## SECRETARY'S REPORT.

1886-87.

We close to-day our sixth year's work as a Branch of the Woman's Auxilliary, and enter at the same time upon the seventh year of our existence. We are thankful that it has been permitted us to accomplish so much, and yet we cannot but think regretfully, that we might have done more. Anniversaries have their sad as well as joyful side, and past possibilities can only now be made useful, if they stimulate us to renewed effort.

As our society life goes onward each year, some new parishes are moved to connect themselves with us, and so the great tide of missionary work increases in volume with the seasons. We have to record this year as a money offering \$1,957.68; we have sent 91 boxes and packages to our different missionary fields, which together with an organ given by a member of St. Stephen's Church, Olean, were valued at \$5,004.75, representing work in 47 Parishes; this added to the money we have given, makes the valuation of our year's work in dollars and cents \$6,962.43. Two diocesan boxes have gone from our Society this year, one to Mrs. M. E. Miles at Clover Depot, Va.; the other to Mrs. J. F. Spalding, Denver, Col., for distribution. Mrs. Miles expressed deep gratitude for the assistance her's had been, and Mrs. Spalding's reply will interest us all.

"I want to write at once to tell you how much we thank you for all the nice articles the box contains, and I assure you they will be very acceptable in our missionary families where the sewing is such a very great help, these beautifully made garments will save many an hour of work and anxiety, and the love and sympathy shown, will lift a heavy burden from weary and discouraged hearts, I think this is one of the greatest blessings of the Woman's Auxilliary for it surely brings more closely together the widely scattered members of the Church than mere offerings of money sent through a general treasury could possibly do."

Our meetings during the year have been unusually interesting and well attended ; the Annual Meeting in Canandaigua with its devout addresses and inspiring letters gave the key note. At this time, Miss Guernsey was appointed Parish Visitor, and has served in this capacity as faithfully as very delicate health would permit ; \$50.00 was set apart for her expenses, but none of it has been called for ; instead of being an outlay our Parish Visitor has brought a small sum into our treasury. She writes in sending her report : " I have wondered why God was pleased to take me out of this work, whether I was not doing it to please Him or if He saw it was not good for me. Pray for me." The second meeting of the year was held in St. Thomas' Church, Bath, the third at St. Paul's Church, Buffalo, and the last in St. Mark's Church, Penn Yan, the cordial interest in each other and kindly hospitality shown at these meetings, make us feel that they are doing a missionary work within our own borders apart from the interest they stimulate in our brethren afar off. One pleasant feature of this year's record is that we see the formation of more Children's Missionary Societies than in any previous year, and each little band has made a good beginning. We trust these organizations will increase with the years, until every parish shall see side by side with the older Society, the children and young people saying the missionary prayers, and taking the missionary stitches all in the same loving spirit. We have been greatly favored in having had our Bishop with us at two of the meetings this year ; we are very grateful for his godly admonitions and kindly counsels. In accordance with his suggestions that members of the Auxiliary should lift their hearts in prayer for the extension of Christ's Church at the sixth hour, it was determined to have the beautiful prayer from the " Spirit of Missions" composed by him, printed upon a little leaflet and given to each member of the Auxiliary begging them to store it in some corner of their memory and say it at the hour of noon. The work of the year can be told in a few words, but their slight record gives little idea of the help our boxes have given. Last fall Miss Howes wrote from Hope School, Dakota, so despondently, " How should they get through the winter, destitute Indian children coming each day, more than they could accommodate. How could they clothe them ? How should their beds and tables be furnished, with the salaries from the Missionary Board reduced ?" But her letters after the Holidays were

full of thanksgiving for such a comfortable winter. "Thanks to the women of Western New York."

From Washington Territory comes this message to us: "Sometimes I think the Woman's Auxiliary does not realize how important a work it is doing; in my own experience what it has done, has made continuance possible in a place that promised little enough at first, but which was finally full of rewards and encouragements to the workman." Could every member of the Auxiliary have but listened to the tribute given our work by one of our missionaries from the South, they must have blessed God it had been given them to labor in such a cause, and have been stimulated to renewed effort; the story of the little christening robe which proved a burial dress, sent the young mother, so soon to join her baby "Where the weary are at rest," gives a pathos to work which we are too apt to consider all prosaic. And now to look forward to the new year we begin to-day. Shall we not make it a worthier offering to Him from whom all things are, and of His own return to Him more? Praying that we may be less guilty of that withholding that tendeth to poverty.

The General Secretary, Miss Emery, asks our money offerings for the coming year, for Miss Mailes' Bible Readers, Osaka, Japan, \$150 and to provide a helper for Mrs. M. M. Jennings' work among the colored people at McFarland's Station, Virginia, \$154.

Miss Sybil Carter asks for \$150—half the salary of Miss M. B. Skellie, Micadale, N. C.

Contributions towards these objects may be sent to the diocesan treasurer, Mrs. D. S. Chamberlain, Lyons, and will be very gratefully received.

Respectfully submitted.

## "THE SPECIAL FUND."

In 1883 a fund was established in the "Western New York Branch of the Woman's Auxiliary," called "The Special Fund," to be raised by voluntary offerings of one dollar a year, or more, or less, from every Churchwoman in the Diocese, to meet the appeals of the General Secretary, or other appeals, as for the support of missionary teachers, hospitals, etc.; that these offerings should be over and above regular contributions to Missions, or to the necessary money for sending boxes from parishes, but those giving regularly to special appeals are asked to devote a percentage of such offerings to this fund.

The money may be sent to Mrs. D. S. Chamberlain, Lyons, N. Y. Treasurer of the Diocesan Branch or forwarded to her by the treasurers of parish societies designated for "The Special Fund." The amount of this fund to be announced at each annual meeting, and appropriated by a vote of the delegates, to such objects as the officers of the society, after consultation, shall suggest.

Should any one be willing to make an offering to this fund, at any time, it would be gratefully received, and be of much assistance to the officers.
