Ruth+,

We are in the process of developing guidelines. The guidelines will be sent to all clergy with cure, shared in our online clergy newsletter (the Aurora), and posted to a new page of our website which we are developing for this purpose.

Once we have finalized the guidelines and disseminated them as described above, I will send you a copy. You are welcome to read the special message from the Bishop which we shared diocesan wide:

Subject: Standing Commission on Liturgy and Music

Dear Barry,

Earlier this year I requested and you sent guidelines you've issued for the use of the blessings liturgy authorized by General Convention last summer. As the legal situation in California has changed, if you issue any additional or revised guidelines, please send me a copy (or Brian Baker, your contact person, can do so on your behalf).

Thanks.
Ruth
