## EXPLANATION

This Task Force is being created to study and propose the use of human resource best practices to address some of the concerns the Church, dioceses, complainants, and respondents are having with the current Title IV procedures. These issues include: the time and expense of handling Title IV matters, unfunded legal costs to clergy-respondents, the influence publicity regarding proceedings, concern over complainants' ability to easily access proceedings and fully participate in presenting their claims, the lack of guidelines for discipline, and the inability to implement progressive discipline as clergy move between dioceses.

**Resolution Number:** 2006-A153  
**Title:** Create a New Title IV Task Force  
**Legislative Action Taken:** Concurred as Substituted  
**Final Text:**

*Resolved, That the 75th General Convention express its sincere and abiding appreciation and gratitude for the diligent, intensive, and dedicated work and leadership of the Task Force on Disciplinary Policies and Procedures (“Task Force I”) since 2001, in the research, drafting, listening, and communicating of and about its work to develop a comprehensive revision to Title IV of the Church Canons, so that our Canons on discipline reflect our ecclesiology and theology; and be it further*

*Resolved, That the 75th General Convention endorse the principles and values expressed in Task Force I’s proposed new Canon IV.1:*

**By virtue of our Baptismal Covenant, all members of this Church are called to holiness of life and accountability to one another. The Church and each Diocese shall support their members in their life in Christ and shall hold one another accountable as provided in this Title; and be it further**

*Resolved, That the 75th General Convention acknowledge that the work of Task Force I requires further work, reflection, and perfection; and be it further*

*Resolved, That Resolution A153 and the work of and documents from Task Force I be referred to a new Title IV Task Force (“Task Force II”) of twelve persons comprising: three members appointed by the Standing Commission on Constitution and Canons, three members appointed by the Standing Commission on Ministry Development, and six other members, to include three members of Task Force I, jointly appointed by the President of the House of Deputies and the Presiding Bishop. Task Force II shall be charged to complete and perfect this vital work, continuing the focus on the following critical goals, concerns, and values:*

1. **Reflect the values, ecclesiology, and theology of the Church;**
2. **Move Title IV towards a reconciliation model for all appropriate circumstances;**
3. **Encourage the prompt resolution of conflicts in the Church and the reconciliation of persons involved in those conflicts at the earliest appropriate time and the lowest appropriate level of the Church;**
4. **Consider the possible inclusion of certain Lay Persons in Title IV whose office or other leadership role makes inclusion appropriate, provided the treatment of their accountability and discipline is commensurate with their lay status, responsibilities, and commitments;**
5. **Maintain the historic pastoral role and canonical authority of Bishops; and**
6. **Respect the roles, rights, and integrity of those persons subject to Title IV, and of injured persons, communities, Parishes, Missions, Congregations, and the Church; and be it further**

*Resolved, That Task Force II meet during the next triennium, giving the Church due notice of its meetings; that it make available such periodic reports of its work as will best inform the Church of its activities; and that it make a final report, with a proposed Title IV revision along with explanatory and educational materials, to the 76th General Convention not later than January 1, 2009; and be it further*

***Resolved, That the 75th General Convention consider a budget allocation of \$60,000 for the implementation of this resolution.***
