Dear Ruth:

In reference to your question:

We have been doing same sex blessings in the Diocese for many years. The Bishop is reporting the month after GC we authorized sacramental marriage of same sex couples, and we commended this liturgy (below) with appropriate adaptation for marriage.

.I hope this helps,

Margaret

Hi Margaret,

In addition, the commission would like to know whether you have authorized the liturgy “The Witnessing and Blessing of a Lifelong Covenant” for use in your diocese and to receive copies of or links to any letters or documents you have issued.

Grace and peace,

Ruth
