## EXPLANATION

Currently in the United States there is a level of uncivility and disrespect in our political and civil life. Such uncivility does not serve our common good nor foster constructive political action. There is a need across our political, social, and theological spheres to engage with those who hold different positions than our own as we seek to serve the Gospel mandate of love and justice. This resolution calls on all Episcopalians to practice civil discourse in our political life utilizing the Civil Discourse Curriculum developed by The Episcopal Church Office of Government Relations. More information on the curriculum can be found here: <https://www.episcopalchurch.org/posts/publicaffairs/civil-discourse-curriculum-program-reflection-consideration-discussion> Finally this resolution empowers The Episcopal Church Office of Government Relations to work with bipartisan efforts, when possible, and other strategic allies in pursuing the mandates given to the office by The General Convention.
