THE PRESIDENT'S MESSAGE
TO THE
WOMAN'S AUXILIARY
OF
WESTERN NEW YORK

JULY - 1925

My Dear Members of the Woman's Auxiliary:—

As I write my belated annual message to the members of the Woman's Auxiliary in Western New York (belated as you know because of my severe illness) the time of the Triennial in New Orleans is nearly at hand. As you read these words from your president, the delegates will be definitely preparing to go, and the last United Thank Offering for this Triennitum will have been taken—and our hearts and minds will be centered in those great national gatherings.

While much that we will wish to do this coming year will be dependent upon the action of the Triennial, there are several things I would like to suggest our thinking about which I am confident, as a member of the National Executive Board, will underlie and permeate all that is done there, and which therefore can be taken as the basis for our work in 1925-1926.

The planning that is being done preparatory to the Triennial is attempting to strike down into the very roots of our Auxiliary and individual life, and to place the Triennial—rooted and grounded in spiritual things—upon a higher spiritual plane than ever before. We are hoping and earnestly praying for "newness of life," that we may be truly transformed by our Lord's process of "renewing" as we meet together there in His name.

Newness of life is one of the joys and fruits of the truly Christian life. A Christian need never grow stale, yet some of us as individuals and as groups are not always conscious of the quickening power of the Holy Spirit. When we are not, we are in danger of being numbered among the stale Christians of our time.

In Western New York as we attempt to have our Auxiliary life rooted and grounded in spiritual things and this year seek to rise to a higher plane than ever before, let us consider three words which will be heard many times in New Orleans—three words that are so familiar as to be almost commonplace and trite, yet were they to be really lived out by each one of us would become charged with fresh meaning and power.

The first of these is CO-OPERATION—unity. There is newness of life for the Woman's Auxiliary and for each member, as it grows from an Auxiliary to the Board of Missions into full co-operation with all departments of the National Council and with all organizations in the parish and diocese. Definite ways of doing this may already be found in the new joint leaflet of the Woman's Auxiliary and Field Department.

Let us, therefore, in Western New York work and pray and think together with other groups in true unity of the Spirit, in full and hearty co-operation for the upbuilding of Christian life in the home and parish, diocese, community, nation and world.

The second word is CONVICTION—Christian conviction. There is newness of life to be found in real conviction concerning the power of Christ to rule the world—the confused, complex world of today; in conviction concerning His way of life as the solution of all world and community problems; in a conviction that He is able today to establish peace, justice, love, truth, abundant living upon the earth; to turn darkness into light, death and sheer existence into abundant living; exploitation, greed and suspicion into love; strife and bitter contention into peace. Do you really believe it? Or do you doubt it? There is newness of life to be found in the conviction that His way of life is not only the Way for the world in general but for ourselves in particular; that our own way of life is not the Way; that Christ is able and eager to give us each a power, a love, a light that will entirely fill each life, giving all things that are necessary

for happiness provided we are sincere and devoted followers. This kind of conviction must needs grow out of a personal religious experience and not be based on what another says or believes. It must spring from within the very depths of our nature and be so strong and sure and true that it shines as a beacon in the midst of the chaos of modern thinking and living.

Let us seek a fresh experience of God, a new conviction concerning Him and His way of life, both in our own personal lives and in our lives together in a group. The leaflet entitled "Learning to Know Jesus Christ Through a Study of the Gospels," by leading you into new ways of knowing Him, will be a help in gaining fresh conviction and experience of Him.

The third word is CONSECRATION. There is newness of life to be found in a fuller consecration—a consecration without reservations—giving all, holding nothing back—and with no water-tight compartments—with no social, political, business or pleasure compartments into which the Christ may not come; a consecration that actually trusts God with our whole life, trusting Him to choose our companions, our business, our wealth, our health, our home, our pleasures, our successes, failures. Have you this kind of consecration? Has your branch?

Let us seek to discover our own reservations, our water-tight compartments, the point at which we stop trusting God or letting Him rule our lives. Let us endeavor to open wide these doors during the coming year and to give ourselves wholly to Him. Let us be willing to identify ourselves with the failure of Christians today—to realize we too have been partly pagan. Let us seek to know and to follow our Lord so honestly, so truly that we may have newness of life and become more effective instruments of His Power. Finally, let us say together the prayer at the end of this message.

In closing, may I say how happy I am that you have asked me to serve another three years as your president and that you wish me to be one of your representatives at the Triennial in New Orleans. As I look back over the three years, I am filled with joy and pride in you all for the kind of women you are and for the splendid things you have done. I am also profoundly conscious of my many inabilities and failures; of the many things I should have done that I have not been able to do. I can only hope and try to be and do more in the future.

With warm and cordial greetings to you all.

Faithfully yours,

ELIZABETH SIBLEY ROBINS, *President.*

*O Lord of souls, who has chosen and called me to service in thy church, all my trust is in thee, for in thee are the springs of my life. Abundantly give me of thy blessed Spirit, without whom nothing is strong, nothing is holy; and use me as it shall please thee for the glory of thy name. Make my will patient, my conscience pure, my temper bright. Empty me of self, and fill me with the meekness of wisdom. Increase my faith, mellow my judgment, stir my zeal, enlarge my heart. Let my life enforce what my lips utter. Do thou choose for me the work I do, and the place in which I do it; the success I win, and the harvest I reap. Preserve me from jealousy and impatience; from self-will and depression. Make me faithful unto death, and then give me the crown of life. Through Jesus Christ our Lord.—
AMEN.*

*"The cross is a constant call to men to beware of the pride
of place, to measure the work of privilege by the breadth
of its opportunity, to remember that glory is for use,
not for contemplation, and, above all, to make
nothing less than the whole self the in-
strument of service." —Bishop Brent.*

PRAYERS FOR THE USE OF THE WOMAN'S AUXILIARY

THE PRAYER FOR THE WOMAN'S AUXILIARY

Almighty God, our heavenly Father, bless, we pray thee, our work for the extension of Thy kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently, and give liberally to make Him known to all nations as their Saviour and their King: through the same Jesus Christ our Lord. Amen.

NOON-TIDE PRAYERS FOR MISSIONS

Blessed Saviour, who at this hour didst hang upon the Cross stretching forth Thy loving arms: grant that all mankind may look upon Thee and be saved, through Thy mercies and merits, who livest and reignest, with the Father, and the Holy Ghost, one God, world without end. Amen.

O Holy Father, who didst promise to Thy well-beloved son—Desire of Me and I shall give Thee the Heathen for Thine inheritance, and the utmost parts of the earth for Thy possession—Hear, we pray Thee, His prevailing intercession for the souls which He hath purchased with His precious Blood. Kindle our desire for the extension of His Kingdom among men. Pour upon us the spirit of supplication for the spread of the gospel, and so consecrate our lives to Thy service that we may gladly give ourselves and our substance to send the sound of the blessed Gospel into all lands, and its words unto the ends of the world, through Jesus Christ our Lord. Amen.

A PRAYER FOR MISSIONS ALL OVER THE WORLD

O God, who has made of one blood all nations of men for to dwell on the face of the whole earth, and didst send Thy blessed Son to preach peace to them that are far off and to them that are nigh; Grant that all men everywhere may seek after Thee and find Thee. Bring the nations into Thine fold, and add the heathen to Thine inheritance. And we pray Thee shortly to accomplish the number of Thine elect, and to hasten Thy kingdom; through the same Jesus Christ our Lord. Amen.

A PRAYER FOR THE USE OF MISSION STUDY CLASSES

Take our minds, O Lord, and think through them;
Take our lips, O Lord, and speak through them;
Take our hearts, O Lord, and set them on fire
With love for Thee and for Thy work. Amen.

A PRAYER FOR THE UNITED THANK-OFFERING OF THE WOMEN OF THE CHURCH

O Lord, our Heavenly Father we pray Thee to send forth more laborers into Thy harvest and to grant them Thy special grace for every need. Guard and

guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service, and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

A PRAYER FOR THE CHURCH SERVICE LEAGUE

Our Heavenly Father, as Thou hast given us a fresh vision of usefulness through the Church Service League, may the men and women of our Diocese show a ready will to lay their talents at Thy feet, to be used in the upbuilding of Thy Kingdom; and wilt Thou guide our plans and prosper our work, for the sake of Thy Son, our Saviour, Jesus Christ. Amen.

Teach us, good Lord, to serve Thee as Thou deservest; to give and not to count the cost; to fight and not to heed the wounds; to toil and not to seek for rest; to labor and not to ask for any reward, save that of knowing that we do Thy will; through Jesus Christ our Lord. Amen.

REPORT OF THE PRESIDENT

To the Members of the Woman's Auxiliary of Western New York:

In submitting these few statements to you, your President wishes to express her very keen disappointment at her failure to be with you at the Annual Meeting—only a serious illness could have kept her away from her place with you in May. She is most appreciative of all that others did to make the Annual Meeting such a great success and rejoices deeply in it. In view of these unusual circumstances, she begs leave to do two things; first, to send in the result of her study, while in the South, of the first two pages of the reports sent in by the parish branches, in the form of a regular report for the Year Book; second, in a very informal way, in a message attached to this in multigraphed form, to make a few suggestions for next year which will fall in line with those of the National Executive Board to the Auxiliary as a whole.

These report blanks were filled in most carefully by over 75% of the branches and have resulted in a real survey of the Woman's Auxiliary in Western New York. Your President has spent hours in studying them (she says this for your comfort) and cannot but express her great appreciation of the time and effort the parish officers have put into them. When all the replies are brought together, the diocesan picture is nearly complete. It contains many more high lights than shadows, and high lights of special radiance and clarity. It is a very inspiring picture and will bring great joy to your hearts.

You have emphasized to a far greater extent the devotional life; many more branches have undertaken some kind of educational work; the quality of your service of supplies has greatly improved; the United Thank Offering is as much in two years as in the three of the last Triennium; you have contributed more generously to the Pledges and Administration Fund, and in addition, to the National Specials and the Japan Fund; you have co-operated in the Forward Program of the Diocese in the ways suggested by the Officers' Conference last September, with the County Conferences and with the Diocesan Convention at the present time. You have given, finally, a most inspiring example of loyalty and response to all requests and plans of your Diocesan officers which has filled them with joy and humility.

Sixteen out of all the questions in the report come within the special province of the President and District Chairmen. The replies may be summarized as follows, and reveal a few of the shadows:

- 26 branches meet every week.
- 16 branches meet twice a month.
- 47 branches meet once a month.
- 6 branches meet in the evening every meeting or alternating.
- 2453 total number of active members.
- 1882 total number of contributing members.
- 288 total number of members gained during the year.
- 128 total number of members lost during the year.
- 43 branches report some new leaders or officers.
- 76 new leaders or officers.
- 26 branches have a membership committee.
- 53 branches use other methods for obtaining new members.
- 35 branches report some plan or program for the year.
- 43 branches have made their organization more adequate.

46 branches have tried to deepen and develop the spirit of fellowship.
35 branches have brought the Provincial Objectives before the branch.
26 branches have done some Christian Social Service.
45 branches have made suggestions to the Diocesan and District officers.
66 branches have given problems or difficulties.
64 branches have tried to equip themselves more adequately.
22 branches have definitely tried to encourage the Gift of Life.

How to make available for every branch the information and practical suggestions with which you and National Headquarters have supplied us; how to enable the branches to share each other's experience, is perhaps the greatest practical problem of your Executive Board. We are trying to solve it by sending you Quarterly Letters with the results of our regular Executive Board meetings and with news from the Field; by using at least a page in every issue of Our Diocesan Fellowship for Woman's Auxiliary news; by as frequent visits and personal letters to the 115 branches as is possible for us; by holding district and diocesan meetings, conferences and institutes; by making the Year Book more suggestive than ever; by publishing an interchange of methods in which you will find many of the best replies sent in by the branches on such subjects as increasing membership, programs or plans for the year, provision for leadership, preparing yourselves more adequately, devotional life, etc.

Thus by knowing one another better, by understanding our common needs and problems, and being bound closely together in our common task, we hope that we may all learn to serve more adequately, following more closely in the footsteps of our Blessed Lord.

Respectfully submitted,

ELIZABETH SIBLEY ROBINS

POLICY OF THE WOMAN'S AUXILIARY OF WESTERN NEW YORK

AIM FOR 1924

Let us strive to be real followers and interpreters of the "Christian Way of Life" in our own parish, in the district and diocese, and into the uttermost parts of the world.

"To every man there openeth
A way, and ways, and a way;
And the high soul climbs the high way,
And the low soul gropes the low;
And in between on misty flats
The rest drift to and fro.
But to every man there openeth
A high way and a low,
And every man decideth
The way his soul shall go."

To help us realize this aim, let us co-operate in the following objectives:

1. LET US STRENGTHEN WHATEVER IS WEAK in our individual lives and in our life together as a branch, as a district, and as a diocese.

A careful analysis of last year's activities will reveal whether it is our devotional life; our habits of study and thinking; our service of supplies; our administration; our gifts of time, ability, life or substance; our co-operation

with each other, district or diocese; our spirit of fellowship. A complete service for the individual member of the Auxiliary and for the branch includes all. "No chain is stronger than its weakest link."

2. LET US FULLY EQUIP OURSELVES AND PROVIDE FOR THE TRAINING OF OTHERS.

This will enable us to meet more adequately the challenge of today.

The Woman's Auxiliary Handbook, our own district meetings, summer and county conferences, the plans and suggestions of the Educational Secretary of the Auxiliary will help us equip ourselves. Let us consider them carefully.

The Training Houses for Women give us an opportunity for providing for the training of others. At least \$5,000 was set in the conference at the Annual Meeting as our goal for May first, 1925. For definite information write to Mrs. James H. Dyett, 1 Penhurst Park, Buffalo, who is the chairman for Western New York for the Woman's Auxiliary National Special, in memory of the late Bishop Tuttle.

3. LET US WORK AND PRAY FOR THE GIFT OF LIFE FROM OUR DIOCESE FOR THE TRIENNIAL OF 1925.

Let us strive also for a full consecration and offering of ourselves, each and everyone, dedicating ourselves anew to the Christ and His service that we may be "living epistles known and read of all men," willing to be used for His purposes just as He wills and when and where. This requires daily practice for the individual, and for the branch a real plan for its devotional life. From it will spring the passion, poise and power for a full Christianity.

4. LET US GROW UP INTO THE STATURE OF THE CHRIST.

Let us choose the highest and deliberately eliminate all that prevents our best attainment, keeping the balance as Christ did between contemplation and activity. Let us "measure up" in 1924 to the best of which we are capable in character and service. Let us be satisfied with "nothing but the best for 1924."

A general basis or standard for a well-rounded and balanced service for 1924 will be indicated by the new report blanks referred to at the Annual Meeting, which are to be prepared by the Executive Board. An outline of these will be sent each branch in time for discussion at the spring meetings, that they may finally represent the corporate thinking of our diocesan branch rather than that of the Executive Board alone.

"O God, our Father, we dedicate ourselves anew to Thee and Thy service. Put into the heart of each one of us such a love for Thee that we may truly love our neighbors as ourselves—a love that leaps the boundaries of race or color or creed or kind, that knows no distinction of class, that reaches out a saving hand even unto the least of these our brethren. Fill our lives with the single motive of service, and use us, Lord, use us for Thine own purposes just as Thou wilt, and when and where; through Jesus Christ our Lord. Amen."

**REPORT OF FIRST VICE-PRESIDENT
THE BOOK OF REMEMBRANCE**

A Committee was appointed by our President, Mrs. Kingman Robins, to draft and submit a resolution making clear the title to eligibility of the Women of the Auxiliary to the Book of Remembrance, such report to be submitted and

passed upon at the September meeting of the Diocesan Board. The Committee was as follows:

Mrs. P. N. Nicholas

Miss Florence Hart

Mrs. D. L. Ferris

Mrs. T. B. Berry

Chairman—Mrs. F. K. Knowlton

The subject being one which required both wisdom and caution no decision was reached either by the Committee or Board at the September Meeting, and it was decided that the question be left to the Committee in consultation with the Executive Board. At the Executive Board Meeting held in Buffalo, December 2nd, the following resolution was passed:

"That any member of the Woman's Auxiliary of Western New York who has been conspicuous for length of office or devotion to the work should be eligible to the Book of Remembrance. Length of office shall be six years or more. The decision shall rest with a Committee of Diocesan Officers and a representative of the parish presenting the name."

The Chairman has had very real joy in entering the following names in the Book of Remembrance, thereby recording the blessed and beautiful work of these devoted women who have served their Lord and Master faithfully and earnestly and taken their place among his saints in His Heavenly Kingdom.

Mrs. JOSEPH LANGLEY, 1897-1918, Buffalo.

Entered into Eternal Life 1924.

Comfort Club Directress and District Secretary of Buffalo.

Mrs. K. B. CONOVER, 1881-1920, Buffalo.

Entered into Eternal Life 1922.

Church Periodical Club Directress.

Mrs. JANE O'CONNOR, 1881-1920, Hornell.

Entered into Eternal Life 1924.

President of the Woman's Auxiliary at Hornell for many years and occupying nearly every office for nearly forty years.

Miss EMMA MORSE, 1915-1921, Canandaigua.

Entered into Eternal Life 1924.

President of the Woman's Auxiliary for seven years and an active member of the Auxiliary for many years.

Mrs. JAMES A. MACCULLOCH, 1905-1912, Buffalo.

Entered into Eternal Life 1925.

1905 First President of the Woman's Auxiliary of St. Simon's, Buffalo.

1908 Second Vice-President.

1910 Charge of Juniors at St. Simons.

1911 Second Vice-President of the Woman's Auxiliary.

1912 Charge of Juniors.

Mrs. EUGENE SATTERLEE, 1904-1924, Pittsford.

Entered into Eternal Life 1924.

Rendered distinguished service in the Woman's Auxiliary and Junior Auxiliary for a period of twenty years.

Respectfully submitted,

ELIZABETH KENT KNOWLTON,

1st. Vice-Pres.

REPORT OF THIRD VICE-PRESIDENT

In presenting my report as Third Vice-President, it is this year with a deeper sense of my privilege and pleasure in the work assigned me than ever before. My assignment of special work is for the Isolated within the Diocese. I have interpreted this term to mean more than those geographically separated from the privileges of regular services of the Church.

It was suggested that I ask the Branch Presidents for the names of women who for any reason were out of touch with the Master's work in the Diocese. So I sent out fifty-four letters to the Branch Presidents outside of Buffalo and Rochester. Fifty-three names were received of those to whom I might send an occasional "Fellowship," a cheery letter, any W. A. literature, or special notices. May I take this opportunity to express to the Branch Presidents who responded to my letters my grateful appreciation for their replies and co-operation. One of those, whose name I have, writes me as follows: "I thank you for the inspiration which prompted the sending," and other like expressions have made a real joy of the work given me to do. I have sent out 102 copies of the "Fellowship," 50 individual letters, 50 copies of the Daily Bible Readings, 50 copies of the W. A. and U. T. O. Prayer, and in these reaching the 53 persons whose names I have. I have also sent out 18 copies of the Leaflet, "Devotional Life," prepared by our President, besides a number of Christmas messages of greeting and Good Will. Not much, it is true, to report in the tabulation of figures, but if a bond of prayer and fellowship has been established with even a few, if a few hearts have been cheered in the consciousness that the Woman's Auxiliary has a care and a thought for them, bringing them into touch with its larger life, then it has been a precious privilege and well worth while.

MARY E. S. FERRIS.

REPORT OF THE FOURTH VICE-PRESIDENT

THE PRAYER PARTNER PLAN

The Prayer Partner Plan was started in this Diocese two years ago and it has been most successful in the Canadian Auxiliary. The original plan allowed each Branch to choose a special worker in the field. When our Diocese undertook the duty of Prayer Partnership, it was found that there were not enough missionaries for each Branch to have a Partner. So we were allowed six and it was therefore possible for each District to have one. We immediately accepted the following names: *Buffalo District*, Miss Winifred Mann, House of the Holy Child, Manila, P. I.; *Rochester District*, Sister Oliva Mary, St. Andrew's Priory, Honolulu; *Geneva District*, Miss L. G. Graves, St. Mary's School, Shanghai, China; *Bath District*, Miss Lucy Archer, Inasmuch Mission, Rossville, Ga.; *Geneseo District*, Mr. & Mrs. C. H. Evans, Mito Japan, (Tokio); *Olean District*, Miss Florence Basonm, St. Andrews School, Mayaquez, P. R. For the whole Diocese, Deaconess Shaw, Philippine Islands.

When a District has accepted a Partner, it is the privilege of every Branch in that District to write personal, interesting letters to him or her telling of our special interest and our earnest prayers, asking for prayers in return. When an answer comes, unless very personal and confidential, it should be sent to the district chairman, who will have it copied and sent to the other parishes in the district. On no account, must the parishes expect the missionary to answer every

letter. The idea is, many letters from us and an occasional one from our partner, who will tell us of any special needs and difficulties. This copied from one of the letters already received speaks for itself and the plan needs no further commendation; "First, I want to thank you and the women associated with you in your 'prayer League' for your kindness in associating us with you as your 'prayer partners.' This helps us in understanding the many ways in which unexpected help and protection, as well as encouragement, have come to us during the past year, which has undoubtedly been one in which we have received much help in time of need. We know that this has come from the Giver of all good, but we can at the same time understand that it has been as well, in response to prayers from faithful souls who have come to the Throne on our behalf, and united their prayers with our own. It certainly should give to every Missionary thus prayed for, a new courage, and new confidence. We are undoubtedly thankful for the inspired thought that initiated this new method of help, and that thus assists in making us who are far away a real part of the praying and work in Church across the sea. It will certainly give new vitality to our own prayers, as it has given us new reasons for thanksgivings."

One other step taken this year, is the use of the Diocesan Fellowship as a means of making our needs known. Every month special intercessions and thanksgivings are printed, and in one issue, the whole page was given to the Devotional Life.

SOPHIA S. DENNESS COOPER.

REPORT OF THE FIFTH VICE-PRESIDENT

The Executive Board, feeling strongly that it was time we considered our unused forces among the business and professional women of the diocese, appointed me as fifth vice-president with the duty of reaching these groups.

As a nucleus we have four evening Auxiliary branches which grew out of the old 'Juniors.' It is the intention to organize an evening branch in every parish where it seems feasible, and few parishes are without possibilities. The size of the group is not important as compared with the provision to give to women who are barred from afternoon meetings an opportunity of making their contribution to all departments of Auxiliary work. In the autumn we shall arrange to have the work—in all its varied scope—presented by one of the Church's outstanding leaders at several large gatherings; meantime I am ready to visit any parish to help organize branches and explain the work. Judging by the strength of the evening Auxiliary branches in Canada, we confidently look for a large accession of the finest type of workers, when we have made provision for their recruiting. The intention is to have the new evening branches function exactly like the day ones, with their own officers and under the direction of the Diocesan Board. But in future some of our big meetings will be arranged for the evening, to allow business women the opportunity of taking part in the discussion of the plans and of hearing outside speakers.

ELIZABETH A. LAWRENCE,
Fifth Vice-President.

REPORT OF THE RECORDING SECRETARY

The Recording Secretary presents the following outstanding events of the year from Jan. 1924 to Jan. 1925.

The 43rd annual meeting of the Western N. Y. Branch of the Woman's Auxiliary to the National Council was held in St. Paul's, Rochester, Jan. 9-10, 1924.

There were 247 delegates registered, representing 54 parishes.

The treasurer reported \$8916.07 given, over and above our pledges, for specials. Of this amount \$6635.45 was given for the Japanese Relief, and \$800.00 for the Hooker school.

The United Thank Offering Custodian made a most encouraging financial report and further stated that two lives from Western. N. Y. had been given to the Service during the past year.

A very impressive service and one of historical significance took place on the second day of our meeting, when The Book of Remembrance was presented by Mrs. Frederick Knowlton, in memory of her mother, Caroline Hamlin Stone, to our Bishop to bless and lay upon the Altar. The volume is an exquisite example of the arts of the book-binder and illuminator. On the first page are the words, "In loving and grateful memory of these saints who rest with the Lord and have labored diligently in His Service." On the following pages there is illuminated the list of officers and women who have done special work in the Auxiliary since its organization in 1881 and who have now passed on to Eternal Life. The bulk of the volume is left blank for future names to be added as the years go on.

The Committee on the Constitution and By-Laws presented some minor amendments to the Constitution and By-Laws, which were adopted. The amended Constitution and By-Laws will appear elsewhere in the Year Book.

It was a very great privilege and joy to have as our guest and speaker, Miss Eva Corey, at this meeting.

During the year 1924 there have been held two meetings of the Diocesan Board and three of the Executive Board. On Mar. 27th, 1924, the Diocesan Board met in Rochester at the home of the President, Mrs. Robins. Sept. 26-27, 1924, there was held a two days session of the Diocesan Board, the members being guests of our President, Mrs. Robins, and our First Vice-President, Mrs. Knowlton, and the Rochester District Chairman, Mrs. Harper Sibley.

A letter from our Bishop was read requesting the Woman's Auxiliary to change the date of the annual meeting from Jan. to May coterminously with the Diocesan Council. A resolution conforming to the Bishop's request was adopted. According to our amended Constitution it lay within the power of the Executive Board to make this change. The Executive Board met June 11, 1924 at Trinity Parish House, Buffalo.

On Oct. 17th a special meeting was called in Grace Church, Buffalo, to consider the resignations of Mrs. Pollard, Secretary of Supply, and Miss Lawrence, United Thank Offering Custodian. These Resignations were accepted with deep regret. Mrs. John D. Pugh, Niagara Falls, was elected to succeed Mrs. Pollard, and Mrs. C. A. Champlin, Hammondsport, to succeed Miss Lawrence.

Dec. 2, 1924, the Executive Board met at The Church House, Buffalo, at which time we were the guests, for luncheon at the Twentieth Century Club, of Mrs. E. M. Curtiss.

EFFIE M. POTTER,
Recording Secretary.

REPORT OF THE CORRESPONDING SECRETARY

The work of the Corresponding Secretary continues to grow in interest and usefulness. It is principally confined to writing letters and to sending out the Manuals, which go in all directions and to many countries. In return, numbers of Year Books from other Dioceses have been received and studied with great benefit to all who have seen them.

It is with great regret that I reach the end of my term of office, and my interest will always be with the work of the Woman's Auxiliary.

Respectfully submitted,

ETHEL MANN CURTISS,
Corresponding Secretary.

ALICE E. DENNIS,
Auditor

To the President and Members of the Woman's Auxiliary of the Diocese of Western New York.

The policy of the Service of Supplies for 1925 will be to perform as faithfully as we know how, the task that is set before us. Your newly appointed Diocesan Supply Secretary realizes now as she did not two months ago, how great that task is, and appreciates more fully the wise planning of her predecessor, Mrs. Pollard.

May each Branch set its goal a little higher than the mark it attained last year, considering always how great things it can accomplish and striving to do its utmost in giving God's children the material things needful to assist their spiritual development and growth.

Greetings to all auxiliary workers in the Diocese! May the season of 1925-26 be filled with blessings and the will to be of service.

Faithfully yours,
MARY D. PUGH,
Diocesan Secretary of supply.

March 9, 1925.

Jan. 12, 1925

Mrs. ARTHUR C. C. POLLARD,
Sec. of Supplies,
51 Admiral Road,
Buffalo, N. Y.

Dear Mrs. Pollard:—

The five boxes of supplies, coming from the Woman's Auxiliary, Diocese of Western New York, have been received. To say that these boxes contained a wonderful lot of supplies is expressing our sentiments mildly. We did not have any reserve supplies on hand, and the things contained in the boxes are just what we need and which are quite expensive when purchased out here.

I am enclosing two pictures, taken by one of our Chinese doctors when the boxes were being unpacked, and which we thought would be of interest to you. In the group, doctors, nurses, patients and coolies are represented, and all displayed as much interest in the proceedings as though the boxes were personal gifts to them.

Please accept our thanks and appreciation for what you have done in our behalf. With all of this wonderful equipment on hand you have given St. Andrew's Hospital a splendid start for the new year.

Wishing you and those who are making possible the work which you are carrying on every good wish for the coming new year, we are

Very cordially yours,
ST. ANDREW'S HOSPITAL
GERTRUDE SELZER, R.N.
Supt. School of Nursing.

REPORT OF THE EDUCATIONAL SECRETARY FROM JAN. 1, 1924
TO JAN. 1, 1925
BASED ON 86 REPORTS

Thirty-seven branches report a regularly appointed Educational secretary, whose name and address is duly recorded in the Educational Officers list.

Forty branches have had Discussion Group series, varying in number from one to seven in a series, held usually in Lent, although a few series were earlier in the season. "Creative Forces in Japan" was the generally preferred text-book, although the following were also used:

Adventures in Brotherhood
The Leaven in Japan
Missions of the Episcopal Church
Story of the Program
My Father's Business
China's Real Revolution
Hidden Forces
Woman's Auxiliary Handbook

Thirty-five parishes report program meetings on a wide variety of subjects with 45 different speakers.

Somewhat over 250 are reported as having taken a sustained part in Educational work, but more than half the branches failed to report on this, so that the figure is of little value.

There are reported 33 leaders for general classes and 15 for normal classes. About 42 members attended a summer conference, most at Geneva.

Considerably over a hundred are doing some form of Bible study, but again the figure is inadequate from lack of data.

Thirty-four branches report some educational effort this year that did not so report last year.

Two branches that did some Educational work last year reported none this year.

Eighty-six branches did some form of Educational work, as against 53 last year.

Thirty-nine branches had discussion, as against 35 last year.

During the month of January past were held in Rochester and Buffalo institutes which it is expected will further develop and intensify interest in the Church's work. While the report of these will appear in the 1925 Diocesan report, a mere note of them is here made to complete the sum of present effort.

GRACE S. PEIRSON

SUMMARY OF REPORTS FROM PARISH BRANCHES
CONCERNING GIFTS.

Many Branches seem confused about their gifts. They report as pledges, gifts sent to the Diocesan Box Custodian for boxes and The United Thank Offering, also District dues. On this account, it is hard to make a careful tabulation of the result. Gifts for Pledges, United Offering, Box Work and The National Special are reported on another page.

To date, Feb. 17, 51 Branches have sent in reports; 42 have increased their gifts; 4 did not answer questions; 5 report no increase in gifts.

The following Branches have given financial aid to their *Parish*: Angelica, Belfast, Belvidere, Epiphany—Buffalo, St. Lukes—Buffalo, Cuba, Wellsville.

St. Marks and St. Clement—Buffalo, Jamestown, St. Pauls—Rochester, and Wellsville report gifts for The *Community Chest*, Mission of Help, Radio equipment in Hospitals, etc.

Several Branches report gifts to the *Diocese* through the Church. One Branch reports a personal gift to Bishop Brent.

Many large gifts were given to Missions in the *Nation* and throughout the *World* by most of the Branches. These gifts were sent directly to the field by the Parish Branch.

Branches report that they have studied and learned about the recipients of their gifts as follows: by reading aloud articles published, especially the *Spirit of Missions*; by letters from the Secretary of Supplies and letters from Missionaries; by talks from members of the Church and Missionaries.

They obtained money for their gifts by dues, voluntary contributions, money given for quilting, making comfortables, sales, suppers, and direct appeals. St. Peter's, Westfield, writes—"We furnish opportunity to give; failing that, we select the right person to make the personal appeal; we often ask an uninterested person to make appeal thereby interesting a second person with a single effort."

Respectfully submitted,
HILDA HEQUEMBOURG.

REPORT OF THE BATH DISTRICT FOR 1924

The Bath District is composed of nine active branches. Two District meetings were held during the year with a good attendance at each; both meetings were combined with the County Conferences and by this we were able to have one of our Bishops at each meeting, which we deemed a great privilege. The Spring meeting was held in St. Thomas' Church, Bath, May 21st. Our Diocesan President, Mrs. Robins, by her opening address gave us inspiration to carry on the work of the Woman's Auxiliary. Miss Brent, Mrs. Dyett, and Miss Lambright each gave most interesting talks on different subjects. Bishop Brent opened the afternoon session with Hymns and Prayers.

The address was given by Rev. Edmund L. Souder on Japan, which proved to be most interesting and instructive. Our second meeting was held in St. Paul's Church, Montour Falls, Sept. 30th, and despite floods which were raging all night before, our faithful officers were on hand on time to carry out the program. Mrs. Ferris, Mrs. Knowlton, Mrs. Pierson and Miss Lawrence gave most urgent appeals and addresses on their different subjects and with a Missionary address by Mrs. Coole in the afternoon the program was completed. A goodly number were in attendance and again we were fortunate in having with us Bishop Ferris who opened the afternoon session with hymns and prayers and later carried on the County Conference.

The different branches in this District have responded well to the different objects presented and are growing stronger and more earnest each year.

Respectfully submitted,

FANNIE A. PAGE,
Chairman.

REPORT OF THE BUFFALO DISTRICT JAN. 1924-1925

The Buffalo district has gained five new branches; two are newly organized, the Good Shepherd Irving and the Transfiguration, Buffalo; the others, Jamestown, Westfield, and Silver Creek come from the Olean district. There are now — branches.

Two all day Conferences have been held. The first one was held Feb. 5, at the home of the Chairman for presidents and educational secretaries. There were forty-five present and all entered into the discussion of problems and methods with interest and received new ideas. The afternoon was devoted to Education with Mrs. J. W. Denness Cooper as our speaker. She is always so whole hearted in her interest and so clever in her presentation that she gave us new incentive for the work. The second Conference was just for presidents, held at the Diocesan House Nov. 13, with twenty-five present. The exchange of thoughts was found so helpful it was voted to have the Conference an annual event.

We have made a change in our district meetings this year, giving the morning entirely to devotion.

The spring meeting was held at the Church of the Good Shepherd. Holy Communion was celebrated at eleven by the rector, Mr. Cosbey, followed by a special service of intercession by Dr. Cameron J. Davis. The afternoon session was attended by 268 persons from 37 branches. We were most fortunate to have Bishop Reifsneider from Japan and his graphic description of the heroism and devotion at the time of the disaster thrilled us beyond words. Mrs. Norton of Rochester was our other speaker. She presented the aim for 1924. Her vision and charm won us all.

The fall meeting was held Oct. 17, at Grace Church. The day opened as usual with the Communion service which was followed by a meditation by the rector, Mr. Barton, on "Our Relation with Christ." He gave us a stirring message to take right into our every day life. In the afternoon Mrs. Harper Sibley of Rochester spoke on Individual Responsibility for the Forward Program of the Church. There was no denying we were responsible when she finished—her convincing way and eager enthusiasm made a deep impression. Bishop Remington of Oregon was also a speaker. He told of the work accomplished in his diocese and some plans for the future. It is wonderful to see such boundless energy, such a spirit of devotion. What a joy to know we have such men giving themselves to winning the world for Christ. At this meeting our hospital visiting committee was organized, Mrs. H. L. Osgood, chairman. The Committee have named themselves "The Elizabeth Lawrence Visitors" as Miss Lawrence gave the idea.

The "Quiet Day" for the district was early in advent at Christ's Chapel, Trinity Church. For this day we invited Rev. John Mansfield Groton of New Bedford, Mass. "Faith" was our theme and Mr. Groton took for his text, "May the God of hope give you all peace and joy in believing." It was a disappointment so few made it possible to come, but those who were there found strength, courage, new light and joy.

There is much that we hoped for that has not come to pass and perhaps it is the best sign that we are far from satisfied. Some seed has been sown; has it fallen on good ground?

Respectfully submitted,
EDNA G. DYETT.

REPORT OF GENESEO DISTRICT FOR 1924

There have been two district meetings held. The spring meeting on May 22nd in St. Mark's church, Le Roy, was one of the largest and most enthusiastic we have had and showed great advance being made in all directions. Mrs. Robins was present and spoke on our Policy for the year.

Mrs. Steuber asked each branch in answer to roll call to tell of any new activity in which it had been engaged and this brought out a most gratifying and varied response.

The principal speaker of the day was the Rev. Edmund Souder of China who brought before our vision the needs of that Country in a stirring address. He also made a plea for Japan and the offering was voted for that purpose.

The fall District meeting was held at St. James church, Batavia, and opened with a beautiful communion service with Bishop Remington as celebrant assisted by the Rev. Alfred Brittain and the Rev. W. Edmund Nixon. Bishop Remington afterward spoke of his work in Oregon in a most inspiring talk, which was a rare treat to all.

The meeting brought out a large delegation from Wyoming County which shows the great revival of interest in that locality, due partly to the work of Miss Margery Hibbard. This is one of the most encouraging things to report and has been a source of great joy to our loyal and efficient chairman.

Respectfully submitted,
NAN R. MCKAY,
Recording Secretary.

REPORT OF GENEVA DISTRICT

There are seventeen branches in the Geneva District. Two District meetings have been held during the year. The first at St. Mark's Church Newark, May 6th, 1924. Eight branches responded to roll call; total number present sixty-eight.

Mrs. Nicholas and Mrs. Robins both being present and speaking. Mrs. Robins extended greetings to the new Chairman, Mrs. H. B. Tyler, and paying fine tribute to the work of Miss Prescott who retired from office of Chairman of the Geneva District.

Miss Lawrence spoke on the United Thank Offering, also the Gift of Life. The offering was given for the Japanese Reconstruction work, the amount being \$19.59.

The second meeting of the district was held in St. John's Church, Clifton Springs, October 3rd, 1924. Ten branches were represented with an attendance of ninety-two.

Our first Vice-President Mrs. Knowlton presented the new by-laws. Our Honorary President Mrs. Nicholas moved we accept these. This was carried.

Mrs. Pierson spoke on the church plan urging all to read the book, *My Father's Business*.

Miss Lawrence gave a wonderful talk on the Diocesan Fellowship.

The offering was sent to Hilda Hequembourg for Bishop Burleson's work in S. D., the amount being \$24.68.

The box work for the past year amounts to \$883.71.

Respectfully submitted,

MRS. H. B. TYLER
Chairman.

REPORT OF THE ROCHESTER DISTRICT FOR 1924-25.

The Spring Meeting of the District was held at St. Andrew's, Rochester, on May 23rd, and there were present 148 members from 17 branches. It is always the attempt in this District to have the Spring Meeting a summing up and a comparing of the winter's work done by the various branches, so that through the interchange of ideas we may have the benefit of each other's experiences.

At this meeting we began with the celebration of the Holy Communion and then adjourned to the parish house, where we listened to various reports. The most interesting discussion was brought about in connection with the questionnaire, which Mrs. Robins described to us as a charcoal outline which we were to fill in and make a picture. Various difficulties were brought out in connection with some of the questions and the whole thing was revised in a way that simplified many of our problems.

In the afternoon Bishop Brent brought with him to the meeting Bishop Reifsneider, recently returned from Japan, who gave us a most stirring and vivid picture of the tragedy in that country. His faith and the faith of those Christians whom he described to us was a great challenge to us all.

The work began this autumn with a meeting of the United Thank Offering Custodians and the Branch Presidents at the house of the District President on October 6th. Miss Lawrence spoke to the group, thereby enthusing them for their work of collection, in preparation for the United Thank Offering Presentation in November. The Branch Presidents took this opportunity to discuss some of the problems of the winter and to plan definitely for the autumn meeting.

The Annual Meeting was held at Epiphany Church on October 16th. There was a large attendance at the Holy Communion. We laid great stress on the devotional part of this day, feeling that through prayer and communion more than from discussion or speeches would come the inspiration for the winter's work. Dr. Talbot lead the noon-day prayers, which followed the service without a break, and the need of the Church and our part in the Forward Program was emphasized.

In the afternoon Mrs. Cooper in a few minutes gave us the keynote of our winter's mission study and outlined to us our subject,—China. Mrs. Robins then spoke about personal responsibility in the Church's work. It was a great privilege to have Bishop Remington of Eastern Oregon speak to us at the close of the meeting. He gave us two separate addresses, one following the other; the first on the Forward Program, the second on his work in Eastern Oregon, and no one could have listened to his enthusiasm and conviction without catching some of it themselves. We were very grateful that he had been able to come to our Annual Meeting.

On January 14th a meeting was planned so that all the women of the District might hear Bishop Overs of Liberia. There was a large attendance and many of those present have since had a share in helping in his work.

In our educational work, through the efforts of Mrs. Pierson, our Educational Secretary, we were fortunate in securing Mrs. Hutchison, who came to Rochester on January 21st and 22nd to conduct classes in mission study for leaders from the various branches. There were 26 women present from 16 branches and Mrs. Hutchison gave them great help in practical methods, as well as inspiring them to teach. These members are teaching mission study classes in their own parishes on the subject of China.

On March 10th Mr. John A. Ely, Dean of St. John's University, Shanghai, China, told of his work at Christ Church and gave us a much more intimate and personal idea of the missionary enterprise in China.

The questionnaires have come back very thoughtfully made out and may I take this opportunity of expressing to the branches my appreciation of the work and time they have spent on them. It is a great help to have the information and to be able to visualize the work in each parish. We hope that every branch will receive suggestions and real help from this possible interchange of experiences.

Respectfully submitted,

GEORGIANA SIBLEY,

Chairman.

RESOLUTIONS ADOPTED AT ANNUAL MEETING, MAY, 1925

Since our last annual meeting the Church has lost once more its Presiding Bishop. The Right Reverend Alexander Garrett, D.D., LL.D., was a great missionary leader and the pioneer Bishop of the South-West. To the end, though 94 years old and in spite of blindness, he was in active service.

Resolved, That we as an Auxiliary to the National Council spread upon our records the sense of our rich heritage in having had such a leader, and the realization that in thankfulness for this we are under obligation to intensify our efforts to spread Christ's Kingdom.

Resolved, That the Woman's Auxiliary see to it that literature be furnished for the Church House on the Chautauqua Assembly grounds—with the suggestion that each organization of the Diocese be asked to provide leaflets telling of its work; also that the *Spirit of Missions* and other Church publications be supplied.

Resolved, That we spread on our minutes grateful appreciation of the devoted, untiring and conspicuously successful work of Mrs. James H. Dyett, Chairman during the three years just ended for the Diocese, of the Bishop Tuttle Memorial Fund. The responsibility and care which Mrs. Dyett has carried would have been a burden had she not brought to it the enthusiasm of a true consecration which rejoices in the privilege of a real task for the Kingdom. The Woman's Auxiliary of Western New York records with thankfulness its debt to Mrs. Dyett for her able leadership.

WHEREAS, Mrs. Embry MacDowell and her staunch assistants have performed the almost Herculean task of bringing to a successful ingathering the Gold and Silver Offering, to be used in rebuilding Saint Margaret's School, Tokyo, they having secured the sum of about eighteen hundred dollars (gross) within a few months.

Therefore be it Resolved, That the Diocese tender them their deep appreciation of their unselfish and untiring efforts, and that we hold them in loving memory because of their Christian example of devotion to the Master.

The Woman's Auxiliary in Annual Convention assembled wishes to express its warm appreciation of the splendid work done by Mrs. A. C. C. Pollard, as Secretary of Supply, realizing that while her task was peculiarly difficult during the transition period and the establishing of the Bureau of Supplies, and at all times onerous, it was fulfilled willingly and lovingly through many years.

The Woman's Auxiliary in Annual Convention assembled wishes to record its sincere gratitude for the painstaking and far-reaching work of Mrs. S. Ray Peirson, as its Educational Secretary, and its faith that the seed she has sown will bear fruit in the years to come.

The Woman's Auxiliary in Annual Convention assembled hereby records its appreciation of the services of Mrs. Ethel Mann Curtiss, as Corresponding Secretary, and its assurance of gratitude for her many courtesies and cheerful co-operation.

The Woman's Auxiliary of Western New York desires to record its deep appreciation of the loyal, efficient, untiring devotion and service of our retiring Diocesan United Thank Offering Custodian, Miss Elizabeth A. Lawrence. It is impossible to express how precious the little "Blue Box" has become in this Diocese, through her efforts and vision. Because of this vision the joyful gifts have grown to the largest offering ever made from our Diocese. *Be it resolved, therefore*, That we all make United Thank Offerings for our Miss Lawrence and her Blessed Service.

Resolved, That a hearty vote of thanks and appreciation be accorded to St. John's Parish—to its Rector, Auxiliary and other members—and to those in other parishes who assisted them, for their splendid hospitality and for helping to make the Annual Meeting of the Woman's Auxiliary of Western New York such a success.

SUMMER SCHOOL FOR CHURCH WORKERS—GENEVA, N. Y.

The Annual Summer School for Church Workers will be held at Hobart College, Geneva, N. Y., from Monday July 6th through Thursday July 16th.

This year a special effort is being made to offer more advanced courses that will appeal and be helpful to leaders now active in carrying on the Church's work. Those classes which will particularly interest the Women of the Auxiliary are:

(a) **THE DISCUSSION METHOD**—a class for training of leaders of adult discussion groups, whether missions, religious education or a social service subject. The text book used will be "The Method of the Discussion Group," by Miss Laura Boyer.

(b) **THE CHURCH'S PROGRAM**—its evolution and its challenge to the Church of today; the parish and its program.

(c) **LATIN AMERICA**—advanced course dealing with the religious, historical, political and economic problems of the field. This course is to be led by the Right Rev. James C. Morris, D.D., Missionary Bishop of the Panama Canal Zone.

In addition there will be courses on the Bible, Church History, the Life of Christ, specialized work in the parish such as the Church School, the Girls' Friendly Society, Church Mission of Help, Pageantry and the work with Young People. For Geneva there will be a new feature this year in the two cultural courses, The Kingdom of God, Its Nature and Purpose, and Evidences of Religion From a Modern Standpoint, which will be open not only to the members of the school but the people from the city of Geneva.

The daily schedule starting with the Celebration of Holy Communion at 7:15 calls for three study classes in the morning, rest, recreation and group conferences in the afternoon, Sunset Service and various attractive programs for the evening.

To meet increased costs of maintenance it has been necessary to raise the Summer School rates to

\$3.00 for the Registration fee,

5.00 for the Room fee,

16.00 for Meal fee for the entire session, making a total of \$24.00.

Check for Registration fee, which is payable in advance is to be made out to Mrs. Mary G. Collison whose address is 681 Castle Street, Geneva, N. Y. No assignments will be made before May 15th. As every available room will be filled through the regular registration channels, the Board of Governors regret to state that there will be no accommodations for people arriving without previous registration and notification, for part time students, or week-end guests. No student under full 17 years of age will be accepted, unless a graduate of High or Accredited Prep School; in 1926 there is to be a third Summer School, offering a strictly Junior program.

It is hoped that every Auxiliary in the Diocese will try to send one of their members to this Summer School. If this is impossible, a good suggestion is to pay the way for some young person in the parish to go for this training. This year particularly when the General Church so needs our help, shall we not make a special endeavor to learn more about its Mission so that through our prayers, study, work, gifts and Christian Fellowship we may render more acceptable service through our parish unto the uttermost parts of the earth.

SUGGESTIONS AND DIRECTIONS TO PARISH OFFICERS FOR 1925-26

TO PARISH PRESIDENTS

Each Parish President should have at heart the development of all parts of the Auxiliary work. She should, therefore, try to see that the branch is organized in a way to insure this rather than over-concentration on one part alone. She should bring the officers together occasionally for prayer and for conference, for they can do much toward creating the atmosphere and promoting the spirit of fellowship. She should also take the initiative in forming with the other officers a plan for the year's work which will give an opportunity to each officer to present to all members that part for which she is responsible or to arrange for someone else to do so. Plans which parishes in Western New York have used this past year will be found in the "Interchange of Methods," the summing up of the splendid replies sent in on the new report blanks.

She should be familiar with the chapters in the Woman's Auxiliary Handbook on "Duties of Officers" and "Activities and Meetings." She should note particularly the Woman's Auxiliary page each month in "Our Diocesan Fellowship" and the quarterly letter from the Diocesan Executive Board, and should look over carefully the reports and recommendations in this Year Book.

It is her responsibility to see that her branch is represented as frequently as possible at district and diocesan meetings, conferences, etc., and to secure its co-operation in diocesan plans and undertakings to the best of its ability. Your

district and diocesan officers will welcome opportunities to know the parish officers better through visits, correspondence, or by arranging conferences and meetings.

TO PARISH SECRETARIES

Parish Secretaries should keep careful and comprehensive records for the branch.

A typewritten list of officers of each Parish branch should be sent to the District Chairman for publication in the Year Book, not later than March first.

As changes occur during the year, notices should be sent *at once* to the Diocesan Corresponding Secretary, in order that the proper officers may receive the communications.

TO PARISH TREASURERS

The Treasurer's Year begins Jan. 1st and closes Dec. 31st. All Auxiliary money, except the United Thank Offering and District Funds, should be sent to the Diocesan Treasurer, Miss Hilda Hequembourg, Dunkirk, N. Y., as soon after Jan. 1st as possible and before July 1st.

Please study the Budget and explain the division of your Diocesan Auxiliary gift to the members of your branch. Tell them how the Administration Fund is used and show them how each Church is given credit for 4/5 of the pledge which is used for the Church Forward Program.

TO PARISH UNITED THANK OFFERING CUSTODIANS

Remittances may be sent to the Diocesan Treasurer, Mrs. C. A. Champlin, Hammondsport, N. Y., annually or semi-annually.

TO THOSE IN CHARGE OF THE DEVOTIONAL LIFE

Each Branch should make a definite effort to increase interest in the Devotional Life. This should be made the work of some special person or committee.

Each Branch should hold at least one Corporate Communion during the year. Beginning the year with such a service of consecration and fellowship is of great value.

Each Branch should have a definite plan for prayers at each meeting, and will find it helpful to vary its form of prayers, using intercessions, thanksgivings, short litanies, Penitential office, meditations, etc. The W. A. leaflet, The Devotional Life, (price five cents) explains briefly the meaning of meditation, confession, intercession, petition, thanksgiving, etc., and contains suggestions for varying the devotions at regular meetings of the Auxiliary.

Each Branch should also be praying through groups or individuals for Christian Unity, Christian International Relations, Peace, and other suggested topics for intercession, and co-operate in the observance of special days of prayer as they are presented.

Each Branch should be making an effort to increase interest in the practice of Family Prayers, Church Attendance, Bible Study and Reading, Stewardship and Private Devotions.

Each Branch should possess a copy of the National Woman's Auxiliary Handbook, (price twenty cents), and study carefully pages 13-18.

A Book of Prayers, published by the Church Service League of Massachusetts (price fifty cents) contains a large variety of prayers which are particularly helpful to the Woman's Auxiliary.

TO PARISH EDUCATIONAL COMMITTEES OR SECRETARIES

This committee or secretary should begin early—preferably during the summer—to plan for the educational work of the Branch, and not wait until almost time to begin a class or secure a speaker. Whenever possible this plan should include presentation of the special subjects for the year in some of these ways:—through talks, papers or readings, special programs and speakers, or discussion groups. Among those for 1925-26 are Latin America; The Search for Peace (twenty-five cents); Learning to Know Jesus Christ through a Study of the Gospels (five cents); the Forward Program of the Church.

The committee or secretary will find the following books and leaflets suggestive and helpful: The Woman's Auxiliary Handbook (twenty cents), chapter on Educational Work; How to Lead a Discussion Group; The Discussion Method by Laura F. Boyer; Suggestions for Program Meetings.

The committee or secretary should present to the Branch anything of educational interest received through letters from or visits with diocesan or district officers, from conferences, or through "Our Diocesan Fellowship" or other sources.

The Geneva Conference (see page 51) offers a splendid opportunity to all those interested in the Auxiliary, especially to those who are trying to promote the educational side of our W. A. service. Many more Branches should be represented and send delegates. The Educational Committee or Secretary should seek to accomplish this.

A careful record should be kept of all work done.

All material should be ordered from Miss Lambright, 13 Ely Building, 81 East Avenue, Rochester, N. Y.

When speakers are desired, correspond with Miss Lambright.

Lantern slides are obtained from the Lantern Slide Dept., 281 Fourth Avenue, N. Y. Ask for the rewritten ones only.

Report all changes in branch Educational officers to the Diocesan Educational Secretary.

TO PARISH SUPPLY SECRETARIES

Parish Supply Secretaries are requested to get in touch with the Supply Secretary of the District in the late summer concerning the work of the Service of Supplies for the coming year.

When a choice has been made of the Missionary and family whose requisition your Branch wishes to fill, return at once to the District Supply Secretary all other letters that you have been considering, and at the same time give her the name and address of the Missionary whose letter your Branch has accepted. Write to the Missionary telling him that your Branch will send him a box and ask any questions that you wish in regard to his needs. These boxes should be sent in time to reach their destination for Christmas.

Those Branches not sending family boxes should obtain early in the fall

from the District Supply Secretary, work that will be sent to the Missions, Schools or Hospitals whose requisitions are allotted to this Diocese.

It is hoped that each Branch will feel it is a privilege and an obligation to contribute annually, for the allotment, the price of at least one blanket; also give something toward the purchase of dispensaries for hospitals. Checks for these funds should be sent to the Supply Secretary of the Diocese.

RULES FOR SENDING BOXES

- 1.—For every box that is sent make three lists exactly alike, giving:
 - A—Name and location of your Branch as sender.
 - B—Name and address of the Missionary, Hospital, School or Mission for whom the box is intended.
 - C.—A complete itemized list of the contents, giving the valuation of each new article. Charge for the making of garments according to the prices allowed by the Standard of Values. Give the number of garments of each sort and the charge for making; to that add the cost of material.
 - D.—It will greatly assist the Custodian if each new article of wearing apparel sent to the Bureau of Supplies, is marked with its size and value.
- 2.—Boxes for Missionaries are to be sent direct to the address given.
 - A.—For these, send one of the three lists to the Diocesan Supply Secretary; one to the District Supply Secretary and keep one for your own Branch.
 - B.—Write the Missionary as soon as the box has been shipped, giving date of shipment and stating whether sent by parcel post, express or freight.
- 3.—Send all other boxes to the Bureau of Supplies, 237 North St., Buffalo, N. Y. in care of Miss Alice E. Dennis, Custodian.
 - A.—For these, send one of the three lists to the District Supply Secretary; put one in the box and keep one for your Branch.
 - B.—Put in the box a self addressed stamped envelope so that acknowledgment of its receipt may be made to the proper person. When this is returned to you, it will have on it a memorandum of the amount of postage that you are to add to your own valuation list and the one you send to the District Supply Secretary.
- 4.—On the outside of all boxes put the name and address of the sender and **FULLY PREPAY** all carrying charges.
