President's Message

To The Women of The Diocese

Dear Friends:

It is with deep regret that I leave the Executive Board of the Associated Women. It has been a pleasure and a real privilege to serve you.

As always, I have gained far more than I have given. My life has been deepened and enriched by the countless opportunities for the work of our Church and for friendship with the women of our Diocese.

It is my sincere wish for your new president and for you all, that in giving of yourselves to our Church's work, your lives may be enriched a thousand fold and that the program of the Associated Women may go forward to higher goals than ever before.

Faithfully yours,

Katharine V. Pauls (Mrs. Cortes)

The Bishop Kinsolving Memorial

The Bishop Kinsolving Memorial or Book of Remembrance is a living memorial to the late George Herbert Kinsolving, Bishop of Texas from 1892 to 1928. When some loved one passes into the life beyond, the name may be sent to the Chairman of the Book of Remembrance for inscription therein and a contribution accompanying it is applied to a student fund. The interest from this fund is used by Bishop Quin to aid students training for the ministry.

Mrs. J. T. Windham, 2601 Barbee, Houston, is Chairman of the Bishop Kinsolving Memorial Fund.

The Minnie E. Taylor Memorial Fund

The Minnie E. Taylor Memorial Fund was established in memory of Miss Minnie E. Taylor, a loyal and devoted member of St. Paul's Church, Waco, an active participant in Diocesan and General Church activities. It is used for the education and training of young women in this Diocese who wish to give their lives to the service of the Church. Upon application to and approval by the Diocesan Board, any girl in the Diocese may become a beneficiary of this fund.

For further information about this fund apply to Mrs. W. E. Japhet, 2501 Riverside, Houston

The United Thank Offering

Every three years at the time of the General Convention the women of the Church gather for a corporate Communion to offer their thanksgivings to God for His abiding presence in His Church and to present their United Thank Offering for the work of His Church throughout the world.

Nineteen thirty-nine marked the fiftieth anniversary of the United Thank Offering. Through half a century, an increasing number of Church women have expressed their thankfulness for daily blessings by gifts to the U.T.O. The sum given now amounts to over seven million dollars. The first U.T.O. was given at the General Convention

in Chicago, in 1889, having been conceived and promoted by Mrs. Richard H. Soule and Miss Julia Emery.

The United Thank Offering provides for the training, equipping, and sending of women workers in the manifold enterprises of the Church, and cares for them when sick or disabled. More than 400 women have served the Church under the U.T.O. These missionaries are doctors, nurses, teachers, social workers, secretaries, evangelists, student workers, and field secretaries. Churches, schools, hospitals, and parish houses have been built from this offering. The U.T.O. supports one man—Bishop Rowe of Alaska, whose salary is provided from the income of the Missionary Episcopate Fund set up from the offerings of 1892 and 1895.

The use of money to express thankfulness is reasonable. The money given, represents a part of ourselves; our time, our energy, our thought. The U.T.O. takes the thankfulness of the women of the Church and puts it to work in the needy places of the world. It is the outward expression of our desire that kingdoms of the world should become the kingdoms of our Lord.

Make all United Thank Offering payments to Mrs. A. E. Watson, 2411 Hazard St., Houston.

The Supply Department

After a hundred years it seems of interest to give the origin and present organization of the work of the Supply Department of the Woman's Auxiliary. Small groups of women a hundred years ago, began sending clothing to the Indians, this work gradually increased until 1868 when the forerunner of the present Supply Department was organized to assist with clothing for the personal use of families of our domestic missionaries. This was called The Ladies Domestic Missionary Relief Association. When the Woman's Auxiliary was organized in 1871 this became one of its projects. It was a great success from the first.

The purpose of the Supply Department is still to provide clothing for those missionaries who receive a stipend insufficient to care adequately for such needs for their families and themselves; but the Department also sends clothing and supplies to various institutions, hospitals and missions stations in almost all the fields in which our Church is at work. In addition small Christmas gifts are sent to our women missionaries and suits of clothes to our catechists who are Indian lay workers in their field, principally in South Dakota. Each year the Bishops send in lists of the missionaries, hospitals, schools, etc., to which they wish clothing and other similar assistance to be sent. After receiving these lists, the Woman's Auxiliary to the National Council communicates with all the missionaries whose names appear, asking them their needs for the coming year. On hearing from them, their appeals are edited, copied and sent to the supply secretary of each diocese, who in turn assigns them to the various units in her Diocese.

The assignments are made with a definite plan in view, both from an educational standpoint and the ability of the dioceses to take care of the work assigned them. An effort is made to avoid giving a mission, personal or institutional box to the same diocese or district to fill two years in succession. This is done to disseminate more widely knowledge about the mission field and to give each missionary an equal chance of being taken care of by a strong diocese during the years that such assistance is received.

There should be close co-operation between the educational and the supply secretaries. Together they could arrange for group meetings where the particular mission which is being aided could be studied. Pageants, lantern slide lectures, talks by missionaries and individuals are methods of creating interest in the task and providing an intelligent conception of that particular mission and the field as a whole. There is also the spiritual side of the Supply

Department. This takes its place naturally, for praying for our missionaries and their work is the next step after studying about and working for them. Blessing the box when it is ready to send is another means of raising it from a mere concrete piece of work well done, to an offering of labor and sacrifice.

Mrs. O. S. Van De Mark, 2311 Rosedale, Houston, is Chairman of the Diocesan Supply Department.

Devotional Program

The World Day of Prayer is observed on the First Friday in Lent. All women are asked to cooperate with women of all denominations in the observance of this day. Armistice Day, November 11th, is set aside as a day of special intercession for women of our own Church, throughout the world. Information and material for programs, for both these days may be secured from Mrs. J. B. Lewis, Devotional Chairman, Falls Hotel, Marlin, Texas.

Educational Program

Suggestions for building Educational Programs in each parish or mission are available in the booklet, Helps for the Educational Program of the Women's Groups, for the year 1940. Mrs. George D. Wilson, 1310 Kipling Street, Houston, is the Chairman of this Diocesan Committee and will be glad to assist parish educational committees in planning the year's program, consisting of subjects for general information as well as Mission Study courses. All literature and other educational materials may be ordered through Mrs. Wilson.

Rural Education Program

Mrs. C. H. Stevens, 516 West Main Street, Houston, is Chairman of the Rural Education work and would be glad to have names of any members in the Diocese who are unable to get to a church or to secure literature for themselves. Anyone wishing to send FORTH or other material for this work should also get in touch with Mrs. Stevens.

Publicity Program

FORTH Magazine formerly the Spirit of Missions, brings every month new and interesting stories and pictures of the work of the Church in all fields, home and foreign. It is not only educational, but is inspirational and really essential to every member who would be informed about the work of the Church. The cost is nominal—one dollar a year. For further information about forming a committee in your parish to take subscriptions to FORTH, write to Mrs. E. P. Anderson, Publicity Chairman, at Brenham, Texas.

Church Periodical Club Program

The Church Periodical Club is well and efficiently organized in the Diocese. Mrs. Carl Smith, 3615 0 1/2, Galveston, Texas, is the Chairman of this committee and will be glad to furnish you with information concerning this program.

All members and friends of the Church Periodical Club are asked to make the first Sunday in May of each year a day of remembrance, praying especially at the Holy Communion that the workers may have faith and perseverance, and the work be a means of bringing many into the Kingdom of God.

PRAVERS—Please Use These Prayers at Meetings

Bishop Quin's Prayer

Dear Heavenly Father, we ask Thy blessings upon the women of the Church in this Diocese, united in Thy name and for Thy sake.

Give us a sense of reality when we say "Thy Kingdom come," and guide us to our part and share in the bringing in of that Kingdom.

We offer unto Thee anew each day our souls and bodies, a living sacrifice.

We pray that the tasks to which we set our hands may be well done; and finally, with gratitude, we ask that

by the example of our own loyalty many others may be attracted to the Christ way—through the same Jesus Christ our Lord. Amen.

* * *

Almighty God, our Heavenly Father, Bless, we pray Thee, our work for the extension of Thy Kingdom and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently and give liberally to make Him known to all nations as their Saviour and their King; through the same, Jesus Christ our Lord. Amen.

For Our Bishops and Clergy

Almighty and Everlasting God, from Whom cometh every good and perfect gift; send down upon our bishops and other clergy the healthful Spirit of Thy Grace; and, that they may truly please Thee, pour upon them the continual dew of Thy blessing. Grant this, O Lord, for the honour of our Advocate and Mediator, Jesus Christ. Amen.

For New Members

Lord of the Harvest, send forth, we pray Thee, women full of faith and of the Holy Ghost, as workers into Thy Harvest; and especially we pray Thee so to dispose the hearts of women everywhere to awaken to a deep sense of their privilege to maintain and set forth the work of the Woman's Auxiliary in our Diocese and throughout all the world, that by their faith and zeal Thy Blessed Name may be glorified and the bounds of the Kingdom enlarged, through Jesus Christ; our only Saviour and Redeemer. Amen.

United Thank Offering

O Lord, our Heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

Noonday

Lord Jesus, who didst stretch out Thine arms of love on the hard wood of the Cross that all men might come within the reach of Thy saving embrace; Clothe us in Thy Spirit, that we, stretching forth our hands in loving labor for others, may bring those who know Thee

not, to the knowledge and love of Thee, who with the Father and the Holy Ghost livest and reignest God. Amen.

—Bishop Brent.

A Prayer for the Isolated in The Diocese of Texas

Almighty God, who made and loves us every one, teach me to know Thee and to love Thee as I should. Lead me into the way of life and of perfect peace. Let me realize Thy loving Presence, in all places and at all times. Help me to be kind and also just, to be brave and always true, to be diligent and zealous in the work of Thy Kingdom, and even like unto Thee as revealed unto men by our Lord and Saviour Jesus Christ, whose faithful soldier and servant I am unto my life's end. Amen.

For Our Missionaries and Prayer Partners

O loving Lord Jesus, who didst promise to be always with the Church; bless our missionaries and our "prayer partners," at home and in distant lands. Let them feel Thee ever near to protect and comfort, to guide and help them, for Thy Name's sake. Amen.

Church Periodical Club Prayer

Bless, O Lord, we pray Thee, the Church Periodical Club, that it may be an instrument of service in Thy hands. Grant to its officers wisdom and patience, to its members perseverance and the spirit of sharing that asks no return. Bring many more to take part in its activities. Bless our gifts and those who receive them, to the enriching of individual lives and to the growth of Thy Kingdom, throughout the world, through Jesus Christ, our Lord. Amen.

For Use in Opening

A Committee Meeting

O God, forasmuch as without Thee we are not able to please Thee; Mercifully grant that Thy Holy Spirit may in all things direct and rule our hearts; through Jesus Christ our Lord. Amen.

REPORT OF THE UNITED THANK OFFERING

Since 1939 was our 50th anniversary, we have had many interesting programs and talks built on our history, work and accomplishments. The early trials and discouragements which have grown into almost unbelievable accomplishment and the enthusiasm which has spread all over the world, speak in glowing terms of what a few earnest, untiring Christian women can do.

Our work is for women; their work, training and the needs of those they work with. The Magazine "Spirit of Missions," now called "Forth," put out a special edition for our 50th anniversary. The subscription rate was reduced and a special price made for bundle lots. Many took advantage of this offer.

In this Diocese there are 74 Parishes and Missions. In the Spring and Fall, I sent each a letter giving the date for the Offering. When necessary, extra letters are sent as in the Fall of 1939 when the Anniversary announcements

were made. A number of personal visits have been made. Have sent out 600 "Blue Boxes" with literature. Have been greatly pleased over the receipt of report and offering from three Missions who had taken no part in the U. T. O. for several years.

My total expense for two years was \$46.65.

REPORT OF THE CHURCH PERIODICAL CLUB FOR 1939

It is with a great deal of satisfaction that I bring to your attention the annual report of the Church Periodical Club; which is interested in bringing together, those who have reading matter to share and those who, for one reason or another, do not have it.

The object or project of our national organization is to have a secretary in every Parish and every man, woman and child a contributor. We have been working toward that end and hope soon to be able to report that this has been accomplished.

REPORT OF EDUCATIONAL SECRETARY

Madam President and Associated Women of the Diocese:

During this year in directing the educational work in women's groups, I have endeavored to stress the importance of this phase of our work as it is stressed by the Woman's Auxiliary to the National Council. In WOMEN IN THE LIFE OF THE CHURCH, we read that the educational work is second in importance only to the devotional because if service is to be effective, we must have knowledge and understanding as well as reason for doing.

The following suggestions, summarized briefly, have been given out to the educational secretaries over the Diocese to use in setting up programs: plan a unified yearly program arranged and carried on by a secretary elected for that purpose; arrange types of presentation to be varied and participated in by all members of each group; and, last but not least, plan subject material to include subjects for general information as well as the current missionary emphasis.

In response to letters mailed to all of the contact officers, I have corresponded with and sent material on request to educational secretaries in fifteen parishes and missions. I have contacted, either by phone or by a personal visit, sixteen additional parishes and missions. At their invitation, I have made talks of a Diocesan nature to nine groups in and around Houston,

one of which was a Neighborhood Meeting in Bellville and another a Convocation meeting in Houston.

I have attended all of the quarterly meetings of the Executive Board of the Associated Women and have served on the following committees: Committee to Answer Marriage and Divorce Questionnaire, Arrangement Committee for the visit of Mrs. D. D. Tabor, National Field Secretary, to Houston in October, and the Program Committee for the Council. Also, I have served as The Texas Churchman Reporter for the Associated Women and on the committee to arrange the Diocesan Mite Box Presentation Service.

As your representative, I have attended the quarterly meetings of the Department of Christian Education for this Diocese and have been privileged to gain an insight into and to cooperate with the many splendid activities of this Department. Our Educational activities have been greatly facilitated by the valuable assistance given by Miss Giesecke to all who call on her.

I am deeply grateful for the privilege of having had a share in helping to carry out our Diocesan Program for the year 1939.

Respectfully submitted,
MARGARET B. WILSON
(Mrs. George D.)
Assistant Educational
Secretary.

REPORT OF THE DIOCESAN ADVISER IN CHRISTIAN EDUCATION

Madam President and Associated Women of the Diocese:

As you travel through the year 1939 with the Diocesan Department of Christian Education, you find the activities many and varied. This is necessarily so, inasmuch as Christian Education, in order to perform its function, must direct its attention to all groups: children, young people, and adults. It is significant that 67 vol-

unteers, directly connected with the Department, are giving their talents, time and energy to forward the cause of the Church through a well balanced and comprehensive program of Christian Education in the Diocese of Texas.

The Associated Women are represented in a splendid way in the Department of Christian Education by Mrs. George D. Wilson, the Educational Secretary.

As a service to the workers in the Diocese, arrangements were completed for Cokesbury Book Store, Dallas, to establish an Episcopal Department. Churches in this section save, not only time on their orders, but also postage which Cokesbury Book Store pays on all orders. May I urge that you use this well-stocked store as much as possible.

The Christian Education Library maintained for all Church workers has substantially increased its usefulness by adding a wider selection of books on numerous subjects vital to all ages. Approximately 300 books and pamphlets were borrowed during the year by 125 or more leaders.

The remainder of this report concerns itself primarily with two important and challenging phases of the Christian Education program, namely, the Church School and Youth programs. Progress has been made in quality of work done as well as in extension of program to reach more workers.

One of the most vital and helpful conferences held in the Diocese was the Second Annual School Workers' Conference at Camp Allen. The attendance was tripled over the previous year and the representation more than doubled. One hundred and forty-eight attended from 19 parishes and seven missions.

The Second Diocesan Festival for the Presentation of the Lenten Offering, held at Trinity Church, Houston, was attended by 225 persons representing 31 Churches. The total offering was \$3,839.00. This offering was \$200 less than in 1938. We note, however, that most of the smaller schools increased their offerings and had the larger schools made a proportionate increase or held their own, the results would have shown a considerable increase in the total offering.

More Church Schools are sharing in the National Offerings than in the past. It is encouraging to know that in the preparation of the Lenten Offering, as well as in the regular offerings, greater emphasis has been placed on the educational side of the program of the Church.

The Birthday Thank Offering for the past two years amounts to \$240.00 or \$18.00 less than the offering of the last Triennium. The Little Helpers' Offering has found a ready response. Mrs. C. C. Hill of the Church of the Good Shepherd, Houston, is well equipped to assist in organizing new departments of Pre-School children in which the Little Helpers' Offering is the service program. The Christmas Box work went over the top again this year.

The Vacation Church School Committee has made progress. Its library has been enlarged and many books used. Training courses for leaders in Vacation Church Schools were given and several new schools were started. This committee works throughout the year.

The Church School Curriculum Committee of which the Rev. Morris F. Elliott is the chairman, has published, A GUIDE OF CHRISTIAN EDUCATION which has been used extensively. New sections to this publication will be added during the coming months.

One of the outstanding advances made in the Young Churchmen's program, is found in the extension work that has been done. A definite plan was formulated and put into action to contact young people in small Churches that have too few in number to organize a youth group. Groups of Young Churchmen, under the direction of the Young Churchmen's Executive Board, visit the one or two or three young people in a Church and present an interesting program of fellowship, information and inspiration. The results are gratifying. A larger number of young people in missions are sharing in the youth program than ever before.

The theme "Harnessing the Youth Power of the Church" proved interesting and stimulating for the Young Churchmen's Spring Rallies. These rallies were held at five convenient points in the Diocese and were attended by 385 leaders and young people.

The Young Churchmen's Council which took the form of a "Little Amsterdam" was the most representative

Council that has been sponsored; approximately 200 young people and their leaders represented 91 youth groups and 39 parishes and missions. The program was built around the theme and program of the World Conference of Christian Youth: "The Christian Community and the Modern World." An entire morning was given to a discussion of the same subjects considered at Amsterdam, i. e., "Christian Youth in a World of Nations"; "Christian Youth in the Economic Order"; "Christian Youth and Race"; "Christian Marriage and Family Life"; and "The Church: Its Nature and Mission." The response to this program of the young people of the Diocese, shows they are taking their religion seriously and are accepting their responsibility as Christians to help build a better world.

Miss Mary Sharpe, former President of the Young Churchmen of the Diocese of Texas, was one of the eight official delegates of the Episcopal Church in the United States to the Amsterdam Conference. Miss Sharpe is ready to share the findings of that great conference with youth and adult groups who desire such information.

The Young Churchmen welcomed the opportunity to cooperate again in 1939 with the women of the Diocese in

their Ditty Bag project. The Young Churchmen in 19 parishes and 13 missions provided 123 Ditty Bags, distributed through the Diocesan office.

Four camp Allen Rallies were held in May with an attendance of 550 children, young people and adults. Camp Allen had a banner year in attendance, representation and quality of program. Eight camps and conferences had an attendance of 278 regular campers and 50 leaders, an increase of 69 campers over the previous year. Ninety campers came from Houston and the other 188 from places throughout the Diocese. The Girls' Life Work Conference made its first appearance this year on the camping schedule. It proved to meet a real need in the lives of girls seeking information about vocational opportunities within the Church.

The Department of Christian Education is eager to serve the educational needs of all groups and invites you to call upon its members for any service they can render to carry forward Christ's cause and help to build His Kingdom here on Earth.

Respectfully submitted,

LYNETTE GIESECKE,
Adviser in Christian Education
Diocese of Texas.

REPORT OF BOOK OF REMEMBRANCE AND BISHOP KINSOLVING SCHOLARSHIP

Madam President and Associated Women of the Church in the Diocese of Texas:

The Book of Remembrance made a pilgrimage to the following Houston Parishes: St. Andrew's, St. James', St. Paul's and the Church of The Redeemer; also to Trinity Church, Galveston, for a Daughters of the King meeting.

The Book was also displayed at a tea given by the Daughters of the King of Trinity Church, Houston.

Five hundred new record cards were printed.

Forty-nine new names were received from twenty-two Parishes.

In sending names to be published in the Texas Churchman, the name of Edwin Jack Floeckinger was omitted through an oversight.

Fourteen Parishes observed St. Mark's Day in memory of Bishop Kinsolving and the offering amounted to \$46.89.

Two checks amounting to \$40.00 were received after the books were closed and were deposited January 4th, 1940.

Total gifts amounted to \$402.00.

Respectfully submitted,

REPORT OF RURAL EDUCATION COMMITTEE

At the beginning of the year, letters were sent to thirty-one clergymen in the Diocese, asking them for names of isolated church people in the Diocese. Six names were added to the list. The total number of people on the list now is ninety-one.

With the assistance of Miss Lynette Giesecke, information was obtained regarding Work for the Isolated in other Dioceses.

The Isolated have been supplied with each current Forward Day by Day Booklet. Since September, the expense of these booklets has been generously provided for by Miss Maude Dixon, of

Christ Church, Houston. All names have been placed on the mailing list of the Texas Churchman.

In May a post card questionnaire was sent to each isolated person to gain information as to whether other church literature or Church School material for children, was desired. The fifteen individuals who did respond (out of seventy-five), showed real appreciation, interest and a desire for contact with the Church. Five requested Church School material.

Since July 1st, nine children have been supplied with the Christian Living Series, Church School material. At

Wherever possible, notes and cards are frequently sent to keep in personal touch with the Isolated. This personal correspondence is a most gratifying part of this work.

REPORT OF THE CAMP ALLEN COMMITTEE

The Diocesan Board of the Associated Women of the Diocese gave sixty-six dollars and fifty cents to the Camp Allen Department to be applied on the purchasing and installing of kitchen equipment, at the camp.

Camp Allen had a banner year in 1939, with the largest number of conferences and individual attendance of any year to date and the Committee is happy to have been able to contribute to the work and to have had a part in their fine program.

REPORT OF DEVOTIONAL CHAIRMAN

Madam President and Women of the Diocese:

At the Council in Houston, in 1939, I had charge of the Devotional part of the Women's program, both Monday and Tuesday mornings. Monday afternoon, I led a group of twenty-three women, giving suggestions and outlines and examples of successful devotions. I felt that this group discussion was most successful and I hope that the women who attended were helped with their problems.

I received no instructions or material for the World Day of Prayer in 1939, so no letters were sent out at that time. I did send a letter and a leaflet to each Parish and Mission in the Diocese for the Armistice Day Service on November 11th. I received 14 replies to these letters. During the year I have had six letters asking assistance in the Devotional work of the Parish. These letters have been promptly answered, material and sug-

gestions given.

There are many groups not joining in the days of prayer. Some groups of the women are attending services by the Rector, but your chairman would like to emphasize the value of corporate devotions by the women of the Diocese. There may be a need for educational work to bring to the attention of all the women the need to observe Armistice Day and the World Day of Prayer.

The Expense Account for the Devotional Work by the Chairman for 1939:

Mimeographing	\$1.50
Envelopes	1.00
Postage	3.53
Extra Prayer Leaflets	.50
Prayers, Old and New	.50

Total \$7.03

Respectfully submitted,

FRANCES B. LEWIS,

(Mrs. J. B.)

Devotional Chairman.

REPORT OF THE PUBLICITY CHAIRMAN

Every organization of Church Women in the Diocese has been contacted and many groups now have a representative taking subscriptions to the Magazine FORTH. From the letters I have received in answer to my letter, I can safely say that there is much interest and enthusiasm in FORTH. I am

gratified to report that the magazine is reaching many more church families than heretofore and is showing an increase month by month. Two church Guilds have subscribed 100 per cent.

Respectfully submitted,

MRS. E. P. ANDERSON,

Publicity Chairman.
