## PRAYERS FOR THE USE OF THE WOMAN'S AUXILIARY

### THE PRAYER FOR THE WOMAN'S AUXILIARY

Almighty God, our heavenly Father, bless, we pray thee, our work for the extension of thy kingdom, and make us so thankful for the precious gift to us of thy beloved Son, that we may pray fervently, labour diligently, and give liberally to make him known to all nations as their Saviour and their King: through the same Jesus Christ our Lord. Amen.

### NOON-TIDE PRAYER FOR MISSIONS

Blessed Saviour, who at this hour didst hang upon the Cross, stretching forth Thy loving arms: grant that all mankind may look upon Thee and be saved, through Thy mercies and merits, who livest and reignest, with the Father, and the Holy Ghost, one God, world without end. Amen.

O Holy Father, who didst promise to Thy well-beloved son—Desire of Me, and I shall give Thee the Heathen for Thine inheritance, and the utmost parts of the earth for Thy possession—Hear, we pray Thee, His prevailing intercession for the souls which He hath purchased with His precious Blood. Kindle our desire for the extension of His Kingdom among men. Pour upon us the spirit of supplication for the spread of the gospel, and so consecrate our lives to Thy service that we may gladly give ourselves and our substance to send the sound of the blessed Gospel into all lands, and its words unto the ends of the world, through Jesus Christ our Lord. Amen.

### A PRAYER FOR MISSIONS ALL OVER THE WORLD

O God, who has made of one blood all nations of men for to dwell on the face of the whole earth, and didst send Thy blessed Son to preach peace to them that are far off and to them that are nigh; Grant that all men everywhere may seek after Thee and find Thee. Bring the nations into Thy fold, and add the heathen to Thine inheritance. And we pray Thee shortly to accomplish the number of Thine elect, and to hasten Thy kingdom; through the same Jesus Christ our Lord. Amen.

### A PRAYER FOR THE USE OF MISSION STUDY CLASSES

Take our minds, O Lord, and think through them;  
Take our lips, O Lord, and speak through them;  
Take our hearts, O Lord, and set them on fire  
With love for Thee and for Thy work. Amen.

A PRAYER FOR THE UNITED THANK-OFFERING OF THE WOMEN  
OF THE CHURCH

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service: and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

A PRAYER FOR THE CHURCH SERVICE LEAGUE

Our Heavenly Father, as Thou hast given us a fresh vision of usefulness through the Church Service League, may the men and women of our Diocese show a ready will to lay their talents at Thy feet, to be used in the upbuilding of Thy Kingdom; and wilt Thou guide our plans and prosper our work, for the sake of thy Son, our Saviour, Jesus Christ. Amen.

Teach us, good Lord, to serve Thee as Thou deservest; to give and not to count the cost; to fight and not to heed the wounds; to toil and not to seek for rest; to labor and not to ask for any reward, save that of knowing that we do Thy will; through Jesus Christ our Lord. Amen.

#### SPECIAL NOTICE TO PARISHES

The names of the United Offering Custodians, and Educational Secretaries will be found on the pages devoted to their special work. By this plan it is hoped to make these lists more convenient and really helpful to those who use them.

You are requested to study this Manual and to make it a topic of discussion at one of your meetings. Look through the tables and see what your branch is doing. Suggestions or questions will be welcomed.

## DIOCESE OF WESTERN NEW YORK

### DISTRICTS OF THE DIOCESE

The diocese is divided into six districts, each district being organized as far as possible with the following district officers, who may be elected or appointed by the Diocesan Executive Board.

District Chairman	Supply Secretary
Educational Committee or Secretary	Recording Secretary
Devotional Secretary	United Thank Offering Custodian
Corresponding Secretary	Treasurer

The objects of this division are a quickening of Auxiliary life all over the Diocese through reaching parishes far from the customary centres and holding there such meetings as may give them the information and inspiration that come from Diocesan meetings, also through the establishment of a system of administration equally applicable to conditions of work in village, town or city.

The aim of the Woman's Auxiliary is to occupy every parish that is willing to do something for the Church's Mission in this organized way.

The division is made as far as possible according to counties. Railroad connections however make it impossible to follow boundaries arbitrarily.

The six districts are as follows:

#### TRIBUTE

##### TO MRS. J. W. DENNESS COOPER

WHEREAS, Mrs. J. W. Denness Cooper, our beloved Recording Secretary, who for thirteen years has faithfully performed her duties with self-sacrificing and unstinted devotion, is now resigning from her office—be it therefore *Resolved*, that the Woman's Auxiliary of Western New York place on record their deep appreciation of her loving labor and unfailing cheerfulness of spirit, and present to her a small gift expressing thereby their gratitude in remembrance of her long and splendid service.

---

#### TRIBUTE

##### TO MISS LUCY G. ARNOLD

WHEREAS, Miss Lucy G. Arnold has been almost consecutively for fifteen or sixteen years a power in the spiritual life of the Woman's Auxiliary of Western New York, and has raised the standard of service to the highest level of usefulness and selfless devotion, and now is resigning, leaving a great gap impossible to fill, be it therefore *Resolved*, that the Woman's Auxiliary place on record their deep regret and earnest and loving appreciation of her beautiful example and untiring effort which have left us a splendid inspiration and a lasting memory.

---

#### THE PRESIDENT'S ADDRESS

*To all Members of the Woman's Auxiliary in Western New York, gathered at the Annual Meeting:*

No greater privilege has ever been mine than that of serving this past year in the Auxiliary of Western New York, with such a body of inspired, hardworking, faithful, courageous and altogether delightful women; and of representing you in Portland at the Triennial. Your patience with a new and inexperienced officer, your cooperation, loyalty and spirit of adventure, are an inspiration which I shall always treasure. Your achievements have again been large, as can be seen in the splendid reports, received at this time, and have been a real and substantial contribution to the work of the national Auxiliary, represented by eighty-nine dioceses and missionary districts in Portland.

To see the Woman's Auxiliary as a whole, as we did there, where everyone's effort and service are brought together, where every contribution, large or small, of "thought, word, and deed," has its place, and is significantly and definitely

related to the whole, is to feel the inspiration and power; the joy and blessing; the hope and victory, of being "co-workers together with Christ," bound together and to Him in that indissoluble bond of love and fellowship, in helping, through the Woman's Auxiliary, to build up His Body.

May I read you some verses from St. Paul's epistle to the Ephesians expressing this thought?

"Being built upon the foundation of the apostles and prophets, Christ Jesus himself being the chief corner stone; in whom each several building, fitly framed together, groweth into a holy temple in the Lord; in whom ye also are builded together for a habitation of God in the Spirit." Eph. 2:20-22.

"But speaking the truth in love, may ye grow up in all things into him, who is the head, even Christ; from whom all the body fitly framed and knit together through that which every joint supplieth, according to the working in due measure of each several part, maketh the increase of the body unto the building up of itself in love." Eph. 4:15-16.

From your other representatives, from our Bishops and lay deputies, we have all heard, and will continue to hear more, of the "Challenge to our Church today," and what our Church has pledged herself to do to answer this challenge. The Auxiliary in this diocese should strive by every means in its power to help the Church in Western New York, under the inspiring leadership of our Bishops and clergy, to "go forward" in Christ's name to the "greater things" He has bidden us do.

Our real task is to be "His Witnesses"—His instruments and servants, to serve Him with a single mind, without hypocrisy; with a pure and understanding heart; and with the strength of a noble physique. In this day there are needed more than anything else young women and older women who will learn to live close to the living Christ, of whom all seeing them may "take knowledge," as of St. Peter of old, "that they have been with Jesus." A truly Christlike character is the greatest contribution anyone can make; and any Auxiliary, individually or corporately, which is not seeking to "know Him, and the power of His resurrection and the fellowship of His sufferings," striving to be like Him, and to make Him known in and through their own daily living, is missing their greatest opportunity, responsibility and happiness.

Our Auxiliary service, therefore, is a very high service, a very deep and very broad and far-reaching service. It calls first of all then for *spiritual power* and Christ-like character and spirit,—a spirit that will agree to differ, as Bishop Roots said, but will resolve to love.

In the second place, it calls for a *comprehensive program*; a program of *prayer* and *worship*, for the growth of our devotional life and Christian character; of *education*, for increased knowledge and the ability to think wisely and in a consecrated spirit in solving the problems of today; of *work*, that furnishes a worth while task for every member; of *giving*—of time, personality, ability, money; in all of these reaching out from our home and parish, into the diocese, province, nation and world; and among all types of women, not just those already in our branches, but to the isolated, the business and working girls and women; the college and club women, the so-called society girls and women; young married women; those serving largely in the home; the shut-ins—in fact, every baptized woman.

In the third place, it calls for an *adequate organization* in the diocese, district and parish. We have begin today with diocesan organization. The hope is that this organization, the new constitution and by-laws and diocesan plans,

may make our business run more smoothly, with greater despatch and accuracy; may serve as a clearing house from headquarters to parish and visa versa; be the means of developing leadership; provide service for all; and be the channel through which fellowship and spiritual power may flow to the steady upbuilding of Christ's Kingdom on earth.

Your officers will shortly send you a joint letter, or leaflet, with specific suggestions for the carrying forward of our whole task, in the hope that each branch may see every part put together and have before it a vision of the whole; thus feeling the relation of their own contribution in prayer, thinking and study, work and gifts of money and life, to the work of the Church in the Diocese. Please read it, study it, pray about it, use it, when it comes!

In closing may I ask you the question, asked of us by the president of the National Executive Board of the Auxiliary?

Which do you say? My Work? Our Work? His Work? For those who begin to serve, *my* work is a great step forward, for it means self-identification with a work worth while. *Our* work means a larger, fuller conception of service, a spirit of cooperation, friendliness, and working together shoulder to shoulder with one another. *His* work means that we have become the instruments of His will, able to receive His power, His love, His joy, His suffering, in fullest measure; to be used where, when, and how He wills.

Can you say it?

Faithfully yours,

ELIZABETH SIBLEY ROBINS,  
*President*

## REPORT OF THE RECORDING SECRETARY

*To the President and Members of the Woman's Auxiliary of Western New York*

The year of 1921-22 has been one marked by steady and encouraging growth in every department. Never before has the work shown so many inspiring features.

The 41st Annual Meeting was held in Christ Church, Rochester, in November 1921, with 188 delegates representing 42 parishes. Mr. Reifsneider of St. Paul's College, Tokyo, Japan, was the special speaker at this time and in answer to his appeal enough money was raised to buy him a moving picture machine and a piano. This meeting stands out as one with an unusually large attendance and increased offerings.

The Semi-Annual meeting was held in June, at Zion Church, Palmyra, with 165 delegates from 40 parishes. The Rev. F. B. Barnett, recently returned from the hinterland of Liberia, made a stirring address at this meeting.

Three Officers' Conferences have been held, one in Rochester in March, one in Palmyra in June, and one in Buffalo in October.

A meeting of the Executive Board was held in October.

The Diocese was represented at the Provincial Synod held at Garden City.

The afternoon Conference at the Geneva Summer School for Church Workers proved very interesting and helpful.

Special features of the years' work were:

(1) Development of the work on the Devotional Life. (2) The great increase of the United Thank Offering and the Special Services held in connection with its

presentation. (3) The completion of the Mary E. Hart Memorial and the Emery funds, both being larger than was expected. (4) A full delegation of five at the General Convention in Portland, Oregon. (5) The use of a printed program at the Semi-Annual and Annual Meetings. (6) The change in the form of the notices of meetings. (7) The printing of all financial and detailed reports for circulation at the Annual Meeting, saving much time thereby.

There has been a greater demand for the Year Book and a quicker response to all letters sent out by your secretary, showing a greater knowledge of, and an increasing interest in, the business side of the Woman's Auxiliary.

Your secretary would like to take this opportunity of thanking all those, who by their wonderful co-operation during the past thirteen years, have helped to bring the Year Book to its present standard, and to express her regret that she finds it necessary at this time to pass her work on to other hands.

Respectfully Submitted.

SOPHIA S. DENNESS COOPER,

*Recording Secretary,  
Western New York.*

NOVEMBER 16, 1921, SEPTEMBER 7, 1922

In reporting the money gifts of our women we would not forget the much more important and precious gift of life. Since our last Annual Meeting two young women have offered and been accepted by the Council and two others have avowed their desire to go when they are prepared. We thus have four volunteers from our diocese, two teachers and two nurses for whom to give profound thanks.

#### REPORT OF THE CHAIRMAN OF THE DEVOTIONAL COMMITTEE

Soon after the appointment of the Committee, a letter was sent to each parish President, outlining a simple devotional program for the year, and enclosing one copy each of the Church Service League Prayer Leaflet, a Missionary Litany and a "Devotional Service." With this a request was made that a report be made later of any work attempted. Special emphasis was placed, in the program, upon the giving of more time and thought to the opening and closing Services at our parish meetings, upon the holding of special Services for Prayer, and upon a wider use of the Church Service League Prayer Leaflet.

In addition each branch was urged to observe in some way the Day of Prayer for Missions, appointed for March 3rd by the Federation of Women's Boards of the country.

Early in May a brief letter and leaflet were sent to all branches, calling them to a participation in the Octave of Prayer for Unity, from May 28th to June 4th, thus sharing with our fellow-Christians of sixteen Communions in praying for the Unity which is Our Lord's desire, and which must still be the burden of His prayers.

During the summer the Convention number of the C. S. L. Prayer Leaflet was sent to parish Presidents, and later a notice went out, asking for Services of prayer during the sessions of the Triennial, and especially for a Corporate Communion on the morning of September 7th, at the hour of the great United Thank-Offering Service in Portland with suggested thanksgiving for the four Volunteers from this Diocese.

Two devotional Conferences were held during the year, one at the spring meeting of the Buffalo District, conducted by Mrs. Robins, and a second at the Semi-Annual meeting at Palmyra.

In these ways a beginning has been made along the lines of a corporate effort to emphasize and encourage those activities of the Auxiliary by means of which we are enabled to keep God at the centre of all our work.

Respectfully submitted,

LUCY A. ARNOLD

## REPORT OF EDUCATIONAL SECRETARY

*To the President and Members of W. N. Y. Branch of the Woman's Auxiliary:—*

The Department work for the eleven months ending Oct. 1, 1922, on which date your Educational Secretary began to make up her report for the year has been sometimes gratifying, sometimes discouraging, but always interesting.

She feels, as never before, that so vital to the Doing of the Church's business is the Understanding of it, that as soon as possible, in some way, by some means, she MUST get to the women in every branch of our Diocese a compelling realization of its necessity.

Toward that end, she has:

1st. Established, with the help of others, an Educational Committee, as reported to you in the Circular of March 1, which shall aid her in carrying on routine and inspirational work in the various districts simultaneously. This committee, having, since its inception, suffered several additions, some resignations, and one death, stands, on Nov. 1, 1922:

*Buffalo*—Chairman, Mrs. ROCHESTER—Librarian, Mrs. CODD

*Rochester*—Chairman, Mrs. I. V. A. SNYDER

*Olean Dist.*—Miss HEQUEMBOURG

*Geneseo Dist.*—Mrs. COOPER

*Bath*—Miss WALKER

*Geneva*—Mrs. PEIRSON, pro tem.

As an important part of the Department organization, the Committee has been of great help to the Secretary, and as experience grows it is certain each year to prove more valuable.

2nd. Issued to every branch two personal, although necessarily from the number typewritten letters as follows:

A. January 1, 1922, Letter of acquaintance and greeting.

B. March 1, 1922, Letter of suggestions and announcements.

3rd. Visited and spoke at two district meetings (Buffalo: Geneva) and at three parish meetings, beside the conducting of three Educational Committee conferences, and miscellaneous business of a like nature.

4th. Attended, to the best of her ability, to the routine work of the Department. This includes the careful filing of all work done by the branches, and all Educational work pertaining to them, correspondence, distribution of free material, helping in sale of books, stimulating interest in the General Church programs and literature, the Missionary Calendar, Spirit of Missions, etc.

5th. Kept an account of monies received for the use of the Department from the Educational Fund and disbursed by her.

The figures pertaining to these various matters are herewith printed.

A summarized statement of the Educational work of the parish branches was in your hands at the Annual Meeting, November 8-9 past, and is herewith submitted again. It carries at once encouragement and discouragement. There have been only 25 parishes having discussion-classes, but these were almost entirely independent, rather than in connection with group organization. It shows a deepening rather than a widening interest in educational matters.

The reports also indicate that but little Bible study is at present being done by Auxiliary women. This is a matter upon which your Secretary feels strongly, and has so expressed herself at different times through the year. Nothing in the whole range of our effort will be more far-reaching in its effects than a general return to frequent and thoughtful reading of the Bible, and the teaching of it to our children.

Your Educational Secretary has this year been invited to attendance, in an advisory capacity, upon the meetings of the Department of Missions of the Diocese. This opportunity, it is hoped, will hereafter tend toward a closer touch between Auxiliary and Diocesan Auxiliary work, and help to show us more clearly both opportunities for service and methods of undertaking it.

In closing, let me again suggest that the Educational Secretary and the Educational Committee members are at your service for suggestions or information as to the making of plans, if they are not already matured. Also, that the wealth of fine material with Miss Lambright and the almost endless resources on Fourth Ave. are waiting for your use, to the sole end that all may understand clearly and take seriously to heart her individual and indispensable part in the work of hastening the Kingdom of God.

With earnest wishes for enlarged and intensified work during the coming year, this is

Respectfully submitted,

GRACE S. PEIRSON

*Educational Secretary*

Thirty Study leaders have been reported.

The Educational Secretary cannot report upon the total dissemination of Church literature, as that is managed through a Diocesan agency.

The Educational Secretary of the W. A. is now included in the membership of the Diocesan Department of Missions, which will surely make for greater co-operation in the Extension of the Kingdom.

The Educational Secretary feels strongly that the work in Western New York is yet largely undeveloped. That it will hereafter grow and deepen is her firm belief, and that with that growth will come greater earnestness of life and power for good is her constant encouragement in the many details of her work.

To such an end, she earnestly asks your prayers and help.

GRACE S. PEIRSON

REPORT OF THE SERVICE OF SUPPLIES OF THE  
DIOCESE OF WESTERN NEW YORK FROM  
NOV. 1921 TO NOV. 1922.

The past year has been one of interesting work in the Department of Supplies and much has been done to aid devoted missionaries and their families and to help sustain the work of the Church's Missions, Schools and Hospitals. It has also been a year of growth as the eighty-nine branches contributing have increased by over seven hundred dollars the gifts of last year. Some of these branches have supplied family boxes, some have sewed for the missions and schools allotted to our diocese, and some have sent their work to the Bureau of Supplies. These last named articles to the value of over twelve hundred dollars have been reported to Mrs. Wade and have been shipped out at her direction; one as an emergency box where there had been a fire, and the others to missions that had not received their full share of help.

Never, I think, have the boxes from this diocese contained such a varied assortment and this variety has added greatly to the interest of the work and has broadened our vision as to what may yet be the privilege and scope of this department.

A sewing machine and equipment for a Domestic Art and Science Room were joyfully received by the Okolona Industrial School of Mississippi and the accompanying gift of over three hundred yards of cotton for sheets and pillow cases was most welcome as it provided work for the sewing machine and a means of teaching the girls how to use it besides furnishing needed dormitory supplies. This school also received many new garments and household supplies and some useful second hand clothing.

Eighty dollars worth of drugs were sent by one branch in memory of Mrs. Ramsaur to Vai Interior Mission at Bendu, Liberia and five other boxes for that mission were valued at over one thousand dollars.

Through another branch, one hundred dollars worth of surgical dressings went to St. Timothy's Hospital in Liberia.

Four clergymen received new cassocks, and a new stole and cassock were furnished for a man who was ordained last March. Three catechist's suits were also provided.

One branch sent new altar hangings for a Mission Church in New Mexico, and second hand choir vestments have been sent to Southern missions and more are asked for.

Several boxes of knitted articles were sent to The Seamens' Church Institute. These boxes also contained used victrola records and games and second hand overcoats and were most gratefully received.

The Inasmuch Mission at Rossville, Ga., has received several boxes containing all sorts of new and useful articles and a quantity of second hand clothing; and to Holy Trinity Mission at Ponce, Porto Rico, we have sent boxes valued at nearly one thousand dollars.

In all, eighty boxes and one barrel have been shipped valued at .. \$8,473.95.  
The G. F. S. also sent a Joint Box valued at ..... 1,098.16

to St. Paul's School at Lawrenceville, Virginia, making ..... 9,572.11  
the value of all boxes sent through the Department of Supplies.

Respectfully submitted,  
ISABEL M. POLLARD,  
Supply Secretary

### SUGGESTIONS AND DIRECTIONS TO PARISH OFFICERS

#### To PARISH PRESIDENTS

Parish Presidents are referred to the new Constitution and By-Laws for the fuller organization of their own parish branches, and also to the President's address, the Reports of all diocesan officers, and other articles contained in the Manual.

It is suggested that in meeting the present challenge to the Church, each branch seek to be "spiritually empowered and adequately organized," making a comprehensive program for the year that aims to realize the whole purpose of the Auxiliary as contained in Article II of the Constitution. The Devotional Life of the Auxiliary is the special charge of the President or Vice-President.

The Diocesan President and officers stand ready to be of any assistance they can. It is their hope that they be used.

#### To PARISH SECRETARIES

Parish Secretaries should keep careful and comprehensive records for the branch.

A typewritten list of officers of each Parish branch should be sent to the District Chairman for publication in the Manual, not later than January first.

As changes occur during the year, notices should be sent *at once* to the Corresponding Secretary, Mrs. E. M. Curtis, 37 Allen St., Buffalo, in order that the proper officers may receive the communications.

#### To PARISH TREASURERS

The Parish Treasurer should send all money, except the United Thank Offering, and that properly belonging to the District, to the Diocesan Treasurer, Miss Esther Smith, 305 Porter Avenue, Buffalo. All pledges are due January 1st, so please send in your Parish pledges as soon after that date as possible— by July 1st at latest.

The Parish Treasurer should present, or arrange to have presented to the branch, the pledges, and any news of interest concerning them, which can be ob-

tained from the Diocesan Treasurer or from Miss Lambright, 3 Ely Building, East Avenue, Rochester.

TO PARISH UNITED THANK OFFERING CUSTODIANS

All Parish Custodians are reminded that we now invite *every woman* in the Church to make a United Thank Offering and proffer her a Blue Box.

Remittances may be sent to the Diocesan Treasurer, Miss Elizabeth A. Lawrence, 579 Breckenridge Street, Buffalo, annually or semi-annually.

TO THOSE IN CHARGE OF THE DEVOTIONAL LIFE

It is hoped this year that every parish will make a definite effort to do some special work of this nature, and that a person, or a committee be appointed to take charge of it, so that every parish will have;

- 1—A Corporate Communion at a special or regular service.
- 2—A more general use of the Church Service League Prayer Leaflet.
- 3—A Prayer Plan for every Auxiliary meeting (see "Devotions for Group Meetings.")
- 4—A better understanding of the Stewardship Ideal, (Stewardship Leaflet)
- 5—More homes with Family Worship.
- 6—The Daily Bible Readings used in every home.
- 7—More earnest private devotions on the part of its people.
- 8—General interest in the new plans to be announced later.

If all parish presidents will assume definite oversight of the work until well started, much will be gained.

Write to the fourth Vice-President, Mrs. J. W. Denness Cooper, for further information on this subject. Send in the name of anyone in charge of such work and report to Mrs. Cooper by May 1st.

TO PARISH EDUCATIONAL COMMITTEES OR SECRETARIES

This Committee or Secretary should arrange for study classes, speakers, papers, lantern exhibits, or whatever seems best suited to the parish or branch needs for Educational work, and should keep a careful and clear record of the work done and results obtained. A blank will be sent from District Educational headquarters, in May, upon which the results of the season's effort should be reported. This is important, and merits your thoughtful preparation.

All material should be ordered from Miss Lambright, 3 Ely Building, Rochester, N. Y.

When speakers are desired, correspond with Miss Lambright.

Lantern slides are obtained from Lantern Slide Department, 281 Fourth Avenue, New York City, asking for those only which have been rewritten.

Keep the Educational Secretary informed of changes in the Educational officers of the branch.

Make the acquaintance, if possible, of your District Educational Committee member. Apply to her, or if necessary, to the Educational Secretary for assistance in the planning of the year's work.

TO PARISH SUPPLY SECRETARIES

Parish Supply Secretaries are requested to get in touch with the Supply Secretary of the District in the late summer, concerning the Service of Supplies

for the coming year. An early choice is always wise, now that the first boxes are despatched immediately after Thanksgiving in order to be received by Christmas.

When your branch has "accepted" a letter—that is, undertaken the work which that letter calls for, let the Supply Secretary know at once the name and address of such letter, and the name and location of your parish. It is of the utmost importance that you should return the rejected letters to the Supply Secretary at the same time, so that she can send them out to other parishes without delay. You should also write at once to the missionary whose letter has been accepted, stating when he may expect a box, and from whom.

You should write again to the missionary as soon as the box has been despatched, stating the date of shipment and enclosing the received bill of lading; and you should also send a letter to the Supply Secretary giving the value of the box. The new method requires us to send a list of the articles in our boxes with the value of each article, to the Bureau of Supplies for record. This makes at least six letters to be written in connection with each parish box. It is always advisable to put the name and address of the sender of the box inside and also *outside* the box. The prepaid freight is estimated as part of the value of the box. An effort is being made to send a copy of the Word of God in each box. For fuller information, write the Diocesan Secretary.

It is suggested that, after the regular boxes are finished, each branch make, and send, a few articles to the Supply Bureau.

#### DELEGATES TO DIOCESAN MEETINGS

If the delegates to the annual or semi-annual meetings, find, after their names have been sent in, that they are unable to attend, they are requested to notify the head of the hospitality committee immediately, if necessary by telegraph thus making room for others and preventing unnecessary confusion.
