#### THE PRESIDENT'S MESSAGE

Greetings, dear fellow-workers of the Woman's Auxiliary. It is a delight to welcome so many of you here to-day, and I hope each one will feel the thrill from this meeting, for there is a very real vital spirit in a gathering such as this, and go home blessed and uplifted by our corporate fellowship.

I wish to express to all my diocesan officers my appreciation of their unfailing assistance. They have given a ready response to every demand, and shown eagerness to know where and how to make the work more effective. Our executive meetings, at which we have had almost perfect attendance, have been of the greatest inspiration and help to me in carrying on my work.

It is with real regret that we give up Mrs. Cooper, whose term of office expires. Such enthusiasm, such untiring zeal! A thing is hardly finished when she is planning the fresh start. She has brought the fullest consecration to the work. Our educational work has grown amazingly under her inspiring leadership and everyone who has come under her influence is the richer. She has been a member of the Executive Committee continuously for 21 years, as Recording Secretary, 4th Vice-President in charge of Devotional Life, and for the last six years, Educational Secretary. Her knowledge of the work and sane point of view are going to be greatly missed at our Executive Meetings.

Mrs. Morey, our corresponding secretary, is unable to continue in office and we are very sorry to lose her too. Although she has been an officer for only two years, she has made a wonderful impression, and I cannot imagine a more perfect secretary. She has not failed in one least thing.

I cannot begin to tell you what a feeling of new life and enthusiasm I have sensed in a great many of our branches the past year—a deepening of the spiritual life that is bearing fruit. The reports show much more general interest in all parts of the work by the fact that so many branches have separate officers in charge of devotions, supply work, and education, Spirit of Missions subscriptions, and the rest, not one person trying to do it all. There is no more successful way of increasing interest than by spreading responsibilities.

The letters I have received and the visits I have made show a great joy in the work, but we want more women to share this joy. The gain in membership is much better than last year, when our average was only half a member to a branch, for this year it is a whole member. Thirty-two branches report a total net gain of 123, 44 reported neither gain nor loss, 14 a loss of 26, and the other 30 did not report. Even though this is an improvement it is nothing to be satisfied about, and I hope the fifty-eight who reported no gain will put membership committees to work with special invitation meetings and all sorts of ways of stimulating interest. Remember results will not come of themselves. Effort must be expended. If you put a thimble-full of energy in, you will get just a thimble-full of result, and so on all the way up the line.

We are happy to welcome six new branches and to report the reviving of one old one. Three are groups of the younger women. We now have fourteen of these groups, and we want more. The goal is a Young Women's Branch in every parish.

Several of the Branches have been reorganized this year to do all the women's work of the parish which gives a united effort that is most effective.

Some cannot yet understand that the whole work of the church is Auxiliary work. Our desire is to serve the Master and anything that is for Him is for us to do. Choir-committees, the care of the altar, the buying of a carpet for the parish house, assisting with the church school, visiting the sick, giving relief to those in need in the community, helping local hospitals, sending boxes to mission-

aries, sewing and giving money to the supply department, holding prayer groups and study groups, sending gifts to our schools, missions and hospitals in the nation or far-away countries—all and each are part of the mission of the church and should have their place in just proportion in our program of service.

We are Auxiliary to the National Council of our church—its presiding Bishop is our Superior officer, guiding and encouraging us. The actions of our National Executive Board must receive his approval.

One of the last bits of writing Bishop Anderson did was the "foreword" for our new book, "The Woman's Auxiliary in the Life of the Church," which, by the way, I wish every member would read, and every officer own, read, and use. Bishop Anderson wrote: "Two things stand out prominently in the life of the Woman's Auxiliary: high ideals and splendid accomplishments. Its methods have been to study, to learn, to pray. The results have been cheerful giving and magnificent benevolence throughout the whole church. Its present aim is to make progress more progressive. I wish it 'good luck' in the name of the Lord."

Branches should give their fullest cooperation to The Girls' Friendly, the Young People's Fellowship, St. Andrew's Brotherhood or any other parish group, for parish unity is absolutely essential. As Miss Emery put it years ago. "The Auxiliary should not be stressed as an organization but rather as a reminder, a cooperator and a vehicle by and through which the general missionary efforts of the church might be strengthened in every and any department of parish life."

I certainly was more than pleased with the response made to the Corporate Gift. Well over our quota! So many other dioceses throughout the nation did the same that we were able to do one more piece of advance work than we had promised. Isn't that glorious? Going the second mile, doing more than is expected of us, filling the cup to overflowing. It is this spirit that we must pass on to arouse the indifferent, the lukewarm, setting them aflame too, so that our Diocese will not lag in its promise to the General Church. For do you know where we stand? That we are \$35,000 short of our quota and that this debt weighs heavily on our Bishops.

In every parish where the quota is unfilled, I wish the Auxiliary officers would go to their rector and vestry and say "Here we are, ready to help." Let us make the work real to those who are not doing their share, that they too may be fired with our zeal. Offer to bring missionary speakers that they may know personally those who are doing the work. Offer to give plays and pageants that will graphically set forth the needs, such as we had for the Corporate Gift a few years ago. Offer to help with the every member canvas. In any and every way that is within your power offer to help win all to the support of the Master's work.

Let us make this our great adventure for the year, helping our Diocese with its quota and with its part of the great National Corporate Gift.

Our Diocese has felt that it can take only a very small share of this advance work because of being so far behind on our Quota. They have decided upon the Nurses' Home of St. Luke's Hospital, Manila, for which \$6,000 will be needed. This object will appeal to us, I am sure, and receive our whole-hearted support.

That we are members of the Woman's Auxiliary means that we are believers on the Lord Jesus Christ, but do we let the "Rule of Christ" dominate every relationship of our lives or do we sometimes confine Him to a very small area? Let us not give Him a part of our lives only, let us give Him all, that His power may go through us in every contact we make and we may win many to Him. For oh, how the world does need Him. Those of us who have been studying the book of the Great Missionary Conference at Jerusalem—"Roads to the City of God"—have, I am sure been impressed with the fact that the answer to all the world problems is Jesus Christ.

We have just closed our forty-ninth year as a Diocesan Branch and are now starting our fiftieth anniversary year. How shall we make it a truly Golden year? Could there be any better gift than that each member should bring someone to Christ? Let us pray earnestly that this may come to pass and I know the opportunities will be opened to us.

I have thought that it would be fitting that our offering at our anniversary celebration should be a golden offering, each branch bringing a gift in gold to place upon the altar, and that it be given in memory of our beloved Bishop Brent to some object of his special interest. I know it has been in the hearts of many that we should at some time unite in a loving tribute to our dear Bishop and it seems as if this is a very beautiful occasion to do so. This is only a suggestion at this time and will have to receive the approval of the Executive Committee.

May each one of you have a blessed joyous year in the service of the Master. God grant that we may know what we ought to do and be given grace to faithfully carry through.

Let us take as our guiding star for the year the words of St. Paul, "I can do all things through Christ who strengtheneth me."

God bless you and keep you and may the light He has poured upon you shine forth in your lives.

Buffalo, N. Y., April 2, 1930

EDNA G. DYETT,  
*President*

### OUR AIM FOR 1930-1931

"I can do all things through Christ who strengtheneth me."

1. To let the Rule of Christ dominate every relationship of our lives. Praying earnestly that each member may bring someone to Christ as our gift for this our Golden Anniversary Year. To open our year's work with a Service of Consecration and Corporate Communion. To have at least one "Prayer Group" meeting once a week. To see that those who are unable to do active service share in the service of prayer. To have a Quiet Day, preferably at the beginning of Advent. "PRAYER CHANGES THINGS"

2. "Church unity will come when church people love one another." "By this shall all men know that ye are my disciples if ye have love one to another." "Let us dare to tread the shining way of love." If there is an Interdenominational group in your community join with them, if not try to form one, and pray and work together to better local conditions. "When the Church women of America unite their influence, their effort, their money, and their prayers, things will come to pass."

3. To give all the help within your power to assist your parish to meet its quota and the Diocese to fulfill its promise for the "Advance Work."

4. To form a United Thank Offering committee in every Parish, to present to every woman the privilege and joy of taking part in this most beautiful gift.

5. Besides our regular Lenten study, to make a special effort to know about the missionaries from our own Diocese.

6. To enlist the young women of the parish either as a new branch or as a committee in charge of some particular part of the work.

7. To bring more women to share the joy of service for the Master. Have a membership committee to obtain new members and keep in touch with all members.

8. To share the privileges of leadership as well as its responsibilities, to spread the interest in the work and develop leaders for district and diocese by rotation of office. The ideal is not more than three consecutive years in the same office.

9. To invite at least one Diocesan officer to visit your branch during the year.

## OUR WORK MONTH BY MONTH

Let us travel together in the spirit of Jesus Christ along the ways of worship, knowledge and service towards a more intimate fellowship with God.

Dates to be announced. Parish presidents appoint all chairmen for the coming year. Our goal a special chairman (in large branches a committee too) for every department of the work.

Parish officers meet to make PLANS for next year. Be original, do things in a new way. See that your program gives the proper emphasis to the devotional life, study, gifts and work, to the mission field, the community and the parish.

The small tasks are as worthy of our best as the larger ones. The effectiveness of your work is the result of your prayerful planning.

## PRAYERS

### THE PRAYER FOR THE WOMAN'S AUXILIARY

Almighty God, our heavenly Father, bless, we pray thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently and give liberally to make Him known to all nations as their Saviour and their King: through the same Jesus Christ our Lord. Amen.

### A PRAYER FOR THE DIOCESE

O Lord, Jesus Christ, who hast promised to be with Thy church unto the end of the world; Look with mercy, we humbly beseech Thee, upon the church in this Diocese. Grant to the bishop, priests and people the blessing of Thy Holy Spirit. Endue us with vision, judgment and moral courage; supply our needs; increase our faith, and fill us with the spirit of fellowship and co-operation for the upbuilding of Thy Kingdom and the glory of Thy Holy Name. May the answering love of Thy favor and good will consume our unworthiness of character, weakness of purpose or unreality of motive. Grant unto us a measure of that steadfast faith, undaunted courage, and heroic devotion of Thy servant, Charles Henry Brent, whom Thou hast called into the fuller life, that we may carry on with the work which he led so ably and loved so dearly. Help us to consecrate ourselves and all that we have to Thy service that Thy Kingdom may be established among men, Thy saving health among all nations. Give us grace to fulfil in our lives what we profess with our lips, and grant that, persevering unto the end, we may obtain Thy gracious promises of everlasting life. We ask it in Thy Name who art with the Father and the Holy Spirit one God, world without end.

### NOON-TIDE PRAYER FOR MISSIONS

Blessed Saviour, who at this hour didst hang upon the Cross stretching forth Thy loving arms: grant that all mankind may look upon Thee and be saved, through Thy mercies and merits, who livest and reignest, with the Father, and the Holy Ghost, one God, world without end. Amen.

### A PRAYER FOR MISSIONS ALL OVER THE WORLD

O God, who hast made of one blood all nations of men for to dwell on the face of the whole earth, and didst send Thy blessed Son to preach peace to them that are far off and to them that are nigh: Grant that all men everywhere may seek after Thee and find Thee. Bring the nations into Thy fold, and add the heathen to Thine inheritance. And we pray Thee shortly to accomplish the number of Thine elect, and to hasten Thy Kingdom; through the same Jesus Christ our Lord. Amen.

### A PRAYER FOR THE UNITED THANK-OFFERING OF THE WOMEN OF THE CHURCH

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service, and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

#### DIOCESAN PRAYER PARTNER

*Deaconess Kate Sibley Shaw*, All Saints' Mission, Bontoc, Philippine Is.

Deaconess Shaw was graduated from the Philadelphia Deaconess Training School in 1917. She was Deaconess Carter's Assistant for two years, also working in the Philadelphia City Mission. Then she was Director of Religious Education in St. Mark's Cathedral, Grand Rapids, Michigan, and later was connected with the Diocesan Staff of Western New York. Deaconess Shaw went to the Philippines in 1925 and is doing largely evangelistic work at All Saints', Bontoc, where her brother, Rev. E. A. Sibley, is stationed. (See 1925 and 1926 Year Books).

#### DISTRICT PRAYER PARTNERS

A missionary has been assigned to each District as a Prayer Partner. It is the privilege of every branch in the District to write personal, interesting letters to its Prayer Partner, telling of our special interest and our earnest prayers, asking for prayers in return. When an answer comes, unless very personal and confidential, it should be sent to the District Chairman, who will have it copied and sent to the other parishes in the District. On no account, must the parishes expect the missionary to answer every letter. The idea is to have many letters from us and an occasional one from our Partner, who will tell us of any special needs and difficulties.

#### BATH DISTRICT

*Deaconess Charlotte G. Massey*, Balbalasang, Philippine Islands.

Deaconess Massey, the Prayer Partner for this District, has been in the Philippines since 1916 doing a remarkable work. She is a graduate of the New York Training School for Deaconesses, and took a course in nursing at St. Luke's Hospital, New York City. Before going to Balbalasang in 1925, she was at Alab and besides evangelistic work, had a Dispensary, where as many as 6,000 cases were cared for in a year in her little room, that was hardly larger than a closet. Deaconess Massey was the pioneer of the new station of Balbalasang in Northern Luzon, three days from Manila. She lived there alone for fifteen months, the demand for the services of our Church being too insistent to be longer denied. Deaconess Massey last year returned to the Philippines after her furlough to carry on her Christ-like work among the Igorot people.

### BUFFALO DISTRICT

*Miss M. F. Montgomery*, St. Peter's in the Mountains, Callaway, Va. Miss Montgomery is a United Thank Offering Worker in a Mission that has great possibilities. The Church, the School, and the teacher's house comprise the Church plant. The school building was given by a man and his wife as a memorial to their daughter. One hundred and twenty children are enrolled in the school. Miss Montgomery being a trained musician has been able to teach the children "so that their knowledge of notes and number and range of songs surprises everyone."

### GENESEO DISTRICT

*Mr. and Mrs. C. H. Evans*, Mito, Tokyo, Japan. The Rev. Mr. Evans is a Priest in charge of Mito, Japan, in the District of Tokyo, and seven nearby stations. The parishes are Japanese parishes in charge of Japanese Clergy with the exception of two, Onbake, where there are twelve Communicants, and Ota which is a Mission Station. His wife helps him in all his work, but is not under any regular appointment.

We regret the latest news, that Mr. and Mrs. Evans may be returning to this country in the near future on account of ill health.

### GENEVA DISTRICT

*Miss Lucy J. Graves*, St. Mary's Hall, Shanghai, China. Miss Graves teaches in St. Mary's Hall. She is a daughter of Bishop Graves and was appointed in 1908. After taking extra courses at Berkeley, Cal., to help her in her work during the past year, she has now returned to Shanghai.

### ROCHESTER DISTRICT

*Miss J. Arria Bishop*, St. Margaret's School, Tokyo, Japan. Miss Bishop, as a teacher in English, is doing splendid work at St. Margaret's. Miss Heywood the Principal speaks very highly of her.

In 1930 her furlough will be due and how gladly will she be welcomed, and eager listeners will await the story of her life and work in Japan.

## MINUTES OF THE ANNUAL MEETING

The 48th annual meeting of the Diocesan Branch was held at the Church of the Ascension, Buffalo, April 16 and 17, 1929. The Rev. Charles D. Broughton, the rector, gave opening prayers and meditation, and Mrs. Broughton welcomed the Auxiliary to the Church of the Ascension. Mrs. James H. Dyett, Diocesan President, made necessary announcements and Rules of Order, and the meeting adjourned for a buffet lunch in the Parish House.

The afternoon session was begun with a hymn, and prayers read by Mrs. Ferris.

The minutes of the annual meeting of 1928 were read and accepted.

Mrs. Potter read the report of the Constitution Committee.

The Diocesan officers gave reports of the work of their departments for the past year. All reports are printed in the Year Book. On motion, the reports were declared received.

Miss Hequembourg presented the audited treasurer's report for 1928. It was moved by Mrs. Potter, seconded by Mrs. Rochester that the auditor's report be accepted. Motion carried.

Mrs. Ferris took the chair while Mrs. Dyett gave her President's report and address.

Mrs. Allen Stebbins, chairman of the new Corporate Gift reported cash on hand \$1185.50, pledges \$532.00, leaving about \$200.00 to be raised before 1930.

Mrs. Harper Sibley, elected to the National Executive Board at the last Triennial, gave an interesting description of the Board.

Mrs. Dyett presented Miss Artemesia Bowden, Principal of St. Philip's Junior College, San Antonio, Texas, who told of her twenty-seven years of experience in the education of colored girls.

The Rev. Wyatt Brown of St. Paul's Cathedral read closing prayers, and the meeting adjourned.

The evening service at Ascension Church was conducted by Dr. Broughton. Miss Elizabeth Mathews of Southern Ohio, former member of the National Executive Board, gave a stimulating address on "The Great Adventure."

The sessions of the second day began with the Corporate Communion and Memorial Service. Dr. Broughton was the celebrant, assisted by the Rev. John N. Borton of Grace Church. Petitions and thanksgivings from Western New York missionaries in the field, and the names added to the Book of Remembrance during the year, were read.

Mrs. Dyett opened the business session with prayer.

Miss Lawrence read the report of the nominating committee, presenting the following slate:

For two years:

Recording Secretary—Mrs. Samuel H. Edsall, Geneva.

Second Vice-President—Miss Esther Smith, Buffalo.

Fifth Vice-President—Mrs. T. W. Shannon, Rochester.

For three years:

“Roads to the City of God” Mathews.

The secretary read a recommendation from the Executive Board: “The Executive Board recommends to the Annual Meeting that all branches make their year January 1 to December 31; and that they hold elections in December, new officers to assume duties in January.” It was moved by -Mrs. Potter, seconded by Mrs. Hippler that this meeting recommend to the branches the adoption of the recommendation of the Executive Board. Carried.

Mrs. Potter read the suggested amendments to the Constitution. Each clause was voted upon separately, and all amendments were adopted. The changes were: 1—the dropping of the phrase “as an organic part of the Church Service League” from Art. II, Sec. 1; and 2—abolishing the Diocesan Board, making one Executive Board composed of the Diocesan officers and District chairmen.

Miss Mathews spoke of the Medical and Health Center at St. Luke’s Hospital, Tokyo. Two and a half millions must be raised by June 1929. She urged our response to the appeal.

Miss F. C. Woo, Principal of St. Paul’s College, Hong Kong, China, gave an address on “The Importance of Education for Women in China.”

Noonday Prayers were in the form of a Memorial Service for Bishop Brent. Mrs. Allen Stebbins, former member of National Executive Board, and former Diocesan President, prepared and conducted the service.

OUR BELOVED BISHOP

## Charles Henry Brent

A TRIBUTE

To those of us in Western New York, he was ours in an intimate and personal sense. He belonged to us and we to him.

We have been blessed and enriched beyond all imagining by his world vision and service, and we rejoice in his greatness. Yet most of all have we felt and cherished deeply his love and friendship as members of his own household.

Now by his death we of his diocesan and American family are brought for all time into his world companionship, and there is a spot in the center of the world's hope for peace and unity, a place that is forever ours—the hilltop of Lausanne!

Today we women of the Church would offer our tribute of love and thanksgiving. We shall each want to recall and treasure all that he did and was, as he met with us individually and corporately, and carried us on the "wings of his Christian understanding" into the mysteries of God's life and ours. Since it is "in the midst of death we are in life," let us not look backward today, but forward and "upward to where he is now ahead at home in the great society of Christ," joyous, and strong, and free, and still bound by unbreakable mystic ties to his comrades in service here.

At this noon hour let us put aside the temptation to dwell on the facts of his life, the movements to which he gave himself without stint, the wealth of his contribution to the life of the world, his hopes for his own diocese.

Let us dwell rather on the closeness of our continuing relationship, learning to think of him now and always as he taught us to think of others, while we follow some of his own thoughts about the larger life. As we kneel in prayer and thanksgiving for his deathless life, let memory and faith grow strong and true, leading us into mystic communion with his blessed spirit, and determining us to be more worthy of the leadership and friendship he gave us.

To his family we give our sympathy and our abiding love, sharing deeply with them the sense of personal loss, and accepting with faith the challenge of his life.

Church of the Ascension, Buffalo

## PRESIDENT'S ADDRESS

*Officers and members of the Woman's Auxiliary of the Diocese of Western New York:*

My message to you must first be an apology for my inability to visit the Branches this year. I trust that I shall be able to accept all invitations from now on as I am eager to know the officers and members better and be helpful in the continued development of the work.

I congratulate you upon your accomplishments, as revealed in the reports of your officers. But reports to be worth anything at all should stimulate us to improve. They should bring to light what we have left undone and create in us an increasing eagerness to make good;—so I hope there is not one satisfied person. I hope each one is saying "Next year we will show more thankfulness, more unselfish devotion, more zeal and interest, more thoughtfulness to the suffering and friendless."

There are a few points from your reports not covered by the other officers' reports that I wish to bring before you.

The first is in regard to membership. A large membership in itself is not necessarily good but an increasing membership bespeaks a live, healthy organization. Last year our average increase was less than half a person to a branch. Now this is hardly enough! There were 31 branches reported a gain—2 a gain of 14 members—but 33 lost in members. The other 56 branches did not answer these questions.

The total active membership as reported from 75 branches was 2813. As 45 branches report the approximate number of women in their parishes 8056 we have plenty of available material to obtain more than half a new member to a branch.

As the Woman's Auxiliary has broadened its activities and kept its policies up to date we have many interests and opportunities for hand, mind and spirit so that every branch should be able to attract all types. The trouble then is not from this score. This problem is one to take home with you. Find out where the difficulty lies, if it is wrong leadership, lack of effort, poor organization—whatever the cause rectify it and let us see different figures for 1929.

We asked if there was a possibility of forming a young woman's group. Only 3 reported Yes, 52 No, and 9 having organized. We need the young women. We need their fresh view point and they must be our future leaders. And, too, if they do not become interested in the work of the Church when they are young there is the danger that they never will. Please take this to heart and feel it your very special mission for next year. If there cannot be a branch a committee could be formed in charge of some special work. I think it would be a beautiful Memorial to Bishop Brent to have these Branches formed in his name. To me to be a member of the Woman's Auxiliary is one of the greatest privileges of my Church membership.

There is one very important report which is never given, that is our personal report. This we must make to ourselves. It is not an easy matter to look one's self squarely in the face and take account but it is a most necessary thing to do if we would be sure that we are moving in the right direction. Let us ask ourselves these searching questions:

I call myself a Christian. Am I really one? Does anyone want to be a Christian because of the kind of person I am? Is what I give Christ as good, worse or better than I give my family and friends? To what length does my love of Christ lead me, in prayer, in sacrifice, in service, in winning others to Him?

We may think our life does not count for much but our branch, our parish, the Christian Church, is the sum total of us all. If we are weak, they are weak. If we are strong in our faith and glow with enthusiasm for our living Lord, they are so too. We cannot be of no influence. What we are has its effect whether we will or no. It is hard to live aright, yes, if we rely upon ourselves, but let us be "workers together with Christ." If we work with Him we shall learn to know Him better. If we know Him we must love Him. Then our waverings and unfaithfulness, our weakness and selfishness will be changed, for of love are born strength and power, faithfulness, sacrifice, enthusiasm, unselfishness, joyous service, humility—a radiant life. Each morning when we wake may our first thought be "Today I am a worker with Christ." God bless you all!

### OUR AIMS FOR 1929-30

THE PURPOSE OF THE WOMAN'S AUXILIARY IS TO ASSIST THE CHURCH TO BRING CHRIST TO ALL MEN

*Our Aim and Work Month by Month are based on the Findings of the Triennial Meetings of the Woman's Auxiliary, in Washington, D. C., October, 1928.*

1. To be true interpreters of Christ. Remembering that our religion cannot be a part of our life—It must Be our life. Giving ourselves as "workers together with Christ" in every act, every word, every thought. Going forth, our hands in His, trusting utterly in His guidance. Asking in faith, nothing doubting, "Jesus, what wouldst Thou have me to do?"
2. If there are enough who truly want the unity of the Christians of the world, it will come to pass. It must come through a sympathetic understanding. Let us do all in our power through prayer, study, and co-operation to bring together the divided Christian family. "There shall be one Church and one Shepherd."
3. To interest young women of the parish to form afternoon or evening branches or undertake some special work as a committee of the Auxiliary.
4. To increase the interest in the work by changing officers and chairmen. Responsibility and leadership create a deeper interest which, once aroused, is never lost.
5. To feel our responsibility to increase our membership that we may share the joys of service for the Master.
6. To inform ourselves of the missions and missionaries. We can develop enthusiasm only for what we know about.
7. To work harmoniously together, unmindful of self, seeking only the success of our great cause, the coming of Christ's Kingdom. "A leaf may hide a star, a grain of prejudice a world of charity."
8. To keep better records that the reports may be more accurate, and to fill them out and return them on time.
9. A Spirit of Missions secretary a member of the Educational Committee in every branch.

#### SUMMER CONFERENCE FOR CHURCH WORKERS

DANSVILLE, JULY 1929

In Western New York during the last two years an increasing desire has been manifested for the establishment of a diocesan school. After surveying and evaluating the work in other places it has been decided to conduct two five-day conferences this year, one for the young people between the ages of sixteen and twenty years and another for church workers. Both Conferences will be small in size, about seventy-five in number, and although under the Department of Religious Education, they will be concerned with the whole purpose and program of the Church.

Through the courtesy of the Management of the Dansville Health Resort the Conferences will be held in these attractive surroundings. Near the center of the Diocese, this property is ideally situated high on the hillside above Dansville overlooking the Genesee Valley. The Conferences will have use of the spacious cottages, the auditorium with its organ, piano and moving picture machine, and all the facilities for recreation including croquet grounds, golf, tennis and outdoor swimming pool.

Both the program and the place have been chosen with a view of offering to those who come, five days of spiritual, mental and physical recreation.

The Junior Conference: July 1-6

Conference Theme—Life and I

Conference for Church Workers: July 8-13

Conference Aim—Religious Growth

This is designed for prospective leaders of Adult Discussion Groups. The leader will be Mrs. John E. Hill of Philadelphia, and her subject, "The World Mission of Christianity."

The cost for each Conference is \$22.50. For full information write Miss Clarice Lambright, 1006 Temple Building Rochester.

## SUGGESTIONS AND DIRECTIONS TO PARISH OFFICERS

"You cannot have the joy of Leadership without its discipline, or at times its anguish."

"Responsibility without doubt is a task, but much more is it an inspiration. The greater the responsibility is, the greater is its power to inspire. The inspiration lies within the task and will declare itself in the doing of the task. Inspiration is the breath of God, without the constant influx of which man ceases to be a living soul."—Bishop Brent

### TO PARISH PRESIDENTS

Each Parish President should have at heart the development of all parts of the Auxiliary work. She should try to see, therefore, that the branch is organized in a way to insure this rather than over-concentration on one part alone. She should bring the officers together for prayer and for conference, for they can do much toward creating the atmosphere and promoting the spirit of fellowship. She should also take the initiative in forming with the other officers a plan for the year's work which will give an opportunity to each officer to present to all members that part for which she is responsible or to arrange for someone else to do so. The Diocesan Aims and "Our Work Month by Month" should be the basis of every branch program.

The president should be familiar with the chapters in the Woman's Auxiliary Handbook on "Duties of Officers" and "Activities and Meetings." She should note particularly the Woman's Auxiliary page each month in "Our Diocesan Fellowship," and should look over carefully the reports and recommendations in this Year Book.

It is the responsibility of the parish president to see that her branch is represented at district and diocesan meetings, conferences, etc., and to secure its co-operation in diocesan plans and undertakings to the best of its ability. Your district and diocesan officers will welcome opportunities to know the parish officers better through visits, correspondence, or by arranging conferences and meetings.

### TO PARISH SECRETARIES

Parish Secretaries should keep careful and comprehensive records for the branch. These records should be used in filling out the annual report for the Diocese.

A typewritten list of officers of each Parish branch should be sent immediately after the annual election to the Diocesan Corresponding Secretary, and to the District Chairman. If changes occur during the year, notices should be sent *at once* to these officers.

### TO PARISH TREASURERS

The Treasurer's year begins January 1st and closes December 31st. All money for the Diocesan Treasury, i.e. Pledges for Quota, Administration, or Special Gifts, should be sent to the Diocesan Treasurer, Miss Loraine Loosen as soon after January 1st as possible, and before July 1st. The United Thank Offering, Corporate Gift, Supply Department Funds, and per capita tax for District, should be sent directly to those chairmen. (See List of Officers.)

Please study the Budget and explain the division of your gift to the members of your branch. Tell them how the Administration Fund is used. Understand how each Parish Church is given credit in the Diocesan Quota for the money to the Quota given by the Auxiliary branch.

##### TO PARISH DEVOTIONAL CHAIRMAN

Each Branch should make a definite effort to increase interest in the Devotional life. This should be made the work of some special person or committee.

Vary your plans for Devotions by using Meditations, Litanies, Intercessions and Thanksgivings.

See: W. A. Leaflet No. 39

    Devotional Life

    Sanctuary of Spirit of Missions

Endeavor to have different persons take part in Devotional Services.

Observe Special Days of Prayer, Special Intercessions for World Peace, Christian Unity, United Thank Offering for our Missionaries and for the sick.

Remember the devotional value of hymns.

Promote interest in Daily Bible Readings, Prayer Leaflet and Family Prayers.

Hold at least two Corporate Communions during the year; one at the beginning of the year's work and one at the beginning of Lent.

Be a strong hand in the dark and to anyone in time of need.

#### TO PARISH UNITED THANK OFFERING CUSTODIANS

The first duty of a United Thank Offering Custodian is to inform herself thoroughly in regard to the origin, purpose, and privilege of the United Thank Offering, and then consecrate herself to placing this privilege before *every woman of the Church*—not alone to members of the Woman's Auxiliary. We advise a committee to assist the custodian.

It is not especially for more generous gifts that we should strive, but for *more givers*, more women using the little blue box from day to day, however small the gift, but always offering a prayer of gratitude. The prayer with the gift enriches it, as well as the spiritual life of the giver.

This is one of the big opportunities of the women of the Church to-day—for fellowship with the devoted workers whom the Offering supports.

Shall it be our goal of attainment throughout this Tri-ennium that when the gift is presented at the General Convention in 1931 every woman shall be represented?

The first Sunday in June is the date set for the presentation of the offering in each parish Church throughout the Diocese. Remittances should be made by Parish Custodians to the Diocesan Treasurer promptly thereafter.

#### TO THE PARISH EDUCATIONAL SECRETARIES AND COMMITTEES

The Parish Educational Secretary or Committee should, at the beginning of each year, adopt a definite policy for Educational work, for the branch, preferably based on one of the recommended subjects for the year.

In considering the United Thank Offering, The Corporate Gift, and the Box Work, the educational opportunities offered through studying these departments, and of the workers in the field should not be overlooked.

Aim for as much discussion as possible in your educational work.

A careful record should be kept of all work done, so that when reporting time comes in December, nothing will be forgotten.

Keep in close touch with your *District* Educational Secretary, notifying her immediately of any change in your *Branch* Educational Secretary.

All material should be ordered from, and requests for speakers made to, Miss Lambright, 1006 Temple Building, Franklin St., Rochester, N. Y.

Every Educational Secretary should see that subscriptions to the Spirit of Missions are being steadily increased by someone whose definite work it is. It is suggested that this be a member of the Educational committee.

Do not hesitate to consult your Diocesan Educational Secretary, Mrs. J. W. Denness Cooper, Geneseo, N. Y., when in difficulty or in need of information.

#### TO PARISH SUPPLY SECRETARIES

Parish Supply Secretaries are requested to get in touch with the Supply Secretary of the District in the late summer concerning the work of the Service of Supplies for the coming year.

When a choice has been made of the Missionary and family whose requisition your Branch wishes to fill, return at once to the District Supply Secretary all other letters that you have been considering, and at the same time give her the name

and address of the Missionary whose letter your Branch has accepted. Write to the Missionary telling him that your Branch will send him a box and ask any questions that you wish in regard to his needs. These boxes should be sent in time to reach their destination for Christmas.

Those Branches not sending family boxes should obtain early in the fall from the District Supply Secretary, work that will be sent to the Missions, Schools or Hospitals whose requisitions are allotted to this Diocese.

It is hoped that each Branch will feel it is a privilege and an obligation to contribute annually to the Supply Fund. Checks for this fund should be sent to the Supply Secretary of your District.

#### RULES FOR SENDING BOXES

I.—For every box that is sent make three lists exactly alike, giving:—

1.—Name and location of your Branch as sender.

2.—Name and address of the Missionary, Hospital, School or Mission for whom the box is intended.

3.—A complete itemized list\* of the contents, giving the valuation of each new article. Charge for the making of garments according to the prices allowed by the Standard of Values. Give the number of garments of each sort and the charge for making; to that add the cost of material.

NOTE.—It will greatly assist the Custodian if each new article of wearing apparel sent to the Bureau of Supplies, is marked with its size and value. Tags for this purpose can be easily obtained.

II.—Boxes for Missionaries are to be sent direct to the address given.

1.—For these, send one of the three lists to the Diocesan Supply Secretary; one to the District Supply Secretary and keep one for your own Branch.

2.—Write the Missionary as soon as the box has been shipped, giving date of shipment and stating whether sent by parcel post, express or freight.

III.—Send all other boxes to the Bureau of Supplies, 237 North St., Buffalo, N. Y., unless notified otherwise.

1.—For these, send one of the three lists to the District Supply Secretary; put one in the box and keep one for your Branch.

2.—Put in the box a self addressed stamped envelope so that acknowledgement of its receipt may be made to the proper person. When this is returned to you, it will have on it a memorandum of the amount of postage that you are to add to your own valuation list and the one you send to the District Supply Secretary.

IV.—On the outside of all boxes put the name and address of the sender and FULLY PREPAY all carrying charges.

V.—Do not ask for valuation on used garments.

\*For these lists obtain the blank forms from your District Supply Secretary.

## REPORTS FOR 1928

### REPORT OF RECORDING SECRETARY

The 47th annual meeting of the Diocesan Branch, held in St. Paul's Church, Rochester, May 23, 1928, was a milestone in the history of the Diocesan organization, as it marked the end of a fixed period and the beginning of a new one. At that time Mrs. Kingman Robins concluded her six years of consecrated leadership and Mrs. James Dyett was elected Diocesan President.

Four hundred and seventy-one delegates attended the annual meeting. The speakers were Bishop Brent, Bishop Hulse of Cuba, Dr. John Wood, Rev. Harold Holt, and Mrs. Harper Sibley. Mrs. Burrows Morey was elected Corresponding Secretary, and Mrs. J. W. Denness Cooper Educational Secretary. Five delegates and five alternates were chosen for the Triennial Meeting at Washington, all of whom were able to go.

The delegates: Mrs. Kingman Robins, Miss Helen Brent, Mrs. Harper Sibley, Mrs. David L. Ferris.

The alternates: Mrs. J. W. Denness Cooper, Miss Hilda Hequembourg, Mrs. Julius Potter, Mrs. F. K. Knowlton, Mrs. Sidney Roby.

The Executive Board held four meetings during the year, in January, April, June, and September, three in Buffalo and one in Rochester.

Reports of the year 1927 were published in April as a Second Supplement to the Year Book of 1925.

In May there were conferences of Branch Presidents in the Districts, and in October, following the Triennial, the regular District Meetings were held, with Bishop Thomas of Brazil and delegates from the Triennial as speakers.

Respectfully submitted,  
MARJORIE ROOT EDSALL, *Recording Secretary*

### REPORT OF THE CORRESPONDING SECRETARY

The past year has been a busy one for the Corresponding Secretary, and also a very interesting one. Probably no other officer has so great an opportunity of coming into personal contact with the various branches of the Diocese. It has been a very happy means of establishing pleasant relationships with unknown friends having a common interest.

During the past year approximately 726 communications have been mailed from this office besides several telegrams and innumerable telephone messages. Replies from many branches have been prompt and accurate but some have been lax indeed. One hundred thirty-one sets of report blanks were mailed in December, and of this number only twelve were returned on the specified date. One hundred sets of reports were eventually returned. Some were never heard from and of those which were sent in, there were changes in officers in more than half of the branches which had never been reported to this office.

There are at present 121 Auxiliaries in the Diocese. Four new ones have been formed during the past year, viz:—Irondequoit, All Saints', St. Paul's Fourth Chapter, Rochester, The Wm. Salisbury Guild of St. Clement's, Buffalo and St. Paul's at Springville.

The Corresponding Secretary wishes to extend her thanks and grateful appreciation to those branches which have been faithful in their work and to beg the co-operation of the branches which probably have never before realized the importance of punctuality and precision in their correspondence.

Respectfully submitted,  
MABEL M. MOREY, *Corresponding Secretary*

## REPORT OF THE DEVOTIONAL CHAIRMAN

"Prayer, in its simplest meaning, is a wish turned Godward."

BISHOP PHILLIPS BROOKS

There is much to encourage in the ninety-seven report blanks of the Devotional Life which were returned to me. The first is, that two-thirds of the Branches reporting have some member beside the Rector as Chairman of this part of the Auxiliary life. Then there have been more Corporate Communions, more Quiet Days and special Devotional Services, more Prayer Groups, a very few more subscribers to the Prayer Leaflet, a wider range of objects for special Intercessions, a continued interest in the Daily Bible Readings. Some of the reports reveal a well planned Devotional Program for the meetings, full of interest and uplift.

The Day of Intercession in October, during the Triennial in Washington, was very generally observed throughout the Diocese, and we cannot but feel that Intercessions in the Devotional Life measure our love for God in humanity, for family, friends, the Church and Christ's servants and co-workers everywhere. As our dear Bishop Brent once said: "Prayer for others is the high road to a proper understanding of others. It is the surest preparation for the active service of others. It is the expression of the Unity binding all men together."

### Summary Devotional Life:

243 Corporate Communions (last year 210)

147 Quiet Days and special Devotional Services (last year 105)

44 Prayer Groups (last year 34).

83 Subscribers to Prayer Leaflet (last year 80)

More than 500 copies of the Daily Bible Readings distributed.

A Prayer Partner in the mission field for each District, as well as a Diocesan Prayer Partner.

Respectfully submitted,  
MARY E. S. FERRIS

## REPORT OF THE EDUCATIONAL SECRETARY

The Educational work for the year 1928 has been most encouraging. From the 96 report blanks returned to me:—

Eighty parishes are actually doing some form of educational work

Fifty Discussion classes are listed. There were more, but were not reported through a misunderstanding

Thirty reported other kinds of work, reading circles, circulation of the Spirit of Missions and Bible classes

Seventy-five reported some form of program meetings with speakers

Sixteen reported absolutely nothing being done

Thirty-nine reported Spirit of Mission Secretaries

Fifty-one reported using "The Church Awake;" the others studying Church History, the Bible, "Beyond City Limits" and the "General Church Program"

Sixty-five report Educational Secretaries, Committees or Leaders

Twenty-four did not report at all, chiefly small weak missions.

Analysis of the report blanks shows that:—

(1) While there was no great increase in the number of discussion groups, the number of parishes becoming interested in Educational work is steadily increasing.

(2) A great improvement in the type of work done is noted.

(3) More women and younger women are interested in taking part and organizing Educational Work.

(4) The number of classes in the smaller places will not increase until the District Educational Secretaries can solve the problem through personal investigation and help. This year should see much improvement in this respect, as each District now has an active Educational Secretary.

(5) We are sadly handicapped by having to report our work so long after it is done. This problem will also be largely solved through the co-operation of the District Secretaries.

With great regret I was obliged to resign from the Diocesan Chairmanship of Adult Education.

The plan of having two extra Intensive days in the fall, with Normal classes on "Method" for Leaders, worked very well. These classes held in Rochester and Buffalo respectively were largely attended by Parochial Educational Leaders.

Owing to illness, I was unable to conduct the usual Pre-Lenten Intensive Days with classes on the African course. Miss Mary Johnston of the Diocese of Southern Ohio substituted in Buffalo, and Mrs. Stebbins and Mrs. Harper Sibley in Rochester. Both days were well attended and many parishes were represented.

I have attended several of the meetings of the Diocesan Department of Religious Education of which I am a member and hope to continue to co-operate with their plans.

I also had two Intensive days in the fall for the Girl's Friendly Society on their study material, which were largely attended by associates and Branch presidents.

Looking forward to great things this coming year,

Respectfully submitted,

SOPHIA S. DENNESS COOPER,

*Educational Secretary*

#### REPORT OF THE SECRETARY OF SUPPLIES

The following report of your Secretary of Supplies is herewith submitted for 1928.

20 Missionaries received personal boxes the total valuation being \$2305.69

40 boxes were shipped by the department to 9 different Missions valued at

\$7074.46

101 branches contributed \$3031.58 and

80 branches contributed work valued at \$4736.84.

It is indeed a pleasure to receive boxes from various branches and to find they have taken many of their precious minutes to add a personal touch to a garment, as tucking a pretty colored handkerchief in the pocket to match the dress, putting a pair of cuff links in the cuffs of a boy's blouse or a tie around the neck which is sure to bring forth a smile and light up some boy's countenance.

We receive many letters of appreciation from the Schools and Missions—Mrs. MacKibbon of St. Elizabeth's Boarding School writes: "It is a wonderful inspiration to us workers in the field to know we have such strong and loyal support from you women back there—Please give greetings to your members from me, tell them how much their work means to us out here." Bishop Denby of St. Philip's Mission to whom we were authorized by New York to send all second hand clothing left over in the supply room when our allotments were filled last summer, writes: "My work would not be able to make the success that it does if it were not for such assistance from time to time from some of the Branches of the Woman's Auxiliary. Again I thank you and the good women of the Woman's Auxiliary of the Diocese of Western New York."

In a recent letter from Mrs. Wade she said that after a lengthy discussion the Executive Board of the National Council voted unanimously that no valuation should be placed on second hand clothing sent to Missionaries and Missions through the Supply Department. We of the Diocese of Western New York certainly find this most gratifying for we were the first diocese to initiate this policy.

I wish to take this opportunity to thank Mrs. Pollard who has so ably done the purchasing for the department and the District Secretaries, Mrs. F. G. Benedict, Miss Susan Thompson, Mrs. Willis G. Young, Mrs. John Redwood and Mrs. Carl Greene, whose untiring efforts have made this year's work a great joy.

Respectfully submitted,  
MARY S. FIELD

## REPORT OF THE BATH DISTRICT

Of the thirteen branches in the Bath district, nine are active. In the four smaller, one with an organized Woman's Auxiliary but not working at present, there is a good field for further advance in membership and work.

At the President's Conference on June 19th, at Hammondsport there were present officers from Addison, Bath, Corning and Hornell; and it was possible to hold a separate conference at Canaseraga later. We met for luncheon and the afternoon was given to a study of The Aim for 1928-1929 and plans were made by the officers to carry out in their parishes as far as possible "Our Work Month by Month."

The Educational Secretary attended the normal class in Rochester. The larger branches report study or reading classes; several having carried the study through the year.

The Fall meeting at Corning, in Christ Church, was well attended; ten branches represented by sixty-eight members present. Rectors from Bath, Corning, Hornell, Hammondsport and Montour Falls were in attendance. Mrs. Field, Diocesan Secretary, of Supplies, Miss Thompson district secretary held conferences with their workers. Mrs. Windsor met the Educational leaders. Mrs. Windsor also gave an explanatory blackboard talk arranged by Mrs. Cooper on Auxiliary Finances. The Rev. James Herendeen gave an explanation of parish assessments, and then led in noonday prayer.

Opening the afternoon session, the Rev. Dr. Sommerville read the aim of the Woman's Auxiliary for 1928-29 followed by prayers.

Mrs. Harper Sibley gave a most interesting and inspiring talk on the Triennial in Washington.

Bishop Thomas brought very clearly to us many of the details of his years in South America. The offering was divided between that work and the need in Porto Rico.

The Rev. John G. Spencer gave the closing meditation.

According to the Triplicate Reports of 1928, from eight of the branches, there are in those parishes 167 working members and 123 contributing members. To these 290 members fall the Administration Fund, Pledges, Supply Work, United Thank Offering, Corporate Gift and the District Taxes and offerings.

Several of the parishes have large Guilds, many of whose members are *not* members of the Woman's Auxiliary.

Respectfully submitted,

GEORGIA M. CHAMPLIN,  
*Chairman*

## REPORT OF THE BUFFALO DISTRICT

Two new branches have been formed in the Buffalo District, an evening branch, The Salisbury Guild at St. Clement's Church, and St. Paul's branch at Springville. A new officer has been appointed:—Mrs. Frank Davies, United Thank Offering Custodian. There was a meeting of Presidents and other officers at the home of Mrs. Russell, the Chairman, last spring that helped to clear up many things. Mrs. Dyett spoke and our aim for this season's work was outlined.

The District Meeting was held at St. John's Church with a splendid attendance. There were 20 city parishes and 13 outside the city represented, with a

total of 269 persons registered. Bishop Thomas of Brazil was the speaker and told us most interestingly of his work and difficulties.

Mrs. Cooper's Normal Class at St. John's Church was attended by 25 persons from 19 parishes. At the Annual Educational Institute at St. Andrew's Church, 50 persons, representing 16 parishes were present.

In every phase of the work, the Buffalo district has shown an advance over last year's report.

Respectfully submitted,  
ETHEL RUSSELL,  
*Chairman*

#### REPORT OF THE GENESEO DISTRICT

Of the fourteen active branches in the Geneseo District, ten have returned questionnaires which indicate growth and development in various departments of Auxiliary work.

The more perfect organization of individual branches, increased interest in Education, and steadily increasing numbers attending the meetings are most gratifying to report.

Late in June a luncheon for branch Presidents at the home of the Chairman afforded an opportunity for discussion of plans and problems which has proven helpful to officers.

At the annual meeting at St. Michael's, Geneseo, October 31, 1928, eleven parishes were represented and sixty-eight persons present, this being one of the largest ever held in the District.

The morning session opened at 11 o'clock with Holy Communion, the Rev. J. W. D. Cooper the celebrant.

The Rev. W. Edmund Nixon conducted the mid-day prayers, taking for the topic for meditation "I am the Vine, Ye are the Branches."

Mrs. Cooper, Educational Secretary, then spoke of the Educational material for the coming year, calling special attention to the book for study: "The New Africa." She also displayed a chart which she had arranged to stimulate interest in the General Church Program.

The luncheon hour afforded an opportunity for sociability and an exchange of ideas and was a pleasing feature of the meeting.

At the afternoon session Mrs. Sibley spoke most impressively of the General Convention, touching on the Presentation of the United Thank Offering, the Children's offering, and how the work of the Woman's Auxiliary, and Church School are all more effective through working together.

The Rt. Rev. W. M. M. Thomas, Bishop of Brazil, the guest of honor, presented a vivid picture of the mission of Southern Brazil and its healthy, steady and rapid growth during the past twenty-five years. It is with joy that we report the sending of \$50.00 to assist in carrying on his work.

Rev. Charles R. Allison of Warsaw pronounced the Benediction. The day proved one of encouragement and helpfulness, made more so by the spirit of cordial hospitality that pervades all that goes on at St. Michael's, Geneseo.

Respectfully submitted,  
MARION S. STEUBER,  
*Chairman*

#### REPORT OF THE GENEVA DISTRICT

In June 1928 the Geneva District was fortunate in having Mrs. Dyett attend and address an informal meeting of the officers of the various branches, at the home of the District Chairman. "Our Aim for 1928-29" was presented and discussed, and the suggestion of uniting the various parish guilds and societies under one head was made. Mrs. Dyett's interest and enthusiasm were contagious, an inspiration to all who were present.

The Annual Meeting took place in St. Peter's Church, Geneva, October thirtieth. Eight branches sent delegates. Father Hassinger, Rector of St. Peter's, celebrated Holy Communion. Bishop Thomas of Southern Brazil told of the work of his Diocese. Of special interest was his account of the Church of the Nazarene, Livramento, which had become familiar through its place in the Corporate Gift.

Luncheon was most attractively served by the ladies of St. Peter's parish. Mrs. P. N. Nicholas opened the afternoon session with prayer, and welcomed the delegates. Mrs. S. H. Edsall then gave an illuminating talk on "Finances." A blackboard, blue, white and red chalk helped in her explanation of the different channels into which the Auxiliary funds are directed.

Mrs. Harper Sibley gave a splendid account of the General Convention, mentioning that it was the first time that women had been considered part of the Convention. It was a privilege to hear such a vivid account of the impressive services of the Triennial.

The offering for the day amounted to \$25.00 and was sent to Bishop Thomas for his work among school boys.

Four branches sent delegates to an Intensive Day for Mission Study Leaders which Mrs. Cooper held in Rochester, November 12th. The books and methods recommended were most helpful in the classes held for the study of Africa.

Respectfully submitted,

ELIZABETH C. E. BOSWELL, *Chairman*

#### REPORT OF ROCHESTER DISTRICT

The fortieth meeting of the Rochester District of the Woman's Auxiliary was held October 30, 1928 in St. Mark's and St. John's Church, Rochester, Mrs. Embrey MacDowell presiding. The attendance was 214. Holy Communion was celebrated at 10:30, after which followed the morning session with reports of officers and of delegates to the Triennial Meeting at Washington. The afternoon session was particularly interesting because of the address by Bishop Thomas of Brazil, who left us with a much more comprehensive idea of the work in that country.

The Rochester District intensive Study Day was held at the home of Mrs. Harper Sibley, Wednesday, January 23, 1929. In the absence of Mrs. Cooper, Mrs. Stebbins kindly consented to take this class. Mrs. Stebbins had only two days preparation but the interest which she aroused could not help but make for better and larger Study Classes. Most of the branches were represented, and one Study Class leader who was born in South Africa, added much to her part in the program. After luncheon we were privileged to hear Mrs. Huntington of Roberts College, Constantinople, who spoke on Mohammedanism.

It is with great regret that we are bound to accept the resignation of the District Chairman, Mrs. Sidney Roby. Unfortunately, illness in her family prevents her serving any longer as a District officer.

A District Meeting will take place May 13, 1929 at St. John's Church, Sodus.

Respectfully submitted,

ALICE FOSTER WHITMORE, *Chairman, Pro. Tem.*
