Subject: RE: Standing Commission on Liturgy and Music

Dear Ruth,

This one, too, was in my spam box. At least this time I knew to look for it!

I have an email query out to a person to serve as liaison, as you have requested.

And I do permit the use of "I Will Bless You." The document attached details the guidelines for use in Missouri, which I drafted in consultation with a small group of stakeholders.

My spam filter and I both apologize to you.

Wayne Smith
Bishop of Missouri
