DIOCESE OF SOUTHERN OHIO.

TWENTIETH ANNUAL REPORT
OF THE
WOMAN'S AUXILIARY
TO THE
BOARD OF MISSIONS

MAY, 1897.

CINCINNATI:
THE PROCTER & COLLIER CO., PRINTERS.
1897.

REPORT OF THE WOMAN'S AUXILIARY,

FOR THE YEAR ENDING MAY 1ST, 1897.

To the Rt. Rev. Boyd Vincent, S. T. D., Bishop Coadjutor of Southern Ohio:

Reports are always tiresome because of their monotony. I cannot, however, deviate from our usual formula. Each year since our organization we have been able to present the same report, *all pledges paid*.

One feature of our Diocesan Work has given much pleasure—that of supplying Christmas gifts for some of the Mission Sunday Schools—and the women of the Auxiliary depend upon the clergy of the Diocese to advise them when such help is needed.

The boxes sent have been fewer in number, and the total valuation less than last year, but the *money* is steadily increasing. The Sunday Schools working through the Junior Auxiliary, and the “Passover Offerings” from members of our Societies helped very materially to pay a much dreaded deficit.

A surplus from the luncheons served during the Missionary Council held in Cincinnati last October, was transferred to my account. As the pledge of \$1600 for Diocesan Missions was made without reference to these luncheons, or the probability of any surplus funds, it did not seem right, nor quite honest, to use this money as a part of our pledge, we therefore take pleasure in having fulfilled all obligations, and placed in the Missionary Treasury an additional amount.

Our work for the year has been as follows :

18 Diocesan Boxes, value	\$ 736 71
37 Domestic Boxes, value	1,622 33
38 Indian Boxes, value	959 01
26 Freedmen Boxes, value	743 56
