EXPLANATION

The Church began monitoring its investments for ethical and social responsibility in 1971 when it filed the first ever shareholder resolution by a religious institution asking General Motors to leave South Africa until the racist system of apartheid was dismantled. That work has continued and expanded to include areas such as climate change, human rights globally, health care, immigration reform, gun safety, protection of indigenous peoples’ rights, corporate board diversity and human trafficking. The Church risks hypocrisy in its public witness for justice when its investments are not reviewed for ethical and social performance. This work is done ecumenically and inter-religiously.

RESOLUTION TEXT

1 Resolved, the House of ________ concurring, That the 79th General Convention reminds the Church that it is an ethical investor and that any investment return that is not obtained with due regard for the ethical and social positions of the Church risks undermining our values, and as the body of Christ in the world, we are called to seek to act in accordance with Christ's teachings including: promoting justice, making peace, loving our neighbors (including our enemies), and advocating for, supporting and serving the poor, the weak, and those oppressed or marginalized for any reason, because in so doing we are carrying out God’s mission in the world, reconciling all things to Christ; and be it further

2 Resolved, That a copy of this resolution be distributed to the Executive Council members and its Finance and Investment committees, and all diocesan treasurers to be shared with their diocesan finance committees and diocesan councils, diocesan congregations, and to the various institutions related to the Church that make investments in corporations such as the Church Pension Fund and that the resolution be discussed by all these entities and methods of implementation identified.

Resolved, the House of Deputies concurring, That the 78th General Convention direct the Executive Council’s committee on Corporate Social Responsibility (CSR), consistent with existing policy of corporate engagement adopted in October 2005, to develop a list of U.S. and foreign corporations that provide goods and services that support the infrastructure of Israel’s Occupation, and maintain and update such a list annually, and to vigorously conduct an audit of the Domestic and Foreign Missionary Society (DFMS) investment portfolio to determine which of these companies, if any, are in the portfolio, and report its findings to the Winter Meeting of Executive Council, 2016, to be made public through the Episcopal News Service; and be it further

Resolved, That, consistent with existing Episcopal Church policy, CSR communicate by letter, emails, meetings and otherwise with the companies identified in the DFMS investment portfolio as being involved in the maintenance of the Occupation, if any, requesting that said companies withdraw from their business operations in Occupied Palestine until it is ended, and report on such corporate engagement to the June, 2016, meeting of Executive Council to be made public through the Episcopal News service; and be it further

Resolved, That Executive Council, with the aid of its CSR committee, file shareholder resolutions with any companies earlier identified, at its Fall meeting, 2016, asking said companies who have not agreed to terminate their business operations in Occupied Palestine and with whom dialogue has not been fruitful, to begin a process of disinvestment; and be it further

Resolved, That upon receiving the position of said companies to these shareholder resolutions, Executive Council, by its June meeting of 2017, with the aid of the CSR committee, develop a process of divestment from those companies who have refused to disinvest or in which further engagement is deemed futile, and are considered by CSR to be the most egregious supporters of the infrastructure of the Occupation, and to develop a process for placing on its No Buy List those companies earlier identified as supporting the Occupation, whether currently held or not, and for Council to make known its process for divestment and adding to the No Buy List (and the companies involved) through the Episcopal News Service, and that Council provide a report to the 79th General Convention on its implementation of this resolution; and be it further

Resolved, That this General Convention directs the Executive Council to establish a work group to identify a list of products made or businesses present in West Bank settlements (including East Jerusalem) and publishing them within one year of adjournment of this Convention so that Church entities, including congregations and individual members can seek to boycott those products and/or businesses which are illegal under international law; and be it further

Resolved, That Executive Council identify $15,000 for the work to be done in 2015, and that the Joint Standing Committee on Program, Budget and Finance provide $30,000 in 2016 and $30,000 in 2017 and $30,000 in 2018 to fund the work of CSR on this and other issues.
Resolved, That the 78th General Convention directs The Episcopal Church to continue a no-buy policy with respect to corporations which own or operate for-profit prisons and hereby encourages the Church Pension Fund to institute a similar no-buy policy.

Title: Advocate on Behalf of Human Rights in Burma
Legislative Action Taken: Concurred As Amended

Final Text:

Resolved, That the 71st General Convention express its dismay at the continuing repression of the people of Burma, by the State Law and Order Restoration Council (SLORC) regime, denying the people the right to a democratic government as elected in 1989 and further deplores the ongoing detention of its democratically elected head of state, Aung San Suu Kyi, (Nobel Peace Laureate); and be it further

Resolved, That solutions to the problems confronting Burmese society include recognition of the human rights of its ethnic minorities, many of which include members of the Anglican Church, especially among the Karen people, thousands of whom have been displaced as refugees on the Thai border because of a civil war now approaching 46 years; and be it further

Resolved, That Church members and organizations work through such vehicles as the Public Policy Network and the Washington Office by making representation to the United States government to better promote democracy and human rights in Burma by strengthening economic sanctions and also call upon the Executive Council, through its Social Responsibility in Investments Committee, to address these concerns to US and non-US corporations in ECUSA's investment portfolio doing business in Burma; and be it further

Resolved, That we urge Church members to pray for the people of Burma.
