Dear Mark,

The Diocese of Arizona has been very active in the past two years. We train all of the clergy candidates; Deacons and Priests. In addition we have been invited and trained the Diocesan staff, Diocesan Council and the Standing Committee. We have done joint training with Province 8 and Diocesan trainings at least once a year. Our next event will take place at Navajoland and it will be done jointly with Province 8. Our committee consists of 8 members, representing the 5 ethnic groups.

Sincerely,

Judith Conley, Chair
