A Prayer for Fellowship

O God, who through thy only-begotten Son hast sanctified and enriched all human friendships; grant that all the ties of friendship and affection may be consecrated by his Spirit and lifted up into his fellowship, so that we may ever love and reverence one another in Christ, and Christ in one another; through the same, thy Son Jesus Christ our Lord. Amen.

THE RIGHT REVEREND DAVID LINCOLN FERRIS, D.D., L.H.D.

As a token of our affection we dedicate this year book to him,
who for eighteen years has been our beloved shepherd
and friend.

FOREWORD

It is both a privilege and a pleasure to write the Foreword for the 1939 Year Book of our Woman's Auxiliary to the National Council. I appreciate the opportunity to express my deep regard for this Organization, and the work it is doing for the Master, both in the Diocese and in the general Church. We owe a debt of gratitude to the women of the Church, far more than is often realized, for their continued loyalty and effective support. I regard the Woman's Auxiliary of this Diocese as one of the most important and far-reaching organizations of women that we have in its active service. Their triennial theme for this year and the next of "Fellowship in Faith and Work," is one which may well apply to every member of the Church, both men and women. While I have retired as the active head of the Church in this Diocese, I want always to be of service wherever I can, and my prayers are still for you and your work. In Bishop Reinheimer, now the head of the Diocese, we have an active and sympathetic leader. Under his guidance we confidently look forward to advancement in the Master's Cause, both spiritual and material. May the blessing of our Chief Shepherd rest upon each branch, and upon each member of the Woman's Auxiliary in this Diocese during the unfolding year.

Faithfully yours,

DAVID LINCOLN FERRIS.

BUDGET FOR 1939

Your Diocesan Woman's Auxiliary Budget is now ready, a real challenge to every Branch and we welcome your contributions towards its early payment! Part of the items represent gifts for Missions, designated or special, part represent the administration expense of the Diocesan Branch. Practically all 1938 items have been retained for 1939, but the details of some items are necessarily changed and should therefore be highly interesting! Last year we were able to meet the Budget very successfully through the increased pledges of the Branches and the generous gifts of the 4 Deaneries.

Please remember the Diocesan Treasurer's books close December 10th, 1939! All Branch Treasurers' annual reports must be in the hands of the Diocesan Treasurer by January 10th, 1940, to appear on Financial Page of the Year-Book! Several pledges have already been paid in full! We ask and are counting on your utmost generosity in this great Challenge!

PRESIDENT'S MESSAGE

To the officers and members of the Woman's Auxiliary:

The year that has just passed has been filled with deep shadows which concern vitally all of us who belong to that world fellowship which is the Church. The tragic conflict in Spain; the continuing struggle in the Far East; and the constant threat of war in Europe make us pause and turn searchingly to God to try and discover anew His will, and the mind that was in Christ Jesus which guides us still through His Holy Spirit.

Humbly we are forced to confess our own share in the world's tragedy. Christ gave us a pattern of the world He trusted us to build. He called it the Kingdom of God, and the substance out of which it was to be built, He said, was "love" — love of God and, equally, love of our fellow man. In the last twenty years, which is the generation for which we are responsible, we have not created enough love to maintain even one village, really Christian, let alone a World Community. Fear and hate and suspicion have had the upper hand, even among those who call themselves Christians.

Let us confess our sin and then let us take as our goal this coming year the fourth chapter of the first epistle of St. John, beginning at the seventh verse, — "Beloved, let us love one another, for love is of God."

It has been a very great joy to me to serve as your President for this year. At the annual meeting in Geneva it was most encouraging that, in response to Bishop Reinheimer's request for one hundred new members, 238 were admitted to different branches of the Woman's Auxiliary.

Our first activity this fall was the participation of the Woman's Auxiliary in the "Mission of Witness" under the chairmanship of Mrs. John Tyler of Canandaigua. Twenty-seven women took part. After an all day session of instruction conducted by Bishop Reinheimer, the members were given their assignments, going two by two. The subjects covered were:

The Program of the Church

Evangelism

Church Unity

Forty-two meetings were held; sixty-three parishes and missions took part; and eleven hundred people participated. At the closing meeting of the "Missioners" we were very sure that the Mission had been worth while—but we were equally sure that it had done us more good than anyone else.

At our first meeting of the Executive Board we set as one of our goals a closer, more understanding and more tangible relationship with the Girls' Friendly Society. This was begun by having Margaret Jefferson—a field secretary from the National G. F. S.—speak at each of the fall Deanery meetings. She gave us a most clear picture of the new up-to-date Girls' Friendly Branch, and added much to the inspiration of each meeting. On December 12th at Epiphany Church a joint meeting of the two boards was held, and further plans for co-operation were discussed. At our open Board meeting in January — notwithstanding the blizzard — Margaret Bridges — a member of the Girls' Friendly — came from Geneva to Rochester to speak on India, one of our regular budget items.

Our interest in India is, of course, especially great, as Marian Latz of this Diocese is now in India—our first woman missionary to the Diocese of Dornakal. It was our privilege to help raise the budget for her expenses, and \$25.00 more was given than was asked for.

Finally, as we have already noted in the dedication of the Year Book, we feel deeply the loss of Bishop Ferris as our Diocesan. For 18 years he has been not only our leader but a friend to each one of us personally. Such a relationship does not end with a term of office, or even with life itself, but belongs to that realm which we know to be eternal. To Bishop and Mrs. Ferris belong always our deep devotion.

In closing, we pledge to Bishop Reinheimer our loyal support and constant co-operation as we work together for the coming of Christ's Kingdom in each individual, in each family, in every parish, in this Diocese, in America, and unto the uttermost parts of the world.

GEORGIANA SIBLEY.

CONDENSED REPORTS FROM THE STANDING COMMITTEES

UNITED THANK OFFERING

"Every day will I give thanks."

My report begins on June first, 1938, when I took office, with a balance on hand of \$43.39. A check was sent to Mr. Lewis Franklin, Church Missions House, on November 16, for \$2,850.00 This is an increase of \$850.00 over the same period in the last Triennium. I have on hand, December 11, 1938, \$162.15.

Over 250 blue boxes have been given out since June, and I attended and spoke for the United Thank Offering at all four Deanery meetings in October.

I am urging all custodians to send in their offerings twice a year—in June and in November. I think it helps to keep up interest in the United Thank Offering. There has been no meeting of this Committee as yet. I am waiting for our new appointment.

I should welcome the chance to speak in any parish on the United Thank Offering and to distribute boxes, posters and literature.

CHRISTIAN SOCIAL SERVICE

"Strengthen all the agencies of Thy Church which are laboring for the happiness and welfare of all people, that they may find in Thee their salvation and their peace."

In the Department of Christian Social Service this year I have put the emphasis on institutional work, and a list of the various institutions in the Diocese with the names of the chaplains in charge have been sent to the branches, urging them to find out what sort of work the women can do for them. I have also asked the women to study the institutions coming under the jurisdiction of our own church, such as our Church Homes and the Church Mission of Help.

There is a need for more co-operation with churches of other denominations, and I hope our women will take advantage of any opportunity to work with women of other religions in any community project.

DORIS WILLIAMSON

MISSIONS

"Bless those who toil for thee in far off places, comfort them in their loneliness and unite our work to theirs."

During 1938 our committee held two meetings. A few letters and questionnaires were sent to each branch. Letters for the Junior Hall Fund were sent on February first, and replies have been received from forty-one, with money amounting to \$110.00 which has been sent to Miss Alice Sweet, the missionary at Splashdam.

The final sale of Mission articles brought the total amount to \$185.00, and all remaining articles have been returned except some Japanese prints bought outright.

Mrs. I. V. A. Snyder, chairman, held a conference on Missions at the annual meeting in Geneva, June first, which was attended by forty persons.

During 1939 may our work at home and our prayers for those on the Mission field create a greater interest in our Church Missions Program.

CAROLYN G. BATE

REPORT OF THE EXECUTIVE COMMITTEE

The executive committee of the Woman's Auxiliary to the National Council has held seven meetings during 1938, with as many celebrations of the Holy Communion as possible, and with an average attendance of eighteen members. In addition, one open executive committee meeting was held, and one joint meeting with the executive committee of the Girl's Friendly Society. The annual meeting in June and the four deanery meetings in October were very interesting and well attended by the women of the diocese.

This committee learned with regret of the retirement from active service of Bishop Ferris at the annual meeting in June. His guidance and council through the years have been a source of inspiration to us all. We have dedicated the 1939 Year Book to Bishop Ferris as an expression of our appreciation for his years of leadership and devotion.

We cordially welcome Bishop Reinheimer as successor to Bishop Ferris and are happy to assure him of our loyalty and co-operation in carrying forward his plans for diocesan work.

At the open meeting of this committee last February, Bishop Reinheimer asked for a human offering of one hundred new members of the Woman's Auxiliary to celebrate the centennial of the establishment of the Episcopal Church in Rochester, and at the annual meeting in June, 238 new members were presented to him, many of whom were there in person.

Seven new branches and chapters of the Woman's Auxiliary have been formed during 1938, five of them since the Mission of Witness; also 256 new members of the Woman's Auxiliary have been added.

At the executive committee meeting in December it was decided to hold an open meeting of the executive committee to present the budget and the annual reports of the diocesan officers to the members of the Woman's Auxiliary.

Respectfully submitted,

DOROTHY L. BRYAN, *Recording Secretary*

DEVOTIONAL LIFE

"That we may win our way to justice, freedom, and peace, not by might, nor by power, but by thy Spirit in Jesus Christ our Lord."

During 1938 we have all seen appalling results from the use of force. It is increasingly clear that the things we prize most can only exist where the Spirit of our Lord is allowed to rule. The Committee on Devotional Life has chosen the above words to assist us in keeping this fact in the center of our thoughts and prayers in 1939. Prayer is worship and meditation and communion with God, but it is also service. As a means of bringing the Spirit of Christ into the affairs of men, it is service that is essential, effective and enduring.

The reports received from 47 branches indicate that while there has been a rich variety in the choice of prayers and devotional material, prayers and litanies for peace have been used more often than any others. Prayers from Forward—Day by Day and Prayers New and Old, those in the Year Books for 1936 and 1938, the services and prayers in the new devotional packet, have all been generally used. In addition to these over 50 different kinds of devotional books and pamphlets have been sold at diocesan, deanery and parish meetings by the Committee.

Ninety-three Corporate Communion have been held. One branch reports eleven and six branches report none.

The Quiet Day of Prayer on November 11 was observed in all but two parishes. In many instances, as a result of the "Mission of Witness," members of other communions were invited to attend. The experiences growing out of this invitation were among the most significant of the year. The most complete reports came from Wells-ville, Hornell, and St. Peter's, Geneva. 1,700 copies of the leaflet were distributed.

The Quiet Hour held at the time of the Annual Meeting in June was the outstanding single contribution of the Devotional Committee during the year. Four different types of services, all brief, were led by four members. The hour thus spent seemed well worth while in itself, and the services are being used in many branches in whole or in part.

Variety, careful preparation and selection of material, enough time, a quiet atmosphere, talks on prayer and personal religion by the rector and others, special services of intercession and quiet in the Church, relating the devotions to the program and to the seasons of the year, and finally, the need for prayer in the present world situation, have helped to deepen and strengthen the devotional life in 1938. We commend all these to you for 1939.

RELIGIOUS EDUCATION

"Help us to think honestly, to think courageously, to think unselfishly, to think serenely and to think triumphantly."

It is a happy circumstance which allows me to begin my report on an optimistic and encouraging note. This year a greater number of branches have reported and over half of these have stated that their groups have showed increasing interest in and enthusiasm for the educational work. Varying methods of attacking the study material are more generally used all over the diocese and apparently with greater ease and skill.

The two recommended subjects for 1938, "The Moslem World" and "The Rural Church," were both studied by 13 of the branches heard from. Two branches chose "The Moslem World" and 26 branches concentrated on "The Rural Church," again showing that the appeal of the task that lies upon our door-step exercises the greatest attraction for the majority of persons! "The Rural Church" was a challenging topic and one of the greatest importance, especially to a rural diocese, and it is hoped that the companion topic for 1939, "The City Church" will prove equally popular.

The 22 additional topics studied last year were varied and interesting. They ranged all over the wide world from Alaska to China, India, Africa and Liberia. In our United States, the Crow Creek Mission and the Blue Ridge Industrial School were chosen for special investigation and one branch made a "rural pilgrimage" all over the land visiting outstanding missions and pieces of Church work in many states. Other topics were, "The Church Army," "Living with Our Children," "Church History," "Church Symbolism," "Why Be a Christian?", "Why Go to Church?" This kaleidoscopic list shows a mental alertness to national and world conditions, needs and problems, as well as a seeking for the truth and beauty of the tapestry of the past to which our modern lives are fastened by so many golden and colorful threads.

Our program for this year is further enriched by the choice of India as our second subject. "Moving Millions" is our fascinating text-book and in addition we have Bishop Azariah's splendid and valuable book, "India and the Christian Movement," also an unusually fine leaders' packet. We should have a very personal interest in India this year as the diocese has sent Miss Marion Latz to work under Bishop Azariah in Dornakal.

In October, many of the women of the Auxiliary assisted Bishop Reinheimer in carrying out his "Mission of Witness" which sent its members into every parish and mission of the diocese, that they might speak to the Church women on "Good Works," "Evangelism" and "Unity." Educational conferences were held and brief talks on the material given at all of the October Deanery meetings.

Your secretary has spoken in 14 different parishes on various topics; assisted at the World Day of Prayer in Rochester; attended all Executive Committee meetings but one and the Provincial Synod meeting at Garden City, L. I. I have also conducted three courses in Church History, open to all, on Tuesday mornings and Monday evenings at St. Paul's Church, Rochester.

As we look forward into the new year of our Lord, let us do our share to make it truly our Lord's year, consecrating every talent we possess to build up His Church and His Kingdom. In the Pastoral Letter of 1934, our Bishops said, "Our discipleship relates us to the just and Christian solution of economic, social and political problems. Nothing that is of human interest can be foreign to us." Bishop Lawrence tells us, "We must tackle the seeds of world problems in our own lives, working them out within these dimensions, we will be resolved from a sense of futility and ineffectiveness, the problems of society and of the world are found in miniature in our own lives, so it is there we must face, attack and conquer them."

Everything we think and learn and then share with others in saying and doing, set forces in motion whose influence and power can not be measured. It has been said that of all forms of action the most strategic is the act of thought, "Let us therefore seek to be on God's side, keeping our minds active, receptive and growing, always remembering that they must be kept well-ordered for His thought to enter them and that 'one man with God constitutes a majority'!"

CHURCH PERIODICAL CLUB

"Bless, O Lord, we pray Thee, the Church Periodical Club, that it may be an instrument of service in Thy hands."

On January 10th, 1938, the Church Periodical Club celebrated its fiftieth birthday. Our big financial endeavor was to bring the Endowment Fund up to \$50,000.00 which meant raising the difference between the present amount and \$50,000.00 or approximately \$2,000.00.

The two-point forward program for 1939-1940 is:

1. An active branch in every Parish and Mission.
2. Every man, woman and child a member.

At present we have about 4,000 unfilled requests at the National Office in New York. Will you help to fill these by sending me the name of the magazine you will either re-mail, or a subscription you will send and help us meet this demand? Our subscriptions go to clergymen, missionaries and their families.

Our diocese has done its share to the best of its ability and with many handicaps. I want to thank all my secretaries for carrying on so well while I was indisposed, and all the parishes for their contributions to the Endowment Fund. We sent the National Office in New York, \$70.00 for this fund.

The proceeds from two card parties made it possible for us to finance our expenses. We sent 500 new Christmas cards to Rev. Mr. McKim for Iola and the County Hospital; Christmas books to Missionaries at home; 15,327 magazines were distributed to 14 institutions, and about 3,000 cards, new and old. Miscellaneous gifts, such as calendars, puzzles, games, scrap books, playing cards and a radio were included in the contributions.

It is more blessed to give than to receive.

Faithfully yours, EDITH J. CURTIS

PRAYERS

Opening Praise and Petition

Almighty God, the Father of all mankind, with all the company of thy servants in heaven and on earth we worship thee and praise thy holy Name. So quicken our hearts to love thee, our eyes to behold thee, our souls to desire thee, that we and all thy Church may see, as thou seest, our fellow-men in every land, and may hear with gladness the call to preach the Gospel of thy Son to every creature. Amen.

—A Book of Prayers for Students

A Noon-Day Prayer

Lord Jesus, we beseech thee, by the loneliness of thy suffering on the cross, be nigh unto all them that are desolate and in pain or sorrow today; and let thy presence transform their loneliness into comfort, consolation, and holy fellowship with thee, who livest and reignest forever. Amen.

—A Book of Prayers for Students

For the Spirit of Evangelism

Lord Jesus, who didst stretch out thine arms of love on the hard wood of the cross, that all men might come within the reach of thy saving embrace; clothe us in thy Spirit, that we, stretching forth our hands in loving labor for others, may bring those who know thee not to the knowledge and love of thee, who with the Father and the Holy Ghost livest and reignest one God. Amen.

—Bishop Brent

For the Persecuted

Almighty God, who in thy Son hast broken down the middle wall of partition between us and made us all one, deepen within us the sense of our common kinship with one another and with thee. Be thou the light that lighteneth the Gentiles; be thou the glory of thy ancient people Israel. Save us from all arrogance of race, from all contempt of creed, from all bitterness of class, and grant that thy compassion, made manifest in us, may bear witness to the reality of our faith, through Jesus Christ our Lord. Amen.

—The Witness

For Peace

Show unto the nations, O Father of all, how to rise above the causes that divide us, and to seek in faith a world made one in the love of thee; that we may win our way to justice, freedom and peace, not by might, nor by power, but by thy Spirit in Jesus Christ our Lord. Amen.

—Forward—Day by Day

Our Father in Heaven, we pray thee to send into our hearts and into the hearts of all men everywhere the spirit of our Lord Jesus Christ. Amen.

—John Oxenham

For Christian Unity

O God, who didst plan the Gospel for an undivided Church; refuse not, because of the misunderstandings of its message which rend the unity of Christendom, to continue thy saving work in the broken order of our making. Prosper the labors of all churches bearing the name of Christ and striving to further righteousness and faith in him. Help us to place the truth above our conception of it, and joyfully to recognize the presence of the Holy Spirit wherever he may choose to dwell among men; through Jesus Christ our Lord. Amen.

—Bishop Brent (Prayers New and Old)

For the United Thank Offering

O Lord, our Heavenly Father, we pray thee to send forth more laborers into thy harvest and to grant they thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service, and bless it to the coming of thy Kingdom, through Jesus Christ our Lord. Amen.

For the Woman's Auxiliary

Almighty God, our Heavenly Father, bless, we pray thee, our work for the extension of thy Kingdom, and make us so thankful for the precious gift to us of thy beloved Son, that we may pray fervently, labour diligently and give liberally to make them known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. Amen.

A Closing Prayer

We commend to thy mercy, O Heavenly Father, all that we have thought, and said, and done this day, beseeching thee to pardon all that has been amiss in us, and to accept for thy glory all that has been done in accordance with thy holy will; through Jesus Christ our Lord. Amen.

A Benediction

The God of Hope fill us with all joy and peace in believing, that we may abound in hope and in the power of the Holy Spirit. Amen.

Memorial Prayer

O King of Paradise, where light abounds and life reigns; give to our dear ones who are with Thee a full share of Thy treasures, that they may always be white with Thy purity, tranquil with Thy peace, and glad with Thy joy. Let us live vividly in their present love as they live in ours, until the time of separation is past and we are taken to the place whither they have gone before, there to dwell with them in the perfect fellowship that knows no end.
