## The Prayer Authorized by the Presiding Bishop for the Church-Wide Endeavor

O God who art the source of knowledge and of power, mercifully look upon thy people in their time of need: illumine the minds, strengthen the wills, kindle the hearts of the Bishops, Pastors and Congregations of thy Church: Grant that by them all thy loving purpose may be known and through thy grace abundantly fulfilled, even the redemption of mankind which thou hast promised through thy Son our Saviour, Jesus Christ. Amen.

Our Father, help us to live with faith and hope and love. Lift our duty above drudgery.

Let not our strength fail or the vision fade in the heat and burden of the day.

O God, make us patient and pitiful one with another in the fret and jar of life, remembering that each fights a hard fight and walks a lonely way.

Forgive us, O Lord, if we hurt our fellow souls; teach us a gentler tone, a sweeter charity of words, and a more healing touch.

Sustain us when we must face sorrow; give us courage for the day and hope for the morrow.

Day unto day may we lay hold of thy hand and look up into thy face, whatever befall, until our work is finished and the day is done. Amen.

—Joseph Fort Newton

## Prayer for the Woman's Auxiliary

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. Amen.

## Prayer for the United Thank Offering

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer and gifts and joyful service and bless it to the coming of Thy Kingdom, through Jesus Christ, our Lord. Amen.

## Noonday Prayer

Blessed Saviour, who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look unto Thee and be saved; through Thy mercies and merits, who livest and reignest with The Father, and the Holy Ghost, ever one God, world without end. Amen.

May we keep our minds and hearts so on Christ Jesus, that our lives may be filled with His life. Send us forth to think His thoughts, to say His words, to do His deeds and so O blessed Father, though we know it not may the light of His face shine in our faces and all men know that we have been with Jesus Amen.

—Bishop Charles Henry Brent

Active or dormant, the instinct of prayer abides a faithful tenant in every soul.

—Bishop Charles Henry Brent

## Historic Altar now in Church of the Holy Communion, Buffalo, N. Y.

The Church of the Holy Communion, Buffalo, N. Y., was filled to capacity on the afternoon of Whitsunday, June 4, 1933, when the women of the Diocese presented their United Thank Offering. An interesting feature of this very inspiring service was the unveiling and dedication of a beautiful bronze tablet, erected and presented by the Woman's Auxiliary of the Diocese.

The table commemorates the fact that the historic Altar and the Communion Rail, now in this Church, are a gift of the Church of the Holy Communion, New York City, where at this selfsame Altar, the first U. T. O. was made, October 3, 1889.

The Altar and Communion Rail were presented by the Church of the Holy Communion, New York City, to the Church of the Holy Communion, Buffalo, because of the close friendship existing between Dr. Henry Mottet, third rector of the former, and Dr. Charles H. Smith, founder and first rector of the latter.

The Altar is probably the oldest Altar in use in the Church in the United States today, and is approximately 100 years old.

The inscription on the tablet is as follows:

ON THIS ALTAR IN THE CHURCH OF THE HOLY COMMUNION, NEW YORK CITY WAS PRESENTED THE FIRST UNITED THANK OFFERING OF THE WOMEN OF THE CHURCH, OCTOBER 3, 1889. THE WOMEN PRESENTING IT RECEIVED HOLY COMMUNION KNEELING AT THIS RAIL.

THIS TABLET GIVEN AT THE PRESENTATION SERVICE WHITSUNDAY, JUNE 3, 1933 BY THE WOMAN'S AUXILIARY, DIOCESE OF WESTERN NEW YORK.

## Minutes of the Annual Meeting and Officers Reports for 1933

*Our activities are but reflections of our motives, the expression of our inner life.*

*—Bishop Charles Henry Brent*

The Woman's Auxiliary to the National Council, Diocese of Western New York, held their annual meeting at the Church of the Transfiguration, Buffalo, January 16, 1934.

The meeting opened with a celebration of the Holy Communion at 10 A. M. Bishop Davis was the celebrant, assisted by Rev. John Sagar, Rev. Edgar L. Tiffany and Rev. Charles D. Broughton. Bishop Davis made a short address in which, among other things, he said that he was depending very much upon the women of the Church to help to deepen the spiritual life of the home and hoped for the same sympathetic help he had always received from them. The Bishop also paid a very beautiful tribute to the late Dr. Charles R. Allison, Dean of the Lake Shore District, saying Dr. Allison was one of the outstanding rural workers of the Church.

Following the service, the business meeting was called to order by the President, Mrs. Dyett. Bishop Davis was asked to come in and the President requested the women to rise and thereby pledge him their support.

Mrs. Frank Weaver, retiring Devotional Chairman, led the opening prayers.

Mrs. Ida Fox, President of Transfiguration Branch, gave a short address of welcome.

A motion to approve the minutes of the 1933 annual meeting as printed in the year book was seconded and carried.

The Chairman of the Committee on Constitution and By-Laws, Mrs. Julius Potter, presented a constitution which she moved be substituted for the one in use. Seconded. The chair asked if there were any Amendments, hearing none, the question was put and the motion carried by a unanimous vote.

The Treasurer read her report, also the report of the Auditor. A motion to accept the report of the Auditor was seconded and carried.

Reports were heard from all other officers and heads of departments and are printed elsewhere in the year book.

A motion to send a message of greeting and hope for a speedy recovery to Mrs. Hippler, Educational Chairman, who has been very ill, was seconded and carried.

We had as guests, Miss Helen Lade, who is home from Tokio, Japan, on furlough and Miss Letitia Viele who is at present in charge of rural work in the Warsaw district.

Rev. Edgar L. Tiffany led the noonday prayers.

The President read her annual message which is also printed in the year book.

Announcement was made of the Triennial Convention of the Church to be held this coming fall in Atlantic City. Being so near, it is hoped that a large delegation will go from our Diocese.

Motion to adjourn for lunch was seconded and carried.

During the luncheon period conferences for all officers and Secretaries were held in various parts of the building.

At 2 o'clock the meeting was again called to order by the President. Mrs. Allan L. Burton led the opening prayers.

During the afternoon, three very interesting addresses were given. The first speaker was Rev. Harold C. Kellerson, Deacon in charge of the work at Youngstown, N. Y. He gave a most interesting account of the rural work in that community.

*Page Thirteen*

Mrs. Henry Hill Pierce of New York brought a message from the National Executive Board of which she is a member, particularly stressing the importance of the United Thank Offering, and urging a thoughtful, loving and spiritual participation in it.

The third and last speaker was Rev. John Magee of Nankin, China, who went out there as a Missionary 22 years ago. He told in a very interesting way what the introduction of modern methods of Education and modern medical science had done for China.

Hymn 92 was sung while the offering was taken which amounted to \$102.07.

The report of the registration committee showed a registration of 462. There were 46 Buffalo Parishes represented and 25 outside of Buffalo. There was one visitor from Japan and one from New York.

The Chairman of the Nominating Committee, Mrs. Nixon, gave the following report of the election: 1st Vice President, Mrs. John K. Walker of St. Paul's, Buffalo; 3rd Vice President, Mrs. Charles M. Wilson of the Church of the Good Shepherd, Buffalo; 4th Vice President, Mrs. Everett W. Jameson of Trinity Church, Buffalo; Recording Secretary, Mrs. Charles G. Berry, Kenmore. These officers were declared elected by the chair. The terms of all other officers have not yet expired.

The President announced the appointment of Mrs. Charles D. Broughton as 5th Vice President to fill the vacancy caused by the resignation of Mrs. Allison, and also that hereafter the 3rd Vice President would be in charge of Advanced Work.

Mrs. Broughton, Devotional Chairman, announced that The World Day of Prayer would be observed here in Trinity Church on February 16th.

The appointment of the following Standing Committees was announced by the President: Nominating Committee, Mrs. Charles G. Berry, Kenmore, Mrs. Karl N. Searles, Buffalo. Constitution Committee, Mrs. Julius Potter and Mrs. F. A. Zebold both of Buffalo. Three additional members for the Nominating Committee were nominated and elected from the floor. They were Mrs. Albert E. Clark, Buffalo, Dr. Frances Boynton and Mrs. Frank A. Weaver of Lockport.

The report of the Resolutions Committee was read by Mrs. Henry S. Maden, who moved its adoption. Motion seconded and carried. A copy of which is herewith appended.

Closing prayers were led by Rev. H. C. Kellerson.

Motion to adjourn was seconded and carried.

There followed immediately in the Parish House an informal reception for the presiding Bishop, Rt. Rev. James De Wolf Perry and Bishop and Mrs. Davis. This was a most delightful part of the annual meeting, not only giving the women of the Church a chance to meet and greet the guest of honor, Bishop Perry, and our own beloved Bishop and Mrs. Davis but also providing an opportunity for the women to meet each other.

In the evening a service was held in St. Paul's Cathedral which was attended by about 800 men and women to welcome to our Diocese the Presiding Bishop of the Church, Rt. Rev. James DeWolf Perry. This is the first time that a presiding Bishop has ever visited this Diocese in his official capacity and let it be noted in passing that the Woman's Auxiliary invited him.

Bishop Perry has lately made a pilgrimage of the Mission fields in the Orient and took as his topic, impressions gained while there. He opened by paying a tribute to Bishop Brent who with wonderful vision and faith pioneered as a Missionary in the Philippines. His life and work will be an incentive to all Missionaries throughout the ages.

Speaking of China and Japan he said both countries look to America with longing for our continued leadership. We must not fail them now.

This evening service brought to a close the 53rd Annual Meeting, which had been most inspiring.

Respectfully submitted,

E. Charlotte Berry,

Recording Secretary.

## PRESIDENT'S ADDRESS

January 16, 1934

Dear Friends of the Auxiliary:

I wonder if you look forward to these gatherings with as much feeling as I do. There is always such a thrill when so many of us meet together and also a great sense of strength and comfort in our Corporate Communion.

For some of us the year has brought joy, for others difficulties and sorrow. To those our thoughts go out in loving sympathy. Our loss in the death of Dean Allison cannot be measured. His was a ministry of utter unselfish devotion and will never be forgotten.

The Bishop has established a fund to be known as the Allison Memorial Fund to be used for rural work in the Diocese. The offering at our service tonight will go to this fund.

The reports show a fine "carrying on" and I congratulate the branch officers that pledges, supply work and all the rest have suffered so little during this hard year. It shows real sacrifice and thoughtful planning.

I want you to know about a group now three years old called the Junior Girls' Mission Club of Grace Church with the hope that other such groups will be formed. A marvelous training for future Auxiliary members. There are 35 girls from 8 to 13. They have their own officers and make their own plans with only a little help from Mrs. Hoffman, who organized the club. They conduct their own meetings, have speakers and send boxes to Missionaries. On the table at every meeting is the blue box of the United Thank Offering. They can give many of us pointers on a well rounded program. As the twig is bent the tree will grow.

*Page Fifteen*

We had two diocesan events in 1933 that made it different from other years. The first was the Pot Pourri we gave for the Church Mission of Help, \$612 was the amount sent to their Treasurer. Over 1000 people turned out and I think it did us all good to laugh together. Some of the musical talent exhibited by our clergy will go down in history.

The second event was the tour of the Reservation. This was the most astonishing gathering. We had thought a hundred might turn up but never dreamed of auto load after auto load until there were over seven hundred men, women and children. We met Dr. Harvey and he spoke to us of the work. We saw the beautiful vestments made by the Indians for Dr. Harvey in token of their affection. It was a great success and I am sure gave evidence to the people of the Reservation that we are interested.

In February we had an unusually well attended supper meeting for Evening Branches. Mrs. E. P. Miller, one of our Western New York Missionaries home on furlough was the speaker. She brought many lovely examples of hand craft and gave a vivid picture of her Chinese work. These meetings are now an established part of our program.

I wish to thank all the Diocesan officers for their loyal service. We have had almost perfect attendance at executive meetings. To the retiring officers we bid good bye with regret. We never want to give them up, but we do realize that responsibilities should be shared, that the contribution of many different ones stimulates the growth and strength of our organization and I do feel that a retired Diocesan officer is just the best Branch member ever. I particularly must speak of Mrs. Frank Weaver, better known to us as Miss Loraine Loosen, who for six years was our most efficient Treasurer after which she became 1st Vice President and Devotional Chairman and was so inspiring in her talks and helpful with suggestions.

One thing that pleases me very much is the fine cooperation of the various Church organizations in our Diocese. The Church Mission of Help has a baby to be cared for. The case is reported to the Child Welfare Committee of the Church Home. Funds are needed. An Auxiliary member of the Committee is sure her group will give fifty dollars and it is done. The Fellowship assisted the Church Mission of Help with their Christmas Party and ushered when the Auxiliary gave Potpourri. The Girls' Friendly do their box work for Missions through the Auxiliary.

The Church Periodical Chairman is a guest member of our Executive Board and we assist her in many ways.

We are including in our Year Book reports of the Church Mission of Help, Church Periodical Club and Girls' Friendly Societies.

The Social Service work is being developed. One Parish has opened a shop in the Parish House where members can sell things, and they also have an employment bureau. I hope you will all give thought and support to the Child Labor Laws and other laws that are bringing a new hope into the lives of those who toil.

We must also feel a very great responsibility for Peace, for Temperance and for all the agencies to relieve suffering and care of children and the aged. Being Christians we have a leadership we cannot evade.

We are living in a time of great change in all lines of thought and endeavor. The attitude we Christian women take toward the new order is important. We must welcome and be ready for the new ideas and new interpretations but we must keep our steadfast faith in Christ Jesus who stands sure in the midst of confusion. What our religion means in our lives is shown by what we are willing to dare for Christ. Will we dare only what seems expedient or will we dare unpopularity, poverty, danger, suffering, sarcasm, scorn. Will we dare all and go forward joyously, heart aflame, in cheerful service wherever the Master's call may lead, whether it be to humble acts among the most forlorn, or to difficult tasks of leadership. One and all are made radiantly beautiful if they are done for Christ Jesus.

*Page Sixteen*

"Go ye". The magic of His power is in those two small words. As we go forth for Him on many errands we feel confident that His love will guide us, His strength sustain us, His wisdom give us understanding. Let us be truly His and may God bless you and keep you throughout the coming year.

Edna G. Dyett, *President*

#### REPORT OF DEVOTIONAL CHAIRMAN FOR 1933

During the past year the members of the Woman's Auxiliary have met together several times in Worship and Meditation. The first was February 15th, a Quiet Day with the C. M. of H. at the Church of the Good Shepherd, conducted by the Very Rev. S. Whitney Hale. On March 3rd the World Day of Prayer was observed in every community. November 11th, Armistice Day, was observed as a Day of Prayer and Intercession. Churches were kept open so that full opportunity might be given those who desired to use the Churches for private devotions. Over 6000 leaflets containing prayers and suggestions were distributed throughout the Diocese. On December 4th the Very Rev. S. Whitney Hale conducted a quiet evening at St. Paul's Cathedral, taking as his subject, "Prayer". This was arranged by the C. M. of H. and in cooperation with the Evening Branches of the Woman's Auxiliary and the G. F. Society for the benefit of Women not able to attend such a service during the day.

In spite of the troubled times the Church still offers a haven of peace to the disturbed and buffeted world. Spiritually we have been blessed as heretofore. May we continue to carry on our services at home and abroad in a satisfying, helpful way.

Loraine Loosen Weaver, *Devotional Chairman*

#### REPORT OF THE CORRESPONDING SECRETARY

Madam President and Members:

Since the annual meeting of the Woman's Auxiliary in January, 1933, the personnel of many of the Branches has changed, so that the corresponding secretary has found many new contacts.

There are at present 76 active Branches of the Woman's Auxiliary in the Diocese. Of these, seventeen are evening Branches, ten in Buffalo.

Bishop Ward Auxiliary, Grace Church

Good Shepherd Evening Branch

St. John's Guild, Ellicottville

St. Michael's at Oakfield

St. Mark's, Orchard Park and

St. John's at Youngstown

are new names added to our active Branches which will appear in the new Year Book.

During the year the correspondence has not been heavy, and has been shared by the assisting corresponding secretary. There have been about 400 communications.

It is with great appreciation that the assisting corresponding secretary and the corresponding secretary extend our thanks to all those Branches which have cooperated in keeping us promptly and accurately informed of these activities.

Bertha Burton, *Corresponding Secretary*

Mrs. Henry S. Dawson, *Assistant Corresponding Secretary*

#### REPORT OF SOCIAL SERVICE IN THE DIOCESE FOR 1933

I think "Social Service" has a deeper meaning for all of us the past three years. Services, that were more or less routine jobs, dealt out to us by some one in authority have become real personal privileges for each and every one of us.

*Page Seventeen*

From 57 reports received and checked we find that 37 Branches have social service chairmen, 19 have done social service work in the community, 34 in their own parishes, 29 cooperating with social service agencies and 6 with other churches.

Families have been cared for with food, clothing, medical help and flowers. And please don't forget that flowers are sometimes as important as a warm coat, and also that the value of personal contacts may be way beyond our knowledge.

St. Peter's at Westfield reported free luncheons served to undernourished children.

The usual Thanksgiving and Christmas baskets were very generally distributed, either by the Branches themselves, or in cooperation with social agencies.

Money, clothing and Christmas gifts were supplied and Church Vestments and Altar Hangings sent to the Indian Mission.

Layettes were made and care given to the unmarried mother and her babe.

The services we can render these hectic days are legion and I'm sure every Parish can find some service adaptable to their organization.

Fifteen reports came through blank. Please report your work, however small.

Once more I ask that your Branch appoint a chairman. In case of an emergency call, it simplifies matters very much in making the contact with your Branch.

During the last year a call came to clothe a retired clergyman. Five or six Branches did the job.

Dr. Allison asked for clothing for nine boys, all of whom were promptly and completely cared for, either by groups or individuals.

I wish to express my appreciation of your help and support and I trust you will stand by for the coming year, as its needs will be many.

Julie Stafford Jameson, *Chairman*

### REPORT OF THE EDUCATIONAL SECRETARY FOR 1933

During the past year almost all of the branches of the Woman's Auxiliary of the Diocese of Western New York did some educational work. Various methods were used. It was done by means of discussion groups, by listening to suggested speakers, by reading aloud and by other types of program meetings including visits from members of the Diocese Board.

Many of the groups used the special topic, The Future of the American Indians for study. Others used China and a few were able to include both topics in their program. Let us hope that the conclusions drawn from these studies will not be mere words written in note books but will be recorded in our hearts and put into practice in our daily lives.

There has been an increase in the use of the lending book shelf and in the borrowing of maps and other materials from the Educational Secretary.

Many of the Branches have followed the suggested plan of appointing a committee to build their program for the entire year. This has proved a successful means of insuring the inclusion of some educational work at each meeting.

Owing to the prolonged illness of the Educational Secretary we were unable to name the usual Intensive Day in October. However, we hope to meet in small groups soon to carry on the study of our topic for the coming year, Christ in the Modern World.

Respectfully submitted,

Ella B. Hippler, *Educational Secretary*

## REPORT OF ADVANCED WORK FOR 1933

As you no doubt will remember the Advanced Work of the Woman's Auxiliary of Western New York for 1932 was raising funds for an automobile for Deaconess Shaw of All Saints Mission, Bontoc, Philippine Islands. As I reported a year ago, the car was sent in January, 1933. Needless to say, Deaconess Shaw was delighted. Following is a quotation from the letter received from her in acknowledgment: "I hope you may be able to express to all my good friends, my sincere thanks and appreciation for this gift, which means more to us in the way of conveniences and time and strength-saving, than you can realize. It seems as though it had been sent right straight from Heaven, for it has come just when our need for it is greatest. A car seems an absolute necessity in this Mission, and here it is now, in our own garage and you may be sure I shall think of the Woman's Auxiliary of Western New York every time I use it. Many, many thanks right from my heart to you all."

Kate Sibley Shaw

The Advanced Work for 1933 and 1934 is raising funds with which to repair buildings on the Cattaraugus Indian Reservation near Irving, N. Y.

Those of our members who made the Sunday Pilgrimage to the Reservation in May, last year, appreciate what a wonderful work Dr. Harvey is doing among the Indians. After repairs to present buildings are made it is hoped to have sufficient funds with which to build a small chapel on the hill, a section deep in the Reservation, where Dr. Harvey is now holding open air services. It is a privilege for us to be able to help Dr. Harvey in his splendid Missionary work among our Indian neighbors.

Collections to date from 29 Auxiliaries .....	\$253.00
Interest from State Trust Co. ....	2.52
Balance from Advanced Fund of 1932 .....	37.72

Total amount on hand January 16, 1934 .....\$293.24

It is with every wish for success that I relinquish the duties of Treasurer of Advanced Work to your new Treasurer, Mrs. Charles M. Wilson.

Respectfully submitted,

Helen Townsend Jones

## REPORT OF THE SUPPLY SECRETARY

During the year seventy Branches helped with the sending of Missionary boxes, missionary Christmas gifts and with money for buying supplies.

The timely help given to the Navaho Indians at San Juan on the Desert encouraged and helped them over the most difficult winter they have had in many years.

From far and near the letters of appreciation from those we have helped tell of the fine quality of the work, and the many additional touches which our women add to their boxes.

It all signifies the spirit of inward growth for ourselves and at the same time helps others.

Your Supply Secretary wishes to thank Mrs. A. C. Pollard, who does our prodigious amount of purchasing, and the Girls' Friendly Society, who have given us such substantial aid.

### SUGGESTIONS FOR SUPPLY SECRETARIES

When supply work is received in the Fall, Branches will please appraise, and if for any reason your Branch is not able to fill the allotment, please notify Diocesan Supply Secretary before January 1st.

Branches receiving Personal Family boxes for Missionaries, or \$5.00 Christmas gift letters for Missionaries will please notify Diocesan Supply Secretary of their acceptance as soon as possible in the Fall, and will report the sending of these not later than December 15th.

Branches sending Personal Family boxes should communicate with the family to whom the box will be sent, giving them the date of shipment, and telling whether sent by parcel post or freight or express.

Branches working for Institutions, Missions and Hospitals will send boxes directly to the Mission for which they are working, enclosing a self-addressed return post card, in order that they may be notified of its safe arrival.

Branches are privileged to use the Standard of Values sheet, which may be obtained from the Diocesan Supply Secretary, in order to estimate the cost of making garments, which may be added to the cost of material, thus obtaining the full value.

There is no valuation on second-hand articles of clothing.

When allotment is finished please list all articles on the blue sheet and the pink sheet and the white sheet. Compute all values, including postage, on the blue sheet and the pink sheet, sending the blue sheet to the Diocesan Supply Secretary as soon as possible, and keeping the pink sheet carefully on file to be used later in making out Supply report to Diocesan President in December. The white sheet is sent with articles in box, with no values attached.

All work for the year should be finished and sent, and blue sheets returned to Diocesan Supply Secretary by May 1st at the latest.

Under no consideration should work be carried over until the next Fall.

## REPORT ON CONTACT WITH OUR WESTERN NEW YORK MISSIONARIES

October 1933 marked the close of the first three year cycle of our plan for contact with our Western New York missionaries, and according to that plan we have now given a different missionary to each group of branches. Some groups have really come to know their own missionary better, others seem not to have realized that they had one. Some missionaries have not seemed to care much, but where both the missionary and the group have appreciated the mutual friendliness, a real interest in the worker and her (or his) work has resulted.

During the three years we have had home on furlough, Deaconess Bedell, Deaconess Shaw, and Mrs. E. P. Miller, Jr., and by arranging meetings for them, many groups have had the opportunity of hearing of their work, and by prayer and gifts of sharing in it.

We are glad to report that Miss Alice Larery is almost well again, but is still at home; while Deaconess Bedell is now serving among the Seminoles of Florida, with headquarters at Everglades. Captain Franklyn Board is now studying for the ministry at the University of the South, Sewanee, Tenn., and the Rev. Timothy E. Woodward, a former member of Grace Church, Lockport, has joined the staff of All Saints Mission, Bontoc, P. I., where Deaconess Shaw is finding the auto we sent her a real life saver, it being the only one in town.

Miss Christine Nuno of St. Luke's International Medical Center, Tokyo, paid us a very fleeting visit on her way back to Japan from the International Red Cross Convention in Paris, where she was sent by the Japanese Government to take the place of one of their delegates who could not be present. Miss Helen Lade, the Executive Secretary of St. Luke's is home on her first real furlough since going out to Japan, and we trust she will go back rested, refreshed, and glad she is a member of the Western New York Family.

Miss Laetitia Viele of St. Paul's, Buffalo, has been appointed by Bishop Davis as Director of Religious Education at Warsaw; and Mrs. Marguerite Priddis having graduated last June from the Simmons School of Social Work in Boston, is now the Director of Goodhue House, New Brighton, Staten Island, a shelter for adolescent girls during a time of study of them and their problems, this being an experimental project of the New York Children's Aid Society in cooperation with the New York School of Social Work. We welcome Miss Viele, Mrs. Priddis and Mr. Woodward to our group of Western New York missionaries and rejoice that there are so many Western New Yorkers (see list) at work for the Master in such varied fields, and that in very truth they and we are serving together.

Mrs. E. P. Miller, of Wu Chang, who is returning to China in August, will spend the last two weeks of April in our Diocese. We will thus have an opportunity to meet her and deepen the friendly contacts made on previous visits. Please let me know as soon as possible the date you wish, so that we may arrange her engagements with as little duplication of travel as possible. The more we hear of distant peoples from those who live among them, the more we speed the day of world friendship and peace.

Respectfully submitted,

Esther S. Smith

## REPORT OF CHURCH PERIODICAL CLUB

Statistics for year ending December 31, 1933:

Current periodicals sent regularly .....	878
Donors of above current periodicals .....	591
Bibles, testaments, etc. ....	1
Prayer books and hymnals .....	118
Books—theological and secular .....	131
Tracts, Church School lessons .....	0
Odd magazines and papers .....	7381
Christmas and Easter cards .....	310
Picture cards and calendars .....	15
Carols and music, sheet or record .....	25
Pictures, games, scrap books, misc. ....	154
Institutions in Diocese aided .....	36
Active Parish Branches in charge of 43 secretaries .....	45

Our 45 branches show a gain in number of 24 since the division of the diocese, and of 6 since our report of the previous year.

Each of these branches shows activity in at least one line. A city branch which is unable to obtain even one mailing contributor reports nearly 600 papers and magazines distributed, mostly by the rector, in our city hospitals.

Institutions in the diocese aided include almost every hospital and institution in the cities and many in towns and villages.

During the year we have welcomed two opportunities to cooperate directly with the Diocesan Auxiliary. More than 200 magazines, mostly in yearly files, were delivered to the Episcopal Church House at Chautauqua for the use of guests during the two months that the house is open. The need was shown by the remark, "Well they certainly are welcome. Last year we could hardly get hold of a newspaper until it was worn out."

And we have arranged for regular mailings of fourteen monthly publications to Dr. Harvey of the Indian Reservation.

Respectfully submitted,

Vineta Lorman Cyphers

## REPORT OF THE UNITED THANK OFFERING

The work done by the parish United Thank Offering Custodians during the past two years has been no easy task. May I say a word of thanks and praise for these loyal and faithful women who have been my co-workers? To them, alone, belongs all of the credit for the splendid amount of the 1933 Offering, for it certainly took much patience and loving devotion to gather it in.

The Annual Diocesan Presentation Service was held at the Church of the Holy Communion, Buffalo, N. Y., on United Thank Offering Sunday, June 4, 1933, at 4 P. M. The Rev. Elmore M. McKee, rector of Trinity Church, Buffalo, N. Y., was the preacher.

Seventy-three different groups of women shared in the 1933 Offering, which amounted to \$2642.55. Every Buffalo parish is represented and all but two of the parishes represented in 1932 are again on the 1933 roll. These are two small parishes in communities very hard hit by existing economic conditions. Eighteen branches show an increase over their 1932 offering, and there were eight branches that gave for the first time. This all shows an increase in the number of givers---our real objective.

We had one individual gift, and by that is meant a gift sent directly to the Diocesan Custodian as a special Thank Offering. This gift, a truly beautiful one, has been given every year for many years. The giver writes a check on Christmas Eve, and it is her Thank Offering for the gift of Our Blessed Lord---on His Birthday! I wish there might be more of these special gifts.

*Page Twenty-two*

We are fast approaching the time for the Triennial Presentation which will take place Thursday, October 11, 1934, at Atlantic City, N. J. At this service all of the United Thank Offerings, from every diocese and missionary district of our Church around the world, will be poured out upon the Great Golden Almsbasin.

We must put on full steam ahead during the few remaining months of this Triennium. May I urge you to increase your devotion to your Little Blue Box, both by your prayers and by your gifts. Keep it daily before you, in your prayers for your Diocesan Custodian, your parish Custodian and all parish custodians. If we unite our efforts and our prayers we shall have a glorious offering to present next October.

Recruiting for the Mission Field is now a part of the duties of the United Thank Offering Custodian. Let us pray for the gift of a life for service for the Master. Who knows, perhaps Western New York may have this greatest of all gifts to put on the Great Golden Almsbasin along with our gifts of money and our prayers.

#### REPORT OF THE GIRLS' FRIENDLY SOCIETY

For those who have worked in the Girls Friendly Society in the past and are carrying on its activities today, the letters G. F. S. stand as symbols for problems solved and joys and sorrows shared, along with achievement in many fields.

Our motto, 'Bear Ye One Another's Burdens' strikes the key note of our corporate life together, for the value of our work lies in the group friendship and the joy derived from that contact in our work for one another and for our Church. The Society was founded on a great principle of character and its purpose is that its members accept these principles as their personal standard of Christian Womanhood. The work originally started by older women for girls has now broadened into work *with* girls, for individual and personal relationship and for mutual help, sympathy and prayer.

Our program is one of Religion, Education and recreation.

For 1933 our Mission Object was the raising of our contribution to the \$2000, pledged by the National Society for the House of The Merciful Saviour at Wu Chang, China, which sum was oversubscribed \$179.

*Page Twenty-three*

Our assignments for our Lenten sewing come through the Woman's Auxiliary.

We are happy to note some growth in membership at our last census when the personnel of our Diocesan Organization numbered 382.

Our Holiday House on Conesus Lake, owned jointly with the G. F. S. of the Diocese of Rochester, had a very successful season in July and August, 232 girls from the two dioceses spending their vacations there in its lovely surroundings. Daily prayers were said there in the Atwater Memorial Chapel, where our visiting clergy conducted vesper service every Sunday.

We sent three delegates to the Triennial Conference of the National Council held in New York City last June, at which time Miss Brent was made National President and Mrs. Roosevelt Honorary President.

The outstanding event of our G. F. S. year is the annual Candle-light Service and Tea, held at the Diocesan House, on the Sunday nearest to All Saints Day, the Bishop conducting the service, which is in memory of Bishop Brent. This year Miss Brent was present and gave us an inspiring address.

At our annual conference last May the G. F. S. was most happy to welcome as their guests, members of the Women's Auxiliary at a talk given by Mother Ursula Mary of the House of the Merciful Saviour, in Wn Chang, China. An informal reception and tea followed.

The G. F. S. acknowledges with much appreciation the invitation of the Woman's Auxiliary to contribute this report to their Year Book for 1933.

Respectfully submitted,

Maud L. Burnett, *Diocesan President of the G. F. S. of Western New York*

#### REPORT OF ELIZABETH LAWRENCE VISITORS

Sometime in our lives many of us must have had to be in a Hospital and know the joy of having a caller.

How much greater must be the pleasure to a stranger from out of town. The "Elizabeth Lawrence Visitors" are ready to bring cheer and sympathy to anyone in the Diocese from outside the City if we are only told of them.

Please will the Clergy or friends of anyone who may have to come to any Buffalo Hospital for treatment or operation let us know for it is our pleasure to serve them.

Drop a line to the Chairman, Mrs. Howard L. Osgood, 147 North St., or to Mrs. James Dyett, 1 Penhurst Park, giving the name and the Hospital and we will see that they are visited. We fear that many come of whom we do not know.

Katherine M. Osgood, *Chairman*

#### A STATEMENT OF THE WORK OF THE CHURCH MISSION OF HELP FOR YEAR 1933

The event of 1933 that will undoubtedly be the most far reaching in its effects on the work of the Church Mission of Help was the study by Miss Viennie Borton, Assistant Executive Secretary of the National Church Mission of Help, of the work of the organization in the Diocese of Western New York. She found the case work with individual girls between the ages of 16 and 25 to be of high quality and commented that our professional standing among the social agencies of Buffalo was attested to by the placing with us of a student for training from the Curriculum of Social Work of the University of Buffalo.

The recommendations for reorganization which she made are rapidly being put into effect. A Board of Directors of 18 members with direct responsibility for the work has been appointed by the Department of Social Service with Bishop

*Page Twenty-four*

Davis as President; Miss Helen Olmstead, 1st Vice President; Mrs. Laurence Gardner, 2nd Vice President; Miss Esther Smith, Secretary; Mr. Noel Symons, Treasurer; Dean Hale, Chaplain; and Mrs. James Dyett, Chairman of Committee on Interpretation.

With the leadership of Miss Esther Smith, an increased membership is to be sought since the work is dependent on volunteer subscription except for a Diocesan grant of \$3500 from the Department of Social Service of which C. M. of H. is a part.

During 1933, 272 young people---girls, children, and young men---were rendered assistance varying in form according to their individual needs.

That our annual Christmas party is now an "institution" is illustrated by the remark of a former C. M. H. girl, now a settled young woman, who said, "I hope I can come every year as long as I live."

The Auxiliary group, the Church Mission of Help Council (formerly the Council of Church Women) and the Child Welfare Committee of the Church Charity Foundation have rendered valuable service with whole hearted enthusiasm.

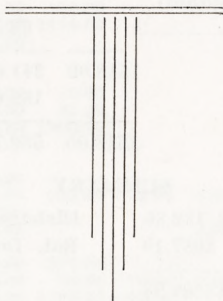

Our budget is inadequate to the needs of the girls but our spirit of hopefulness that the days of "going on" are here and that the next year will see our opportunities for usefulness much increased, is great.

Because we believe firmly that there is a power "not ourselves", the power of the Holy Spirit, available for the rescue and redemption of our race, we strive to make that power a reality to those whom we are trying to help. We are sure that the Church has a contribution to make that is needed, and equally sure that the church worker needs to be adequately trained to use intelligently all the resources within reach.

It is the plan of CMH to bring to bear upon the problems of young people not only the methods of social work and of medical, psychological and psychiatric research; but also, the formation of the Christian ideal of living, the fellowship of the Church, the counsel and guidance of experienced clergy, and the help of the sacraments."

The office is at 237 North Street, and there is a staff of three, Mrs. Wilma Vanderwall, Executive Secretary; Miss Selene Gifford, Assistant Secretary; Miss Ruth Ford, Office Secretary.

Wilma A. Vanderwall, *Executive Secretary*
