## PRAYERS FOR THE USE OF THE WOMAN'S AUXILIARY

### For the Bishop

Blessed Lord, who hast taught us to pray for one another, send Thy blessing, we beseech Thee, upon this our diocese. Give grace most especially to our Bishop, that by Thy strength his burdens may be lightened and that through Thee he may guide Thy people in the way that leadeth unto life. In Jesus' name. Amen.

### The Woman's Auxiliary Prayer

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. Amen.

### For the Sick

O God of our life and light of all our seeing, look with healing and mercy, we beseech Thee, upon Thy sick servants, for whom our prayers are offered. Give skill to those who minister in Thy name, and bless the means that are used to the restoration of their health; for Thy will is their peace; through Jesus Christ our Lord. Amen.

### For Noon-Tide Daily

"And I, if I be lifted up, will draw all men unto Me."  
Blessed Lord, Who at this hour didst hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee and be saved; through Thy mercies and merits, Who livest and reignest with the Father and Holy Ghost, ever one God, world without end. Amen.

### The United Thank Offering Prayer

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of Prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom through Jesus Christ our Lord. Amen.

### For Protection to Missionaries

Almighty and Everlasting God, who dost govern all things in heaven and earth, we commend to Thy fatherly care all whom Thou has called to take part in the missionary work of Thy Church. Watch over them, we beseech Thee, for good; defend them from all dangers both of soul and body; from the pestilence that walketh in darkness and the sickness that destroyeth at the noonday; give thine angels charge concerning them and let Thy Holy Spirit rule in their hearts, prospering all their work to the glory of Thy Holy Name; through Jesus Christ our Lord. Amen.

### **For Our Prayer Partner**

O God, our Heavenly Father, we thank Thee for the gift of Thy dear Son. Grant that we who have received Him in our hearts may joyfully go forth with Him on many errands.

Bless those who toil for Thee in far-off places, especially Deaconess Massey; comfort them in their loneliness and unite our work to theirs. Accept our gifts; receive our prayers, and use us for the sake of Thy Son Jesus Christ our Lord. Amen.

### **For Direction**

*"Direct us, O Lord, in all our doings with Thy most gracious favor and further us with Thy continual help: that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally, by Thy mercy, obtain everlasting life, through Jesus Christ, our Lord, Amen."*

### **For Vision**

O Father of Mercies, who to Thine Apostle Saint Peter didst reveal in threefold vision Thy boundless compassion; forgive, we pray Thee, our unbelief, and so enlarge our hearts and enkindle our zeal that we may fervently desire the salvation of all men, and labor joyful in the extension of Thy Kingdom; for His sake who gave Himself for the life of the world, Thy Son our Saviour Jesus Christ. Amen.

### **The Order of the Thousandfold**

Almighty God, our Heavenly Father, Who with Thy Son Jesus Christ hast given unto us all things in heaven and earth, we beseech Thee to make us a thousandfold more useful to Thee than ever before, that so Thy power and blessing may flow through us to multitudes of others who are in need, and also make us more willing and loving servants of Thine to Thy honor and glory, for Jesus Christ's sake. Amen.

### **Until the Evening Comes**

Lord, support us all the day long of this troublous life, until the shadows lengthen and the evening comes, and the busy world is hushed, and the fever of life is over, and our work is done. Then of Thy mercy grant us a safe lodging, and a holy rest, and peace at last; through Jesus Christ our Lord. Amen.

### **Benediction**

The Grace of our Lord Jesus Christ, the Love of God, and the Fellowship of the Holy Ghost be with us all. Amen.

**THE PRESIDENT'S ADDRESS**

Your Board of Managers has asked that at this gathering the President discuss the work of the Auxiliary of this Diocese, especially as set forth in our pledge list, with a view to answering the questions so often asked by the interested woman: "What is the Auxiliary, and why should I concern myself with it?" Why should she? Let us use the Yankee method and answer by asking another question: What is she—what are we all, we Church women—primarily interested in? What is our great desire? In what do we most wish to have a part? Is it not in the coming of the Kingdom of Our Lord? Is that not really our motive in all these activities of ours? If we did not care about that, could we not use our time and our strength very pleasantly in our own affairs? Is it not the insistence of that interest, that desire, that hope, that makes it impossible for us to live to ourselves? Is not that the basis of our insatiable impulse to do something about things that we see need doing? I think that upon reflection any Church woman will agree that this is our underlying motive.

I spoke of our insatiable impulse to help get things done. Do you not recognize that as a true condition? Do you not find the groups of which you are a part realizing how much you could do about something or other if you all worked together? And does that group not usually start working?

Just so, Church women, long before our time, came to realize how much they, working together, could do for the Church they loved and desired to serve—and the result was the Woman's Auxiliary. So may we not answer the woman who asks why she should concern herself with the Auxiliary, by saying, "Because it is a means of working out the deepest impulse of your Christian life—the desire for the coming of the Kingdom of Our Lord—by a method peculiarly adapted to the needs of your nature."

Now the undertakings of the Auxiliary resulted from exactly the same conditions that caused its being: and it is true always of the great projects that we all share, as of the smaller ones that belong alone to us in West Missouri, that they are not something laid upon us from outside. They are the result of this gathering together in groups; thinking things over together; talking them over—and deciding to do something about them. The United Thank Offering is a perfect example of this, and the spirit that moved that first small group of women to unite their efforts has spread and grown until this offering is not only an element of beauty in the lives of thousands of women, but is also a great source of strength, both material and spiritual, in the Church. This is probably the one activity there is, in which every woman of the Church can share, and it is the aim of our Diocesan Auxiliary that every one of our women shall do so.

Another project that we have inherited from the experience of the past is the Supply work, the sending of boxes of supplies and clothing to missionaries and missions. As far as possible every woman should have a part in this, too. You will sometimes hear criticism of the Supply work; people say that we should pay our missionaries enough so that they could buy their own things. Let me suggest that you do not make this criticism until you and your friends have raised your personal pledges to the Parish Quota enough to make it possible for the parishes all to raise their pledges enough to pay all the Quota asked of the Diocese; for, until the dioceses do at least this much, the National Council will have to cut salaries, instead of raising them.

Beside these two undertakings that we share with women everywhere, we have a group of projects that have arisen because of the increased number of women who are interested in the whole program of the Church; that is, work in the five fields of parish, community, diocese, nation, and world. Learning about work in these places, the women of West Missouri, like similar groups everywhere, have found themselves impelled to do something about conditions here and there. The result is what we call our pledge list, which is printed each year in the Annual Report.

Printing expense makes it impossible to discuss here all these items. One will serve as an illustration. A few years ago, at a meeting like this, we learned that the important station of Nevada could be filled if the \$300 lacking for the minister's salary could be provided. We decided to do it, and of course we did do it. In the doing we learned more about the need of supplying ministers to places so small that they cannot possibly pay a living wage to a man. We found out that many of our great Church men and women had been trained in just such places; we realized that most of *us* had come from just such places ourselves—that they are the fountain head of diocesan strength. So we continue to give the diocese a fund for clergy support.

Every item on this pledge list has come about in just this way. It is not a list made up in cold blood and laid upon the women of the diocese as an obligation. It is the result of the thinking and consequent action of ourselves and women like us. It is the outcome of a desire to serve that rises from an inner passion for the coming of the Kingdom. It need be a burden to no one; understood, sharing in it will be a joy and a privilege.

## ANNUAL REPORT OF THE RECORDING SECRETARY 1931

Nineteen-thirty-one was a year of exceptional interest, because of the General Convention which was held in Denver in September. The United Thank Offering was the largest ever presented from the Diocese of West Missouri.

It also was the year for the election of officers, which took place at the annual meeting held at Grace and Holy Trinity Church, Kansas City, January 22, 1931. Corporate Communion was celebrated at ten o'clock with Bishop Spencer as the Celebrant, assisted by Mr. Trelease, rector of St. Paul's. The Bishop made a short talk on some of the Diocesan problems, the Advance Work, and the act of faith of the Diocese in increasing its quota pledge \$1,000 this year.

Following the service the Auxiliary convened in the parish house for its business session. Mrs. Benjamin S. Brown, President, called the meeting to order. There were 125 women present. The principal business of the day was the election of officers for the following three years. Those elected were: Mrs. Henry Burr, President; Mrs. Ashe Lockhart, Vice-President; Miss Henrietta Whittaker, Recording Secretary; Miss Maria Bacon, Corresponding Secretary; and Mrs. Samuel Iams, Treasurer. It was announced at this meeting that Mrs. Brown, retiring President, had been elected President of the Provincial Synod and a member of the National Board.

The May quarterly meeting was held at St. George's Church, Kansas City, in conjunction with the annual meeting of the Diocesan Convention. Holy Communion was celebrated at ten o'clock by Bishop Spencer, assisted by Mr. Tyner of St. George's; Mr. Maloney, Christ Church, St. Joseph; and Mr. Gregg, Christ Church, Boonville. Bishop Spencer gave his first annual address as Bishop of the Diocese of West Missouri. At this service the Bishop used the Communion silver given him at the time of his consecration by the women of the Diocese.

At the close of the service the Auxiliary convened in the Scottish Rite Temple for its business session. At one o'clock luncheon was most delightfully served by the women of St. George's. The afternoon meeting was given

over mostly to the election of delegates and alternates to the Triennial Convention.

The November quarterly meeting was held at Christ Church, Warrensburg. Corporate Communion was celebrated by the Bishop, assisted by Rev. Dr. Eckel. Immediately following this service, Dr. E. L. Hendricks of the State Teachers' College of Warrensburg gave a very interesting talk on India. The Auxiliary was delightfully entertained at luncheon by the women of the Christian Church at Warrensburg. The afternoon session was mostly devoted to informal talks on the General Convention by the delegates and others who had attended.

Besides these three general meetings, there were the regular monthly meetings of the Board, which were held the last Monday of each month, except during June, July, August, and September.

A Quiet Day was conducted March 25th at St. Paul's Church, Kansas City, at which time the spring United Thank Offering was presented. Mr. Trelease gave a very interesting meditation on the meaning of the words, "United Thank Offering."

The May and December meetings of the Board were held at the home of Mrs. Burr. The members were delightfully entertained by our President.

During this year Mrs. Russell's term as United Thank Offering Treasurer has transpired, and Miss Louise Howard has taken her place. Mrs. L. M. Sawyer of Springfield is the new Supply Secretary, succeeding Mrs. A. T. Waters of St. Joseph.

A class for leaders in the study of India was held each Monday during Lent at the home of Mrs. Lockhart.

Respectfully submitted,

HENRIETTA WHITTAKER, *Recording Secretary.*

## EDUCATIONAL PROGRAM OF THE WOMAN'S AUXILIARY

The following program has been prepared by the Educational Secretary of the Diocese and approved by the Diocesan Board of the Woman's Auxiliary:

### February-March

Lenten Study Class, based upon "Building a Christian Nation."

Six topics of study and discussion on American life of to-day. The possibilities and problems of modern life in our country.

Leader's manual may be used in connection with this study book.

### April

The Economic Problem of To-day.

A consideration of present economic difficulties and what the Christian may do to help find a way out.

Based on articles from "The Witness."

### May

Educating for Service.

The church women of to-day must be able to meet the issues of this age. Education offers the opportunity of knowing how. Some things to learn during the Summer Conference in Columbia.

### June

The Church's Ministry to the Isolated.

Based upon a booklet published by the National Council. Isolation in rural sections and small towns.

A survey of the local parish.

Are there lonely and shut-in people who need the church?

What can be done for them?

### September-October

The Home of To-day.

Its changing conditions.

New problems to meet.

Opportunities to make the home happy and effective in life to-day.

## November

The Parish Finds Its Community.

Co-operation with Social Service projects in the community.

Keeping in touch with members of the parish who need the service of the church.

## December

The Parish and Christmas.

Real significance of Christmas.

Its spiritual values.

Bringing the Christmas spirit to every member of the parish.

Each subject will be approached from three angles:

1. A study of the topic of the month.
2. Suitable prayers and suggestions for devotions.
3. Some definite things to do each month in connection with the topic.

It is hoped that through this program the members of the Auxiliary will be helped through information gained; that the spiritual life may be enriched; and that by doing and serving, a contribution to the work of the church and its membership may be made.

Some other books recommended for study and reading are: "The Challenge of Change" (a study of Home Missions), "The City's Church," "The Kingdoms of Our Lord," "America Comes of Age."

Some of these may be borrowed from the Church Missions House or ordered through the Educational Secretary.

Each month the topic of study will be briefly outlined in the Diocesan Bulletin. Lists of books and suggestions will be added from time to time.

Write and ask for help and suggestions.

### SOCIAL SERVICE OPPORTUNITIES

We are glad of this opportunity to bring to your attention our two Diocesan institutions of which we are distinctly proud.

The Episcopal Church House for Girls is doing an outstanding piece of social service work in Kansas City. It operates in conjunction with the Girls' Advisory Board in helping to solve the problem of the girl in need.

The St. Luke's Hospital Auxiliary, besides caring for the chapel in the hospital and furnishing committees to visit patients and make them happy with flowers and magazines, does a work in the Crippled Children's ward that is most appealing. The children are taught all sorts of handcraft, as well as reading and writing, and when they leave the hospital it can be truly said that they are improved in both mind and body.

In behalf of these institutions we ask your contributions of money and such supplies as canned fruit, vegetables, and household needs of every sort.

Respectfully submitted,

MRS. S. R. IAMS, *Chairman.*

### ST. LUKE'S HOSPITAL AUXILIARY

The principal work of St. Luke's Auxiliary in 1931 was in the children's ward, where work is now being carried on five days a week, instead of one as formerly. This makes possible a much greater benefit to the children, who are now getting real help with their lessons and with their handwork. Mrs. L. J. Woodhouse is in charge of this work, and is assisted by members of the Junior League and the Kappa Kappa Gamma Sorority.

Chapel supplies have been furnished, new books and current magazines placed in the sun rooms, prayer books presented to the graduating nurses, and money given to help with Christmas decorations. A January dinner at St. Paul's and a May card party at Mission Hills Club, together with the dues of active and associate members, have financed these undertakings.

At every meeting a speaker connected with St. Luke's has brought some definite information about the hospital before the Auxiliary.

Second Vice-President.....	Mrs. A. W. Peet
