RE: Recommendations for Membership on the Official Dialogue

FROM: Canon David Veal, Chair of the Steering Committee

Enclosed is some biographical material on persons who have been suggested to us for consideration for membership on the official dialogue. Remember, we will simply make a proposal to the Standing Commission on Ecumenical Relations and the Commission will in turn make a recommendation to the Presiding Bishop. The official dialogue team will be appointed by the Presiding Bishop at his discretion.

Four bishops have been suggested to us, seven presbyters (including 3 seminary profs), and only one lay person. I am hoping our North Carolina folks can come up with some more lay persons.

See you in Winston Salem on the 19th.
