## PRAYERS FOR THE USE OF THE WOMAN'S AUXILIARY.

---

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. Amen.

O Lord, our Heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

Almighty God, Who through Thine only begotten Son Jesus Christ hast overcome death, and opened unto us the gate of everlasting life; We humbly beseech Thee that, as by Thy special grace preventing us Thou dost put into our minds good desires, so by Thy continual help we may bring the same to good effect; through Jesus Christ our Lord, Who liveth and reigneth with Thee and the Holy Ghost ever, one God, world without end. Amen.

O God our Heavenly Father, we thank Thee for the gift of Thy dear Son. Grant that we who have received Him in our hearts may joyfully go forth with Him on many errands. Bless those who toil for Thee in far off places; comfort them in their loneliness and unite our work to theirs. Accept our gifts; receive our prayers; and use us for the sake of Thy Son Jesus Christ, our Lord. Amen.

Almighty God, our Heavenly Father, Who with Thy Son Jesus Christ hast given unto us all things in heaven and earth, we beseech Thee to make us a thousandfold more useful to Thee than ever before, that so Thy power and blessing may flow through us to multitudes of others who are in need, and also make us more willing and loving servants of Thine to Thy honor and glory, for Jesus Christ's sake. Amen.

### For Noon-Tide Daily.

"And I, if I be lifted up, will draw all men unto Me."

Blessed Lord, Who at this hour, didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look unto Thee and be saved; through Thy mercies and merits, Who livest and reignest with the Father and Holy Ghost, ever one God, world without end. Amen.

### THE PRESIDENT'S ADDRESS

Once more your officers wish to express to you their gratitude for the support and co-operation you have given them, and to ask you to continue to "stand by," not in the radio sense of waiting for something to happen, but in the old fashioned, active way you have always done, as we go forth on the last year of our work in our present relation.

I should like to add a personal word of appreciation for the services of two officers who have been obliged by ill health to resign during the year: the Corresponding Secretary, Mrs. Annie Browne and the Educational Secretary, Miss Emma Lyall Stuart. To efficiency and faithfulness in the performance of the duties of her respective office each one of these added a devotion to the work as a whole and a kindly spirit in working with the other officers that increases our regret in giving them up, and will always make the remembrance of our work together a joyful memory.

Since it is the last year in office of the present staff, it is quite necessary for the members of the Auxiliary to keep in mind that they must make their choice of new leaders at the next annual meeting. As we are to have no nominating committee to help us with our thinking about candidates, your Board of Managers has asked the presidents of the Kansas City branches to act as a sort of lookout committee, to receive and pass on information about available women for these places. Will you not think over and talk over this matter among yourselves and with your branch president, so that all of us may know of those in other parishes than our own who would be able and willing to serve the Auxiliary as officers.

All of us who have shared for any length of time in the work of the Auxiliary know pretty well what is to be done from year to year, but because it is good for us occasionally to put our ideas into definite words, I should like to lay before you some suggestions concerning the policy of the Auxiliary for 1924:

#### Program for the Auxiliary

##### In General:

Stimulation of the spiritual life by quiet hours and days of intercession and meditation.

A special effort to reach more of the outlying places in the Diocese with personal visits by officers.

A special effort to reach the isolated Churchwomen of the Diocese, especially through the Educational Department and the United Thank Offering.

Continuance of our custom of undertaking pledges for various items of the Church's work.

Co-operation with the women of the Church in raising the Bishop Tuttle Memorial, with the women of the Province in raising a fund for St. Philip's School, and with the women of our several communities in local good works.

Readiness to meet any call for help in work for the Reconstruction in Japan, and any other emergencies that may arise.

**By the Supply Department:**

Completion of the Diocesan allotment.

Building up of the Supply Bureau.

**By the Educational Department:**

Increase in study groups.

Increase in subscribers to The Spirit of Missions.

Will you not hold all these projects in your thoughts and in your prayers, and keep yourselves ready to do your individual part in them?

URSULA MINOR BURR.

#### ANNUAL REPORT

##### Of the Recording Secretary of the West Missouri Branch, of the Woman's Auxiliary to The National Council.

To the Right Reverend Sidney Catlin Partridge, Bishop of the  
Diocese of West Missouri, and Women of the Auxiliary:

The year started with two January meetings, the regular  
Annual meeting, held at the time of Council in Springfield, and a called meeting held in Kansas City. The meeting in Springfield  
was most enjoyable, many friends known heretofore only by their  
letters were present, the hospitality of the two parishes of the  
city was most bountiful and the arrangements for the entertain-  
ment of the visitors were perfect.

Because of the distance, very few Kansas City people were  
able to go to Springfield, and on this account a called meeting  
was held at Grace & Holy Trinity Church for their benefit. At  
this meeting the Bishop was the celebrant, assisted by the Revd.  
Robert Nelson Spencer. Bishop Thomas Demby was the speaker,  
his subject being St. Philip's School.

The May meeting was held at St. Mary's, the Bishop being  
assisted by the Rector the Revd. E. C. Merrill. The Bishop  
preached the sermon, and the Rector of St. Paul's, The Revd.  
Benjamin Washburn, spoke on the Educational Conference at  
Omaha. The speaker of the day, Mrs. George Forsee, gave an  
address on Ecclesiastical Music.

In November St. Andrew's Branch welcomed the Auxiliary  
in the new church. In the absence of the Bishop, The Revd.  
James Pernette DeWolfe was the celebrant, and Dr. Edwin Wilcox  
was the preacher.

Changes in officers during the year are as follows: the  
vacant post of secretary was filled by the election of Mrs. Arthur  
C. Everham of St. Andrew's, the resignations of Miss Stuart  
and Mrs. Annie Browne, both caused by ill health, were regret-  
fully accepted, and Mrs. L. C. Reeves of St. John's was elected  
Corresponding Secretary. The office of Educational Secretary was  
still vacant at the close of the year, but has since been filled  
by the appointment of Mrs. J. P. Newell of St. Paul's.

During the year our vice-president, Mrs. Bland, was honored  
by being asked to be Miss Lindley's personal representative at  
an important inter-racial conference held in Kansas City.

Increased responsibilities have come to two of our officers,  
Mrs. Burr having been made Provincial representative on the  
Bishop Tuttle Memorial, and Mrs. Brown, Provincial Supply  
Secretary.

Visits out in the Diocese have been made by Miss Stuart, Mrs. Burr, Miss Howard, Mrs. Brown, Deaconess Bedell and Miss Aimee Drake.

In Kansas City we have had Miss Boyer's long anticipated Institute, visits from Miss Drake, Deaconess Bedell and our Provincial President Mrs. Dix, who was the guest of honor at a delightful luncheon at the University Women's Clubhouse.

The Auxiliary acted as publicity agent for the Bishop in connection with the fund for Japanese relief and co-operated in raising that fund. A gift of bedding was sent to Tokyo from the funds of the Supply Department.

Beside meeting the emergency call from Japan, the Supply Allotment was filled, and all pledges paid in full. The full amount asked from this Diocese for the fund for the Hooker School, undertaken by the women of the Province for three years, was given. Money for the pledges came in more promptly than ever before, much to the joy of the treasurer who for the first time was able to close her books on time.

The interest of the Auxiliary in the new hospital was made manifest by a gift of curtains for the nurses' home, while members of the Board of Managers donated a sewing machine and a porch swing.

Other civic enterprises were shared with the members of the Women's Missionary Council of Kansas City, Mrs. Abbott having helped with relief work, Mrs. Woodhouse with the Girls' Home. During the month of December transportation to the Parental Home was furnished for Sunday School teachers.

The Auxiliary was asked to furnish speakers for the Regional Meetings held this fall by the Board of Church Extension. Mrs. Burr attended those held in Kansas City and St. Joseph, Mrs. John Howard the one at Chillicothe, Mrs. John Dalton, that at Joplin and Mrs. Benjamin Brown, that at Sedalia.

The Synodical Meeting of the Woman's Auxiliary of the Province of the Southwest was entertained by the Churchwomen of Kansas City at Grace & Holy Trinity Church in October. On account of the sudden death of her father, the president, Mrs. Dix, was unable to attend, and the duty of presiding fell upon our own president. All the delegates rallied to her support in the emergency, and the meetings went through on the three days of the Synod, without a hitch. The high spot of the meetings, was, perhaps, the inspiring address by Mrs. E. C. Cushing of St. Louis on the Memorial to Bishop Tuttle. The women who heard her were so impressed that Mrs. Cushing was asked to return in January, 1924, to speak at our own annual meeting. A full report of these meetings will be found in the President's address. We felt especially proud of our one Provincial officer, Mrs. Benjamin Brown, whose interesting report showed how very well the Supply work is being handled.

Respectfully submitted,

JANE T. EVERHAM.

ANNUAL REPORT OF SUPPLY SECRETARY

January 1st to December 31st, 1923

The supply work done during 1923 by the various parishes in the Diocese of West Missouri has been in many different fields of service. The largest share of this work going to St. John's Mission, Hendersonville, N. C., most of the parishes outside of Kansas City working on this allotment. One personal box went to Virginia, a mission box to Georgia, box to be used for social service work in White Bluff, Tenn., personal Christmas boxes to China and Alaska and altar supplies, blanket, sheets and pillow cases to Tokio, Japan.

The women of the Diocese are to be congratulated on their splendid work during the past year. They may feel sure, considering all things, they are second to none in the Province of the Southwest.

The Central fund is used to buy articles that are cheaper purchased wholesale and in large quantities. This fund is made up from contributions from the various parishes.

### REPORT OF THE PLEDGE COMMITTEE

In formulating pledges for the year 1924 your committee is ever mindful of the struggle of all church organizations to meet their financial obligations and realizes that the discriminate giver is always the cheerful giver, and, for this reason, the pledges have been reduced just as far as possible consistent with the carrying on of our Auxiliary work.

In the next two years all our efforts must be directed toward the completion of our Auxiliary Special, The Tuttle Memorial, or National Training Houses for Woman Workers. The latch to this Open Door to Women's Service we have hardly raised this year; in 1924 we must give at least \$340.00 and in 1925 the same amount, if we are to meet the quota of \$750 allotted to West Missouri. We have no fear but that it will be done, we must not fail. No gift will be too small if accompanied by a prayer, and none so large that it will not need an earnest prayer to help it accomplish its purpose.

Our second duty is to the Provincial Special, St. Philip's Industrial School for Negro Girls, our share as one of the larger dioceses in the province being \$200 per year for three years.

Taking all these facts into consideration, we beg to submit the following list of pledges for 1924:

#### Pledges of the Woman's Auxiliary, 1924

1. A definite pledge to your parish quota for Missions.....No specified amount  
(As loyal Churchwomen we have an obligation to the general work of the Church. Each of us should make her personal gift for this, through the "red" side of the duplex envelope, or any other method used by her parish, but unless the parish quota is raised in full by the individual contributors, every woman's organization should also make a pledge to it. Consult your parish treasurer and pay this pledge to him promptly. If you are not a member of a parish, remember this is the work of YOUR CHURCH just as much as if you attended the greatest cathedral in America, and you should have a share in it. In this case or if your parish treasurer is not co-operating in raising the quota, you may send this money through our own treasurer, Miss Louise Howard.)
2. The Bishop Tuttle Memorial Houses for Women in Training.....\$340.00  
(Every Churchwoman in the Diocese should have a share in this fund. We recommend that you ask your individual members to earn or give a sum of money, large or small, for this, so that each may feel that she has her individual part in the Memorial to our great Presiding Bishop.)

3. The Provincial Special—St. Philip's School for  
    Negro Girls.....\$200.00  
    (Every group of women doing Auxiliary work should  
    have a part in this work, undertaken for the next three years  
    by the women of the Province.)

    betterment because of the teachings of your Church.)

#### REPORT OF THE SYNODICAL MEETING.

A meeting of the Woman's Auxiliary of the Province of the Southwest was held at the time of the meeting of the Synod, October 21, 22, 23, 1923.

The gathering was saddened at its coming together by the announcement that the sudden death of her father had prevented Mrs. Dix, the president, from being here to preside at the sessions. This was doubly unfortunate, because no one knew just what Mrs. Dix had planned, and this is a meeting of women from scattered points, unaccustomed to working together, and with no very clear idea of the work of the Province as a whole.

The very fact, however, that their sympathy for Mrs. Dix was aroused, and that they clearly realized that the presiding officer was taking over the meetings entirely without preparation, seemed to bring them closer together, and to bring out a spirit of kindness and co-operation that was a wonderful thing to see. You probably know that your president was the presiding officer, and I can not express in stronger terms my appreciation of the consideration shown me than by saying that I should almost have thought the women were all from West Missouri.

Nine of the eleven dioceses in the Province had representatives present, which was a really remarkable showing.

The principal legislation was the adoption of a revised Constitution and By-Laws. The most important change made was the provision that the president shall also serve as the representative of the Province on the National Executive Board, and the one that the vice-president shall be the president of the branch in the Diocese that is entertaining the Synod.

Another important action was the adoption of a common undertaking for the women of the Province for the next three years—the raising of a fund for St. Philip's School. This showed very clearly that the women are not afraid to function as a province.

The women had for some time realized that some specific action should result from the inspiration that comes from a gathering such as this, and had already undertaken the Provincial special for Mexico. Neither the Auxiliary nor the Province had disintegrated in consequence of this action, so this time we went on and undertook another.

Probably the most interesting feature of these meetings was the group of reports from all the dioceses. These reports, read by the various representatives, gave us a view of the work of women in the Province as a whole, such as most of us had never had before. Our own report was, I thought, one of the very best. It was almost exactly what you have read—I hope—in the last year-book, and is a record of which any Diocese might well be proud. I assure you I was proud to have the privilege of presenting it.

Speaking of reports, the report of our Supply Secretary, Mrs. Benjamin Brown, who is also supply secretary for the Province, was especially interesting and showed that she is as efficient in handling large matters as we know her to be in our own.

One of the most helpful things we did was to break up into small groups for conferences on various phases of our work. There were conferences on the United Thank Offering, the Supply Work, Church Schools, Altar Guilds, Daughters of the King, and other activities, and everyone seemed to like having just the people who were interested in that particular thing and having time really to talk over their common problems.

We had splendid speakers: Mrs. Putnam, Deaconess Newell's sister, who made us feel as if we had seen the Hooker School; Miss Marsh of the Girls' Friendly, who comes to us now as an old friend; Miss Bowden of St. Philip's, a really remarkable speaker; Miss Mabel Schaeffer, who is back on furlough from Tokyo and who brought us the latest news from that stricken district; and Mrs. E. C. Cushing of St. Louis who was the speaker at our own little service in memory of Bishop Tuttle and who impressed us so profoundly that we hope to have her come back for one of our own meetings soon, that you may all hear her. To open or close our sessions we had Bishop Johnson, Bishop Quin, Bishop Capers and our own Bishop Partridge. Then of course we had the benefit of the other speakers at the Mass Meeting and the Joint Session.

I hope I have made those of you who did not come realize that you missed something. It was most interesting to meet so many of the finest women of our Province—which means of the Church, and of the world. And to see them so united, so harmonious, so intent on doing the thing that was needed, was truly an inspiration. While I am sorry that it was not possible for every one of you to share this, I was pleased that all the Kansas City branches were represented, and that women from three other places came—Excelsior Springs, Sedalia and Warrensburg.

In closing I want to express my warm appreciation of what our own women in Kansas City did to make this meeting a success. You opened your homes, you gave up the use of your ears and in all sorts of ways you made our guests feel truly welcome. We all owe a debt of gratitude to the women who headed the various committees: Mrs. Reid of St. Andrew's who handled the transportation, including gathering the many cars needed to drive everybody around the city the last afternoon; Mrs. Brown of St. Paul's who found shelter and food for everybody, men as well as women, and somehow managed that all the hosts were delighted with their guests and all the guests seemed pleased with their hosts; Mrs. Abbott of St. George's, who with others from that parish, met all the trains, and gave everybody information about everything both at the station and the church, and who had, perhaps, the most tiresome and trying task of all; and Mrs. John Neal, who, with other members of St. Margaret's Study Club cared for the exhibit and sale of literature.

Without all this it would have been impossible to care for the Synod—with it we had what everyone said was the best one yet.

### PARISH REPORTS.

Once more the Auxiliary takes both pride and pleasure in presenting in the following pages a report of the work of Women's organizations in the Diocese of West Missouri.

Since there is no other medium through which these reports at present may be given to the Church, and since their presentation seems distinctly in line with the duty laid upon the Auxiliary, namely, of stimulating and encouraging the work of women in the five fields of service, we have included the work of Parish Guilds, Altar Guilds and any other organized bodies that we could persuade to tell us of what they had done.

Work done by organized branches of the Woman's Auxiliary will be found separately in the Treasurer's report.
