## Prayers for the Use of the Woman's Auxiliary

### *A Prayer for Missions All Over the World*

O Holy Father, who didst promise to Thy well-beloved Son—Desire of Me and I shall give Thee the Heathen for Thine inheritance, and the utmost parts of the earth for Thy possession—Hear, we pray Thee, His prevailing intercession for the souls which He hath purchased with His precious blood. Kindle our desire for extension of His Kingdom among men. Pour upon us the spirit of supplication for the spread of the gospel, and so consecrate our lives to Thy service that we may gladly give ourselves and our substance to send the sound of the blessed Gospels into all lands, and its words unto the ends of the world, through Jesus Christ our Lord. *Amen.*

### *The Prayer for the Woman's Auxiliary*

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. *Amen.*

### *A Prayer for the Use of Mission Study Classes*

Take our minds, O Lord, and think through them;  
Take our lips, O Lord, and speak through them;  
Take our hearts, O Lord, and set them on fire  
With love for Thee and for Thy work. *Amen.*

### *A Prayer for the United Thank Offering of the Women of the Church*

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service, and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. *Amen.*

Rededication of the women of the Woman's Auxiliary made at New Orleans in October, 1925:

Realizing that only through personal dedication to Jesus Christ, our Lord, can we hope to bring to fruition our human endeavors, we rededicate ourselves to the service of our Lord Jesus Christ, to making the strength of our deeds the measure of our faith; to a sincere and simple effort in our daily living to follow with humility the example of our Saviour.

## Report of Educational Secretary

During the year 1932 the Educational work of the Woman's Auxiliary has continued under the leadership of the Educational Committee, which is composed of Mrs. Harold Moulton, Worcester District; Mrs. Carl Williams, Connecticut Valley District; Miss Minnie Adams, Berkshire District; Mrs. M. H. Grassly, Librarian; and Mrs. Frederick H. Danker, Educational Secretary.

The chief aim of the committee has been to increase the study of "Building a Christian Nation" in 1932 and the Indians and China during 1933. In addition, the study of the "Findings" of the Woman's Auxiliary at the Triennial in Denver is urged during the years between the meetings of the Triennial.

From January, 1932, to June, program meetings, reading groups, and study classes were held in parishes and missions in each of the three Districts. Four members of the Educational Committee attended the Wellesley Conference in June.

In the Worcester District a class was held in connection with the fall Accredited School for Church Teachers and Leaders at All Saints' Church, which met once a week for ten weeks. There was an enrollment of 18 members and two of them took the examination for credit at the end of the course.

In Fitchburg an all-day Institute was held in November to which the neighboring parishes sent delegates. Mrs. Danker, Mrs. Moulton, and Mrs. Williams led this Institute.

In Ware a neighborhood meeting was held in March under the leadership of Mrs. Williams.

The three-day Institute in Springfield, led by the leaders from New York, took the place of the annual Institute held in the fall.

In the Berkshire District Miss Adams visited many parishes and held her annual Institute.

The gift of the Church Periodical Club of \$26.25 for reference books for those who are studying "Facing the Future in Indian Missions" and "Living Issues in China" is most gratefully acknowledged. In the Worcester District the books were used this fall in connection with the course on Indians and China given in the Accredited School for Leaders and were a great help.

MARY S. DANKER, *Educational Secretary.*

### **Social Service Committee**

It is impossible to place any money value on the tremendous amount of social service work done by the women's organizations of our church in this Diocese. If we could know the exact amount of sewing on new garments, the renovation of old ones, and the large quantities of food distributed, it would amount to a surprisingly large sum.

Of the thirty-five Branches reporting, twenty-eight helped the poor of the parish with food, clothing, fuel, or rent; twenty-eight sewed for the Red Cross; nineteen helped the local organizations with work or money; seventeen sent Thanksgiving and Christmas baskets; twelve collected and renovated old clothes; nine provided toys for poor children at Christmas; eight did parish calling; four interested themselves in some particular family and provided for their needs; three provided employment; four reported number of layettes made; two reported having a speaker on social service problems; two reported sending a delegate to the Motion Picture Council; and one provided socials for people no longer able to afford movies or other entertainments.

Respectfully submitted,

ELIZABETH F. MAGEE,

*Social Service Secretary.*

### **Emergency Missions Fund**

The Emergency Missions Fund has been given by thirty of the Branches this year, the remaining sixteen not having felt that they could contribute. I feel, therefore, that the \$428.38 which has been raised and given over to the Bishop is an excellent showing.

Respectfully submitted,

HARRIETTE BROOKS HAWKINS,

*Secretary-Treasurer.*
