PRAYERS FOR USE IN AUXILIARY MEETINGS

THE PRAYER FOR THE WOMAN'S AUXILIARY

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy Beloved Son, that we may pray fervently, labour diligently, and give liberally to make Him known to all nations as their God and Saviour. We ask this for His dear sake. Amen.

THE PRAYER FOR THE UNITED THANK OFFERING

O Lord, our Heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

PRAYER FOR OUR WORK

O Lord, Jesus Christ, who in the days of Thy flesh didst accept the services of faithful women, who ministered unto Thee of their substance; be pleased, we humbly ask, to bless our endeavors to aid and encourage missionaries. Put into our hearts the things we should do, or say, to promote Thy glory. Grant that we may never be discouraged under difficulties, but go forward in faith and love, looking unto Thee. Hear us, and answer this our prayer, for Thine own Name's sake. Amen.

PRAYER FOR MORE WORKERS

Father, if it be Thy will, put into the heart of some young man or woman of this parish to work for the advancement of Thy Kingdom in the Mission field. Inspire us, we pray Thee, with such love and faith that we may be willing to go unto the utmost parts of the earth in answer to Thy call.

This, and all things that work for Thy glory, we ask for Christ's sake, Amen.

REPORT OF THE WOMAN'S AUXILIARY

To The Rt. Rev. William Cabell Brown, .D.D, President ex-officio:

The Virginia Branch of the Woman's Auxiliary submits the following report:

During the year 1921 we formed nine new branches of the Woman's Auxiliary and Section B, and two of the Junior Auxiliary, giving us on December 31, one hundred and forty-six branches of the Woman's Auxiliary, sixty-six of the Junior Auxiliary and forty-six of the Little Helpers.

In October the Woman's Auxiliary was fifty years old, and celebrated her semi-centennial by special services and by the raising of a fund for Missionaries on Furlough. Virginia's contribution to that fund, which was called the Emery Fund, was \$1,082.77.

At the request of the Nation-Wide Campaign Committee of this Diocese, the Woman's Auxiliary undertook last autumn the training of the women who were to lead the Nation-Wide Campaign Prayer and Discussion Groups in Virginia.

Ten training classes were conducted by Auxiliary officers at different points; and one hundred and forty-one of the Parish Prayer and Discussion Groups were led by Auxiliary women.

Our Educational Secretary reports two Mission Study Institutes, and eighty-five Mission Study Classes in 1921.

One hundred and thirty-six of our members went to Summer Conferences last summer; and it is impossible to estimate the far-reaching influence of this expenditure of time and money.

Our branches are using better business methods. A larger proportion of the money contributed by the Woman's Auxiliary in 1921 went through our Diocesan Treasurer; the Secretary of Box Work has been consulted before the sending of boxes; and most of the branches are paying in the United Thank Offering twice a year.

One is struck with the varied interests of the Auxiliary, ranging from the Mission School in the home parish to the great Missionary Universities in the East, and from the local hospital to St. Luke's Hospital, Tokyo.

Our parish records show an encouraging growth in Christian Social Service work. One Section B reports that in 1921 her members ministered to one thousand one hundred and fourteen patients in the Richmond hospitals. We find a number of young women giving several afternoons a week to dispensary work, and at Christmas many Convict Camps and State Institutions were gladdened by gifts sent by our branches.

The practice of holding Corporate Communion for the Auxiliary is growing in this Diocese, many branches having celebrated our semi-centennial in this way, and quite a number of others having established the custom of presenting their United Thank Offering at a Communion Service before sending it to the Custodian.

Our Gift of Life Committee reports that in 1921 one of the Section B leaders went as a Missionary to China, and two of our young people took up work in the Virginia Mountains, and it also reports that at the present date we have five volunteers for the foreign field.

Our Financial Statement for the year 1921 is;

Woman's Auxiliary and Section B.

REPORT OF COMMITTEE ON BOX WORK

Your Committee on Box Work brings you the glad message of the most successful year in the history of the Diocese of Virginia. Widespread interest has been created by division of Personal Work, lightening the burden of the faithful workers of the past by co-operation of the newer branches. Contents of boxes are improving and many new garments finding their way into our Mountain Boxes, which have taken a long stride in numbers, for which we thank you, one and all. We trust that this wonderful success may continue and that the enthusiasm and interest of 1921 may increase as the years advance. Now that we have learned to carry our loved work to the foot of the throne in united daily prayer, may our faith and activity carry us on to greater endeavor, with God's blessing resting upon every effort to further His Kingdom upon earth.

REPORT OF THE CUSTODIAN OF THE UNITED THANK OFFERING FOR 1921

The United Thank Offering for 1921, it is hoped, is prophetic for that of 1922. It considerably more than doubled the offering of the corresponding year of the last triennium, being sufficient to overbalance the slight deficit for 1920 in doubling 1917.

The beginning of the final year finds the Diocese of Virginia having fulfilled her aim!

Knowledge of what the United Thank Offering stands for is necessary for its growth. To see that this knowledge is widely circulated among all women of the church is the duty of the parish custodians, for to them is given the opportunity of bringing to those who know it not, a blessing which only comes with the knowledge of, and having a part in, the "Woman's offering for woman, and, through woman, for the world."

"A peculiar blessing seems to rest upon it," was said of it. Without it how could such unprecedented results have been accomplished? The second offering was ten times the first. The tenth was more than two hundred times the first! This in itself is sufficient evidence that this "peculiar blessing" does rest upon it, and only with that blessing can it attain that power which we daily pray may follow our United Thank Offering.

Seven new branches of the Woman's Auxiliary have been added to my books, and three Sections B, during 1921. In one instance a parish in which there is no Woman's Auxiliary contributed. Ninety of the Branches of the Auxiliary contributed, and seventeen Sections B.

The work of the Church Periodical Club has been done through the parish librarians, who have been secured for only forty-six of our parishes. Are there not numbers of other churches and missions in the Diocese which will help in this good work by arranging to have some laywoman act as a librarian, and reporting her name to the Diocesan Correspondent, Mrs. V. B. Greene, 2020 Stuart Avenue, Richmond, Va.? If any of the clergy or lay workers in Virginia would like to be supplied with reading matter through

the C. P. C. they should send in their applications to Mrs. Greene at the above address.

Respectfully submitted,

MRS. V. B. GREENE,
Diocesan Correspondent.

REPORT OF THE BRANCH FOR ISOLATED CHURCH WOMEN

The Branch for Isolated Church Women reports as follows: We now have twenty-four members, 12 new members having been added this year. One hundred and fifty pieces of literature have been sent out, including the Nation Wide Campaign Literature. Letters and prayer lists have been written to each member from time to time. Contributions for the United Thank Offering have been received, and a box has been sent. Three women sent in their own names saying that they desired to join in the prayers and work of the Woman's Auxiliary. Matt. 21:22.

Respectfully submitted,
PICKETT WALLER, *Secretary.*

REPORT OF EDUCATIONAL SECRETARY

The Educational Department, through its Convocational and Parish Secretaries has been able to reach almost every Parish in the Diocese, helping to bring them in close touch with the Church's work in the five fields of service, namely: The Home Parish, the Community, the Diocese, the Nation, and the World. Its work has been along Educational, Social Service and Missionary lines.

Training classes for leaders, Institutes, Discussion groups, Study Classes, Program Meetings, Current Event classes, Prayer Circles, Pageants, Distribution of Literature, have been the means used to give the parishes the kind of information the Church desires them to have, that they may be more intelligent laborers in the Master's vineyard.

The following statistics may give us some idea of the extent of the work:

1. Discussion groups.....	89
2. Institutes.....	2
3. Normal classes.....	10
4. Delegates to Summer Conferences.....	100
(Charlottesville, Blue Ridge and Wellesley.)	
5. We have:

JUNIOR AUXILIARY REPORT FOR THE YEAR 1921

The Junior Auxiliary of Virginia has the blessed thought of all the work it has done for others during the year 1921. Each pledge promised has been filled. Miss Barber has been able to take care of three little Chinese babies, instead of two. Mrs. Woodward has had more money with which to meet the increasing expense of educating the boys and girls in China. Mr. Persons has had \$75 for Christmas candy and oranges at Yancey, Va. \$50 has gone toward the education at Goucher College of the two Japanese girls, Kyo and Toki. The Bishop thanked the Juniors with all his heart for helping him with the Emergency Fund and the Portuguese literature he is translating for the Brazilian missions. \$75 went to Alaska, and nearly every branch has been able, with the help of the Sunday schools, to send splendid Christmas boxes to specified mission stations. And last, but almost best, the branches have raised over \$600 towards the United Thank Offering. That offering will be taken next September to Portland, Oregon, and the goal set by the Juniors is \$1,000 for the tri-ennial. So much for the work done during 1921.

It is quite impossible to tell what the quiet influence of the Junior training has meant in so many lives: the leading and guiding of fresh enthusiasm into unselfish thought and deeds for others, the developing of character and usefulness, and the broadening of vision in our young church people. Each Junior during 1922 is asked to hold the standards up. Is not that alone worth while in these days of vague and lax moral ideas?

Another objective is to follow the new programs with a constructive plan of advance, definite aims suited to the needs of each meeting, and checked up at the end of each year to find out if they have been carried out, and, if not, why not. The delegates in Richmond heard Mrs. Butler's splendid practical suggestions along these lines, and she will be glad to correspond with any branches who want more details. Mrs. Larrick is always interested in giving information about money; Miss Purcell about the United Thank Offering, and Miss Brown about the box work.

There is a marked improvement this year in the return of the report blanks, for which we are very grateful. Let every Junior work with a will to make 1922 register another high-water mark in its Auxiliary plans.

GERTRUDE W. BARTON,
Secretary.

REPORT OF THE SECRETARY-TREASURER OF THE LITTLE HELPERS FOR 1921

1921 cannot count any new branches of Little Helpers in the many parishes in the diocese, and some of those on the roll have yet to send in a first report. I am holding on to them, hoping for some earnest woman in each one of these parishes to wake up—to catch the vision of her opportunity and her privilege. I pray God the day may not come for her to find that He has placed this opportunity beyond her reach, because she neglected to do His work when he needed her.

Again during this past year of 1921, and even more persistently have we heard of the financial stress from all sections, and there has been much to try our faith through these months that are now behind us; but those who have held steadfast have learned that there is always a blessing to be wrested from every difficulty, if only we hold fast to our source of strength.

Faithful secretaries, earnest mothers, with real self-denial on the part of many precious little children, have proven what can be done, and this 1921 report is full of encouragement for us all.

Thirty-four of the 46 branches have shown what could be done, what might have been accomplished, had these other eleven remembered that the financial year of the Church ends with the calendar year, and sent in their reports.

My financial report is as follows:

Balance in treasury from Jan. 1, 1921	\$113.49
