past year, the majority of our Diocesan Branches reporting, studied both suggested topics namely, *Africa* and *The Negro in the United States*. But of those selecting a single subject, the majority chose that of the *Negro*, indicating as in past years a predelection for "home missions." The list of additional topics chosen showed a steadily growing desire to study teachings and practices of our Church and her historical background, and problems of personal religion. The study of the Bible is becoming more and more a spiritual adventure. Nearly two-thirds of the branches reported a most encouraging growth of interest in educational work. One of the significant sign-posts along this upward road of fresh vision and renewed effort is that bearing the words—"More reading of Church periodicals!" Perhaps it is because we are a rural diocese that 75% of the branches have decided to study the *Rural Church* for 1937-1938.

The most important event of our educational year was the Institute for the women of the Diocese, held at St. Paul's, Rochester on Nov. 18th and 19th. The program included a class on leadership conducted by Mrs. J. W. D. Cooper; a conference on *Methods of Studying the Bible* led by Dr. George E. Norton; an address on *The Oxford Conference* by Mrs. Harper Sibley; a lecture on *The Romance of the English Bible* by Mrs. Cooper; Officers' conferences; a Mission study class conducted by your Chairman assisted by Mrs. I. V. A. Snyder; an address on *Personal Prayer* and *The Art of Meditation* by Father H. H. Hassinger; an address on *Missions* by Bishop Reinheimer and a social service conference led by the Rev. F. E. Reissig.

As we look forward to another year of parish and diocesan work, let us think of our responsibilities very seriously and plan very carefully to link up our every effort with those great forces which are working for peace and the spirit of good will in our troubled and fear-possessed world. Education is one of the great stepping-stones to Brotherhood. Using it we gain that accurate information and intelligent and sympathetic understanding which help keep ablaze the torch of Truth whose light is able to dispel the dark shadows, of mistrust, suspicion, fear and prejudice.

In all our reading, study and thinking let us remember that we can thereby do our share, small though it may be, to solve world problems. As Dr. Francis Wei said in a recent address, "Whatever we Christians may be able to do seems a drop in the bucket. But I always say that that drop may change the color of the whole bucket because it is God's drop. God will work miracles if we are His willing instruments."

Respectfully submitted,

NATALIE B. JAMESON

## PRAYERS

### For the Spirit of Prayer

(From the Book of Common Prayer, page 583.)

#### Teach Us to be Still

O Lord, teach us to be still before thee until our ears have caught thine accents and our eyes have glimpsed thy truth. Then, O God, open thou our lips and our mouths shall show forth thy praise, and bear witness to thy glory; through Jesus Christ our Lord. Amen.\*

#### For Peace

Eternal God, in whose perfect Kingdom no sword is drawn but the sword of righteousness, and no strength known but the strength of love; so mightily shed abroad thy Spirit that all peoples may find their security, not in force of arms but in the fellowship of the Prince of Peace and as children of one Father, Lord of Love, to whom alone be dominion and glory now and forever. Amen.\*

Our Father in Heaven, we pray thee to send into our hearts and into the hearts of all men everywhere the spirit of our Lord Jesus Christ. Amen. —John Oxenham.

#### For Unity

O God, the Physician of men and nations, look upon the distractions of the world, and be pleased to complete the work of thy healing hand; draw all men unto thee and one to another by the bands of thy love; make thy Church one, and fill it with thy Spirit, that by thy power it may unite the world in a sacred brotherhood of nations, wherein justice, mercy and faith, truth and freedom may flourish, and thou mayest be ever glorified; through Jesus Christ our Lord. Amen.\*

\*From Prayers for the Church Service League, Pilgrim Press.

#### The Prayer for the Woman's Auxiliary

Almighty God, our Heavenly Father, bless we pray thee, our work for the extension of thy Kingdom, and make us so thankful for the precious gift to us of thy beloved Son, that we may pray fervently, labour diligently and give liberally to make him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. Amen.

#### Noon-day Prayers

Blessed Saviour, who at this hour didst hang upon the Cross stretching forth thy loving arms; grant that all mankind may look unto thee and be saved, through thy mercies and merits, who lovest and reignest with the Father and the Holy Ghost, ever One God, world without end. Amen.

O Lord Jesus Christ, cast the shadow of thy Cross on all the shadows of our mortal life, that it may turn them bright with the promise of eternal life. Amen.

### **A Closing Prayer**

We commend to thy mercy, O Heavenly Father, all that we have thought, and said, and done this day, beseeching thee to pardon all that has been amiss in us, and to accept for thy glory all that has been done in accordance with thy holy will; through Jesus Christ our Lord. Amen.

(Used daily at the Second World Conference on Faith and Order, Edinburgh, and at the Triennial Meeting of the Woman's Auxiliary in Cincinnati.)

### **A Prayer**

O thou who art the Lord of our lives, help us to glorify thee in all the thoughts of our minds, in all the desires of our hearts, in all the words of our lips, in all the work of our hands, and in all the ways of our feet, as becometh those who are trying to follow our Lord Jesus Christ. Amen.

### **A Prayer for Religious Education**

O Heavenly Father, we beseech thee, by the incomparable power of the Holy Spirit, to renew our minds. Help us to think honestly, to think courageously, to think unselfishly, to think serenely and to think triumphantly. In the strength of thy Presence may we learn to think thy thoughts after thee, that finding power, direction, and peace, we may go forth to say thy words and do thy deeds. This we ask in the Name and for the sake of Jesus Christ, our Saviour. Amen.

### **Prayer for the Spirit of Service**

O Lord, who though thou wast rich, yet for our sakes didst become poor, and hast promised in thy Gospel, that whatsoever is done unto the least of thy brethren, thou wilt receive as unto thee; give us grace, we humbly beseech thee, to be ever willing and ready to minister, as thou enablest us, to the necessities of our fellow men, and to extend the blessings of thy kingdom over all the world, to thy praise and glory who art God over all, blessed for ever. Amen.

### Memorial Prayer

We seem to give them back to thee, dear God, who gavest them to us. Yet, as thou didst not lose them in giving, so we have not lost them by their return. Not as the world giveth, givest thou, O Lover of Souls! What thou givest, thou takest not away. For what is thine is ours always if we are thine. And life is eternal; and love is immortal and death is only an horizon; and an horizon is nothing save the limit of our sight. Lift us up, strong Son of God, that we may see further; cleanse our eyes that we may see more clearly; draw us closer to thyself that we may know ourselves nearer to our beloved who are with thee. And while thou dost prepare a place for us, prepare us for that happy place, that where they are, and thou art, we too may be; through Jesus Christ our Lord. Amen.
