## EXPLANATION

No explanation.

**Resolution Number:** 2015-A182  
**Title:** Address Systemic Racial Injustice  
**Legislative Action Taken:** Concurred as Amended  
**Final Text:**

*Resolved, That the 78th General Convention of the Episcopal Church recognize that many Episcopalians find it challenging to understand or know how to respond to 21st century systemic racial injustices that still occur in multiple contexts including but not limited to education; employment; housing; health care; banking; voting rights; immigration; policing, courts, and prisons, etc.; and be it further*

*Resolved, That the 78th General Convention affirms that the Gospel, our Baptismal Covenant, and our Marks of Mission call individuals, churches, dioceses, provinces, and the wider Church to find more effective and productive ways to respond to racial injustice as we love our neighbors as ourselves, respect the dignity of every human being, and transform unjust structures of society; and be it further*

*Resolved, That the 78th General Convention declare that “not knowing” and “not having the eyes to see and ears to hear” are serious obstacles to transforming unjust structures and therefore direct the Church at every level for this triennium to commit to increase the use of study, education, research, anti-racism training, liturgies, and Christian formation instruction that specifically address systemic racial injustice; and be it further*

*Resolved, That the 78th General Convention urge the Church at every level to increase the number of dialogues about systemic racial injustice it has with local, state and national bodies within the public and private spheres and that these dialogues be used to identify, examine, and offer correctives to policies and practices within and among these bodies that result in systemic racial disparities and injustices; and be it further*

*Resolved, That the 78th General Convention urge dioceses and congregations to create vehicles for listening to diverse neighbors and developing reconciling relationships; such options might include (a) listening campaigns in local communities, (b) partnerships with churches and organizations comprised predominately of a different race or culture (especially those targeted by oppression), (c) neighborhood prayer walks, (d) storytelling and speak-out events designed to facilitate truth-telling, healing and action, (e) and others with which leaders throughout the Church are familiar; and be it further*

*Resolved, That the 78th General Convention encourage Justice and Advocacy Ministries to partner with other church offices and organizations as appropriate to host, resource, and moderate an ongoing online forum for Episcopalians dedicated to the ministry of racial justice and reconciliation, with spaces dedicated to sharing about local and diocesan efforts and resources; and be it further*

*Resolved, That the 78th General Convention encourage Justice and Advocacy Ministries to partner with Youth Ministries to commission a gospel-centered, Internet-integrated, action-oriented, anti-racism youth ministry curriculum for congregations throughout The Episcopal Church, including those not in the United States, to be provided in English, Spanish and Haitian Creole; and be it further*

*Resolved, That the Standing Commission on Liturgy and Music produce and post online a set of prayers for racial reconciliation and justice, suitable for inclusion in the Prayers of the People; and be it further*

*Resolved, That the 78th General Convention urge the Executive Council to conduct its own internal audit to assess to what extent, if at all, racial disparities and systemic racial injustices exist within the Church (including but not limited to clergy salaries and deployment); and be it further*

*Resolved, That the 78th General Convention request that the Executive Council report back to the 79th General Convention on the results of the internal audit; what concrete steps it and the wider Church took to address systemic racial injustice in the wider culture; and how effective those steps were.*

**Final Text:**

*Resolved, That the 76th General Convention commend Resolution 2006-B018 (Endorse the National Council of Churches Policy on Rights of Children) for bold and immediate action; and be it further*

*Resolved, That the Standing Commission on National Concerns (SCNC) in its next triennium further study the voucher system and its impact on reducing the educational achievement gap within poor communities; and be it further*

*Resolved, That the National Association of Episcopal Schools (NAES) be commended for the initiatives it has taken on justice and equity, its statement on Social, Economic and Racial Mix in Episcopal schools and its Episcopal Schools Urban Alliance; and be it further*

*Resolved, That the Standing Committee on National Concerns encourage Episcopal Schools to cooperate with the NAES to explore and develop further new and bold educational models with underserved and economically challenged communities, focusing on systems, capacity and resources, and the story of those initiatives and efforts to be included in the SCNC Blue Book report to the 77th General Convention in 2012; and be it further*

*Resolved, That the Episcopal Schools, working through the NAES collaboration with the SCNC, be encouraged to further strengthen their leadership in addressing economic disparities, by finding new and bold ways to increase the availability of scholarships and sliding fee scales for elementary schools, high schools and colleges and report such findings to the SCNC for inclusion in the Blue Book report to the 77th General Convention in 2012; and be it further*

*Resolved, That the 76th General Convention of The Episcopal Church endorse continued support of funding for the historic black Episcopal colleges.*
