## RESOLUTION TEXT

- 1 *Resolved*, the House of \_\_\_\_\_ concurring, That the mandate for the Executive Council Committee on Anti-Racism be amended, clarify its charge and to update terminology to include the term “Reconciliation” and hereby read as follows:
- 2 “This Committee is charged with guiding and monitoring the Church’s work in response to General Convention resolutions directed at eliminating the sin of racism from the life of the Church by:
- 3 Recognizing and developing its anti-racism *and racial reconciliation* work as a fundamental and requisite part of Christian formation; monitoring and evaluating anti-racism and ~~anti-racism~~ *racial reconciliation* related ministries and activities of national Church staff and, when feasible, contributing to the oversight and coordination of said ministries and programming; recommending best practices for eliminating racism *and promoting racial reconciliation*; collecting data on provincial anti-racism *and racial reconciliation* activities to be submitted to Executive Council on an annual basis; developing criteria for the credentialing of certified ~~anti-racism~~ *trainers ordained and lay people as having completed “anti-racism/racial reconciliation training in fulfilment of the Canons and General Convention Resolution 2000-B049*; and monitoring compliance of anti-racism/*racial reconciliation* legislation passed by General Convention.”

## EXPLANATION

The Presiding officers have moved away from using the term “anti-racism” and have begun using the term “racial reconciliation” as to be a more expanded scope of effort. The committee appreciates and wants to support that change. Our members who visited the New Community Conference confirm that people of color are hungry for this change and expanded scope.

Some people have expressed the opinion that anti-racism work includes the work of reconciliation. Looking up the definition of "Anti-Racism" in the Oxford dictionary results in the definition "The policy or practice of opposing racism and promoting racial tolerance." The committee feels that opposition of racism and promotion of tolerance is not quite the same as God's call to reconciliation - returning to a right relationship with God calls our neighbor.

The committee's sense is that the work of anti-racism is advocating for people not to behave in a racist manner whereas the work of reconciliation goes further - seeking to actively change relationships. The end goal of reconciliation is being in a state of reconciliation or reconciled, not just a world where people tolerate one another or behave politely/respectfully.

The Committee, also, feels that the term "Anti-Racism" has history and value. In an effort to accommodate all the perspectives discussed, the Committee feels a compromise is to add the term "racial reconciliation" to the wording of its charge.

Move from credentialing of trainers to credentialing of individuals.

Based on our research and the fact that funding has not been provided for a staff member who would be tasked with running a trainer certification program as was done in the past, we believe that a more manageable process should be developed which would focus on certification of individuals managed at the local level.

We believe it will be easier and more cost effective to approve and maintain a list of vendor provided training curricula which must follow the rubric defined by this Committee yet allow other training curricula to be used as long as it follows the rubric defined by this Committee.

To prove that learners have gained the knowledge and skills we believe are appropriate, TEC staff (or the Committee) would develop a Certification Exam aligned to this rubric as a way of conferring certification on ordained and lay people. It, too, would be placed on the church web site.

**Resolution Number:** 2015-A182  
**Title:** Address Systemic Racial Injustice  
**Legislative Action Taken:** Concurred as Amended  
**Final Text:**

*Resolved, That the 78th General Convention of the Episcopal Church recognize that many Episcopalians find it challenging to understand or know how to respond to 21st century systemic racial injustices that still occur in multiple contexts including but not limited to education; employment; housing; health care; banking; voting rights; immigration; policing, courts, and prisons, etc.; and be it further*

*Resolved, That the 78th General Convention affirms that the Gospel, our Baptismal Covenant, and our Marks of Mission call individuals, churches, dioceses, provinces, and the wider Church to find more effective and productive ways to respond to racial injustice as we love our neighbors as ourselves, respect the dignity of every human being, and transform unjust structures of society; and be it further*

*Resolved, That the 78th General Convention declare that “not knowing” and “not having the eyes to see and ears to hear” are serious obstacles to transforming unjust structures and therefore direct the Church at every level for this triennium to commit to increase the use of study, education, research, anti-racism training, liturgies, and Christian formation instruction that specifically address systemic racial injustice; and be it further*

*Resolved, That the 78th General Convention urge the Church at every level to increase the number of dialogues about systemic racial injustice it has with local, state and national bodies within the public and private spheres and that these dialogues be used to identify, examine, and offer correctives to policies and practices within and among these bodies that result in systemic racial disparities and injustices; and be it further*

*Resolved, That the 78th General Convention urge dioceses and congregations to create vehicles for listening to diverse neighbors and developing reconciling relationships; such options might include (a) listening campaigns in local communities, (b) partnerships with churches and organizations comprised predominately of a different race or culture (especially those targeted by oppression), (c) neighborhood prayer walks, (d) storytelling and speak-out events designed to facilitate truth-telling, healing and action, (e) and others with which leaders throughout the Church are familiar; and be it further*

*Resolved, That the 78th General Convention encourage Justice and Advocacy Ministries to partner with other church offices and organizations as appropriate to host, resource, and moderate an ongoing online forum for Episcopalians dedicated to the ministry of racial justice and reconciliation, with spaces dedicated to sharing about local and diocesan efforts and resources; and be it further*

*Resolved, That the 78th General Convention encourage Justice and Advocacy Ministries to partner with Youth Ministries to commission a gospel-centered, Internet-integrated, action-oriented, anti-racism youth ministry curriculum for congregations throughout The Episcopal Church, including those not in the United States, to be provided in English, Spanish and Haitian Creole; and be it further*

*Resolved, That the Standing Commission on Liturgy and Music produce and post online a set of prayers for racial reconciliation and justice, suitable for inclusion in the Prayers of the People; and be it further*

*Resolved, That the 78th General Convention urge the Executive Council to conduct its own internal audit to assess to what extent, if at all, racial disparities and systemic racial injustices exist within the Church (including but not limited to clergy salaries and deployment); and be it further*

*Resolved, That the 78th General Convention request that the Executive Council report back to the 79th General Convention on the results of the internal audit; what concrete steps it and the wider Church took to address systemic racial injustice in the wider culture; and how effective those steps were.*

**Title:** Work for Racial Justice and Reconciliation  
**Legislative Action Taken:** Concurred as Substituted  
**Final Text:**

*Resolved, That the 78th General Convention of The Episcopal Church confesses that, despite repeated efforts at anti-racism training as well as racial justice and racial reconciliation initiatives including the passage of more than 30 General Convention resolutions dating back to 1952, the abomination and sin of racism continue to plague our society and our Church at great cost to human life and human dignity; we formally acknowledge our historic and contemporary participation in this evil and repent of it; and be it further*

*Resolved, That in the wake of the brutal, overtly racist murders of nine of our Christian brothers and sisters of Emanuel African Methodist Episcopal Church on June 17, 2015; numerous inexcusable deaths of unarmed black men and youth at the hands of law enforcement personnel; and the moral atrocity of mass incarceration in which a hugely disproportionate number of persons of color have been unfairly caught in the net of an unjust criminal justice system, the 78th General Convention affirms as a top priority of The Episcopal Church in the upcoming triennium the challenging and difficult work of racial reconciliation through prayer, teaching, engagement, and action; and be it further*

*Resolved, That the Church understands and affirms that the call to pray and act for racial reconciliation is integral to our witness to the gospel of Jesus Christ and to our living into the demands of our Baptismal Covenant; and be it further*

*Resolved, That the Presiding Bishop, President of the House of Deputies, Vice President of the House of Bishops, and Vice President of the House of Deputies be charged to lead, direct, and be present to assure and account for the Church's work of racial justice and reconciliation; and be it further*

*Resolved, That the General Convention request that the Joint Standing Committee on Program, Budget and Finance consider a budget allocation of \$1.2 million for the Triennium for the implementation of this resolution.*

**Resolution Number:** 2006-A127  
**Title:** Endorse Restorative Justice and Anti-Racism  
**Legislative Action Taken:** Concurred as Amended  
**Final Text:**

*Resolved, That the 75th General Convention of The Episcopal Church endorse the principles of restorative justice, an important tool in implementing a neutral articulation of the self-examination and amendment of life that is required to fulfill our baptismal covenant; and be it further*

*Resolved, That the 75th Convention, in support of and to enhance Resolution A123, call upon the Anti-Racism Committee of Executive Council to design a study and dialogue process and materials in order to engage the people of The Episcopal Church in storytelling about historical and present-day privilege and under-privilege as well as discernment towards restorative justice and the call to fully live into our baptismal covenant; and be it further*

*Resolved, That in the spirit of inclusion, dioceses also be invited to determine whether their call is to conduct truth and reconciliation processes in regard to other histories and legacies of racial discrimination and oppression that may be applicable in their geographic area, while not diminishing the strong call to focus on the history and legacy of slavery; and be it further*

*Resolved, That the dioceses will give a progress report to the Anti-Racism Committee. The Anti-Racism Committee will report their findings and recommendations to the Standing Commission on National Concerns and to Executive Council and to the 76th General Convention; and be it further*

*Resolved, That the Church hold before itself the vision of a Church without racism; a Church for all races.*
