Subject: Re: Standing Commission on Liturgy and Music

Dear Prof. Meyers;

We are planning to use the rites authorized at General Convention beginning later this month after Diocesan Council consents to the guidelines that I have had written. I think the best person to contact regarding our use would be The Ven. Jan Grinnell our Archdeacon and the chair of our Task Force on Same Sex blessing guidelines. I've copied her on this email. Her address is Jan.Grinnell@grinnellac.com
