DISTRICTS OF THE DIOCESE

The Diocese is divided into six districts, each district under a secretary appointed by the president and each with its box-directress to whom parish secretaries apply for work.

The objects of this division are a quickening of Auxiliary life all over the Diocese through reaching parishes far from the customary centres and holding there such meetings as may give them the information and inspiration that come from Diocesan meetings, also through the establishment of a system of administration equally applicable to conditions of work in village, town or city.

The aim of the Woman's Auxiliary is to occupy every parish that is willing to do something for missions in this organized way.

The division is made as far as possible according to counties. Railroad connections however make it impossible to follow boundaries arbitrarily.

The six districts are as follows.:

BUFFALO DISTRICT: Angola, Buffalo, East Aurora, Lancaster, LaSalle, Lockport, Medina, Williamsville, Middleport, Niagara Falls, North Tonawanda, Gowanda, Depew, Youngstown, (Erie and Niagara Counties,)

ROCHESTER DISTRICT: Rochester, Brockport, Charlotte, Pittsford, Fairport, Scottsville, Union Hill, Sodus, Wolcott, Albion, Holley, Honeoye Falls, Spencerport, (Monroe and Orleans Counties,)

GENESEO DISTRICT: Geneseo, Avon, Dansville, Mount Morris, Batavia, LeRoy, Oakfield, Warsaw, Stafford, Perry, Caledonia, (Livingston, Wyoming, and Genesee Counties,)

GENEVA DISTRICT: Canandaigua, Clifton Springs, Shortsville, Phelps, Geneva, Palmyra, Lyons, Clyde, Newark, Dresden, Penn Yan, Branchport, Himrods, Dundee, (Wayne, Ontario and Yates Counties,)

BATH DISTRICT: Bath, Canaseraga, Corning, Hammondsport, Hornell, Addison, Catharine, Montour Falls, Watkins, (Steuben and Schuyler Counties,)

OLEAN DISTRICT: Olean, Salamanca, Mayville, Chautauqua, Angelica, Fredonia, Jamestown, Westfield, Belmont, Belvidere, Ripley, Ellicottville, Cuba, Silver Creek, Wellsville, Dunkirk, (Chautauqua, Cattaraugus and Allegany Counties,)

The privilege of offering before the Triennial Meeting in Detroit, a Minute on the Life of Miss Mary E. Hart, of Rochester, in the Diocese of Western New York, was asked, and this request was promptly and graciously granted, the following paper being read there October 10, 1919, by Mrs. P. N. Nicholas.

Miss Hart entered into eternal life on August 1st, 1918, having fulfilled sixty-four rarely unselfish and beautiful years. Born into a family devoted to the Christian living of this Church,—a singularly loving and united family—her gifts for serving others ripened steadily and without check in the home atmosphere. It is Miss Hart's missionary life with which this Minute particularly deals, with three natural divisions which should be mentioned in their proper order of development.

First: She became intensely interested in the Woman's Auxiliary, which she entered under Mrs. Halsey as president. She had then one of the first mission study classes in the diocese. Representatives from all parishes in her home city met with her just for the study of Missions, and this was a number of years before the present system of such classes was inaugurated. It was in the logical growth of the Woman's Auxiliary that Miss Hart saw the possibilities of what she then called "Children's Work." This was the *second* part of her missionary labors. Her plan afterwards developed into the Junior Auxiliary, of which she is acknowledged (in common with members of two other dioceses) to be one of the founders. In this period she became one of the original directors in the Junior Auxiliary Publishing Company, that issued a series of "Round Robins," and the "Soldier and Servant" series of little books. Later she became a member of the committee appointed for the Board of Religious Education. With what enthusiasm she threw herself into the Junior Work, carrying her own part of it as head in the diocese for two years of "Children's Work," and twenty-three years of Junior Auxiliary work, celebrating then her 25th anniversary in her own diocese, and continuing her duties till 1894. But her close relationship and deep interest never ceased. Members of that diocese can testify to the exceeding value of her efforts for the children of the Church; and the writer may be permitted to add here her own tribute to it after a close Auxiliary partnership of eighteen years.

And now came the *third* undertaking. And it may be said that Miss Hart never wholly gave up any good task, but rather added something new to the old combination—carrying all forward together with the intensity of her enthusiasm. From a simple incident of home life was struck the divine spark; and there was created among us the Christian education in Missions, of very little children, in a systematic way. When the first report of this work was made to Bishop Coxe in 1891, he exclaimed with enthusiasm, "Why, this is the very keynote of the General Convention of 1835, that by Baptism every child is made a member of the great missionary society—the Church." It is an interesting fact that this great and beautiful work is really owing to Miss Hart's habit of noonday prayer

for Missions. Her little nephew, Gaylord Hart Mitchell, then not three years old, observed her withdrawal from his games at that hour, and protested against it. When the matter was explained to him he claimed his share in it, and later told what his own prayer was. The simple words of the closing sentence are known to every one of us. That was the founding of the Little Helpers, afterwards known as the "Babies' Branch", and later classified into Section 1 of the Junior Department. The child's prayer has become the accepted prayer of the Little Helpers, and may be heard in various languages in all quarters of the globe.

Gaylord's early death made of the development of this work for very little children a tender memorial. It has spread to nearly all dioceses and districts; it has proved an Open Sesame at the closed doors of the children's homes in China and Japan; it supports beds in hospitals, and scholarships in schools; it makes a specialty of giving fonts to mission churches, emphasizing in this manner the value of Baptism. One united gift of a font is made each year by the Little Helpers of the country, and every year one font is given by the Little Helpers of Western New York to some mission within the diocese. Boys and girls share alike in this work, and their mothers, through sympathy, no less. Bishop McKim, of Japan, says "The first kindergarten in the Japan Mission is due under God to the enthusiastic encouragement of Miss Hart. It is the Gaylord Hart Mitchell kindergarten at Akita. That kindergarten is now multiplied by 23. They are the most beneficent and successful of our evangelistic agencies; and I should like to see one at each of our stations."

Though we know Miss Hart's ways of organizing, and understand somewhat of the great development of her work while the chief responsibility rested with her, yet very few of us have witnessed her actual dealings with the children themselves. At her annual gatherings of these little ones in the larger cities, when she was able to carry out her plans as she wished, there was a joyousness, a tender sympathy and a deep reverence in her own bearing that profoundly impressed all older witnesses and participants. In the center of a room, or at the head of an aisle, was the almsbasin, placed upon a stool to be within the children's reach. Around the almsbasin was always a large and beautiful wreath of flowers. The family of Little Helpers was marshalled in procession; wee babies were in their mothers' arms; others followed two by two. Even the smallest hands grasped the red box in which were the fifty-two pennies of the year, that had been dropped in on Sundays, and always with the Little Helpers' prayer. As the procession circled about, singing some familiar hymn, or one of the simple carols written by Miss Hart, the boxes were reverently placed upon the almsbasin. The eager obedience of the children, their pleasure in making the offering, and their comprehension of their act would convince the dullest soul that a noble work was here before them; while the deep interest and happy coöperation of the mothers proved the double power of the organization. And Miss Hart's talk was so winning, so simple, so clear; drawing from nature the similes that were familiar to every child. "She had the power of interpreting Missions to the Child mind." It would seem impossible to witness this beautiful

And Miss Hart's talk was so winning, so simple, so clear; drawing from nature the similes that were familiar to every child. "She had the power of interpreting Missions to the Child mind." It would seem impossible to witness this beautiful

scene without emotion. One of her ways of teaching the children was to give each one some seeds in a wee envelope on which was printed a verse which she had written to plant the thought that was the lesson. There were morning-glory seeds, and pansies, and calendulas and the like. Sometimes such an envelope found its way into a letter to a friend.

Having for many years a general oversight of this work in the world, Miss Hart withdrew to the headship of the Little Helpers in Western New York at the time when the Board of Missions assimilated the organization, and classified it as Section I of the Junior Department.

Graving thus a deep mark upon the history of Christian education, Miss Hart has been also immortalized in another way under the title of "Princess Merry-heart," in the charming play written for the Juniors by one of her friends. By the same pen it is noted of Miss Hart that,

"The loving touch that drew the little ones
Drew many gracious helpers to her side.
She sought them out by instinct, it would seem,
The souls with a capacity to serve—
And loved them into action."

From the same writer came also the fitting title,

"dear apostle to the child,
The joyous leader of the little ones."

And this is the last thought to be presented to you. During the weary months of a long illness Miss Hart carried forward her diocesan work as head of the Little Helpers to the very last day. Courage was hers, and hope, and an intense interest in life. To the end she was still an inspiration to all around her. Now she has passed into a Paradise where the multitudes of little children will ever bring her joy. Let her memory be preserved among us in that one phrase,—

"the dear apostle to the child."

THE MARY E. HART MEMORIAL FUND

(From the report of the Triennial meetings in Detroit)

Resolved:

"That we heartily approve and adopt as our own the words of appreciation and affection in the minute on Miss Mary E. Hart's life and work, and that the Mary E. Hart Memorial be made in the form of a gift of \$5,000 for the school for Navajo Indians at Farmington, New Mexico.

Western New York promised \$1,000 for this and New York \$500."

A committee consisting of seven members was formed within the Diocese of Western New York to present the plan of this Memorial to the Women and Junior and Babies' Branches throughout the whole Church. It is hoped that all the organizations, and many individuals, will have a part in this Memorial Fund.

After reading the accompanying leaflet would you not like, as a Diocesan Branch, or as an individual, to have a part in honoring this noble and devoted woman in such a fitting way and at such a fitting time? The committee will gladly receive pledges payable at any time within three years, also gifts of money from all sources. If the sum given should prove to be even more than the proposed \$5,000, better work could of course be done in the final equipment of the school.

Money is to be sent to Mrs. Julius H. Potter, (Effie M.), treasurer of the Western New York Branch, who will act as treasurer of the Memorial Fund. Mrs. Potter's address is 177 Dearborn St., Buffalo, N. Y.

All other correspondence may be addressed to Mrs. P. N. Nicholas, president of the Western New York Branch, whose address is 250 Washington St., Geneva, N. Y.

More copies of the Minute may be had on application.

REPORT OF THE CORRESPONDING SECRETARY

1918-1919

To the President and Members of the Woman's Auxiliary of Western New York:

The work of the past year began under most discouraging conditions. All hearts were filled with anxiety over the continuance of the world's war. Added to this was the fear of the influenza, so fateful in its ravages. As meetings were prohibited, but few appeals could be placed until late in the year. However, in spite of the delay, when the Auxiliaries did resume work it was with renewed zeal. The result is most encouraging.

Nineteen family boxes were sent, with a total value of \$2,856.20. There were three Joint Boxes. An unusually generous one was sent to Stephen's Village, Alaska. Another to Fort Hall, Idaho. A third to St. Agnes' Hospital, Raleigh, N. C. The Pocosan Mission, Towles, Va., and the Memorial Hospital at Sewanee, Tenn., were generously remembered. Altogether fifteen missions, including schools and hospitals, received boxes. The total value of the Box Work during the past year, was \$7,091.11, an increase of \$1,288.50 over the previous year. May this increase continue and the work of the Woman's Auxiliary be carried even to the furthestmost parts of the earth.

Respectfully submitted,

OTILIE H. ROCHESTER.

REPORT OF THE RECORDING SECRETARY

1918-1919

To the President and Members of the Woman's Auxiliary of Western New York:

The past year has been one of quiet, uneventful and steady progress in the work of the Woman's Auxiliary of Western New York. The 38th Annual Meeting was held in the Church of the Good Shepherd, Buffalo, January 15th and 16th, it having been postponed from the usual time in November on account of the prevailing epidemic. One hundred thirty-one delegates representing 32 parishes were present.

The meeting and services were as usual, Bishop Sage of Salina being the chief speaker.

The financial reports showed a substantial gain and the SPECIAL WAR EMERGENCY FUND had exceeded all expectations.

The Diocesan Officers' Conference was held in Buffalo at the residence of Mrs. Walker, on January 14th, immediately preceding the annual meeting; 16 officers were present.

The semi-annual meeting was held in St. Luke's Church, Brockport, on June 4th and 5th, 56 delegates from 22 parishes being present, special speakers being Rev. Francis White, Domestic Secretary of the Board of Missions, and Bishop Brent, who made his first official visit at this meeting.

At this time the formal work of a memorial to Miss Mary Hart was undertaken, and the Nation-Wide Campaign was laid before us.

The report of the Mission Study for the year, presented at this meeting, was particularly encouraging, and showed gain in every department.

AUXILIARY DAY at the Geneva Summer School for Church Workers, proved most interesting and helpful. Mrs. Hutchison of the Diocese of Newark and Miss Sturgis of Massachusetts

spoke of the new attitude of the Woman's Auxiliary towards Church work in view of the possibility of the Board of Missions ceasing to exist, and the necessity of re-organizing our work. The new plan of a federation of the National Organizations of Woman's Work in the Church was discussed, under the possible name of "THE CHURCH WOMAN'S LEAGUE FOR SERVICE."

Many representatives from other Dioceses were present, and a good number from Western New York.

The chief event of the year was, of course, the Triennial Meeting in Detroit. A full delegation of five, and many other members of the Woman's Auxiliary, were in attendance. Owing to the fact that Detroit was within reach of so many in Western New York your secretary feels that this Triennial in particular will be rich in inspiration for growth and good work in this diocese.

Among the many events that took place was one of special interest to Western New York, the decision that a memorial to Miss Mary Hart should be undertaken, the memorial to consist of \$5,000 to be given to a Navajo Indian School, at Farmington, New Mexico, the sum of \$1000 to be raised by Western New York.

We cannot bring the record of the year's work to a close without a feeling that not only much has been accomplished in the way of work, but that a new spirit is abroad touching the hearts of the workers, and that the years to come are indeed full of promise.

Respectfully submitted,

SOPHIA S. DENNESS COOPER, *Recording Secretary.*

REPORT OF THE EDUCATIONAL SECRETARY

To the President and Members of the Western New York Branch of the Woman's Auxiliary to the Board of Missions

Every woman's heart must beat with gratitude for the impetus of interest and generosity which marks our emerging from the shadow of the terrible conflict in which the world has been engaged.

Gifts of money, life and mercy have been unstinted towards the object of world civilization and Christian citizenship. and we, who under the leadership of Bishop Burleson's book—"Our Church and Our Country" quietly pursued our course of developing the idea of patriotic living and intelligent government, have done our part in helping to make our country a better and a safer place for the incoming masses who will now seek our lands in the hope of finding liberty and fraternity. Let us help to make it Christian liberty and Christian brotherhood.

Bishop Burleson's book is a fit preparation for the course on "The Immigrant Problem" planned for our consideration next year, which will be one of the most important subjects we have ever taken up.

The zeal with which the classes have studied during the past Lent, argues well for our work next year. Although the number of classes was smaller than in some former years, the tabulated membership which I hope you will find in the new Manual, proves that at least 750 women were occupied in the study of the text book.

"Our Church and Our Country" was almost universally used, and enthusiastically voted timely and interesting.

The Buffalo and Rochester Districts held wonderful classes due, in the former, to an able and consecrated leader who taught a weekly Union Lenten Mission Study class for all parishes in the District, which really served as a Normal Class and prepared the parish leaders for the weekly meetings of their group. The parish classes doubled in number.

The splendid work in the Rochester district was due to the interest and generous hospitality of Mrs. Robins, who invited Miss Tillotson to use her home for a District Normal Class. Let me quote from Mrs. Robins' letter:

"Miss Tillotson came on for one District Normal Class on "Our Church and Our Country." It was held at my house, there being two sessions daily, and a twenty-five cent luncheon served at the house. The class was limited to two delegates from each branch and there were 41 one day and 42 the other. The class was a great success and has resulted in the discussion method being widely used and a larger number interested in many parishes. The offering has not been urged, and another year it must be, and I am sure there will be a greater response. The text book filled a real need and many more copies were sold than usual."

There was a disappointing lack of general co-operation in the other Districts, although a class here and there in every one stands out like a beacon-light whose influence is felt afar.

Again encouragement and appreciation must be felt, because in eight parishes the busy rector assumed the leadership of his class, and these are some of the results they affirm—

"A broader vision of the spiritual side of citizenship."

"A real meaning of the Missions of the Church."

"Missions are a patriotic as well as a Christian duty" and

"The necessity of Church co-operating with the State."

One parish leader reports "the conversion of several missionary objectors."

I wish space would permit me to notice many more interesting features and tangible results. One class had illustrative exhibits and loan collections. Another, black-board questions. A cup of tea and a silver offering were found successful, and one Rector inaugurated a twenty-five cent supper for men and women preceding the class which resulted in 38 people joining it.

The voluntary offerings of all classes aggregate \$252.89 and were designated for Syrian and Armenian Relief, for the work of *Bishops* Burleson, Horner, Funsten and Sage,—and for parish auxiliary purposes.

One fact which was clearly demonstrated is the necessity of purchasing text book material when it is offered at the time of the Annual Meeting of the Diocesan Branch in November. Some have formed that habit and come to the meeting prepared to purchase the text-book; but many fail to do so, hence, when the edition at the Missions House is exhausted or delayed the late buyers are unable to procure their material, with no one to blame but their own dilatoriness. All trouble will be averted if delegates will improve the opportunity presented in November. Lack of the latest text-book however should not prevent the formation of a class, as much profit may be derived from a resume of one of the many interesting books which we have studied in the former years.

Four classes have failed to report to me, though I know they were organized. Twelve classes used the Discussion Method. There were eight reading circles, 14 program meetings, three lectures and two normal classes.

I pray for you an era of great interest and increased usefulness in this most important department of our Auxiliary work, and ask you to remember the daily use of our Missions Study Prayer printed in the back of our Manual.

I look back happily upon our work together of developing Missions Study in the Diocese and with gratitude to you for your loyal co-operation.

Faithfully yours,

ELLA F. P. BERRY.

Geneva, N. Y., June 1919.

CHURCH PERIODICAL CLUB

To the President and Members of the Woman's Auxiliary of Western New York:

To the constant call for reading matter of every variety this year, Western New York has gone way "over the top." The Church Periodical Club has changed its annual meeting from April to January; and as the librarians' dues are not due until then I have no report to make of our finances.

A Memorial Library has been given by Mrs. Campbell of Trinity Church, Buffalo, to the Kent School, Connecticut, in memory of her son who was killed in the war. Father Sill, headmaster of Kent School, prepared Mrs. Campbell's son for confirmation; so it seemed eminently fitting that the library should go to that school.

Five hundred fifty current periodicals have been sent regularly during the year. Many, many boxes of magazines and books have been sent to the various chaplains and military hospitals. We are sending magazines regularly to Japan also.

In the midst of the call for reading matter we must ever keep before our eyes the ideal of *personal service*, and the gift is made greater by those who, with their gifts offer a bit of their own personality which is the aim of the Church Periodical Club.

Respectfully submitted,

KATE B. CONOVER.

123 Norwood Ave., Buffalo, N. Y.

There is always someone on our list to whom the discarded periodical, whether it be a Church paper, a secular magazine, a scientific publication or a child's paper, will be most welcome. It will require only the postage and a little thought on your part to send them regularly to a name and address I will gladly furnish you.

A STATEMENT FROM THE JUNIOR DEPARTMENT

The following from the Annual Report of the Junior Chairman was adopted as a resolution, and presented at the annual meeting of the Woman's Auxiliary—

"One note of regret must be sounded in this report, that the step has been taken which officially separates the Junior from the Woman's Auxiliary. The fact that our ranks were opening to include the boys, and that the work which we had been doing for the Board of Missions had come to be recognized as an integral part of Religious Education made it inevitable that our work would be more and more bound up with the work of the Church Schools.

In this Diocese the bond between the Auxiliary and its Junior Department has been singularly harmonious and close, and we render grateful appreciation to our Mother society for these years of association and fellowship; feeling, however, that the separation is far more technical than real, for we are to continue to train our girls for membership in the Woman's Auxiliary, or the Church Service League, while the enlarging of the Auxiliary's work to include Religious Education will still give us a place in her interest and care."

EXPLANATORY NOTE:—It was decided by Junior officers that, because of the unusual demands of the coming year, upon time and energy and money, only the absolutely necessary printing should be done, including the Treasurer's report, and the list of officers, and that as this would present only an incomplete account of the work, it should be omitted in the Manual, and printed inexpensively, in separate leaflets.

PRAYERS FOR THE USE OF THE WOMAN'S AUXILIARY

NOON-TIDE PRAYER FOR MISSIONS

Blessed Saviour, who at this hour didst hang upon the Cross, stretching forth Thy loving arms; grant that all mankind may look upon Thee and be saved, through Thy mercies and merits, who livest and reignest, with the Father, and the Holy Ghost, one God, world without end. Amen.

O Holy Father, who didst promise to Thy well-beloved son—Desire of Me, and I shall give Thee the Heathen for Thine inheritance, and the utmost parts of the earth for Thy possession—Hear, we pray Thee, His prevailing intercession for the souls which He hath purchased with His precious Blood. Kindle our desire for the extension of His Kingdom among men. Pour upon us the spirit of supplication for the spread of the Gospel, and so consecrate our lives to Thy service that we may gladly give ourselves and our substance to send the sound of the blessed Gospel into all lands, and its words unto the ends of the world, through Jesus Christ our Lord. Amen.

A PRAYER FOR MISSIONS ALL OVER THE WORLD

O God, who has made of one blood all nations of men for to dwell on the face of the whole earth, and didst send Thy blessed Son to preach peace to them that are far off and to them that are nigh; Grant that all men everywhere may seek after Thee and find Thee. Bring the nations into Thy fold, and add the heathen to Thine inheritance. And we pray Thee shortly to accomplish the number of Thine elect, and to hasten Thy kingdom; through the same Jesus Christ our Lord Amen.

A PRAYER FOR THE USE OF MISSION STUDY CLASSES

Take our minds, O Lord, and think through them;
Take our lips, O Lord, and speak through them;
Take our hearts, O Lord, and set them on fire
With love for Thee and for Thy work. Amen."

A PRAYER FOR THE UNITED THANK-OFFERING OF THE WOMEN OF THE CHURCH

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from thankful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

A PRAYER FOR THE WOMAN'S AUXILIARY

Almighty God, our Heavenly Father bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently and give liberally to make Him known to all nations as their God and Saviour. We ask this for His dear sake. Amen.

A PRAYER FOR SPIRITUAL AID

O Lord of Souls, who has chosen and called us to service in Thy Church, all our trust is in Thee, for in Thee are the springs of our lives.

Abundantly give us of Thy Blessed Spirit without whom nothing is strong, nothing is holy, and use us as it shall please Thee for the glory of Thy name.

Make our will patient, our consciences pure, our tempers bright; empty us of self and fill us with the meekness of wisdom; increase our faith, mellow our judgments, stir our zeal, enlarge our hearts, let our lives enforce what our lips utter. Do thou choose for us the work we do and the place we do it, the success we win, and the harvest we reap.

Make us worthy to lead Thy children, lest slothful to fulfil Thy mission, we lose one soul whom Thou ransomed, through our neglect, unfit to see Thy face.

Make us faithful unto death, and then give us the crown of life.

All this we ask through Jesus Christ, our Lord. Amen.

THE LORD'S PRAYER

Our Father, who art in heaven, hallowed be Thy name. *Thy kingdom come. Thy will be done on earth*, as it is in heaven. Give us this day our daily bread. And forgive us our trespasses as we forgive those who trespass against us. And lead us not into temptation; but deliver us from evil: for Thine is the kingdom, and the power and the glory for ever and ever. Amen.

DIRECTIONS

To Parish Treasurers:

1. Parish treasurers should send money, as usual, to the diocesan treasurer, Mrs. Potter, not later than Oct. 25th, as our fiscal year closes Nov. 1st.

To United Offering Treasurers:

2. Money for the United Offering must be sent to the treasurer of that offering, Mrs. Woodward. Semi-annual collections are desired, in order to secure the interest on the first payment.

To Parish Secretaries:

(Mrs. Nathaniel Rochester, of Buffalo, the Corresponding Secretary, is at the head of this work.)

3. The box work assigned to this diocese for the year reaches the Corresponding Secretary in mid-summer, and is by her distributed among the Box Directresses. Write in August to the Box Directress of your district, for two or three letters, stating the needs of missionaries, hospitals and schools, to choose from. The officers of the branch, or a special committee, are requested to make this choice for the fall work before the branch begins regular meetings. An early choice is always wise, and especially so now that boxes are dispatched immediately after Thanksgiving in order to be received by Christmas.

4. When your branch has "accepted" a letter—that is, undertaken the work which that letter calls for, let the Directress know at once the name and address of such letter, and the name and location of your parish. It is of the utmost importance that you should return the rejected letters to the Directress at the same time, so that she can send them out to other parishes without delay. You should also write at once to the missionary whose letter has been accepted, stating when he may expect a box, and from whom.

You should write again to the missionary as soon as the box has been dispatched, stating the date of shipment and enclosing the receipted bill of lading; and you should also send a letter to the Directress giving the value of the box. This makes at least five letters to be written in connection with each parish box. It is always advisable to put the name and address of the sender of the box inside and also *outside* the box. The prepaid freight is always estimated as part of the value of the box. An effort is being made to send a copy of the Word of God in each box.

5. A type-written list of the officers of each parish branch should be sent to the District Secretary, for publication in the Manual, not later than November 1st.

6. If delegates to the annual or semi-annual meetings, find, after their names have been sent in, that they are unable to attend, they are requested to notify the head of the hospitality committee immediately, if necessary by telegraph, thus making room for others and preventing unnecessary confusion.

7. Parish Presidents are urged to appoint a Leader for each Missions Study Class, who will confer with the diocesan educational secretary about subject, text-book and method desired, and report to her promptly the results obtained; that she, in turn, may send a full report of all Missions Study pursued in the Diocese to the Church Missions House before June 1.
