- 2 *Resolved*, That the Joint Standing Committee on Program, Budget and Finance provide a budget allocation for half the cost, \$245,000 and directs the Church Pension Group [CPG] to provide the matching \$245,000 to provide safe church training materials to implement the Model Policies.

EXPLANATION

An updated, easily accessible safe church training program is essential for the effective implementation of and compliance with the Model Policies for the Protection of Children and Youth, and Model Policies for the Protection of Vulnerable Adults as approved in 2017. Such safe church training programs will also support the reduction of liability, enhancement of wellness of clergy and laity, and furtherance of all members' ability to more fully live out their Baptismal Covenant. Safe church training materials will consist of written and web-based training materials that include responsive and multilingual online web-based resources, a modern content management system and a curated resource list. The Model Policies set out Universal Training accessible to all congregants and ministry participants that fosters a culture of safety and inclusion for all people, and Specialized Training consisting of discrete modules on topics directly related to ministry roles and functions.

The Task Force created a detailed report of these anticipated costs which was provided to the Joint Standing Committee on Program, Budget and Finance in April 2017.
