Greetings!

Bishop Ousley asked me to respond on his behalf regarding the resolution. In the spirit of supporting A123 (2006) and A143(2009), the Diocese of Eastern Michigan engaged in presentation and dialogue at their annual convention in 2008. The Reverend Canon Ronald Spann and Dr. James Perkinson spoke to delegates and clergy about the issue of White Privilege, the most significant challenge of racism facing our diocese.

Blessings,

Barb Meikle, Assistant to the Bishop
