## EXPLANATION

The 78th General Convention of The Episcopal Church recognized, by the adoption of Resolution C019, that, despite repeated efforts at anti-racism training as well as racial justice and racial reconciliation initiatives including the passage of more than 30 General Convention resolutions dating back to 1952, the abomination and sin of racism continues to plague our society and our Church at great cost to human life and human dignity; and

The 78th General Convention of The Episcopal Church formally acknowledged our historic and contemporary participation in this evil and repented of it; and

That in the wake of the brutal, overtly racist murders of nine of our Christian brothers and sisters of Emanuel African Methodist Episcopal Church on June 17, 2015; numerous inexcusable deaths of unarmed black men and youth at the hands of law enforcement personnel; and the moral atrocity of mass incarceration in which a hugely disproportionate number of persons of color have been unfairly caught in the net of an unjust criminal justice system, the 78th General Convention established as a top priority of The Episcopal Church in the upcoming triennium the challenging and difficult work of racial reconciliation through prayer, teaching, engagement, and action; and

The Church understands that the call to pray and act for racial reconciliation is integral to our witness to the gospel of Jesus Christ and to our living into the demands of our Baptismal Covenant; and

The Presiding Bishop, President of the House of Deputies, Vice President of the House of Bishops,

and Vice President of the House of Deputies were charged to lead, direct, and be present to assure and account for the Church's work of racial justice and reconciliation; and

The above officials worked and published its work entitled **Becoming The Beloved Community: The Episcopal Church's Long-term Commitment to Racial Healing, Reconciliation and Justice**, which directs additional work in the area of Racial Reconciliation.

**Resolution Number:** 2015-A182  
**Title:** Address Systemic Racial Injustice  
**Legislative Action Taken:** Concurred as Amended  
**Final Text:**

*Resolved, That the 78th General Convention of the Episcopal Church recognize that many Episcopalians find it challenging to understand or know how to respond to 21st century systemic racial injustices that still occur in multiple contexts including but not limited to education; employment; housing; health care; banking; voting rights; immigration; policing, courts, and prisons, etc.; and be it further*

*Resolved, That the 78th General Convention affirms that the Gospel, our Baptismal Covenant, and our Marks of Mission call individuals, churches, dioceses, provinces, and the wider Church to find more effective and productive ways to respond to racial injustice as we love our neighbors as ourselves, respect the dignity of every human being, and transform unjust structures of society; and be it further*

*Resolved, That the 78th General Convention declare that “not knowing” and “not having the eyes to see and ears to hear” are serious obstacles to transforming unjust structures and therefore direct the Church at every level for this triennium to commit to increase the use of study, education, research, anti-racism training, liturgies, and Christian formation instruction that specifically address systemic racial injustice; and be it further*

*Resolved, That the 78th General Convention urge the Church at every level to increase the number of dialogues about systemic racial injustice it has with local, state and national bodies within the public and private spheres and that these dialogues be used to identify, examine, and offer correctives to policies and practices within and among these bodies that result in systemic racial disparities and injustices; and be it further*

*Resolved, That the 78th General Convention urge dioceses and congregations to create vehicles for listening to diverse neighbors and developing reconciling relationships; such options might include (a) listening campaigns in local communities, (b) partnerships with churches and organizations comprised predominately of a different race or culture (especially those targeted by oppression), (c) neighborhood prayer walks, (d) storytelling and speak-out events designed to facilitate truth-telling, healing and action, (e) and others with which leaders throughout the Church are familiar; and be it further*

*Resolved, That the 78th General Convention encourage Justice and Advocacy Ministries to partner with other church offices and organizations as appropriate to host, resource, and moderate an ongoing online forum for Episcopalians dedicated to the ministry of racial justice and reconciliation, with spaces dedicated to sharing about local and diocesan efforts and resources; and be it further*

*Resolved, That the 78th General Convention encourage Justice and Advocacy Ministries to partner with Youth Ministries to commission a gospel-centered, Internet-integrated, action-oriented, anti-racism youth ministry curriculum for congregations throughout The Episcopal Church, including those not in the United States, to be provided in English, Spanish and Haitian Creole; and be it further*

*Resolved, That the Standing Commission on Liturgy and Music produce and post online a set of prayers for racial reconciliation and justice, suitable for inclusion in the Prayers of the People; and be it further*

*Resolved, That the 78th General Convention urge the Executive Council to conduct its own internal audit to assess to what extent, if at all, racial disparities and systemic racial injustices exist within the Church (including but not limited to clergy salaries and deployment); and be it further*

*Resolved, That the 78th General Convention request that the Executive Council report back to the 79th General Convention on the results of the internal audit; what concrete steps it and the wider Church took to address systemic racial injustice in the wider culture; and how effective those steps were.*
