RESOLUTION TEXT

- 1 *Resolved*, the House of _____ concurring, That this General Convention recognize that The Episcopal Church’s governing documents require the President of the House of Deputies to perform specific duties; and be it further
- 2 *Resolved*, That this General Convention recognize the continuing evolution of The Episcopal Church and the increased demands on the time and energy of the President of the House of Deputies without any corresponding evolution of the Church’s governing documents related to that evolution; and be it further
- 3 *Resolved*, That this General Convention recognize that there exists a great barrier in identifying and recruiting qualified candidates for President of the House of Deputies because of the lack of compensation for this position, which forecloses other full-time employment; and be it further,
- 4 *Resolved*, That this General Convention recognize that in Resolution D013 the 78th General Convention of The Episcopal Church (2015) affirmed that “the House of Deputies considers it important that [it] be able to choose a President without regard to the financial circumstances of the candidates, [and that] the desirability of compensation for the President of the House of Deputies is a fairness issue,” and that “....the House of Bishops understands and appreciates the cogency of, and fairness issues inherent in, the position of the House of Deputies”; and be it further
- 5 *Resolved*, That this General Convention recognize that the Canons of the General Convention of The Episcopal Church require that the President of the House of Deputies serves as the Vice-Chair of the Executive Council of the General Convention and as a Vice-President of the Domestic and Foreign Missionary Society [DFMS]; and be it further
- 6 *Resolved*, That this General Convention authorize and direct its Executive Council to fix a per diem compensation for the President of the House of Deputies when the President of the House of Deputies vice-presides at Executive Council, consults with the Presiding Bishop in making appointments required by canon, and when doing official work related to General Convention;

and be it further

- 7 *Resolved*, That this General Convention direct the Presiding Bishop and the President of the House of Deputies to appoint four deputies and four bishops to comprise a special task force to review and make recommendations to the 80th General Convention for potential amendments to the Church's governing documents that will clarify and enumerate the comprehensive role of the President of the House of Deputies; and be it further
- 8 *Resolved*, That the Joint Standing Committee on Program, Budget and Finance allocate resources from the line item in the current draft budget for the implementation of this resolution.

EXPLANATION

This resolution addresses in the short-term the fairness issue of compensating the President of the House of Deputies while the Church discerns and determines the appropriate canonical role of the President of the House of Deputies, beyond what is currently enumerated in the Canons.

Resolved, That Title I, Canon 4, Sections 6-8, be stricken in their entirety and replaced to read as follows:

Sec. 6. (a) The Executive Council shall submit to the Joint Standing Committee on Program, Budget, and Finance the proposed Budget for The Episcopal Church for the ensuing

budgetary period, which budgetary period shall be equal to the interval between regular meetings of the General Convention. The proposed Budget shall be submitted not less than four months before the ensuing General Convention is convened.

(b) Revenue to support the Budget for The Episcopal Church shall be generated primarily by a single assessment of the Dioceses of the Church based on a formula which the General Convention shall adopt as part of its Budget process. If in any year the total anticipated income for Budget support is less than the amount required to support the Budget approved by the General Convention, the canonical portion of the Budget for The Episcopal Church shall have funding priority over any other budget areas subject to any decreases necessary to maintain a balanced Budget.

(c) After the preparation of the Budget, the Treasurer shall, at least four months before the sessions of the General Convention, transmit to the Bishop of each Diocese and to the President of each Province a statement of the existing and the proposed assessment necessary to support the Budget for The Episcopal Church. The Joint Standing Committee on Program, Budget, and Finance shall also submit to the General Convention, with the Budget, a plan for the assessments of the respective Dioceses of the sum needed to execute the Budget.

(d) There shall be joint sessions of the two Houses for the presentation of the Budget for The Episcopal Church; and thereafter consideration shall be given and appropriate action taken thereon by the General Convention.

(e) Upon the adoption by the General Convention of a Budget for The Episcopal Church and the planned assessments for the budgetary period, the Council shall formally advise each Diocese of its share of the total assessments to support the Budget for The Episcopal Church.

(f) Full payment of the diocesan assessment shall be required of all Dioceses, effective January 1, 2019.

(g) Effective January 1, 2016 Council shall have the power to grant waivers from the full annual assessments of Dioceses within the limit established by the General Convention. Any diocese may appeal to Executive Council for a waiver of the assessment, in full or in part, on the basis of financial hardship, a stated plan for working toward full payment, or other reasons as agreed with the Executive Council. Effective January 1, 2019, failure to make full payment or to receive a waiver shall render the diocese ineligible to receive grants or loans from the Domestic and Foreign Missionary Society unless approved by Executive Council.

(h) The Council shall have the power to expend all sums of money covered by the Budget and estimated Budgets approved by the General Convention, subject to such restrictions as may be imposed by the General Convention, including but not limited to the priority declaration set forth in Section 6(c) of this Canon. It shall also have power to undertake such other work provided for in the Budget approved by the General Convention, or other work under the jurisdiction of the Council, the need for which may have arisen after the action of the General Convention, as in the judgment of the Council its income will warrant.

(i) In respect of the Budget for The Episcopal Church, the Executive Council shall have the power to consider and vote to make such adjustments therein, or additions thereto, as it shall deem to be necessary or expedient, and which, in its judgment, available funds and anticipated income will warrant subject to such restrictions as may be imposed by the General Convention. It shall also have power to approve other initiatives proposed by the Chair or otherwise considered by Council, in consultation with the Chair of the Joint Standing Committee on Program, Budget and Finance, between meetings of the General Convention, as in the judgment of the Council are prudent and which the Church revenues will be adequate to support.

(j) Each Diocese shall annually report to the Executive Council such financial and other information pertaining to the state of the Church in the Diocese as may be required in a form authorized by Executive Council.

(k) Each Diocese shall report annually to the Executive Council the name and address of each new congregation, and of each congregation closed or removed by reason of any of the following: dissolution of the congregation;

1. removal of the congregation to another Diocese due to cession or retrocession of geographic territory in which the congregation is located, pursuant to Articles V.6 or VI.2 of the Constitution;

2. removal of the congregation to a new physical location or address, identifying both the location or address from which the congregation has removed, and the successor location or address; and

3. merger of the congregation into one or more other congregations, in which case, the Diocese shall include in its report the names of all congregations involved in the merger, and the physical location and address at which the merged congregations shall be located.

Sec. 7 (a) Every Missionary Bishop or, in case of a vacancy, the Bishop in charge of the jurisdiction, receiving aid from the General Convention Budget, shall report at the close of each fiscal year to the Council, giving account of work performed, of money received from all sources and disbursed for all purposes, and of the state of the Church in the jurisdiction at the date of such report, all in such form as the Council may prescribe.

(b) The Ecclesiastical Authority of every Diocese receiving aid from the General Convention Budget shall report at the close of each fiscal year to the Council, giving account of the work in the diocese supported in whole or in part by that aid.

Sec. 8. The Council, as soon as practicable after the close of each fiscal year, shall cause to be prepared and publish a full report of the work of the Executive Council, the Domestic and Foreign Missionary Society, and the General Convention Office to the Church.
