Explanation

This Resolution amends the House of Deputy's Rules of Order to allow Legislative Committees to meet regularly and to conduct hearings within 90 days of General Convention using online meeting technology.; The previous requirements upon Legislative Committees to conduct meetings and hearings in person physically at General Convention was intended to increase the opportunity for more of the church to participate in the legislative process. However, our experience of this past triennium has shown that by extending the time frame for Legislative Committee work in the months leading up to Convention and by allowing video conference technology as a normative meeting format, more of The Episcopal Church has been able to participate in the legislative process. These Rule changes will allow (though not require) Legislative Committees to function in a similarly open and transparent manner during the lead up to the 81st General Convention and beyond. They will also improve Legislative Committee process by allowing Committees to begin taking action on proposed legislation prior to General Convention, once a hearing has been conducted.
