## PRAYERS FOR THE USE OF THE WOMAN'S AUXILIARY.

---

### The Apostles' Creed and the Lord's Prayer.

Stir up, we beseech Thee, O Lord, the wills of Thy faithful people, that they plenteously bringing forth the fruit of good works, may by Thee be plenteously rewarded, through Jesus Christ our Lord. Amen.

O Lord, without Whom our labour is but lost, and with Whom Thy little ones go forth as the mighty; we humbly beseech Thee to prosper the work which we have undertaken in Thy Holy Church; and grant Thy labourers a pure intention, patient faith, sufficient success upon earth, and the blessedness of serving Thee in Heaven; through Jesus Christ our Lord. Amen.

O Lord, who didst come to seek and to save the lost, and to Whom all power is given in heaven and earth, hear, we beseech Thee, the prayers of Thy Church for those who, at Thy command, go forth to preach the Gospel to every creature. Preserve them from all dangers to which they may be exposed; from perils by land and by water; from deadly pestilence; from the violence of the persecutor; from doubt and impatience; from discouragement and discord, and from all the devices of the powers of darkness. And while they plant and water, send Thou, O Lord, the increase, gather in the multitude of the heathen; convert in Christian lands such as neglect so great salvation; so that Thy name may be glorified and Thy kingdom come, O gracious Savior of the world; to Whom, with the Father and the Holy Ghost, be honor and glory, world without end. Amen.

The Lord bless us and keep us, the Lord make his face to shine upon us and be gracious unto us, the Lord lift up His countenance upon us and give us peace, both now and evermore. Amen.

### For Noon-Tide Daily.

“And I, if I be lifted up, will draw all men unto Me.”

Blessed Lord, Who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look unto Thee and be saved; through Thy mercies and merits, Who livest and reignest with the Father and Holy Ghost, ever one God, world without end. Amen.

### THE PRESIDENT'S ADDRESS.

Realizing that this office is the greatest honor the Diocese can bestow upon its members, it is with many conflicting emotions that one steps out of the chair. There is the feeling of regret that more has not been accomplished, the feeling of relief that the responsibilities are upon other shoulders, the sense of loss that the delightful associations are a thing of the past, and strongest and greatest of all, there is the feeling of thankfulness that even in a small way we have been privileged to spread Christ's kingdom.

In glancing over the past three years, certain facts are prominent. One is, the groups of women in many of the small towns, who by their loyalty and devotion, and with little incentive from outside, are keeping up the life of the church. They deserve our help. Let us, in the large parishes, show our friendliness and appreciation.

If asked what seemed the most potent factor in arousing missionary interest, I think we may say the Auxiliary Union Box, which under Mrs. Casperson's capable leadership, has reached large proportions, and will go on its way, carrying many prayers and blessings.

The work has progressed—more study classes, a larger United Offering, more missionary boxes. Let us remember, however, that there are still hundreds of women who care little for the "Churches' Mission", and with the enlarged field of our work, let us change this sad condition. With Social Service and Religious Education included in our Auxiliary work, our possibilities are limitless. Social Service was the fundamental principle of Christ's life. Let us make it very practical and give financial and moral aid to a devoted woman, who without much assistance has started a mission in the East Bottoms, has classes and services and has had one hundred baptisms.

Religious Education seems to belong to the clergy and the women. Some of us could be substitutes in the Sunday Schools, thus rejoicing our rectors' hearts. Let us help with the Diocesan paper and also continue the "drive" for church publications during the whole year. Along this line and with the study of "neighbors" for a background, let us co-operate with the government and the church in forming a true Americanism for the "strangers within our gates."

**"Education Plus Religion Equals Democracy."**

The Nation Wide Campaign has aroused the church to its duties to the twenty million immigrants in our land. There are

seventy thousand in our own city, called the most American of all cities. Let us remember they are lonely and friendless, and ignorant, and need our sympathy and help.

We are supposed to be the most active organization in the church, yet from May until October very little is accomplished. Why not give out work—knitting for Alaska, or hospital garments to be made in the summer? Wouldn't it be an inspiring sight to see tables filled with finished work in the fall?

In conclusion, as the preacher says, I want to thank you personally and officially for your support. We officers can do nothing by ourselves. It has been one of the great satisfactions that whatever we suggested, we knew we could count upon your co-operation.

You have made the office much more of a happiness than a burden. I feel nothing but optimism for the future of the Diocese. I believe God's Holy Spirit is guiding and leading us to greater things, that more and more will we rise above parochialism and Diocesanism and catch a vision of the whole world for Christ.

MARY H. CHILD.

## ANNUAL REPORT

of the Recording Secretary of the Diocese of West Missouri Branch  
of the Woman's Auxiliary to the Executive Council.

To the Right Reverend Sidney C. Partridge, Bishop of the  
Diocese of West Missouri, and the Women of the Auxiliary:

It has been some time since you had a report from your Secretary for which there are several reasons. In order to make the fiscal year of the Auxiliary coincide with the fiscal year of the Diocese and of the Board of Missions, it was deemed advisable to print no report in May, 1919, but to make the annual report include the time between May 15th, 1918, and January 1st, 1920. This report should have come out then, but owing to the "flu" epidemic it was impossible to get the different reports in. When it was at last ready for the printers the Executive Board decided to hold it until the election of the new Diocesan officers, that their names and addresses might be included, also the names of the new Parish officers, in that way making it a book of reference for the Diocesan work.

On account of the many changes in the Auxiliary work, there will be an early revision of the constitution, so it was decided to omit printing the constitution in this issue, as there will be another report in January, 1921.

We have had a good year and a half of work and while for a time there was much uncertainty as to what the status of affairs would be after the nation wide campaign, patience and watchful waiting overcame the difficulties and there seems to be a prospect of wonderful increase in the work and the workers under the new program.

In May, 1919, Mrs. J. C. Howard resigned as Educational Secretary and Miss Emma L. Stuart was appointed in her stead.

The Union Diocesan Box, under Mrs. Casperson, has made marvelous progress. In fact there has been a marked increase in the box work generally.

Four regular meetings have been held: In November, 1918, at St. John's, Kansas City, where we had the very great pleasure of having Miss Tillotson of the Church Missions House with us; in February, 1919, at St. Mark's, Kansas City, Bishop Longley, of Des Moines, being the preacher; May, 1919, at St. Joseph, where Dean Bell, of the Great Lakes Training Station, was speaker of the day; and November, 1919, at St. John's, Springfield, when we had the Provincial Educational Secretary, Mrs. John Ames, of Kansas, and Dr. Spencer, of Grace and Holy Trinity, Kansas City.

All these meetings were well attended as was the Quiet Day conducted by the Bishop at St. Paul's, Kansas City.

The increased United Offering was a source of great joy to us all and the custodian is to be congratulated. Special attention is called to the reports of the Educational and Corresponding Secretaries. We predict a great advance in 1920 with the new program and the new officers.

Respectfully submitted,

LUCY D. W. GILMER,  
Recording Secretary.

#### REPORT OF CORRESPONDING SECRETARY

For Year Ending December 31st, 1919.

The report of a corresponding secretary would be tiresome, indeed, if it contained only a list of cards and notices sent, letters written and received, and literature distributed. Suffice it to say that such routine work has been done, and done gladly.

Our Diocesan Auxiliary now has seventeen well organized branches, with a membership of 387 and four unorganized branches with 49 workers, making a total of 436 women doing auxiliary work. Comparing these figures with our last year book, and considering the hearty response the church women in small parishes have made to the visits of our President, it can easily be seen what splendid results could be obtained in this diocese through the systematic efforts of a trained organizer. The work is of such absorbing interest, the possibilities so great and the results so satisfying where efforts have been made that it seems a great pity our Auxiliary cannot afford a traveling secretary, when so great is the opportunity.

I must here make mention of the Mothers Meeting of Grace and Holy Trinity parish in Kansas City. This little band of busy Mothers, under the efficient directorship of Mrs. W. R. Jacques, while not an organized branch, is doing splendid Auxiliary work, and this year contributed more than one hundred dollars to our pledges.

The Nation Wide Campaign was successfully completed and West Missouri raised 85 per cent of the quota assigned to the diocese, and is reported in the second grouping of dioceses that have been successful. This shows that we can do a thing when all hands work together.

During the past six months we have had visits from Mrs.

Biller, of the Church Missions House staff and from Miss Matthews of Southern Ohio, who is President of the Church Service League, both of whom brought us inspiration and help and a clearer vision of the enlarged scope of the work of the Auxiliary, with the promise of a two weeks visit in the fall of an organizing secretary to visit isolated parishes and to encourage new branches.

The plan to create a Triennial Delegates Fund, to be contributed to by all parish branches, was a great step forward, and to St. Mark's and St. Paul's parishes, in Kansas City, must go the honor of sending the first contribution to this fund.

As a retiring officer, I shall watch the work of the Auxiliary with unusual interest. Some questions have been solved; some do not stay solved and a number remain to test the abilities of the incoming officers. The past holds much of which to be proud, and, in looking forward, we find much reason for encouragement.

Wishing the Auxiliary of West Missouri Godspeed in its "full steam ahead", I am,

Faithfully yours,

MARIA S. A. BACON,

Corresponding Secretary.

### REPORT OF UNION DIOCESAN BOX.

Kansas City, May 20th, 1919.

The second Union Auxiliary Box has been sent to the Appalachian School, Penland, North Carolina, in care of Mr. G. T. Wyatt, containing 80 complete garments for children, making a total of 140 garments sent this school this year.

## REPORT OF EDUCATIONAL SECRETARY

From May, 1918, to January 1st, 1920.

Mrs. Howard, former Educational Secretary, reported 22 reading circles and study classes for the winter of 1918 and 1919.

Except for the sending out of two letters to each parish, mission and station in the Diocese, in behalf of the books for Liberia and which resulted in the sending of several hundred specified books for that purpose, very little work was done before November, 1919. Your secretary in the meantime attended special classes at Racine and Detroit in the work of the Woman's Auxiliary and the especial work of the Educational Secretary. As a result of these meetings it was planned to attempt developing educational work on the lines of Daily Bible reading, Prayer Cards, Bible Classes, and Study Classes of all kinds, etc. Report of these plans was printed and sent over the Diocese early in January, 1920.

Actual work done prior to January, 1920, consisted in letters written by the request of Rev. Mr. Washburn to nearly all the entire Diocese, urging the members of the Woman's Auxiliary to forward the Nation Wide Campaign.

At the meeting in Springfield, there was an exhibit of Educational literature and material. It is expected that these exhibits will become a regular feature of every quarterly meeting.

At St. Paul's Bazaar a booth with devotional and educational literature for sale was assigned to your secretary, and by courtesy of the ladies of St. Paul's Church the profits of these sales were given to this department.

Early in December Mrs. Child gave permission to enlarge the Secretaryship for Education to a Department of Education, to fit the enlarged needs of the new work. Mrs. Love and Mrs. Burr were appointed as heads of Social Service and Religious Education respectively. There has not been time enough since then to make any definite plans on these lines.

During Advent, letters were sent to every parish priest, requesting intercessions for the Study Classes and in December a normal class of six was formed for study of "Prayer and Some of Its Difficulties," which had five meetings with an average attendance of four. We have ordered and have on hand a limited supply of the study book of the year, "Neighbors," and are in hopes that every parish will have at least one class, so that we may, as a church, be better prepared to assist intelligently in the Americanization of the alien races in our land and especially in Kansas City.

Respectfully submitted,  
EMMA LYALL STUART, Educational Secretary.

REPORT OF THE JUNIOR DEPARTMENT OF WEST  
MISSOURI TO THE WOMAN'S AUXILIARY  
FEBRUARY 6, 1919.

Have tried to get in touch with Junior Parish Leaders. Reports from Mrs. Belt, West Plains, Miss McReynolds, Carthage, and Mrs. Parker, St. Paul's, are very favorable to date, although all have suffered from the "flu ban." Mrs. Algeo reported early in the year the gratifying success of her Sunday School Army Plan at Grace and Holy Trinity, Mr. Washburn of St. Paul's expresses his desire for and use of missions in his Sunday School. From the former leader of St. George's Juniors I have word that she has done nothing since the Missionary Army Plan was placed on trial and asked me to get a report from the Superintendent of Sunday Schools of St. George's.

Mr. Maloney of Christ Church, St. Joseph, reports the successful use of the Christian Nurture Course, but has as yet this season not called a meeting of the Junior Auxiliary. I asked Mrs. Woodstock to act in my place at the Diocesan committee meeting of the Sunday School Missionary Army.

#### **REPORT OF THE JUNIOR DEPARTMENT TO THE WOMAN'S AUXILIARY.**

At the called meeting of the Officers of the Junior Auxiliary, the President of the Woman's Auxiliary, the Sunday School Committee and Bishop of the Diocese at St. George's Parish House, Wednesday, February 4th, at 2:30, a resolution was unanimously adopted that the Junior Auxiliary affiliate with the Sunday School Missionary Army until the annual meeting in May, 1920, at which time it is hoped the Diocesan Council will be ready to merge its Junior organization into a permanent one. This action was taken following the separation of the Junior Department from the Woman's Auxiliary and its transition into the Educational Department.

Respectfully submitted,  
AMY-LU REID.

P. S.—The West Missouri Lending Library was removed to Diocesan House, Kansas City, January first, from the home of Mrs. Reid, in St. Joseph.

February 5, 1920.

3500 Warwick Boulevard,  
Kansas City, Missouri,  
November 29, 1918.

The work of the Advent Call was explained to the Rectors of the eight Churches in Kansas City, and they all promised it their hearty support.

A letter was sent to the Clergy outside Kansas City containing: (1) a letter from the Bishop giving his sanction to the plan; (2) **The Advent Call**, by Miss Lindley; (3) cards of suggestion to the Rector, to the Messengers, and to the Parish Committees; and (4) a letter from the Diocesan Leader of the Advent Call asking the Clergy to bring it before the women of their parishes and missions, and to help them in the ways suggested in the leaflets. The following list shows how many parishes and missions were reached in this way:

1. Rev. Alexander Corbett, Boonville and Fayette.
2. Rev. R. J. Belt, West Plains.
3. Rev. F. A. Foster, Carthage and Webb City.
4. Rev. Lyman Howes, Chillicothe.

5. Mrs. E. F. Stebbins, Lebanon.
6. Mrs. Frank Atwell, Richmond.
7. Mrs. J. H. Rogers, Christ Church, St. Joseph.

The following parishes were visited by the Bishop's Secretary, Mr. Wilcox, who took the women the Advent Call Leaflets:

1. Nevada, 2. Clinton, 3. Harrisonville, and 4. Brookfield.

Two parishes, those at Aurora and Butler, hadn't the name of a woman member on any of the Church lists, so, in these places letters were sent to laymen.

This is a total of forty-five parishes and missions.

24. St. Joseph, Holy Trinity.
25. St. Joseph, St. Matthias'.

At the meeting in St. Joseph the women of Savannah and Mound City were asked to meet with the St. Joseph women.

In two cases the meetings consisted of one woman: that is at Lees Summit and at Webb City.

There was a meeting arranged at Independence but no one but Mr. Plunkett came.

About twenty-eight hundred pledge cards, Bible readings and prayer cards were distributed, some having been sent to every place in the Diocese in which any Church women were known to be living.

EMILY TOLL HOPKINS,  
Diocesan Leader of The Advent Call.

Fifteen parishes reported work done.

348 cards were signed.
