A MESSAGE FROM THE BISHOP

Dear Folks:

When I think of the pent-up power in the hands of the women in this Church in this Diocese, it alarms me, but used in the right channels, it thrills me, and I do hope we can put some emphasis this coming year on attracting new people to the Church, that they might share with us what it has to give.

God bless every last one of you.

Faithfully yours,

Clinton S. Quin

To The Women of the Church

CALLED UNTO HIS HOLY FELLOWSHIP is still the theme for study and devotions in this second year after our triennial meeting. Just what does that mean for us as individuals? First it means we are Christians, and we should recall that as Christians, we are living under the influence of Jesus, and whatever we do, or whatever we say, or whatever we are, should be measured by the influence of Jesus in our lives.

The world is in dreadful confusion now, but we are Christians and we can be different if we have the courage and the faith to live up to our precious heritage. There are three things we can do:

KNOW SOMETHING: Know our bible, study it. Know what our church stands for, study our new Christian Educational material. Form small groups, for study and prayer. Be an informed Christian, an informed member of our church.

BE SOMETHING: Have the courage to be a Christian! Be not like so many now, who are only **against** things and persons—be for Christianity and let our friends and neighbors know by our attitude towards them and towards life, that we are trying to live in a holy fellowship.

DO SOMETHING: We have the whole program of our church as a field in which to work—the United Thank Offering, in which every woman should be sharing; the Christian Social Relations work with the Displaced Persons, with legislation, with making our communities better places to live; the great, new Christian Education program, with its emphasis on redemption, through love and reconciliation through our relationship with God and our fellow man; and so on through our entire field of work. Know that these are only channels through which God can use us, in this confused and un-Christian world, to help bring in His kingdom.

This is a time for deep analysis, when men and women must search their souls, and search for the implications of membership in any organization and its relevancy for our times. If we believe in the Christian way of life, work for it! If we believe that Christ is our Lord and Saviour, act like it! **Study, pray and work.** For We are called unto His Holy Fellowship.

Mary Alice Pennybacker

PRAYERS

An Opening Prayer

Direct us, O Lord, in all our doings, with Thy most gracious favor, and further us with Thy continual help; that in all our works begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally by Thy mercy, obtain everlasting life; through Jesus Christ our Lord. Amen.

Prayer for the Parish

Lord of all power and might, who rulest in Heaven and in earth and canst turn the hearts of men after the counsel of Thine own will; we humbly pray Thee to awaken in all the members of our Parish a deep desire to maintain and set forward the work of Thy Kingdom throughout the world, that Thy Holy Name may be glorified and that all men everywhere may come to know Thee as their Father, through Jesus Christ, Our Only Savior and Redeemer. Amen.

Prayer for the Diocese

O God, who hast brought us into the Church of Thy dear Son, make all in this Diocese to be of one heart and mind in love toward Thee; and grant that our common life and work may help to bring in Thy Kingdom, through Jesus Christ our Lord. Amen.

Bishop Quin's Prayer

Dear Heavenly Father, we ask Thy blessings upon the women of the Church in this Diocese, united in Thy name and for Thy sake.

Give us a sense of reality when we say, "Thy Kingdom come," and guide us to our part and share in the bringing in of that Kingdom.

We offer unto Thee anew each day our souls and bodies, a living sacrifice.

We pray that the tasks to which we set our hands may be well done; and finally, with gratitude, we ask that by the example of our own loyalty that others may be attracted to the Christ way — through Jesus Christ our Lord. Amen.

Prayer for Vision and Courage

Grant us, our Father, the gift of clear vision that we may see Thy purposes, and our part and privilege in bringing them to pass. Turn our vision to courageous plans and our plans to Christ like action—all in

accord with Thy gracious will; through Jesus Christ, our Lord. Amen.

Women's Auxiliary Prayer

Almighty God, whose love reacheth unto the world's end, and who did send Thy Blessed Son to redeem all mankind, help us, we pray Thee so to reveal Thy love in prayer and work and stewardship, that by Thy spirit all nations and peoples may be baptized into one body, even as all are redeemed by one Savior; through Jesus Christ our Lord. Amen.

For the United Thank Offering

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Accept from grateful hearts our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

Closing Prayer

We commend to Thy mercy, O Heavenly Father, all that we have thought and said and done this day, beseeching Thee to pardon all that has been amiss in it and to accept for Thy glory all that has been in accordance with Thy holy will through Jesus Christ our Lord. Amen.

C. P. C. Prayer

O Lord Jesus Christ, Who art the Light of the World, pour out, we beseech Thee, upon all Thy servants Thy Holy Spirit of Wisdom and understanding that they may know the hope of Thy calling, the riches of Thine inheritance in the saints, and the greatness of Thy power to us who believe. More especially we pray Thee to direct and prosper the Church Periodical Club that in all its prayer and labor it may be enabled to make the light of Thy glory shine forth in the dark places of the earth. And do Thou of Thy mercy and grace establish Thy Church in the truth of Thy Gospel who livest and reignest with the Father and the Holy Spirit ever One God, world without end. Amen.

WOMAN'S AUXILIARY CATECHISM
ASSOCIATED WOMEN
(In the Diocese of Texas)

—QUESTIONS—

WOMAN'S AUXILIARY TO THE NATIONAL COUNCIL is the name given collectively to all women of the Protestant Episcopal Church who pray, give or work for it. What does this mean to you, and me?

OFFICERS of groups within a parish are elected to further the interests of their own groups. Isn't that enough responsibility without added overall inter-group planning?

METHODS are orderly procedures. How does one proceed to build a Unified Program? Through Planning Councils, Inter-group Committees, Mass meetings?

ACTIVITIES vary in interest groups. How can members be persuaded to look beyond their own interest group?

NATIONAL COUNCIL is the name given to the committee of men and women who carry administration of our Church between General Conventions. Isn't that remote from our local Woman's Auxiliary groups?

STUDY, SERVICE, WORSHIP, GIFTS, FELLOWSHIP, form the framework of the Woman's Auxiliary program? How can they suggest an overall theme?

AUXILIARY is another word for helper. How can our Auxiliary groups best live up to this name?

UNITY denotes a state of oneness. Why is it desirable to have unity of program within a parish?

X represents, in mathematics, an **unknown** quantity. What does it suggest in the work of church women?

INFORMATION and understanding are essential to intelligent action. Isn't our concerted effort more effective if all women respond to it with similar preparation?

LIFE and vitality depend on total cooperation and coordination of members of a body. How does this apply to women's groups in a parish?

IDENTITY involves individuality and distinctiveness. Will the identity of the Woman's Auxiliary be lost if every woman's group is considered part of it?

AUTONOMY leaves us with the right of self-government. Can individual parish groups retain autonomy even though there is overall program planning?

RELIGION and prayer undergird all that the Woman's Auxiliary stands for. Are they not, therefore, our greatest integrating force?

YOU and YOU and YOU and I are the Woman's Auxiliary. Shall we try for a closer relationship between groups in our parishes, that we may offer our maximum of strength to God?

—ANSWERS—

"WE, being many, are one body in Christ, and every one members one of another." This sentence from the Epistle to the Romans accents our indivisibility in the Life of the Church.

OVERALL planning and open-mindedness should facilitate the work of officers and of members, because a widened horizon is stimulating to freedom and growth in the Life of the Church.

MINDS must be made up by those who are actually involved. Meet! Discuss needs and assets. Group dynamics will bring to light common interests in the Life of the Church.

ADOPT an overall theme or project. Study it or give to it or cook for it or pray for it or sew for it or discuss it, respecting and sharing each other's expression of stewardship.

NATIONAL STAFF members of the Woman's Auxiliary and our National Executive Board, elected at Triennial, bridge this apparent gap, interpret needs, suggest program material to keep us abreast of it all.

SITUATIONS vary, all parishes have unique ones, pet projects and individual genius. Use these for the mortar when you build. Study them, pray for them, they will suggest others.

AUXILIARY groups work through universal channels such as the Supply Department, United Thank Offering, etc. Additionally they respond to opportunity for service within the parish, diocese, nation.

UNIFIED PROGRAMS are the most valuable means of attaining common purpose and consequent accomplishment in the Life of the Church.

X suggests, in the work of church women, an **unknowable** quantity which is the sum of all the talents of all the women dedicated to the Life of the Church.

INTER-GROUP MEETINGS are an excellent medium for giving all women a chance to be alert to the important goings-on in the Life of the Church and all women should attend them.

LIKE the members of the human body, individual women's groups may feature specific functions, but all must be headed in the same direction and toward the same goal.

IF there is any woman's group **not** considered part of it, then the identity of the Woman's Auxiliary **will** be lost for its distinctiveness is that it claims **all** women active in the Life of the Church.

ALL women of the parish meet together a stated number of times per year in addition to regular meeting of autonomous groups. There is some give and take, no regimentation.

RELATION in thought between prayer and conduct is not that conduct is supremely important and prayer may help it, but that prayer is supremely important and conduct tests it."

YES, the yardstick of our progress should be willingness of you and me to recognize the call to coordination of effort for the good of all in the Life of the Church.

OFFICERS REPORTS FOR 1951

During the past year of 1950 there have been five regular meetings of your Diocese Board. We have had four very fine area meetings and two convocational meetings.

Once again it is my pleasure to greet the delegates and visitors to our annual meeting.

A personnel conference for young women was held last Spring at Camp Capers and an inter Diocesan Conference in June in Amarillo for Board members. Two outstanding events which took place this year in our Diocese were the opening of a spacious house for the student center at the University of Texas and the Dedication of St. Stephen's School on All Saints' Day. I'm sure we were all filled with joy that we have had a small share in helping these projects.

I have had the opportunity of meeting many of you this year in your own parishes, and as the annual reports began to come in they meant much more to me than before. We have received only sixty-eight reports at this date—this represents about seventy-five per cent of the associations. Some indicate substantial progress, while others reveal a need for extra assistance of some nature.

We have grown! Last year from approximately the same number of reports we had 6,701 women communicants, while we now have 10,000. Instead of 3,010 active women in 1950, we have 4,030. There are only five parishes who do not have the unified program. Every parish reports a United Thank Offering. Only four had a perfect record, with every woman taking part in the U. T. O. Six parishes have no devotions at their Meetings. Eleven have no planned Educational program. Seven report no Supply department. Nineteen no Church Periodical club chairman. Thirty no Christian Social Relations chairman. Forty-six no Personnel chairman. I do not feel discouraged over this because I am sure that the lack of understanding of these departments is what has caused them not to be a part of every parish program.

Christian Social Relations means "showing Christ in your community". Every parish must have a Christian Social Relations secretary. It has been suggested that we have two—one to keep in touch with community social work and one to keep up with congressional movements dealing with social reforms, etc.

The story of personnel work must reach each parish. It is one of the most vital stories in the history of the Church—enlisting young women in using their Church as a vocation.

Supply is still our greatest missionary promotion. Let us not forget that your parish may be the one who has sent in this negative report. Will you make it your business to find out when you go back home? If you find that it is your parish, DO SOMETHING ABOUT IT:

I received a letter from Mrs. Arthur Sherman, our Executive Secretary, in which she quoted a message from a calendar she had received from a Chinese friend: a quotation from Habakkuk 3:17-18, "Although the fig trees shall not blossom, neither shall fruit be on the vines; the labour of the olive shall fail, and the fields shall yield no meat; the flock shall be cut off from the fold and there shall be no herd in the stalls; yet I will rejoice in the Lord, I will joy in the God of my Salvation". She says, "such faith is the fruit of our missionary work. As we pray daily for peace let us constantly hold up in prayer our Chinese christian leaders". "Committed unto us". Let us make a renewal of our commitment. Let us build our lives on prayer, seeking Him first and then trying to live with our fellow men the Christian way.

FIRST VICE-PRESIDENT OF PROMOTION

I attended the Annual Diocesan Meeting of the Associated Women in January at Waco. During the year I was present at four Diocesan Board Meetings. Attended an area meeting in Galveston held at Grace Church. Also participated on the program. With the help of the Promotion Committee the 49th Annual Report was compiled and edited. Over 1200 copies were distributed in the following manner.

Packages were sent to the Presidents of 90 churches. A year-book for each current officer. A request was sent to each President she have a conference with her clergy and present him one at this time and go over her program and work with him so he would have an understanding for the work of each Chairman. Ask his help and suggestions in getting the program over. The Clergy is an ex-Officio of the Associated Women. Single copies were sent to 150 individuals, including our Bishops, Board Members, Contact persons in unorganized missions of the Diocese. To those Presidents of the Southwest Province we had addresses of and to the members of the National Board and to our Provincial President.

Two news letters were sent to the Parish Residents. More would have gone out had news from our Chairman and Parish Presidents been channelled to this department. It is sincerely hoped more news items will be shared **with us** about the activities of its groups and their accomplishments this year. As it is definitely interesting and stimulating to others to hear what is being done by other groups.

REPORT OF SECOND VICE-PRESIDENT OF PRAYER AND WORSHIP FOR 1950

Literature for the World Day of Prayer was sent to each parish or mission devotional chairman. Also, material for use for a Quiet Day, and an explanation of what the Prayer and Worship Committee is. Four Associations reported holding World Day of Prayer Services. Three Associations reported having Quiet Days. Others held them but gave no official report. One Association had a two day retreat.

Post cards offering aid on problems, and Outline Guides were sent to new devotional chairmen.

Meditations suitable for opening meetings were sent to every parish or mission in March and again in September.

I attended the Annual Associated Women's Meeting in Waco in January, 1949, Executive Board Meetings in Austin, Houston and twice in Waco; two Convocational Meetings in Waco and Galveston, at all of which I gave devotionals.

Talks on "How to Deepen the Devotional Life in a Parish" were made to Associations in Austin and Angleton and to two in Houston.

I believe there has been a deepening of the spiritual life in many of the Associations. I desire to help more Associations with special aid, and will do so when I am asked for it.

INVOCATIONS

AM A. SALISBURY, A.I.A.
PHEN'S, HOUSTON

Requests for program and work material from a number of parishes manifested an increasing desire of our women to fulfill diocesan objectives, and these requests were promptly furnished.

From time to time, letters have been written to each parish president urging them to participate fully in our women's work and their response was very gratifying to each request that was made.

The privilege of serving on the Executive Board has been one of real joy in christian fellowship, and my constant prayer will be for continued spiritual growth in the work of our women.

(Mrs. Joe N.) Marguerite Davis

Northwest Convocation

It has been my privilege to have served as Vice President of the Northwest Convocation this last year. I have participated in the following activities: October 4, Convocational meeting St. Paul's, Waco; October 17, Area Meeting, St. Thomas', College Station; November 14, Area Meeting, St. David's, Austin.

During the year I have attended Board Meetings and served on the Finance and Nominating Committees.

I will gladly assist the organizations in my convocations any way possible if called upon.

(Mrs. C. H., Jr.) Lillian Ruebeck

Central Convocation

I was elected to fill the unexpired term of Mrs. Thomas Hale. Since that time I have served on both the Nominating and the Finance Committees.

I have discussed the organization of the Associated Women with St. Alban's group and hope they will become organized shortly. It will be a pleasure to help any of the Parishes in my Convocation when called upon.

Lillian H. Kelly, Mrs. John D.

Southwest Convocation

As Vice President of the Southwest Convocation, I have tried to promote interest in the women's work in the church. I have visited several parishes and found many worthwhile projects have been carried on during the year.

Windham Guild of Wharton, Texas was host to five parishes for an Area Meeting in April. Mrs. Kealhofer and Mrs. Hirst spoke on the work of the Triennial. Mrs. John Moore spoke briefly on the U. T. O. also showing the slides on "The U. T. O. Helps to Build the Church in Latin America." Mrs. William Brewster gave an excellent report on the progress of St. Stephens School. I attended the Diocesan Council in Waco, all Executive Board meetings and served on the Finance and Nominating Committees.

(Mrs. Sidney) Murray Clark

Southeast Convocation

Three years as Vice President of the Southeast Convocation have been three meaningful, stimulating, and satisfying years. Three years may sound like a long time, but that time has really passed very quickly and has brought me new friends, worthwhile experiences, pleasant associations, and spiritual growth. I am deeply grateful for the privilege of having served in that capacity for the past three years.

The annual meeting of the Southeast Convocation was held on November 8 at Grace Episcopal Church, Galveston. Both afternoon and evening sessions were well attended, with every parish and mission in the convocation, except

two, being represented. The theme for the women's afternoon meeting was "Living Our Prayer", and the program showed different phases of the women's work as examples of "Living Our Prayer". Dinner was served in the parish house, after which Mrs. John Foster of San Antonio, president of the Woman's Auxiliary of the Diocese of West Texas, spoke on "The Program of the Woman's Auxiliary", and Dr. Bailey Calvin of the Medical School of the University of Texas spoke on "The Church's Place in the Modern World". The service of Evening Prayer in the church, with Bishop Quin as preacher, brought the convocational meeting to a most inspiring close.

As Vice President of the Southeast Convocation, I wish to report the following activities in 1950. I attended meetings of the Executive Board in Austin, Waco, and Houston, and also a meeting of the women of the Northwest Convocation at St. Paul's Church, Waco, on the morning following our board meeting there; I served on the Nominating and Finance Committees; I attended a morning meditation at St. Mark's Church, Beaumont, that was conducted by Dr. Gladys Falshaw; I attended a dinner, also at St. Mark's, at which the Christian Education Program of the church was explained by Dr. Heuss; I attended a Retreat at Gilchrist conducted by Father D'Aubert of Houston, which was a most thrilling spiritual experience; I attended the Fourth Annual Inter-Diocesan Conference at Amarillo in June; I attended the Bishop's Supper in Beaumont, and the Thanksgiving dinner, also in Beaumont, at which Bishop Hines was host to the honorary sponsors of St. Stephen's School. I assisted in two World Day of Prayer Services and an Inter-Racial Inter-Denominational Service in Port Arthur, and spoke to the Associated Women of St. Paul's, Orange, and the Associated Women of St. Mark's, Beaumont, on high lights of the Amarillo Conference.

As my term of office draws to a close, I want to thank all who have given me their loyal cooperation these three years. It has been both a pleasure and a privilege to serve you, and my church, and my God in my own small way as Vice President of the Southeast Convocation.

Lora May Bussey (Mrs. N. A.)

ANNUAL REPORT OF RECORDING SECRETARY

I attended the 1950 Council in Waco where I was made Recording Secretary.

During the year I have attended all Board meetings and recorded minutes of the meetings. Copies of these were mailed when and as instructed.

Yearly report blanks for each Parish and Mission were mailed December 1, 1950.

I have written all letters for the Executive Board as instructed by the President and have answered fourteen inquiries addressed to the Secretary.

Correct names and addresses of all Board members, also all Parish and Mission officers of the Associated Women's Groups, are kept on file with the minutes.

Frances B. Lewis (Mrs. J. Bab)

REPORT OF RURAL EDUCATION CHAIRMAN

The purpose of this department is to keep people, living in communities where there is no Episcopal Church, in touch with their Church. This is done by sending them religious literature each month and the "Forwards" as they come out. The Vice-Presidents of the convocations are asked to invite those living in their area to convocation and area meetings. We have 159 names on our mailing list.

Mrs. J. R. McBride of Longview is chairman of the "Church School-by-Mail" which takes care of the children similarly situated. She sends Church School lessons, seasonal literature and handwork to these children twice a month. She has 30 children on her mailing list.

REPORT OF CHAIRMAN OF PERSONNEL 1950

The term "Personnel" as used in connection with the program of the Associated Women has to do with women workers in the Church. It means recruiting women, training, and placing them, and keeping in touch with them in their work. There is urgent need in the Church today for women in a number of strategic posts. Securing the right woman for its widening vocational opportunities is one of the most important tasks facing the Church. Finding the right person solves problems; accepting the wrong person creates problems.

This statement from the folder "Tell Us About Personnel" sums up the responsibility of the Personnel Committee of the Associated Women in the Diocese of Texas.

We have tried to use channels already set up for presenting the needs to the right people. At Vacation Church School Workshops, Diocesan Summer Conferences, Young People's Meetings, and Business and Professional Women's Meetings we have called to the attention of young women in school and business the opportunities for service through the Church.

In March 1950 at Camp Capers in the Diocese of West Texas a Vocational Conference for College Women was held. Thirty young women from the five Dioceses and Districts of the State spent a week-end together considering how one acts as a Christian in any calling and learning about specific vocational opportunities for women in the Episcopal Church.

On several College campuses at the time of a "Career Day" program we have had the opportunities in the Church presented.

We have kept in touch with the two women workers in the field from this Diocese—Miss Sara White in Japan and Miss Gloria Jameson in Montana, with one now in training at the Philadelphia Divinity School—Mrs. Robert Reid, and have also been aware of our responsibility to those women serving in this Diocese in full time Church jobs. We are looking forward to the summer of 1951 when we hope to have several of our own girls "on the job" in the Diocese through summer service opportunities made available to them in some of our parishes and missions.

In response to a request from Miss Gammack, the Personnel Secretary on our National Staff, we made a contribution from our Minnie B. Taylor Fund to supplement a sadly depleted National Scholarship Fund to help in the training of women preparing for Church vocations.

As your elected representative in this field of Personnel, I am aware of my responsibility and shall endeavor to discharge it, but like all other phases of our program the job can be done effectively only when every woman in the Diocese recognizes her responsibility to see that our finest young women know of this kind of service to which our Lord through His Church may be calling them.

UNITED THANK OFFERING

Report for 1950

It is my belief that more and more women in the Diocese of Texas are entering with enthusiasm into the great work of the United Thank Offering. We are coming to consider it a privilege and a way through which we may daily express our thanks to God for all his wonderful blessings, which flow so abundantly into the lives of all of us.

All records, correspondence, and distribution of materials in connection with the work of the United Thank Offering is up-to-date.

2,000 blue boxes; 3500 pieces of literature; and 3000 blue envelopes were sent out during the year. The two sets of colored slides which we own has been of immeasurable benefit in arousing interest as well as in sustaining it in this field. By asking for it a large number of women over the Diocese have seen it.

Summary

Eighty-three churches out of 97 in the diocese sent in a Thank Offering in 1950. The Spring Offering showed 81 churches represented and the Fall Offering showed 77 churches represented. I feel as if Prairie View and Bellaire came into the Diocese a bit too late to send in an offering, but they are included in the 97 churches which the fall report shows.

St. Mark's, Gladewater and St. James', La Grange, had 100% participation in both offerings. St. Stephen's, Huntsville; St. Thomas's, Rockdale; St. Mark's, Bay City; and St. John's, Palacios, each had one 100% participation.

CHRISTIAN SOCIAL RELATIONS

Mrs. William Spencer, Chairman, 1933 Portsmouth, Houston, Texas

Christian Social Relations embraces anything we do for, or give to our fellowman — this fact was brought out in workshops at Triennial. One of the worst faults of Christians is taking conditions for granted, but there is the challenge that social and political conditions would change for the better if we would do something about them. We agree that Social Relations cover all contacts of our daily lives — the problem is to make them Christian, by sending men with Christian attitudes to represent us in all fields of government and by serving on Boards and committees in our Community and being alert to unmet needs in our community as well as the world. We can express our purpose to cultivate better Christian Relations through

Social Study, Action, and Service

In PARISH or COMMUNITY	By EDUCATION	Through LEGISLATION	The SERVICE PROJECTS
Visit sick and shut-ins	Achieve better Christian life	Write your Congressmen and Senators	Church World Service
Give clothing and food to needy	Work toward peace	Vote at elections	Red Cross Local Council of Church women
Keep friendly relations with other church groups	Create interest in volunteer work	Support codification of laws pertaining to children — Better election laws for the State	Collect clothes for overseas and save the children Federation
Support church and community organizations for social welfare	Use study groups	Study about your United Nations	Board of Religious Organizations: Family, Welfare, Girls' and Boys' Home, Toy Shop, Homes for the Aged

During 1950 your Secretary attended all the necessary detail of correspondence, etc. to keep the affairs of the office in current condition.

I attended three of the quarterly board meetings, but was unable because of illness to attend the Council at Waco and the Amarillo conference. I have answered the invitations of various church groups to meet with them and have sent information and literature to those groups requesting same.

Our major project in 1950 was cooperation with Church World Service, through our National Council, on their Displaced Persons program. This required many hours of necessary detail, upon which I shall not elaborate. We were given some wonderful publicity in this connection in the Houston papers, resulting in literally hundreds of inquiries relative to sponsorship of Displaced Persons. Out of these inquiries we were able to actually secure sponsorship for around fifty of these people (almost twice our quota). Some of these people have arrived and are scheduled to arrive soon. There have been many unforeseen delays in the program. It is to continue throughout most of 1951, so there is still time to file applications. We've covered the "first mile," let's make the second a better one.

In connection with a program for this new year, we could select no better slogan for our work in the file of Christian Social Relations than that adopted as a slogan for Church and Economic Week (Jan. 14th to 20th): "THE HERALD OF A BETTER DAY." Four hundred churchmen gathered at the 1950 Detroit conference on The Church and Economic Life said: "The Gospel is concerned with all the activities of man, individual and social. Therefore, the Christian faith is relevant to the economic order."

Our Christian Social Relations Chairmen, one of the most important offices in the parish, are the guardians in the church and in their communities of the

social order. What are you in your community or your parish doing toward this end? What would an analysis of your efforts during the past year show in Christian influence in your community; in relieving the suffering and bettering conditions for your fellow-men?

Some of our parishes are doing more than their share, but they are unfortunately the exception. Some are doing nothing at all, in spite of the fact that there has never been a time when there is so much to be done. There are reforms to be made, legislation to be enacted to correct unfavorable conditions, relief to be given to the sick and needy, which includes those spiritually ill, as well as those physically afflicted. Could we select a better program for ourselves for this new year than to prepare for and make possible a "better day"? In this troubled, unsettled era, when world conditions seem almost beyond us, there is one thing which it is possible for us all to do — we can all set our own house in order. The net result of this is self-evident. If everyone in the world had his house in order, there would be no unrest — no heart-break — no disbelief — no insecurity. If it is true that "charity begins at home," certainly each of us can help toward a better world order by setting our own affairs in order, then reaching out to help those who are not in position, frequently through no fault of their own, to help themselves.

We all look forward to "The Herald of a Better Day." It can begin with you — today!

SUPPLY SECRETARY'S REPORT

During the year of 1950, the cooperation of the women of the parishes and missions throughout the diocese, with the Supply Department has been splendid. Dozens of articles of Hospital clothing and parts of 36 baby layettes were sewn in addition to the cash contributions.

We have served as supply-base to St. Michael's Mission to the Arapahoe Indian at Ethete, Wyoming and in addition to new supplies have sent over 1,000 pounds of good warm used clothing which has enabled them to supplement their wardrobes thereby filling a very definite need.

Our assignments have been quite heavy as needs have grown and prices have risen but these will be met as we have always done in the past. Supply is still our greatest missionary promotion.

The following has been sent from the diocese:

St. Luke's Hospital—Tokyo, Japan:

28 boxes of clothing, institutional supplies and layettes valued at	\$ 997.78	
Postage		\$57.58

Check to Sarah G. White, nurse in charge for toilet articles to complete layettes	48.00
---	-------

National Supply Secretary's Discretionary Fund Check	50.00
--	-------

St. Michael's Mission to the Arapahoe Indian—Ethete, Wyoming:

8 boxes of towels for gymnasium, dispensary supplies and 12 layettes valued at	341.90	
Postage		14.83

National Supply Secretary's Gift Fund:

Check for Christmas gifts for retired clergy	20.00
--	-------

Totals	\$1,457.68	\$72.41
--------------	------------	---------

These gifts were well received and were highly complimented as to quality and quantity.

Christmas gift checks of \$10.00 each were sent to three women missionaries from the diocese by the Associated Women of the Diocese instead of the Supply Department this year.

During the first half of 1951 we will have an opportunity to share in our Church's responsibility in a far-reaching, many-sided program of expansion which has been opened up to it in Liberia. We have been asked to supply goods to Cuttington College and Divinity School in Suakoko, Liberia.

It has been a real privilege to work with all of you as your Supply Secretary for the past three years and an opportunity for service for which I am most grateful.

Mrs. Sidney Smith

ANNUAL REPORT OF THE BUSINESS AND PROFESSIONAL WOMEN

Although the stimulation and co-ordination of the work of and with the Professional Women of the Diocese is new, this retiring chairman feels that the need has been demonstrated and that more worthwhile progress can be made in the future.

Working women need to be made to feel that they **belong**, and I have tried to emphasize that one way in which all women of the Church, no matter how busy can participate and feel a thrill of belonging is through the U.T.O. Having "preached" U.T.O. everywhere I went during my term. I am gratified to report the "blue boxes" are rather generally used by the Business and Professional Women. In fact, I know of two parishes where this group had the highest percentage of participation of all chapters.

A digest of Mrs. Whinfield's talk was mailed to Presidents of all chapters after the Council meeting in Waco last year.

In June I was one of the three members of the Executive Board to attend the inter-diocesan Conference in Amarilla, with Mrs. West as leader, and served as secretary for one session.

I served on the program committee for the 1951 council, attending the meeting in Galveston July 29th.

The Annual Bishop Quin dinner for Houston Business and Professional Women was postponed this year in deference to the Bryan Green Mission, but requests that it be held this spring are being heard.

It was a real privilege to serve on the board.

REPORT ON YOUTH WORK

The Diocese has recently been divided into 10 areas, regardless of Convocation lines, for the cooperative working units of the YOUNG CHURCHMEN of the Diocese of Texas. The key cities are: SE Houston, NW Houston, Beaumont, Galveston, Nacogdoches, Tyler, Austin, Waco, College Station, Wharton.

Each area has as chairman, a young person, with an adult adviser. The young people, plus half of the adult advisers, form the Executive Board of Young Churchmen; the 10 advisers form the Youth Commission of the Diocese. The Rev. Gordon Charlton is chairman of the Youth Commission of the Department of Christian Education, and Chief Adviser to the Young Churchmen's Executive Board. The Bishops, Canon Hutcheson and Miss Baldwin are ex officio members of both the Commission and Board.

For an informed Associated Women's group, it is important that the parish and mission Associated Women know what the young people are doing and thinking, and to give them a helping hand. These young Churchmen are in their training period — for Associated Women participation, for vestrymen, for Church leadership in every field of endeavor.

Associated Women Board Members: Keep in contact with the Young Churchmen in your area!

CHRISTIAN EDUCATION CHAIRMAN REPORT

The past year has been most satisfactory to your Education Chairman. I have had the privilege of welcoming into the Associated Women of the Diocese, St. Francis, St. Michael's, St. Matthew's, and Bellaire, all of Houston, also St. Francis' of Prairie View. These new groups are enthusiastic and co-operative and promise to be a very real asset to our Diocesan Women's program.

We have been so fortunate to have had Dr. John Huess of the National Council on Christian Education to visit us this year. He stimulated much interest in the new Educational curriculum planned for both adults and children. Canon Ward was also a visitor to a number of churches where he made inspirational talks on adult education. Most of our Women's groups have received with enthusiasm "The Holy Scriptures" and "Chapters in Church History," the first two books in the "Christian Teaching" series.

My mail has been quite heavy with requests for help on program planning and I have sent out many of the study programs recommended by National Council. "Consider the Bible" has been the most popular of the planned programs.

When I sent out the spring packet containing a letter to each of the Christian Education chairmen and brochure of suggested programs, the response was most gratifying. It proved to me that the women of the Diocese do not throw Christian Education material away without a glance at it. The cards I sent out to each parish, requesting a picture of the Church and a program plan or year-book for the Associated Women, were answered promptly. As those who attended Council meeting at Galveston can testify there were very few parishes who did not send in some kind of a picture or program.

It has been a wonderful experience to have served for a year as Christian Education Chairman for the Diocese and I know it has helped to further my own education.

The Church Periodical Club is a co-operating agent of the National Council and operates under the unified plan of the Women's Association of the Diocese of Texas and others throughout the United States and abroad. Its purpose is to supply books and magazines to our missionaries, students, etc., through the book funds. Also to supply hospitals, schools and shut-ins, through the women of the church, with magazines, games, records, scrap books, comics, vest pocket books, etc.

You can help by appointing a Church Periodical Club Secretary in your Parish to carry on this worthwhile work through the diocesan director. The organization is only as strong as our parishes elect to make it. You can also help by setting aside an amount in your operating budget for the funds above listed. This work belongs to the women of the church and without your help the Church Periodical Club can not function. Will you appoint a secretary and send her name to: Jerre Swain, Chairman.

REPORT OF THE DIOCESAN ALTAR GUILD CHAIRMAN

During 1950 an Executive Committee for the Diocesan was formed with the following members:

Vice-Chairman—Mrs. Carrol Allen, St. Cyprian's, Lufkin.

Sec.-Treas.—Mrs. J. J. Memke, St. Bartholomew, Hempstead.

Chairman of Altar Vessels—Mrs. Evans Merrick, Christ Church, Tyler.

Chairman of Altar Linens—Mrs. W. E. Carmichael, Palmer Memorial, Houston.

Chairman of Altar Vestments—Mrs. W. E. Borton, St. John, the Divine, Houston.

This committee met and formulated plans for the year.

The folowing items were contributed to the Altar Guild last year:

Linen, silk burse and veil made	Sent to St. Stephens
Various groups supplied linens	For Missions in Own Community
All used Vestments repaired also	
linens were repaired	Sent where needed

On Sunday, January 21, 1951 the annual meeting of the Altar Guild was held in Trinity Church at Galveston. Approximately 150 women attended. The Reverend Edmund Gibson gave the invocation. Following the business session Bishop E. Hines spoke to the group and then introduced the speaker, the Reverend John De Boer Cummings. Mr. Cummings gave a most inspiring talk on "The Anglican Traditions Regarding the Altar."

Trinity Guild had arranged a most interesting exhibit of Altar Equipment.

Let me stress again that we want to be helpful to anyone that makes a request. Especially do we want to be helpful in the Mission Field. We continue to need your help — that is to be able to meet the requests.

Peggy Thomson (Mrs. R. M., Jr.)

Reverence is a tender affectionate regard for Holy things. It is paramount because it is our greatest need in the preparation of our work in the Sanctuary. The very heart and soul of our Church is our Altar. That is the Mercy seat, that is where we met our Heavenly Father face to face. From there we hear His Loving words of forgiveness "Come unto me all ye that are weary and I'll heavy laden and I will refresh you."

BOOK OF REMEMBRANCE

Report of the Bishop Kinsolving Memorial Fund 1950

The Bishop Kinsolving Memorial Fund is a fund, the interest on which is used to educate young men from the Diocese of Texas, for the ministry of the Episcopal Church. Bishop Quin has reported that the Diocese of Texas has more young men in Seminaries than any other Diocese in the nation. Let us urge all our people, both men and women, to participate in this memorial fund.

This Book has a three-fold purpose. It is a beautiful memorial to the late Bishop Kinsolving.

Secondly it gives all of us an opportunity to perpetuate the names and memory of our loved ones by having their names inscribed in the Book; and

Thirdly, the Book furnishes the Bishop with a trust fund the interest on which is used toward helping young men in the Seminaries. This past year there has been such a great need for funds that an item has been placed in the Diocesan budget.

REPORT OF PARLIAMENTARIAN

Have attended board meetings and two convocation meetings. Since we have not made any change in the By-laws and the constitution my report is brief.

REPORT OF NOMINATING CHAIRMAN FOR 1950

The Nominating Committee has filled one vacancy on the Diocesan Executive Board, the office of Vice President, Central Convocation, made vacant by the resignation of Mrs. Thomas Hale. Mrs. John D. Kelley, St. Mark's, Houston, was elected. I regret that the letter to the Parish Presidents did not get out this year due to the incompleteness of the Slate in time for mailing. I have attended all but one Board Meeting.

It is indeed a privilege to serve on the Diocesan Executive Board.
(Mrs. George C.) Mary T. Morris

REPORT OF THE CAMP ALLEN CHAIRMAN

I have kept in contact with the Reverend William P. Weeks, Camp Allen Director, and with Mr. Gus Duzat, Camp Superintendent and Chairman of Properties.

I have attended all Camp Allen Board meetings, two Diocesan Board meetings, and have answered all letters received concerning Camp Allen. This included a letter on the new Camp Commission which is soon to be created.

The Associated Women of the Diocese donated \$200 to be used for employing a nurse for the summer at Camp Allen. An American flag was secured, and all curtains were laundered and hung before the Camp season began.

Much enthusiasm and good attendance were in evidence at the camp this summer. Over six hundred youths and adults took advantage of the education and fellowship that Camp Allen affords.

During my first year as Camp Allen Chairman, I feel that I have profited by my lack of experience and that during 1951, I shall be able to do a better job of furthering interest in and supplying the needs of Camp Allen.

Urge your Guilds or Parishes to supply scholarships for worthy boys to attend Camp. Write to me for information about it.
(Mrs. W. M.) Laurine W. Douglas

DAUGHTERS OF THE KING

The Daughters of the King is an order of Episcopal Women who have taken a vow of Service and Prayer, to further the extension of Christ's Kingdom especially among Women, and to assist the Rector in any way when requested.

I have attended board meeting when possible.

In January we had an attendance of 46 members at our Annual Assembly held at St. Alban's in Waco, with St. Paul's Chapter as Hostess.

In May the Spring Conference was held at Trinity Church, Galveston with 70 members in attendance.

We have 15 chapters with two new chapters that will finish their Probationary Period in January. We are most happy to welcome them.

A Chalice and Paten were purchased out of the proceeds of the Trinity Self-denial Fund for St. George's Mission, Austin, Texas.

I will be happy to assist in the organization of new chapters and to help others any time.

(Mrs. John) Hetty Sorensen
Diocesan President

MINUTES 31st ANNUAL ASSEMBLY

The 31st Annual Assembly of the Daughters of the King was held at Trinity Church, Galveston, Texas, on Saturday, January 20, 1951, with twenty-eight delegates and fifty members present, representing ten chapters, with the Reverend Benjamin Eaton chapter as hostess.

The Rev. Edmund H. Gibson opened the meeting with prayer. The Rev. Frank Doremus, assisted by the Rev. David McBride, the Rev. Claxton Munro and the Rev. Edmund H. Gibson officiated at the Holy Communion. The Rev. David McBride led the service of Renewal of Vows.

An inspirational meditation was given by the Rev. Claxton Munro on the subject of "Faith in Jesus Christ." He said, "There has been a universal feeling through the ages that forgiveness is accomplished through sacrifice. Forgiveness is accomplished through Christ on the Cross. In Christ, we have perfect unrequited love."

Registration for the Assembly was held in Eaton Hall, followed by luncheon. The business session convened in the auditorium of the church.

The president, Mrs. John Sorensen, opened the meeting with the Hymn of the Order, followed by the Prayer for the Order and the Motto. The Address of Welcome was given by Mrs. George Townsend, who said, "We need the interest and activity of every member and the added strength of new members." The Response was given by Mrs. Richard Hawkins.

The Rev. Robt. T. Gibson gave a challenging address on "The Extension of the Kingdom of Christ Through Objective Living." He asked, "How many have brought someone to church and to Confirmation during this last year?" He said, "Each of us must have a personal sense of responsibility to spread Christ's Kingdom in order to combat the forces of evil."

The secretary read the minutes of the Spring Conference. They were approved with one correction. The Treasurer's report was approved as read.

The President gave her report and asked for an invitation for the Spring Conference.

Report of Committees

Trinity Self-Denial

Mrs. E. M. Duer reported on the purchase and delivery of six Communion Services. She reported a balance of \$110.63 in the Trinity Fund. Mrs. Clappart made a motion that we purchase one Communion Service in readiness for a request from the Bishop or Coadjutor in the event of a scarcity of metal. Seconded and carried. Mrs. W. A. Smith made a motion that we turn the collection of \$32.72 over to the Trinity Fund. Seconded and carried. A motion was made that we take up a second collection to have sufficient funds to purchase a second Communion Service. Seconded and carried. Mrs. Smith moved that the original motion be amended to read "two communion services." Seconded and carried. Mrs. Kierbow moved that the surplus of the second collection of \$25.44 be placed in the Trinity Fund. Seconded and carried.

Extension

In the absence of Mrs. West, Mrs. J. W. Teague reported on two new chapters, St. Theresa, Christ Cathedral and St. Albans, Waco, to be installed this month. In the absence of Miss Caroline Patterson, Mrs. Teague and Mrs. Ferguson reported for the Junior Daughters of St. Mark's and St. Paul's, Houston.

Necrology

Mrs. Catterall reported the passing in February of Mrs. Ray Davis, a devoted and charter member of Christ Cathedral Chapter.

Resolutions

Mrs. P. W. Kittrell: Resolved that a vote of thanks be extended to the Rev. Benjamin Eaton chapter of Trinity Church, Galveston, for its wonderful hospitality in entertaining the Delegates and members to this 31st Annual

Assembly; to the Rev. Edmund H. Gibson, the Rev. Frank Doremus and other clergy for the celebration of the Holy Communion and Renewal of Vows service; to the Rev. Claxton Munro for his Meditation and inspiring address to us as Daughters; to the Associated Women of Trinity, Galveston, for the delicious luncheon; to the Rev. Robt. Gibson for his most challenging talk to us on the Rule of Service to our Order, and to all others who have done so much to make this Assembly a success.

The secretary read a condensed chapters' report. Mrs. Matteson made a motion that we continue to have a condensed report by the secretary. Seconded and carried. A suggestion was made that chapters mimeograph their reports and exhibit them at the Assembly for other chapters to get ideas. No action taken.

Mrs. Wymer, chairman of the nominating committee, presented the name of Mrs. H. H. Brewer, of Trinity Chapter, Houston, for Secretary-Treasurer. It was moved and seconded that the nominations be closed and the secretary instructed to cast the ballot. Motion carried.

The secretary was asked to send letters of sympathy to Mrs. A. D. McLellan, Mrs. Elizabeth Black, Mrs. J. A. Desal, Mrs. Glen Hannah, and Mrs. D. R. Snodgrass.

Mrs. H. H. Brewer was installed into office by the Rev. Edmund H. Gibson who dismissed the meeting with a closing prayer.

Count your blessings

"Praise the Lord. O my soul; and forget not all His benefits."

If you have	Recovered from an illness,
Had a happy day,	Been preserved from peril to body
Had good news,	or soul,
Met with a kindness,	Received an unexpected blessing,
Found that which you had lost,	Prayed and been heard,
Prospered in your business,	Learned anything about God,
	Been used in God's service,

"Give unto the Lord the glory due unto His name;
Bring an offering and come before Him".

Our United Thank Offering trains young women; sends young women overseas to work for the church; it sends young women to all parts of the U.S. to be directors of religious education, college workers and social workers; it provides equipment, otherwise unobtainable, for the Church's women missionaries; it repairs old buildings and builds new ones in the mission field; it gives emergency aid to many of the Church's mission projects at home and overseas; it shares in the support of outstanding interdenominational projects; it helps promote world literacy and provides Christian literature for the newly literate; it provides retiring allowances for women missionaries.

In these ways the women of the Church have put their thankfulness into action.

How can we be sure Worship is given first place in our women's meetings?

Start the New Year with Installation Service a Corporate Communion Service when possible. This service of dedication gives a spiritual tone to the work undertaken by the officers and encourages them to plan a year of thought-provoking devotionals for their meetings.

The officers who are to be installed, standing at the altar rail, the Past President, or some other person duly appointed, shall say:

Reverend Sir, the members of the Woman's Auxiliary of
Church have indicated their faith and trust in these
women by electing them as their officers for the coming year. On behalf of
the Auxiliary, I present them to you for installation.

I install you into the office of to which you have
been elected; and may God grant you grace and wisdom faithfully to exercise
the duties thereof.

Let us pray.

For A President

O God, without whose illumination and guidance we cannot please thee; withhold not thy help from those who occupy places of trust in thy holy Church; bless especially her who has been chosen to direct and lead the Woman's Auxiliary of Church. Give her plentifully of thy gentleness and firmness, to so manage the affairs of this organization that it may prosper in all things, according to the manifestation of thy glory; through Jesus Christ our lord. Amen.

For Other Officers

O Lord, Jesus Christ, who in the days of thy flesh didst accept the services of faithful women, who ministered unto thee of their substance, be pleased to pour upon this (these) thy servant(s) entrusted with the office of thy grace and heavenly benediction. Grant to her (them) the spirit of faith, loyalty and ability to transact the business allotted to her (them); who are with the Father and the Holy Ghost, one God, world without end. Amen.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore. Amen.
